Can this request be completed by one of the following:

- | | | | | | |
|---|-----------------|-----|--------------------------|----|-------------------------------------|
| 1 | In-House Trades | Yes | <input type="checkbox"/> | No | <input checked="" type="checkbox"/> |
| 2 | Term Contract | Yes | <input type="checkbox"/> | No | <input checked="" type="checkbox"/> |
| 3 | Competitive Bid | Yes | <input type="checkbox"/> | No | <input checked="" type="checkbox"/> |

If No, for any of the above please explain:

Presently, the DGS trades are consumed by several large high profile projects which prevent their participation in this project. There are no term agreements in place to perform this work, and this project can be completed without the traditional bid/spec documents required for the competitive bid process.

JOC Approval Letter
Utilizing JOC For City Construction Projects

19th District (Area 03)
2452 W. Belmont Ave.

Project No: JV5-045.A

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

Reconfigure the mens locker area to construct a female locker / shower room facility.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

The present male vs. female staffing levels at this district have negatively impacted the operational efficiency, thus dictating the need for prompt action. The JOC process allows for quick mobilization with a minimum construction period.

3. If the project is a one trade project, please provide additional explanation of why it would not be in the city's best interest to do the project under JOC.

This is a multi-trade project (carpenters, masons, electricians, plumbers, painters & HVAC.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

No NPP items will be used in this project.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.

There are no term agreements in place for any of the major elements of this project.
