JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECT

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: CDOT # 03-38-6-001 / JTP2⁶⁹~~52~~⁶⁰¹A
Project #: T-4-003
Project Name: Sacramento Phase II Tuckpointing
Project Location: 3100 South Sacramento

- 1. Please describe the major features of this project:**
This is the second phase of the building tuckpointing & masonry repair. This repair is necessary for the safety of city employees and public.
- 2. Please explain why this project could not be bid using the City's traditional bid process and the need to use JOC procurement method .**
The timeliness involved in completion of the masonry repairs are directly related to the safety concerns of the masonry walls.
- 3. If this project is a one trade project, please provide additional explanation of why it would be in the City's best interest to do the project under JOC.**
This is a multi trade contract.
- 4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:**
We do not anticipate over 25 % NPP items.
- 5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.**
The city does not have a term agreement for tuckpointing and masonry repairs.
