To: CPC <CPC@cityofchicago.org>

[Warning: External email]

I support the project administered by First-Tee Greater Chicago in the project to enhance the Waveland Youth Facility at Sydney Marovich Golf Course in Chicago.

Having a quality facility for kids in Chicago to learn about golf in a safe environment is so important in today's world. Kids need place to relax and being outdoors golfing is a great way to help them cope with the stresses of the day.

Best Regards,

Bill Cullerton

First Tee -- Marovitz

[Warning: External email]

I support the First Tee initiative to restore and improve the Clock Tower and grounds at Marovitz -- still an underutilized Part District asset. The beautiful, historic, spacious Marovitz parkland harbors further potential to please all ages, and, in particular, can serve as a welcoming spot for young people learning about the happy opportunities of maturity.

[Warning: External email]

Hello, we are life long Chicago residents, golfers and all our kids have participated in First Tee and CPD golf programs. We have respect for both organizations and are excited to hear that they are creating a new youth facility behind the clocktower building next to Sydney Marovitz Golf Course.

We strongly support Phase Two of the project: building the outdoor practice area, which includes a new putting green for golfers at Marovitz to use.

This is such a wonderful no -profit program. Glad they are expanding and will reach even more underserved kids.

Thank you.

Christina Ranvik 312-806-7045

To Whom It May Concern:

My name is Corissa Landphair, and I wanted to reach out to you and let you know what a terrific job you are doing at the new Waveland Youth Facility. You have truly transformed the area to provide children in Chicago with a safe, healthy, supportive outlet through the First Tee program. I hope you will continue to support this facility and all the wonderful work First Tee of Chicago is doing in our community.

Sincerely,
Corissa Landphair

Good morning,

I am a local resident that regularly uses the Chicago Parks and golf courses. I play in the men's league at Sydney Marovitz. A few weeks ago we were given a tour of the upgraded facility and it was impressive. I write to you to show my support for the First Tee program.

Thank you for supporting the sport and introducing youth programs.

Loren Ahlgren

[Warning: External email]

I wholeheartedly endorse First Tee Chicago's mission of providing the city's youth a safe space to learn about the great game of golf, which mirrors life in so many ways. I've played golf more than 35 years, and I can vouch for the sport's inherent ability to not only build character, but reveal it. My wife picked up the golf several years ago, and it's given her a means to meet new people and network within her industry.

The underused facility at Sydney Marovitz is a wonderful location for this endeavor.

Thanks for your consideration.

I'm writing in support of the proposed golf practice area from the perspective of a parent, golfer, and sustainability professional. First Tee is a fabulous organization that teaches kids life lessons through golf. My daughter has participated in several courses, which have improved her skills and interest in the game.

Sydney R, Marovitz is one of Chicago's most beautiful golf courses and would be enhanced by adding practice amenities, enticing more golfers to experience golf and patronize the golf shop and café. New patrons will also be introduced to the park and the bird sanctuary gaining an appreciation for the City's conservation efforts.

Friends,

I support the improvements being proposed by First Tee to the building and grounds near the Clock at the Marovitz Golf Course. I believe they will improve this historic facility and provide youth golfers with a world class facility and opportunity to learn how to play golf. The area in question is adjacent to the building and has not been used much as a recreational facility. I urge you to approve this worthwhile development.

Thank you,

Curt Wiley

[Warning: External email]

I am writing in support of the Chicago First Tee program. I have participated with First Tee initiatives in other cities where I've lived and found them to be excellent tools to help young people develop skills (independent of golf) which help them throughout their lives. The Chicago program and the development at the Marovitz Golf Course are a great example of learning programs for our youth. I hope you will support their initiative.

As a resident and business owner on the North side, I am voicing support for this project. The course has continually improved over the past years and it is a local gem. I raised 3 boys on the North side, and we have enjoyed this facility immensely. I would have loved a local option for instructions and practice on the lakefront. Great use of underused space, wonderful learning facility for city kids and an improvement to a local treasure.

[Warning: External email]

I strongly support this project. First tee is a great organization that reaches underserved youth using innovative approaches. Teaching kids discipline, self reliance and honesty using golf as the medium has successfully helped thousand of kids throughout the country.

The investment also improves the waveland facility, the crown jewel of the Chicago public golf courses. A win win for all.

To: CPC <CPC@cityofchicago.org>

[Warning: External email]

Hello,

I'm writing to express my support for the Waveland Youth Facility by First Tee. As a long time golfer, avid user of the Sydney Marovitz Golf Course, the surrounding tennis courts and lake front path I think this would be a great addition to the area. At risk, and youth in general do not have enough opportunities to participate in golf and I think this a great way to start.

Thank you,

Susan Fritz
