Subject: CPL donation of "nook"

Steve,

As per your advise I called the Chicago Public Library and they found a use for the "nook". So to recap I attended a parking conference on Monday March 19th 2012. I was given a bag with literature for the conference and a Barnes and Noble nook. I accept the gift on behalf of the City of Chicago and have donated the nook to the Chicago Public Library. It was delivered and accepted on Wednesday March 21st 2012 at the Harold Washington Library.

thank you
