What is “Using the Public Way”?

Chicago’s streets, sidewalks, alleys and parkways are parts of the “public way.” In order for a business or property owner to occupy, use or otherwise encroach on, over or under the public way, a Public Way Use Permit or other specialized Permit is required under Chapter 10-28 of the Municipal Code of Chicago (“Code”). Common examples of items that encroach upon the public way, for which a Public Way Use Permit or other specialized Permit is required, are listed below.

- Over Street Level (Above Grade):
  - Canopies/Awnings, Signs, Light Fixtures, Balconies, Banners
- On Street Level (At Grade):
  - Planters, Decorative Pavers, Bollards, Windscreens, Kiosks, Sidewalk Cafés
- Under Street Level (Below Grade):
  - Vaults, Conduit (encased wiring), Caissons (foundation), Earth Retention Systems, Irrigation Systems

A complete list of public way uses is available online at our Small Business Center (SBC) website, at www.cityofchicago.org/sbc, Public Way Use Permits link.
How do I know which Application to File?

Depending upon the nature of the proposed encroachment on, over or under the public way, different Application processes apply.

GENERAL GRANT OF PRIVILEGE PERMIT APPLICATION: PROCESS AND INSTRUCTIONS

1. Attached please find an Application for a Public Way Use Permit. For purposes of that Application, the LEGAL NAME of the Applicant means the natural person or entity to whom the permit will be issued. This named person or entity is responsible for paying annual usage fees and for complying with Section 10-28-015 of the Municipal Code of Chicago (“Code”), which includes obtaining commercial general liability insurance meeting the requirements of Section 10-28-015(e)(5).

2. The attached Application must be completed to obtain authorization from the City for any qualified permanent occupation of the public way, including encroachments on, over and under any street, sidewalk, parkway or alley within the City.

3. A completed Application must include plans, printed on 8 and 1/2 inch by 11 inch paper, displaying the items to be located on, over or under the public way; identifying the exact dimensions of those items; and clearly depicting the actual area of the public way affected by the encroachment.

4. In the case of renewal of an existing Public Way Use Permit, the completed Application must include photographs of the existing encroachment on the public way.

5. If the Applicant does not have a current business account number with the Department of Business Affairs and Consumer Protection (BACP), the Applicant must create such an account by completing a Business Information Sheet (BIS) pre-application form. The BIS form can be found at our website at: www.cityofchicago.org/sbc > Public Way Use Permits. Any questions on the BIS form that do not apply to your situation should be marked N/A (Not Applicable).

6. The completed Application, including the plans and any required photographs, may be submitted, in person or by mail, to the address listed below. Faxes will not be accepted.

7. NOTE: Applicants for a Public Way Use Permit must also obtain the appropriate construction permit(s), if applicable. Please contact the Department of Buildings and/or Chicago Department of Transportation for details. All proposed encroachments on the public way require review and approval by various City inspecting departments. It is BACP’s responsibility to provide your Application to the appropriate inspecting department(s). If the inspecting department disapproves your Application, BACP will notify you in writing of the reason(s) for that disapproval.

8. The Chicago City Council must adopt an Ordinance authorizing the issuance of a Public Way Use Permit. BACP will notify you by mail when the required Ordinance is enacted. At that time, as a condition of issuance of Public Way Use Permit, you are required to submit to BACP’s Public Way Use Unit:
   I. Payment of the first year’s annual permit fee;   
   II. A completed Certificate of Insurance; and 
   III. A completed and signed Acceptance Letter (“Acceptance of Grant of Privilege Permit Terms”).

Upon receipt of these materials, BACP will mail your Public Way Use Permit to you at the address identified in your Application. In accordance with Section 10-28-015(b) of the Code, if approval by Ordinance is withheld, the Commissioner of BACP shall deny your Application for a Public Way Use Permit, and shall notify you of such fact in writing within ten business days after the denial.

The fees for all other structures occupying the public way are determined by a formula based on square feet, real estate value, and level (on, over, under the public way), with a minimum charge of $400 per item per year.

Notwithstanding the above, the total fee for a public way use for any combination of signs less than 25 square feet, canopies, awnings, or light fixtures, at the same location, shall not exceed $175.00 for all such public way uses.

**Exemption:** No fee shall be charged for a public way use that is on or above the public way in the following cases:

- In the case of a residential building, as that term is defined in Section 17-17-02146, constructed in or before 1922 (with proof provided with this Application), a public way use that is part of the original construction and is a permanent structure of the building; provided that in the case of a mixed used building, any public way use that solely is for the use or benefit of any commercial or business activity in the building shall pay the fee(s) required for the public way use. In the case of a landmark building, any part of the building which is on or over the public way, including a clock or light fixture, if the clock or light fixture is part of the landmark designation. For purposes of this Exemption, a landmark building shall also include any building in a landmark district, other than a non-contributing building. If, in the case of any building specified in this Exemption, the public way use for which the Public Way Use Permit is sought is below grade level or is under the public way or under any other public place, the appropriate fee(s) shall be charged.

---

**DO NOT INCLUDE ANNUAL FEE PAYMENT(S) WITH THIS APPLICATION.**
