

BACP PUBLIC VEHICLE INDUSTRY NOTICE

March 1, 2024

Notice No. 24-009

[Reminder: Scheduled Taxi, Livery, and Ambulance Vehicle Inspection Appointments are Public](#)

The Department of Business Affairs and Consumer Protection (BACP) publishes the [Public Passenger Vehicle Inspection Schedule](#) on the [City of Chicago's Data Portal](#).

- BACP Public Vehicle Inspection Facility (2420 W. Pershing Road, Chicago, Illinois) scheduled inspections of taxi, livery, and ambulance vehicles are in an interactive format which allows searches by license/vehicle number, by company, or by affiliation.
- The public on-line format inspection schedule is updated daily and displays current inspection dates and times.

1. Start at the City of Chicago data portal website: data.cityofchicago.org

- In search box, type "[Public Passenger Vehicle Inspection Schedule](#)" and hit enter

2. Click on the "Data" tab

3. Look up vehicle inspection date and time by license/vehicle number, by company, or by affiliation. Note the vehicle inspection appointment and bring your vehicle to the scheduled appointment.
4. Bookmark the direct weblink to the [Public Passenger Vehicle Inspection Schedule](#) to access the schedule again in future.

- You may request to reschedule a public vehicle inspection appointment by sending an email to BACPPV@cityofchicago.org. In the email request, include name, company name, the public vehicle number, and the reason for request.
- Review the [Public Vehicle Inspection Guide](#) to prepare for the public vehicle inspection.
- Public Vehicle licensees are required to bring their licensed vehicles to scheduled vehicle inspections. Consequences for failing to bring vehicle for a BACP scheduled inspection include violation status, fines, and license suspension.
- Public Vehicle license must be current and in good standing in order for the BACP inspection facility to inspect associated vehicle.
