Things to Know as Parents

Approximately 79% of America’s middle and high school students participate in activities both after school and on weekends.

**Children’s Services Facility License** - any business whose primary business activity is to provide recreational, cognitive or educational activities to children 17 or younger should be licensed.

**Choose a Licensed Public Vehicle Company** - School buses, charter buses and any other approved vehicle transporting school children grade 12 or below must have a permit and properly classified driver’s license.
