AGREED PLAN TO SAFELY RE-OPEN

Licensee:	PMG Incorporated d/b/a: McGee's Tavern & Grille
Premises:	950 W. Webster Avenue Chicago, IL 60614
Application Type:	Tavern, Retail Food, Public Place of Amusement & Outdoor Patio
Account Number:	10789
Site:	1

Pursuant to the City of Chicago Municipal Code Section 4-60-040(h), the City of Chicago Department of Business Affairs and Consumer Protection, the Local Liquor Control Commission and the above-named Licensee have agreed to the following conditions in this Agreed Plan to Safely Reopen ("Plan"), to assure that the continued operation of Licensee's business will not cause a deleterious impact on the health, safety and welfare of the community.

1. **Capacity, Prohibited Gatherings & Social Distancing:** Licensee shall strictly enforce the current prohibition on indoor dining and all other requirements of Order of the Commissioner of Health of the City of Chicago No. 2020-9 and No. 2020-11. All outdoor seating tables shall be stationed at least six (6) feet apart. The largest tables shall be limited to six (6) people per table (or lesser amount as may be required by applicable law or ordinance) while maintaining standard social distancing requirements. Employees shall be responsible for monitoring occupancy. Except during ingress and egress, and utilizing washrooms and hand sanitizing facilities, Licensee shall require all customers to remain seated. Once indoor dining is permitted, Licensee shall comply with all applicable governmental laws, ordinances, rules, guidelines and orders that may be in force from time to time, governing indoor dining.

2. **Encouraging Limited Interactions**: Licensee shall encourage cashless payment methods, encourage reservations to minimize waiting and facilitate time to clean and sanitize upon new seating, encourage patrons to wait in vehicles or outdoors until they may be seated, and seat patrons immediately and limit patrons waiting in lines and or gathering in groups. In the event that the Premises shall reach maximum capacity, Licensee shall employ a sufficient number of personnel with appropriate training to supervise any customers waiting in line to enter the Premises. Said personnel shall monitor and supervise compliance with, and enforcement of, the health and safety measures, including the wearing of masks over nose and mouth and social distancing requirements. If any of those waiting in line are not willing to comply with said health and safety measures, Licensee shall ask those individuals to leave.

3. **Customer and Employee Entry to Establishment:** Licensee's staff shall ensure that all persons (patrons, non-patron and staff) entering the Premises, other than those with a medical condition preventing the proper wearing of a mask, have and wear a mask upon entering the Premises. If a patron does not have a mask, Licensee shall provide the patron a mask free of charge. All persons shall have their temperature taken upon entry to the Premises. If any person has a fever (a temperature of 100.4 degrees Fahrenheit or higher) Licensee shall deny such person entry to the Premises. Those persons that display any COVID-19 symptoms shall also be denied entry. Licensee's employees shall be required to self-identify symptoms before leaving home and stay at home if symptomatic. Further, Licensee employees will be subject to a self-screening protocol which includes answering the following questions: (i) Have you had a body temperature over 100 degrees Fahrenheit or have you used a fever reducer in the previous 24 hours to treat a body temperature over 100 degrees Fahrenheit?; (ii) Do you have a new sore throat that you cannot attribute to another health condition?; and (iii) Do you have new shortness of breath that you cannot attribute to another health condition? All employees' temperatures shall be taken when they arrive for their shift. Employees with a fever as defined above or that otherwise exhibit symptoms of illness or that report that they are not feeling well shall not be allowed to come to work or remain at work. Should any employee test positive for COVID-19 or come in close contact with someone that has tested positive for

COVID-19, Licensee shall not allow that employee to remain or come to the Premises. Licensee shall also inform fellow employees of their possible exposure but maintain confidentiality as required by the Americans with Disabilities Act. Licensee shall instruct all other employees to self-monitor for symptoms. Licensee shall identify where the infected employee worked, as well as those individuals, including colleagues, customers, visitors, and vendors, who the infected employee came into contact with during the fourteen (14) days prior to testing positive or first displaying symptoms.

4. **Hand Washing & Sanitization**: Five (5) sanitization or hand washing facilities shall be made readily available to each customer at all stations located throughout the Premises and any outdoor seating. In addition, Licensee shall provide supplies and accommodations that allow employees to follow handwashing and other sanitation procedures and require employees to follow such procedures at reasonably regular intervals. Employees shall receive training on how to wash their hands. All staff shall be reminded during daily pre-shift meetings that hands must be washed at least every 30 minutes, and more often as required (e.g. contact with contaminant splash, surfaces, or items). Licensee shall implement a zero-tolerance policy for staff members who do not abide by these handwashing and sanitation requirements.

5. **Protective Gear**: In all common spaces of the Premises (indoor and outdoor, and bathrooms) where customers are permitted, face coverings shall be worn (covering nose and mouth) by all customers or others visiting the Premises (except in those situations where otherwise permitted by applicable law, ordinance or government mandate). Customers shall be permitted to remove their masks only while seated and actively eating and/or drinking. Licensee shall ensure that every employee who interacts with customers is able to medically tolerate a mask and is wearing a mask for the duration of their shift. Employees shall receive training on how to wear and property remove PPE, shall be provided gloves in accordance with standard food handling guidelines, and Licensee shall ensure any dishwashers have access to equipment to protect eyes, nose and mouth from contaminant splash (face coverings, protective glasses, and/ or face shields).

6. **Visual Guidance**: Licensee shall maintain and provide visual guidance throughout the Premises on hygiene standards for customers and employees and entry requirements including social distancing and floor markers. Licensee shall post outside the Premises non-verbal agreement, guidelines and/or criteria for customers to enter the Premises. Licensee shall clearly mark any area (waiting lines, restrooms, etc.) where customers or employees line-up with appropriate physical distancing guidance. Licensee shall provide signage for any third-party delivery services on its process for picking up orders, and if practical, Licensee shall use digital messaging or communication boards for pre- shift communications.

7. **Cleaning & Sanitation**: Licensee shall thoroughly clean and sanitize its high-touch areas and other surfaces in the Premises. Licensee shall thoroughly clean and sanitize its Premises prior to opening and upon opening throughout the day. High-touch front- of-house areas will be sanitized every thirty (30) minutes and back-of-house areas will be sanitized between tasks. Bathrooms will be monitored, cleaned, and sanitized regularly. Staff shall be trained to ensure safe and proper application of disinfectants. Licensee shall provide disposable table items where possible (i.e. menus, containers, condiments), clean and sanitize non-disposable table items after each use (e.g. menus, containers, tables, chairs) and if practical, use fixed menu boards or digital menus.

8. **Hours of Operation**: Licensee may be open to the public and shall only operate its business during the legally permissible hours of operation under its then current licenses in accordance with the Chicago Municipal Code and any and all other applicable governmental laws, ordinances, rules, guidelines and orders that may be in force from time to time. Closing time for outdoor seating, under current mandates is 11:00 p.m.

9. **Revised Requirements**: To the extent any or all of the provisions, laws, rules, regulations, guidelines, orders, and/or provisions applicable to and imposed on Licensee and its business by the State of Illinois and/ or the City of Chicago (collectively the "Requirements"), including those Requirements enacted as a result of as a result of COVID-19, are revised the Licensee shall thereafter comply with such revised Requirements, and so long as Licensee shall be in compliance

with said revised Requirements the Licensee shall not be deemed to be in default of its obligations under this Plan. When, as, and to the extent any or all of such Requirements (including those requiring social distancing, requiring face coverings to be worn over nose and mouth, and forbidding prohibited gatherings) are rescinded Licensee shall no longer be required to comply with same. The operation of Licensee's business and all other conditions of the Licenses are and shall continue to be governed by the Chicago Municipal Code, as may be amended from time to time.

The conditions of this Plan are legally binding and may be enforced by the City of Chicago enforcement authorities under Section 4-60-040 (h) of the City of Chicago Municipal Code. Violation of the above-stated conditions may result in the imposition of a fine and/or suspension or revocation of all the Licenses issued to Licensee and may also result in the issuance of Cease-and-Desist Orders prohibiting the activity giving rise to the violations.

The conditions of this Plan shall apply to the Premises, to Licensee and to all officers, managers, partners, and direct or indirect owners of Licensee. The sale of the business to other persons purchasing the shares of stock of Licensee does not void this Plan or the conditions placed on Licensee. All potential new owners of Licensee shall be subject to the same conditions set forth in this Plan.

It shall be the duty of Licensee and every person conducting, engaging in, maintaining, operating, carrying on or managing the Premises to post the Plan next to the Licenses in a conspicuous place in the Premises.
