Santa shakes it

Santa Claus (18th Ward Ald. Derrick Curtis) spent little time on his throne and plenty of time mixing it up with Ashburn area boys and girls, moms and dads at a Winter Wonderland Holiday Fun Festival held last Saturday at Dooley Park, 77th and Homan. Several hundred people came out to the event, co-sponsored and staffed mostly by members of Transformation Church International. More photos on page 11. — Southwest News-Herald photo by Tim Hadac
