KNOW PASSENGER SAFETY

BEFORE YOU EXIT THE VEHICLE:
LOOK BEFORE OPENING DOOR AND EXIT CURBSIDE

- a. Check for pedestrians, bicyclists, and other cars before opening the door.
- b. Only exit curbside: Do not exit vehicles in the street, intersections, cross-walks, bike lanes or on expressways (including Lake Shore Drive).
- c. For major events and venues, the City may designate specific passenger drop-off locations. Follow posted instructions, as well as directions from police and City personnel.
