Re: Request for Emergency Authorization for Landscape  
Services - Region 3 Facilities

Date: May 1, 2006

---

The Department of General Services has an immediate need for landscape services at facilities located within **Region 3** of the Comprehensive Landscape Services specification (No. 1877). These services are necessary for the basic upkeep of the facilities pending analysis of bid tabulations submitted for the spec above. Accordingly, the Department of General Services is requesting emergency authorization for this purchase in the amount of **\$49,918.50**. This amount includes routine monthly maintenance, optional landscaping upgrades and the addition of unknown future facilities to the region.

Attached please find three price proposals. We are recommending that this contract be awarded to **The Brickman Group, Ltd.**, the lowest responsible and responsive bidder for this region for the amount listed above.

Please contact Bill Kelly at 744-6043 if you have any questions.

I certify that this emergency poses a clear and imminent danger, requiring immediate procurement of services, supplies or equipment to prevent or mitigate the loss or impairment of life, health, property, or essential public services and would not have been avoided by due care and diligence.

Thank you for your assistance.

Monthly maintenance services performed by the contractor at all Department of General Services (DGS) facilities will be bid at a Lump Sum price per month. DGS will determine the frequency of visits per month and per site as specified in the attached Site List

All supplies and services listed will be provided by the contractor each time the facility is visited during the respective month. The Lump Sum price will include all labor, supplies, equipment, transportation, fuel and any other additional expenses required to perform the listed services. Note: Mutch and fertilizer will be included in the unit price for routine monthly maintenance in May.

Instructions for Completing Proposal Pages:

1. Enter the amount bid per month.
2. Calculate the Total Bid Amount for Existing Facilities within the Region by adding all amounts bid per month.
3. Enter amount bid per square foot for the respective month's lump sum service requirements at unknown future facilities. Multiply the "Bid Amount per Square Foot" by the "Estimated Quantity" and enter the Extended Price.
4. Add the "Extended Price" lines for each month and enter the sum for "Total Bid for Unknown Future Facilities".
5. Enter the bid amount for each line of Optional Additional Services and Commodities. Multiply the Bid Amount x the Est Quantity for the Extended Price for each line.
6. Add the total bid price by adding the "Total Bid for Existing Facilities" + "Total Bid for Unknown Future Facilities" + Total Bid for Optional Additional Commodities and Services" = Total Bid for Region.
