A Transportation Network Provider (TNP) company, also referred to as a "rideshare" company, provides prearranged transportation services for compensation through an Internet-enabled application or digital platform connecting passengers with drivers of vehicles for hire.

### App Requirements
- Rides must be requested via an app.
- Payment for TNP ride fare must be via the app only and NOT cash.
- Photo ID of Driver coming to pick up the passenger(s).
- Photo of the vehicle and vehicle information.
- Option to get a dollar quote for ride before requesting ride.

### Vehicle Requirements
- **WINDSHIELD:** The company decal sticker or trade dress should be visibly displayed on car.
- **DASHBOARD:** The City of Chicago issued TNP vehicle emblem should be on the passenger side dashboard.
- **ON DRIVER:** Driver must have a TNP issued driver ID, a copy of TNP Terms of Service agreement, documentation of vehicle inspection, and certificate of insurance along with a certificate of personal auto insurance.
- **EXTERIOR:** Distinctive signage for TNPs operating specifically at Chicago Airports, McCormick Place, and Navy Pier.

### Stay Safe and Remember:
- Rides must be requested via an app.
- A TNP cannot be street hailed.
- A TNP may not solicit passengers.
- A TNP should not request cash payment.
