In a proceeding to suspend or revoke the license of a vacation rental that is or creates a nuisance under this Section 4-6-300(j)(2)(iii), any evidence on which a reasonably prudent person would rely may be considered without regard to the formal or technical rules of evidence, and the commissioner may rely on police reports, official written reports, affidavits and business records submitted by authorized city officials or employees charged with inspection or enforcement responsibilities to determine whether such illegal acts or objectionable conditions occurred. If, during any 12-month period three separate incidents of illegal acts occur on the licensed premises, on or in the licensed premises' parking facility, or on adjacent property, a rebuttable presumption shall exist that the vacation rental is or creates a nuisance in violation of this Section 4-6-300(j)(2)(iii); or

(iv) *Scofflaw or problem landlord.* When a vacation rental is listed on, or is located in a building that is listed on, the city's Building Code Scofflaw List or Problem Landlord List pursuant to Section 2-92-416; or

(v) *Threat to public health, safety or welfare.* When the commissioner determines that the continued rental of a vacation rental poses a threat to the public health, safety or welfare; or

(vi) *Unlawful discrimination.* When, in connection with the listing for rental or rental of a vacation rental, the commissioner or Chicago commission on human relations has determined that a violation of Section 2-160-070 or Section 4-6-300(h)(13), as applicable, has occurred.

(k) *Penalty.*

(1) *Fines and other applicable penalties.* Except as otherwise provided in this section, and in addition to any other penalty provided by law, any person who violates this section or any rule promulgated thereunder shall be subject to a fine of not less than \$1,500.00 nor more than \$3,000.00 for each offense. Each day that such violation exists shall constitute a separate and distinct offense.

(2) *Exceeding rental restrictions.* If the rental restriction applicable to buildings containing more than five dwelling units imposed under Section 4-6-300(d)(1) is exceeded in any building, all vacation rental licenses and shared housing registrations for dwelling units located within such building are subject to revocation under this chapter.

(3) *Injunctive relief.* In addition to any fine or penalty imposed by this section, the corporation counsel may seek an injunction or other equitable relief in a court of competent jurisdiction to stop any violation of this section.

(4) *Duration of revocation.* If a vacation rental license under this section is revoked, such revocation shall remain in effect for a period of at least two years from the date of revocation and thereafter until such time that a new owner or tenant, as applicable, other than a family member of the person whose license was revoked, occupies the dwelling unit.

(l) *Vacation rentals - Commissioner's adjustments - When authorized.*

(1) The commissioner is authorized to grant an adjustment to allow:

(a) issuance of a license to a vacation rental located in:

(i) a single family home that is not the applicant's primary residence; or

(ii) a building containing two to four dwelling units, inclusive, where the dwelling unit is not the applicant's primary residence;

(b) in a building containing two to four dwelling units, inclusive, an increase in the number of dwelling units that may be used as vacation rentals.

Such an adjustment may be approved only if, based on a review of relevant factors, the commissioner concludes that such an adjustment would eliminate an extraordinary burden on the applicant in light of unique or unusual circumstances and would not detrimentally impact the health, safety, or general welfare of surrounding property owners or the general public.

Factors which the commissioner may consider with regard to an application for a commissioner's adjustment include, by way of example and not limitation: (i) the relevant geography, (ii) the relevant population density, (iii) the degree to which the sought adjustment varies from the prevailing limitations, (iv) the size of the relevant building and the number of units contemplated for the proposed use, (v) the legal nature and history of the applicant, (vi) the measures the applicant proposes to implement to maintain quiet and security in conjunction with the use, (vii) any extraordinary economic hardship to the applicant, due to special circumstances, that would result from a denial, (viii) any police reports or other records of illegal activity or municipal code violations at the location, and (ix) whether the affected neighbors support or object to the proposed use.

The grant of an adjustment shall not exempt the applicant from any application requirement associated with issuance of a vacation rental license.

(2) An adjustment under subsection (l)(1)(a) may be requested by the applicant for the vacation rental license. An adjustment under subsection (l)(1)(b) may be requested by the owner, homeowners association or board of directors of the building.

(3) A person seeking an adjustment shall make a written submission to the commissioner, presenting all factors which the applicant believes to be relevant to whether an adjustment is appropriate. The applicant shall provide a copy of the written submission to the adjoining neighbors. The commissioner shall review the materials and make a written determination within 60 days, which shall set forth the factors used in arriving at the determination. During the 60-day review period, the commissioner shall notify the affected alderman and solicit a recommendation based on the alderman's analysis of relevant factors, and may seek additional information or supplementary proof from the applicant, and may also solicit information from the community.

If the commissioner denies the application for an adjustment, the applicant, within fourteen days of receiving the denial, may request a hearing from the commissioner. Upon receiving such a request, the commissioner shall schedule and conduct a hearing expeditiously. At the hearing the commissioner may receive written submissions, witness testimony, argument and documents regarding the application. The commissioner shall, within thirty days of the conclusion of the hearing, render a decision, which shall constitute a final determination for purposes of judicial review.

(4) If the commissioner grants the application for an adjustment, those factors that were deemed by the commissioner to be relevant to the determination shall be included in a plan of conduct. If the vacation rental license is granted, the plan of conduct shall be deemed a part of the license, and compliance with the plan of conduct shall be a necessary condition to the continued validity of the license. Failure to comply with one or more elements of the plan of conduct shall subject the licensee to suspension or revocation of the vacation rental license.

(5) Throughout the commissioner's adjustment consideration process, the applicant shall bear the burden of persuasion to justify the sought adjustment.

(m) *Limit calculation.* The limits on the number of vacation rentals in a building shall be calculated as maximum limits using the method in Section 17-1-0605-B.

(a) *Bulk registration - Required.* Each licensee under this Article II shall register with the department, on behalf of the owner or tenant of the applicable shared housing unit, and in accordance with this section, all shared housing units listed on the licensee's platform. The registration required under this subsection shall meet the requirements set forth in Section 4-14-020(b) and (c).

(b) *Notice to provider of bulk registration - Required.* Each licensee under this Article II shall post a notice, in a conspicuous place on its platform, informing providers of shared housing units that: (1) the intermediary will register the provider's shared housing unit with the department, as required under subsection (a) of this section; and (2) when the department assigns a registration number to the unit, the intermediary will notify the shared housing provider of such fact, as required under subsection (f) of this section; and (3) upon receipt of such notification from the intermediary, the provider, pursuant to Section 4-14-030(d), has 30 calendar days to update the applicable listing to include the registration number assigned by the department; and (4) if no registration number is assigned to the unit by the department within 90 days of the date on which the shared housing unit was registered with the department, the listing shall be deemed to be invalid and the provider shall remove the listing from the platform; and (5) upon receipt of notification from the commissioner that a unit is ineligible under Section 4-13-260 for listing on the platform, the provider, pursuant to Section 4-14-030(c), shall remove the ineligible listing from the platform.

(c) *Registration report required - Timeline for submission.* On the 1st and 15th day of each month, each licensee under this Article II shall submit to the department a registration report, which shall be complete and accurate to the last day of the preceding reporting period under this subsection, containing all of the registration information required under Section 4-14-020(b) and (c) for each shared housing unit that the licensee is seeking to register with the department during the applicable reporting period. Provided, however, that the licensee shall be deemed to be in compliance with this subsection (c) if the licensee submits the required report and registration information to the department on a daily or weekly basis or more frequently than twice each month. Provided further, that the intermediary shall facilitate the collection, and transmittal to the department, of the attestations required under Section 4-14-020(c) in a format and manner consistent with requirements prescribed by the commissioner in rules.

(d) *Pending registration - Listing and rental of shared housing units while registration is pending.* Prior to submission by the intermediary of the registration report required under subsection (c) of this section and the assignment under Section 4-14-020(e) of a unique registration number to the shared housing unit identified in such report: (i) a shared housing host may list a shared housing unit

that will be identified by the intermediary in its monthly registration report on its platform if the listing clearly indicates that the unit's registration by the department is pending; and (ii) the host of any unit that will be identified in such registration report shall be allowed to rent such shared housing unit, and to book future listings for such unit, until such time that the commissioner determines that such unit is ineligible under Section 4-13-260(a) to be listed on the platform.

(e) *Duration of pending registration status - Removal of invalid listing required when.* If a shared housing unit's listing on a platform does not include a valid registration number for such unit within the meaning of Section 4-14-020(e), and such listing is accompanied or required to be accompanied by the notification required under subsection (d) of this section indicating that approval of the shared housing unit's registration is pending, such listing, without an assigned registration number, shall not be valid for more than 90 calendar days after the date on which the shared housing unit was registered with the department pursuant to subsection (a) of this section. Such invalid listing shall be removed from the platform by the host no later than 91 calendar days after the date on which the shared housing unit was registered with the department pursuant to subsection (a) of this section, unless the department notifies the shared housing host in writing that the department has authorized a continuation of the shared housing unit's pending registration status to a date certain, which shall be identified in the written notice, after which date certain the listing, without an assigned registration number, shall be invalid and shall be removed from the platform by the host.

(f) *Duties of intermediary following department's assignment of a unique registration number to a shared housing unit.* When the department assigns a registration number to a shared housing unit listed in the registration report submitted by the intermediary pursuant to subsection (c) of this section, the department shall notify the intermediary and the shared housing provider of such fact. Such departmental notification shall identify the registration number that the department has assigned to such shared housing unit. The licensee shall establish a process, which shall be approved by the commissioner, to ensure that the shared housing unit's listing on the platform is promptly updated to include the assigned registration number. The licensee's failure to comply with such approved process shall be a violation of this subsection.

(g) *Ineligible listings - Duties of the intermediary.* If the department determines that a shared housing unit listed in the registration report submitted by the intermediary pursuant to subsection (c) of this section is ineligible under Section 4-13-260(a) for listing on a platform, the department shall notify the intermediary of such fact in accordance with Section 4-13-260(b). Upon receipt of such notice from the department, the intermediary shall notify the shared housing host of the facts set forth in such notice from the department.

(Added Coun. J. 6-22-16, p. 27712, § 8)

4-13-240 Data and reports - Required.

(a) *Departmental report - Required.* Each licensee under this Article II shall have a duty to submit to the department, every two months, a report, in a form approved by the commissioner, that contains the following information about the short term residential rentals listed on the intermediary's platform during the reporting period: (i) the total number of short term residential rentals listed on the platform during the applicable reporting period; (ii) the total number of nights that each short term residential rental listed on the platform was rented to guests during the applicable reporting period; (iii) the amount of rent paid by guests in connection with the rental of each short term residential rental listed on the platform during the applicable reporting period; (iv) the total amount of tax paid by the intermediary to the city under Section 3-24-030 in connection with the rental of each short term residential rental listed on the platform during the applicable reporting period; (v) a cumulative tally to date of the number of nights that each short term residential rental listed on the platform is booked for rental during the remaining months of the applicable calendar year; and (vi) a notation indicating each short term residential rental listed on the platform that the department has determined is ineligible under Section 4-13-260(a) to be listed on the platform.

(b) *Additional departmental reports - Required when.* Upon request by the commissioner, each licensee under this Article II shall have a duty to submit to the department, in a form and manner prescribed by the commissioner, data identifying the total number of shared housing units that have been rented for more than 30 nights, or for any other period of nights during the current, previous, or subsequent calendar year, that the commissioner reasonably determines is necessary to assist the department in enforcing this Chapter 4-13 or Chapters 4-14 or 4-16 of this Code. Such submission shall include a notation indicating each shared housing unit included in the data that the department has determined is ineligible under Section 4-13-260(a) for listing on a platform.

(c) *Aldermanic report - Required.* Each licensee under this Article II shall have a duty to submit to each alderman, every two months, a report, in a form approved by the commissioner, that contains, on ward specific basis for the respective ward, the information set forth in items (i) through (vi) of subsection (a) of this section about each of the short term residential rentals listed on the intermediary's platform during the applicable reporting period.

(f) *Form of data and report submission.* The information contained in the reports required under subsections (a), (b) and (c) of this section may be submitted in an anonymized form that removes personally identifiable information about the short term residential rental provider. Provided, however, that if the information required under subsections (a), (b) or (c) has been submitted in an anonymized form and the commissioner requires de-anonymized information about a short term residential rental provider or short term residential rental in connection with an audit conducted by the department to determine compliance with this Chapter 4-13 or Chapters 4-14 or 4-16 of this Code, or the commissioner reasonably determines that a short term residential rental provider or short term residential rental is: (i) the scene of a crime or other illegal act under investigation by any local, State or Federal law enforcement agency, or (ii) operating in violation of this Chapter or Chapters 4-14 or 4-16 of this Code or any other applicable provision of this Code, including, but not limited to, the Chicago Zoning Ordinance, the commissioner may issue an order, in the form of a subpoena, directing the intermediary to provide the information in a de-anonymized form, including, but not limited to, the name of the short term residential rental provider, the address of the short term residential rental, the details of the unit's rentals, and any information within the control or possession of the intermediary regarding the guests of the shared housing unit or the rental of the unit. The intermediary shall, within 21 calendar days of the date on which such order is issued, either provide the de-anonymized information or file a legal objection to such order in writing with the commissioner. If the intermediary or shared housing host files a legal objection, the commissioner shall provide a hearing on the objection within 10 business days, as provided by rule. The commissioner's determination shall be final and may be appealed in the manner provided by law. Nothing in this subsection shall be considered a limitation or restriction on the commissioner's powers and duties under Chapter 2-25.

(Added Coun. J. 6-22-16, p. 27712, § 8)

4-13-250 Prohibited acts.

(a) *List ineligible units on the platform.* It shall be unlawful for any short term residential rental provider to list on a short term residential rental intermediary platform any short term residential rental that the commissioner has determined is ineligible for listing pursuant to Section 4-13-260(a); or

(b) *Fail to remove ineligible listings from the platform.* It shall be unlawful for any short term residential rental provider to fail to remove from a short term residential rental intermediary platform any short term residential rental that appears on the list of ineligible short term residential rentals made available to intermediaries pursuant to Section 4-13-230(g).

(Added Coun. J. 6-22-16, p. 27712, § 8)

4-13-260 Ineligibility - Listing on platform by a provider prohibited when.

(a) *Conditions of ineligibility for listing.* A short term residential rental shall be ineligible for listing by a provider on a licensee's platform under the following conditions:

(1) *Nuisance.* When, in the determination of the commissioner, the rental of the short term residential rental creates a nuisance because at least three separate incidents involving illegal acts, as that term is defined in Section 4-4-313(h), occurred: (i) in the short term residential rental; (ii) in or on the premises in which the short term residential rental is located; (iii) in the short term residential rental's parking facility; or (iv) on adjacent property. For purposes of determining whether three or more illegal acts occurred, illegal acts occurring shall be limited to acts of the guests, or of invitees of the guests, or to acts otherwise involving circumstances having a nexus to the operation of the short term residential rental while rented to a guest; or

(2) *Egregious condition.* When the short term residential rental is the situs of an egregious condition; or

(3) *Scofflaw or problem landlord.* When a short term residential rental is listed on, or located in a building that is listed on, the city's Building Code Scofflaw List or Problem Landlord List pursuant to Section 2-92-416; or

(4) *Uncorrected code violations.* When a short term residential rental is found to be in violation of any applicable licensing or registration chapter of this Code, and the condition that gave rise to the violation has not been corrected; or

(5) *Suspension or revocation.* When any license or registration of any person engaged in the business of short term residential rental or shared housing unit operator is suspended or revoked under this Code; or

(6) *Zoning violation.* When the area in which the short term residential rental is located is not properly zoned for the applicable use. Provided, however, that any dwelling unit properly licensed as a vacation rental as of June 22, 2016 shall be deemed to be in compliance with the applicable zoning requirements of this Code that applied and were in existence at the time such vacation rental license was approved; or

(7) *Rental caps exceeded.* If the short term residential rental is a shared housing unit, when any unlawful act set forth in Section 4-14-060 occurs; or

(8) *Shared housing host is not a natural person.* If the short term residential rental is a shared housing unit, when the registered shared housing host is not a natural person; or

(9) *Building owner prohibits all vacation rentals or shared housing units from operating in such building.* If the building contains five or more dwelling units, when the owner of the building notifies the commissioner, in a manner prescribed by rule, that no licensed vacation rentals or shared housing units are permitted to operate anywhere in such building. Provided, however, that if the building is a cooperative building, condominium building or building governed by a homeowners' association, the requirement that such building must contain five or more dwelling units shall not apply for purpose of this subsection (a)(9); or

(10) *Suspension or revocation of related licenses.* If the short term residential rental is a shared housing unit, when the shared housing host has had a vacation rental license, bed-and-breakfast establishment license, hotel license or shared housing unit operator license, or a shared housing unit registration under this chapter, suspended or revoked for cause for the shared housing unit identified in the registration application or for any other shared housing unit registered with the city; or

(11) *Shared housing unit or vacation rental is located in a restricted residential zone and was not a legally established use as of the effective date of the ordinance establishing such zone.* If the short term residential rental is a shared housing unit or vacation rental, when: (i) such short term residential rental is located in a restricted residential zone, and (ii) such shared housing unit or vacation rental, as applicable, was not a legally established use within the meaning of Section 4-17-070 as of the effective date of the ordinance establishing such restricted residential zone.

(b) *Ineligibility for listing on a platform - Notification process.* Upon determining that a short term residential rental is ineligible under this subsection to be listed on a platform, the commissioner shall notify the short term residential rental provider and intermediary, in writing, of such fact and of the basis for the determination of ineligibility. (b) *Violation of condominium or cooperative building restrictions - Prohibited.* It shall be unlawful for any shared housing host to list on any platform or to rent any shared housing unit if the homeowners association or board of directors has adopted by-laws prohibiting the use of the dwelling unit as a shared housing unit or vacation rental, in any combination.

(c) *Violation of rental requirements and restrictions - Prohibited.* It shall be unlawful for any shared housing host to list on any platform or to rent any shared housing unit that is subject to a rental agreement, if the owner of the building in which the dwelling unit is located has prohibited the use of such dwelling unit as a shared housing unit or vacation rental, in any combination.

(d) *Listing and rental of single family home that is not the licensee's primary residence - Restricted.* It shall be unlawful for any shared housing host to list on any platform or to rent any shared housing unit that is a single family home, unless such single family home is the shared housing host's primary residence. Provided, however, that this prohibition shall not apply if: (i) the shared housing host is on active military duty and such host has appointed a designated agent or employee to manage, control and reside in the single family home during such host's absence while on military duty; or (ii) the applicable commissioner's adjustment under Section 4-14-100(a) permitting otherwise has been obtained; or (iii) the single family home was properly licensed, as of June 22, 2016, as a non-owner occupied vacation rental.

Provided, however, that the prohibition set forth in item (i) shall not apply if the shared housing host is on active military duty and such host has appointed a designated agent or employee to manage, control and reside in the shared housing unit during such host's absence. Provided further, that the prohibitions set forth in items (i) or (ii) shall not apply if: (a) the applicable commissioner's adjustment under Section 4-14-100(a) permitting otherwise has been obtained; or (b) the shared housing unit was properly licensed, as of June 22, 2016, as a non-owner occupied vacation rental.

(f) *Listing and rental in buildings with five or more dwelling units - Prohibited.* It shall be unlawful for any shared housing host to list on any platform or to rent any shared housing unit that is located in a building containing five or more dwelling units, when more than six dwelling units in the building, or one-quarter of the total dwelling units in the building, whichever is less, are or will be used as shared housing units or vacation rentals, in any combination, if the dwelling unit identified in the registration application is registered as a shared housing unit.

4-14-080 Registration - Suspension or revocation.

(a) *Registration suspension or revocation - Authorized when.* In addition to any other penalty provided by law, a registration under this chapter may be suspended or revoked by the commissioner for any violation of this chapter. Except as otherwise provided in subsection (b) of this section, no registration shall be revoked or suspended except in accordance with subsection (d) of this section.

(b) *Immediate suspension or revocation - Post-deprivation hearing - Authorized when.* If the commissioner has good cause to believe that: (1) continued rental of a shared housing unit causes an imminent threat to public health, safety or welfare, and (2) grounds exist for revocation or suspension of the shared housing unit's registration, including, but not limited to, any of the grounds set forth in subsection (c)(1) through (c)(6), inclusive, of this section, the commissioner may, upon issuance of a written order stating the reason for such conclusion and without notice or hearing, suspend or revoke the shared housing unit's registration and prohibit the shared housing host from renting the shared housing unit to guests for a period of time not to exceed ten calendar days; provided, however, that the shared housing host shall be afforded an opportunity to be heard during such period. If the shared housing host fails to request a hearing within the prescribed time, or requests a hearing but fails to appear at such hearing, the shared housing unit's registration shall be deemed revoked.

(c) *Suspension or revocation - Pre-deprivation hearing - Authorized when.* In addition to any other applicable reason, a shared housing unit registration may be suspended or revoked in accordance with this section under the following circumstances:

(1) *Situs of one or more egregious conditions.* When a shared housing unit is the situs of one or more egregious conditions while rented to guests; or

(2) *Situs of three or more objectionable conditions.* When a shared housing unit has been the situs, on three or more occasions, while rented to guests, of disturbance of the peace, public drunkenness, drinking in public, harassment of passersby, loitering, public urination, lewd conduct, overcrowding, exceeding design loads, or excessive loud noise. For purposes of this subsection (c)(2):

"Excessive loud noise" means any noise, generated from within or having a nexus to the rental of the shared housing unit, between 8:00 P.M. and 8:00 A.M., that is louder than average conversational level at a distance of 100 feet or more, measured from the property line of the shared housing unit.

"Overcrowding" means occupancy by more persons than the maximum occupancy limit of no more than one person per 125 feet of floor area of the shared housing unit or the shared housing unit's actual capacity based on the applicable provisions of the building code, whichever is less.

"Exceeding design loads" means placing loads on structural elements or components of buildings, including, but not limited to, porches, balconies, and roof decks, in excess of the minimum design loads required by the building code; or

(3) *Situs of three or more nuisance conditions.* When, in the determination of the Commissioner, the rental of the shared housing unit creates a nuisance because at least three separate incidents involving illegal acts, as that term is defined in Section 4-4-313(h), occurred during a 12-month period: (i) in the shared housing unit; (ii) in or on the premises in which the shared housing unit is located; (iii) in the shared housing unit's parking facility; or (iv) on adjacent property. For purposes of determining whether three or more illegal acts occurred, illegal acts occurring shall be limited to acts of the guests, or of invitees of the guests, or to acts otherwise involving circumstances having a nexus to the operation of the shared housing unit while rented to a guest. In a proceeding to suspend or revoke the registration of a shared housing unit that is or creates a nuisance under this Section 4-14-080(c)(3), any evidence on which a reasonably prudent person would rely may be considered without regard to the formal or technical rules of evidence, and the Commissioner may rely on police reports, official written reports, affidavits and business records submitted by authorized City officials or employees charged with inspection or enforcement responsibilities to determine whether such illegal acts or objectionable conditions occurred. If, during any 12-month period three separate incidents of illegal acts occur on the registered premises, on or in the registered premises' parking facility, or on adjacent property, a rebuttable presumption shall exist that the shared housing unit is or creates a nuisance in violation of this Section 4-14-080(c)(3); or

(4) *Scofflaw or problem landlord.* When a shared housing unit is listed on, or is located in a building that is listed on, the city's Building Code Scofflaw List or Problem Landlord List pursuant to Section 2-92-416; or

(5) *Threat to public health, safety or welfare.* When the commissioner determines that the continued rental of a shared housing unit poses a threat to the public health, safety or welfare; or

(6) *Unlawful discrimination.* When, in connection with the listing for rental or rental of a shared housing unit, the commissioner or Chicago commission on human relations has determined that a violation of Section 2-160-070 or Section 4-14-040(c), as applicable, has occurred.

(d) *Notification and hearing process.* Upon determining that a shared housing unit's registration is subject to suspension or revocation under this section, the commissioner shall notify the shared housing host, in writing, of such fact and of the basis for the suspension or revocation of the registration. Such notice shall include a statement informing the shared housing host that the shared housing host may, within 10 calendar days of the date on which the notice was sent, request, in a form and manner prescribed by the commissioner in rules, a hearing before the commissioner to contest the suspension or revocation. The notice shall also advise the shared housing host that the shared housing host is entitled to present to the commissioner any document, including affidavits, related to the commissioner's determination for suspension or revocation. If requested, a hearing before the commissioner shall be commenced within 10 business days of receipt of such request. Within 60 calendar days of completion of the hearing the commissioner shall either affirm or reverse such determination based upon the evidence presented. The commissioner's decision shall be final and may be appealed in the manner provided by law. If a shared housing host fails to request a hearing within the prescribed time, the shared housing unit registration shall be deemed suspended or revoked. Upon entry of a final order of suspension or revocation, the commissioner shall: (1) notify the short term residential rental intermediary in writing of such fact; and (2) place the unit on the ineligibility list maintained by the commissioner under Section 4-13-270(b). Within three calendar days of the date on which the commissioner sends such written notification of suspension or revocation to the shared housing host, the shared housing host shall remove the short term residential unit identified in such notice from its platform. The intermediary shall act in accordance with the approved process established pursuant to Section 4-13-220(h).

4-14-090 Violation - Penalties - Injunctive relief.

(a) *Fines and other applicable penalties.* Except as otherwise provided in this chapter, and in addition to any other penalty provided by law, any person who violates this chapter or any rule promulgated thereunder shall be subject to a fine of not less than \$1,500.00 nor more than \$3,000.00 for each offense. Each day that a violation continues shall constitute a separate and distinct offense.

(b) *Exceeding rental restrictions.* If the rental restriction applicable to buildings containing more than five units, as set forth in Section 4-14-060(f), is exceeded in any building, all shared housing registrations and vacation rental licenses for dwelling units located within such building are subject to revocation under this chapter.

(c) *Injunctive relief.* In addition to any fine or other penalty imposed by law, the corporation counsel may seek an injunction or other equitable relief in a court of competent jurisdiction against a host to stop any violation of this chapter.

(d) *Duration of revocation.* If a shared housing unit registration under this chapter is revoked, such revocation shall remain in effect for a period of at least two years from the date of revocation and thereafter until such time that a new owner or tenant, as applicable, other than a family member of the person whose registration was revoked, occupies the dwelling unit.

(Added Coun. J. 6-22-16, p. 27712, § 9)

4-14-100 Shared housing units - Commissioner's adjustments - When authorized.

(a) The commissioner is authorized to grant an adjustment to allow:

(1) the operation of a shared housing unit located in:

(i) a single family home that is not the shared housing host's primary residence; or

(ii) a building containing two to four dwelling units, inclusive, where the dwelling unit is not the shared housing host's primary residence; or

(2) in a building containing two to four dwelling units, inclusive, an increase in the number of dwelling units that may be used as shared housing units. Such an adjustment may be approved only if, based on a review of relevant factors, the commissioner concludes that such an adjustment would eliminate an extraordinary burden on the applicant in light of unique or unusual circumstances and would not detrimentally impact the health, safety, or general welfare of surrounding property owners or the general public. Factors which the commissioner may consider with regard to an application for a commissioner's adjustment include, by way of example and not limitation: (i) the relevant geography, (ii) the relevant population density, (iii) the degree to which the sought adjustment varies from the prevailing limitations, (iv) the size of the relevant building and the number of units contemplated for the proposed use, (v) the legal nature and history of the applicant, (vi) the measures the applicant proposes to implement to maintain quiet and security in conjunction with the use, (vii) any extraordinary economic hardship to the applicant, due to special circumstances, that would result from a denial, (viii) any police reports or other records of illegal activity or municipal code violations at the location, and (ix) whether the affected neighbors support or object to the proposed use. The grant of an adjustment shall not exempt the applicant from any application requirement associated with registration of a shared housing unit.

(b) An adjustment under subsection (a)(1) may be requested by the shared housing host. An adjustment under subsection (a)(2) may be requested by the owner, homeowners association or board of directors of the building.

(c) A person seeking an adjustment shall make a written submission to the commissioner, presenting all factors which the applicant believes to be relevant to whether an adjustment is appropriate. The applicant shall provide a copy of the written submission to the adjoining neighbors. The commissioner shall review the materials and make a written determination within 60 days, which shall set forth the factors used in arriving at the determination. During the 60-day review period, the commissioner shall notify the affected alderman and solicit a recommendation based on the alderman's analysis of relevant factors, and may seek additional information or supplementary proof from the applicant, and may also solicit information from the community. If the commissioner denies the application for an adjustment, the applicant, within fourteen days of receiving the denial, may request a hearing from the commissioner. Upon receiving such a request, the commissioner shall schedule and conduct a hearing expeditiously. At the hearing the commissioner may receive written submissions, witness testimony, argument and documents regarding the application. The commissioner shall, within thirty days of the conclusion of the hearing, tender a decision, which shall constitute a final determination for purposes of judicial review.

(d) If the commissioner grants the application for an adjustment, those factors that were deemed by the commissioner to be relevant to the determination shall be included in a plan of conduct. If the registration is issued, the plan of conduct shall be deemed a part of the shared housing unit registration, and compliance with the plan of conduct shall be a necessary condition to the continued validity of the registration. Failure to comply with one or more elements of the plan of conduct shall subject the registrant to suspension or revocation of the shared housing unit registration.

(e) Throughout the commissioner's adjustment consideration process, the applicant shall bear the burden of persuasion to justify the sought adjustment.

(Added Coun. J. 6-22-16, p. 27712, § 9)

4-14-105 Limit calculation.

The limits on the number of shared housing units in a building shall be calculated as maximum limits using the method in section 17-1-0605-B.
