Re: Application Number: 22203—Planned Development Application
3729 W. Leland Ave—North River Elementary School and ASPIRA Haugan Middle School
Applicant: Board of Education of the City of Chicago (Board)

August 8, 2023

Dear Chairwoman Flores and Chairman Ramirez-Rosa:

I am writing to indicate my support for the Planned Development Application filed by the Board for the North River ES and ASPIRA Hagan MS site. This is simply a request by the Board to install a 17 square foot dynamic image display sign and retain its existing signage within the School's entryway on W. Leland Ave. No changes to the School's enrollment, staffing or operations are proposed at this time. I believe the proposed sign will enhance the School's outreach efforts by providing another layer of communication for area residents about school functions and activities and other relevant community information such as Amber alerts.

There is minimal concern that it would become a nuisance and strong consensus that it would benefit the community. Accordingly, I support the Applicant's efforts and urge the Plan Commission and Committee on Zoning to recommend and approve this application.

If you have any further questions you may contact my office at 773.840.7880.

Sincerely,

Rossana Rodriguez-Sanchez, 33rd Ward Alderwoman
