

How to Search Business Owners on the City of Chicago Data Portal

1. To access the owner information for all accounts listed in the Business License Dataset, click:
<https://data.cityofchicago.org/Community-Economic-Development/Business-Owners/ezma-pppn>
 - a. Click [here](#) for Business License Dataset for account numbers.
2. Enter a search query (Account Number, Legal Name, etc.) into the box containing the words 'Find in this Dataset'

3. Hit enter, and search results will populate. For more help on the search function within the City's Data Portal, watch this quick video: <http://support.socrata.com/entries/494152>
