

# Christmas fun in Ashburn

Not even a temporary power outage at Dooley Park could keep Santa and Mrs. Claus (18th Ward Ald. Derrick Curtis and his wife, Cherise) from spreading Christmas cheer to Ashburn area boys and girls, moms and dads last Saturday at a Winter Wonderland Holiday Fun Festival. Several hundred people came out to the event, co-sponsored and staffed mostly by members of Transformation Church International, and enjoyed free food, music, dancing, gifts, Christmas crafts, gingerbread house construction and more. — Southwest News-Herald photos by Tim Heclac
