ATTESTATION AND ACCEPTANCE OF SIDEWALK CAFÉ PERMIT EXTENSION TERMS

Please check all boxes. Failure to complete this section will prevent your Permit Extension from being processed.

ACKNOWLEDGEMENTS:

- ☐ I hereby acknowledge that I have received, read and understand the updated Rules and Regulations for Sidewalk Cafés, which govern operation of a sidewalk café, including during the extended Permit season of December, January and February.
- ☐ I acknowledge that the Site Plan for my already-permitted sidewalk café will remain unchanged.
    - If any changes are being proposed to the approved Site Plan, a new permit application would need to be submitted and approved by the City.
- ☐ I am providing the Department of Business Affairs and Consumer Protection with a copy of the current Certificate of Insurance and policy endorsement page showing insurance coverage for the duration of the sidewalk café season (through February 28, 2019), as well as showing the City of Chicago as an additional insured party.
- ☐ I understand that failure to adhere to all conditions imposed in connection with the Sidewalk Café Permit may result in the revocation of that Permit.
- ☐ I hereby attest that all information that I have submitted in connection with my Permit Extension application is true and accurate.
