Specification Number: 21865
Funding Source: 05-480-81-2030-8019-0540-48008151

Dear Ms. Dempsey:

We request that the above referenced project be contracted under the Job Order Contracting (JOC) Method. Attachment A describes the scope of work and the appropriateness for using JOC for this project.

Please direct all technical inquiries to Project Manager Kevin McDonnell at 312-746-4058.

If you concur with our recommendation, please sign below and return a copy for our files.

Sincerely,

John Nomikos
Acting Deputy Commissioner

ATTACHMENT A

Project Number: J04-078.A Department: Streets and Sanitation
Project Manager: Kevin McDonnell Telephone No: 312-746-4058

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed projects please complete items 1 and 2 below. As appropriate, complete items 3 through 5. NOTE; The following documents must be attached to the MOA:
1.) A cost estimate 2.) This Attachment A.

1. Please describe the major feature of this project.

This is the 28th project in the 2005 Mayor's Office New Residential lighting program. All wards will get two (2) blocks of new lighting. This project is in the 9th Ward on Calumet from 10500 to 10700 south. This project is and B.O.E. will supply davit poles, and piggyback fixtures which City Lights will install. City Lights will supply helix foundations, directional bore conduit, install handholes and supply all material and equipment needed.

2. Please explain why this project could not be bid using the city's traditional process and the need to use the JOC procurement system.

The Bureau of Electricity had planned to do this project with City Forces, but due to our work load, we can't do it in a timely manner. The Bureau of Electricity can't use the traditional bid process because of the time frame involved. The Bureau of Electricity established JOC to help us manage these situations when they occur.

3. If this project is one trade project please provide additional explanation of why it would be in the City's best interest to do the project under JOC.

Multiple trades involved.

4. If the proposed project is less than \$200,000 the amount of non pre-priced work must be less than 25%. If the proposed project is valued at \$200,000 or more the amount of non pre-priced work must not exceed 15%. Please explain if it is anticipated if these limits will be exceeded.

N/A.

5. If some elements of the proposed JOC project scope of work are covered by City term agreements, these elements should be removed from the JOC projects scope of work. If it is not desirable to do so, please explain.

N/A.
