DBA: Nola Cafe

Business Address: 3481-3483 N. Clark St., Chicago, IL 60657

Application Type: Consumption on Premise-Incidental Activity License

The City of Chicago Department of Business Affairs & Consumer Protection (BACP), Local Liquor Control Commission (LLCC) and the above named licensee have agreed to the following license conditions concerning the operation of the business:

1.) Business Operations and Hours: Nola Cafe is located at 3481 N. Clark Street (between Eddy Street and Newport Street in Chicago's Lakeview neighborhood). The business will operate as a restaurant with incidental alcohol sales and will be open seven days a week. Lunch and dinner will be served from 11:00 a.m. to 2:00 a.m. Sunday through Friday and 11:00 a.m. to 3:00 a.m. on Saturday. The business premises have a total of 2,000 square. Last call for alcohol will be done 45 minutes prior to the kitchen closing. Additionally, the business will not operate a patio.

2.) Employee Responsibilities: Our staff members will regularly attend local CAPS and other regularly scheduled community meetings. All wait staff having any responsibility for any alcoholic beverage will be required to attend regular, mandatory, in-house meetings to reinforce responsible server training, to disseminate information provided at CAPS meetings, to discuss security protocol and to review our alcoholic beverage service policies. Our employment policies dictate a "zero tolerance" on service to minors and visibly intoxicated persons. All employees understand their employment will be terminated should they fail to abide by all of its provisions.

3.) Security Personnel: Due to the high volume of patrons in the Wrigleyville neighborhood, Nola will have security personnel on Friday and Saturday nights from 9:00 p.m. to close. The responsibility of the security personnel will be to check identification of all patrons entering the premises regardless of age and to also assist in dealing with unruly and/or
intoxicated patrons. Security personnel will be charged with maintaining order on the public way (i.e., abate loitering, prevent alcoholic beverages leaving Nola, ensuring acceptable exterior noise levels, etc.). Any identification found to be either tampered with or falsely produced will be withheld by management and forwarded to the police in a timely manner.

4.) **Security System:** The premises will have an operational security system in place in order to protect the building from intruders at night and also a camera system to monitor staff and patron interaction. There will be cameras at various locations throughout the premises. There is an additional fire door and exit door security system.

5.) **Dealing with Intoxicated Patrons:** All staff will obtain a BASSET certificate before serving any alcohol. If a patron either arrives intoxicated or becomes so on site, all serving personnel will be instructed to advise management of the situation. Management will then advise the patron that they will no longer be served and will be offered assistance in getting a taxi home. Patrons will also be observed as to whether they attempt to drive under the influence. If so, efforts will be made to dissuade and stop the patron from doing so. If these attempts fail, police will be notified immediately.

6.) **Handling of Unruly Patrons:** Any unruly patrons will be asked to leave the premises. If patrons become involved in a physical fight local police will be called and patrons will be denied entry to the location on any future visit.

7.) **Law Enforcement:** Police will be called in a timely manner any time management or staff has information regarding any illegal activity that has already been committed or about to occur. Instances include, but are not limited to physical harassment of patron or staff member; sexual harassment of patron or staff member; fights; underage persons attempting to purchase or consume alcoholic beverages; any activity suspected of being drug-related; any illicit or illegal sexual activity (e.g., solicitation).
