TAXICAB DISPATCH APPLICATION “E-HAIL” PROGRAM

I. GENERAL INVITATION

The Taxicab Dispatch Application “E-Hail” Program seeks to designate internet-enabled applications that will dispatch City of Chicago licensed taxicabs pursuant to requirements listed in this RFP.

The City of Chicago recognizes the traveling public and commuters’ increasing desire to request and pay for taxicab services using internet-enabled and software based technology ("E-Hail"). The goal of the Taxicab Dispatch Application “E-Hail” Program (the “Program”) is to improve the experience of the taxicab riding public by promoting modern methods of procuring taxicab services that are reliable, secure, and easy to use by the general public.

The City of Chicago (the “City”) acting through its Department of Business Affairs and Consumer Protection (“BACP”) invites the submission of proposals in response to this Request for Proposals ("RFP") for inclusion in a select group of E-Hail applications.

For purposes of this RFP, “Commissioner” means the Commissioner of BACP. “Department” means BACP. “Respondent” means the companies or individuals that submit proposals in response to this RFP. “Selected Respondent” or “Contractor” means the chosen awardee(s). “Proposal” will refer to the documents submitted in response to this RFP. “Period of Designation” or “Designation” means the time during which Respondent is required by the City to perform the Services.

By submitting a Proposal in Response to this RFP, Respondents agree that, if selected, they will meet the requirements described in this RFP and comply with all applicable laws, including rules and regulations promulgated by the Commissioner.
II. BACKGROUND FOR TAXICAB DISPATCH APPLICATION “E-HAIL” PROGRAM

Pursuant to Section 9-112-565 of the Municipal Code, the City shall establish a Program by which it will require City of Chicago licensed taxicabs to accept dispatches through internet-enabled applications and allow passengers to electronically hail City of Chicago licensed taxicabs. The purpose of this RFP is to qualify one or more such electronic hailing applications (“E-Hail App” or “App” or “Application”) that best meet the requirements of the City as eligible for use with this Program. The taxicab industry is not prohibited from using applications other than E-Hail Apps designated pursuant to this RFP; however, use of any non-designated application will not satisfy the Program requirements that taxicabs must use at least one of the City-designated Applications.

The Period of Designation for any E-Hail App selected by the Commissioner under this RFP will be for one (1) year and three (3) optional extension periods of one (1) year each, to be exercised in the sole discretion of the Commissioner. The Commissioner, in her discretion, may terminate designation pursuant to the rules that she promulgates for the Program. Exhibit 5 contains preliminary rules that will be promulgated by the Commissioner that will govern the entities whose applications are selected pursuant to this RFP; the Commissioner may amend them from time to time in her discretion. The rules govern, among other things, required functionality for the E-Hail Apps, reporting requirements to the City, prohibitions, and prescriptions regarding contracts between the E-Hail App providers and the taxicab companies. The Commissioner has the right to make changes to the Program in accordance with Section 9-112-565.

Once selected by the City, the entities providing the E-Hail Apps must sign the Agreement included as Exhibit 8. The City reserves the right to impose by regulation liquidated damages on any entity that breaches the Agreement during the designation period.

The functionalities that are required to be provided by the E-Hail Apps, and the functions to be provided by the entities providing them, are described more fully in the pages that follow. Entities with preexisting E-Hail Apps are encouraged to respond.

Nothing in this RFP should be construed to permit or encourage Respondents to assign penalties to taxicab drivers.

III. GENERAL INFORMATION AND GUIDELINES

IV. ADDITIONAL INFORMATION, PROPOSAL REQUIREMENTS, AND EVALUATION PROCESS

4.1 Required Contents of Proposal

At a minimum, the Proposal must include the following items:

4.1.1 Cover Letter

Respondent must submit a cover letter signed by an authorized representative of the entity committing Respondent to adhere to the Program requirements. The cover letter must:
(i) Indicate the number of years the company/organization has been in business, and provide an overview of the experience and background of the company/organization.

(ii) Identify the legal name of the company/organization, its headquarters address, its principal place of business, its legal form (i.e., corporation, joint venture, limited liability company or partnership, etc.), and the names of its principals or partners and authority to do business in Illinois with the most recent documents filed with and obtained from the Secretary of State.

(iii) Indicate the name, telephone number(s) and e-mail address of the principal contact for this project.

(iv) Acknowledge receipt of Addendum issued by the City, if any.

4.1.2 Executive Summary

Respondent must provide an executive summary which explains its understanding of the City's intent and objectives for the Program and how its Proposal would achieve those objectives. The summary must discuss Respondent’s strategy and methodology for successfully implementing and managing the E-Hail Taxicab Dispatch App Services.

4.1.3 Professional Qualifications and Specialized Experience of Respondent and Team Members Committed to this Project

If Respondent proposes that major portions of the work (such as customer service, IT, or record keeping) will be performed by different team members (e.g. joint venture partners, subcontractors, etc.), Respondent must provide the required information as described below for each such team member.

A. Company Profile Information (See Form in Exhibit 6)

Identify participants in Respondent’s “Team.” For example if Respondent is a business entity that is comprised of more than one legal participant (e.g., Respondent is a general partnership, joint venture, etc.), then Respondent must identify or cause to be identified all participants involved, their respective ownership percentages, and summarize the role, degree of involvement, and experience of each participant separately.

If Respondent has a prime contractor/subcontractor relationship instead, this information regarding role, involvement and experience is also required for any subcontractor that is proposed to provide a significant portion of the work.

Provide a chronological history of all mergers and/or acquisitions involving the Respondent team members, including all present and former subsidiaries or divisions and any material restructuring activities, if applicable. Include any such forthcoming actions, if such disclosure
has already been made generally available to the public and is permitted by law.

If Respondent is a joint venture, attach a copy of the joint venture agreement signed by an authorized officer of each joint venture partner. Each partner must execute:

(i) Separate Economic Disclosure Statement and Affidavit (“EDS”) completed by each partner and one in the name of the joint venture as shown in Exhibit 7.

(ii) Insurance certificate in the name of the joint venture business entity.

B. **Business License/Authority to do Business in Illinois**

Respondent must provide copies of appropriate licenses or certifications required of any individual or entity performing the Services described in this RFP in the City of Chicago, County of Cook and State of Illinois, for itself, its partners and its subcontractors, including evidence that Respondent is authorized by the Secretary of State to do business in the State of Illinois. Provide copies with the Proposal submission.

These requirements will vary depending upon the circumstances of each Respondent. See the Department of Business Affairs and Consumer Protection (BACP) website for additional information: www.cityofchicago.org/bacp.

If required by law, Respondents are required to have an Illinois Business License. See the State of Illinois, Department of Business Services website for additional information: (http://www.cyberdriveillinois.com/).

Additionally, visit the State of Illinois’ Division of Professional Regulation for information regarding the State of Illinois’ Professional Certifications: http://www.idfpr.com/DPR/.

Without limiting the foregoing, please note that Selected Respondent must obtain a City of Chicago two-way dispatch license and submit a copy of such license to the Commissioner prior to the commencement of the Period of Designation. Selected Respondent will not receive Designation without submitting proof of such license.

---

1 For purposes of this RFP, “joint venture” means a combination of two or more business enterprises, proposing to perform as a single business enterprise, in which each joint venture partner contributes property, capital, efforts, skill and knowledge. Joint ventures must have an agreement in writing specifying the terms and conditions of the relationship between the partners and their respective roles in the project.
4.1.4 Functionality of Application/Telephone Dispatch Service

Required and preferred functionality of the E-Hail App and related services are described in a Table in Exhibit 2. The first column of the Table describes required functionality of the system. The system must meet each such requirement for mandatory functionality. The second column of the Table describes preferred functionality of the system. In its evaluation, the City will consider plans for mandatory or preferred features that are in development as long as the Respondent provides an itemized timeline with dates for when features in development will be fully operational and implemented. For each feature for which Respondent wishes to receive consideration, Respondent must use the last column in Table 1 to indicate whether the feature is available at the time of submission of the Proposal or in development; if the latter, Respondent must indicate when the feature will be available and fully operational. Proposals will be evaluated as described in Section 4.2.1. For any functionality to be developed, Respondent must include a narrative describing the actions it will take to achieve the functionality.

Although not required, it is highly desired that Selected Respondent provide telephone dispatch as a means of providing broad community accessibility to taxicab service. Respondent must indicate in its Proposal whether it plans to provide telephone dispatch. Any plans for telephone dispatch, including when such dispatch would be operational, must be described in the Proposal.

4.1.5 Implementation and Management Plan

Respondent must provide a comprehensive and detailed implementation and management plan which must demonstrate Respondent’s capacity to successfully implement and manage the E-Hail Taxicab Dispatch App and ability to comply with the Program requirements as described in this RFP. The management plan must address, but not be limited to, the following areas:

A. Service Delivery

All responses should, at a minimum, address the functional specifications of your E-Hail Taxicab Dispatch App and your plan for delivery of related services, including providing dedicated personnel and reports to the City and training to drivers, as outlined in Exhibit 1. The plan should detail how the services will be administered and how your policies and procedures will address the specific components.
B. Approach to Implementing Services

Describe your policies and procedures for quality control/checks, project management, response time, project support & reporting/recommendation services, including your approach to overcoming obstacles, if any, and troubleshooting to resolve problems.

C. Dedicated Resources

Upon completion of Online EDS, Respondent shall submit a copy of 3 documents with their Proposal: 1) Certificate of Filing printed from system, 2) hardcopy of the executed Attachment A, Online EDS Acknowledgement form, and 3) hardcopy of Exhibit B in lieu of hardcopy EDS forms.

City reserves the right to remove a selected E-Hail program member when the selected member fails to maintain attested compliance.
4.1.13 Marketing Plan

Respondent must submit as part of its Proposal a marketing plan describing how it would market the use of its E-Hail App to the public and taxicabs.

4.2 Evaluating Proposals

4.2.1 Evaluation and Selection Process

An Evaluation Committee will be comprised; it will include representatives from the Department of Business Affairs and Consumer Protection and representatives of other City departments, including but not limited to the Department of Information and Technology (DoIT), the Mayor’s Office for People with Disabilities (MOPD), the Mayor’s Office, and the Department of Procurement Services. Each department shall contribute an equal number of members to the EC. The EC will evaluate the proposals based upon the Evaluation Criteria set forth in this RFP.

As part of its evaluation, the EC will consider the submission regarding functionality of the App. The EC may take into consideration whether mandatory or preferred functionality is already in existence, or whether the Respondent indicates that it will be developed; if the latter, the EC may take into consideration the timetable for development, as well as materials pertaining to the likelihood of development during the timeframe reflected in the Proposal. The EC reserves the right to prefer proposals that offer applications with mandatory and preferred functions already part of the App at the time of submission of the Proposal, rather than proposals that will require development work.

The Evaluation Committee may ask Respondents for oral presentations, product demonstrations, or pilots to assist in making its final evaluation.

The Evaluation Committee will then select a proposal or proposals, and forward that recommendation to the Commissioner. The EC may also submit a recommendation to reject any or all proposals.

The Commissioner may select one or more Respondents recommended favorably by the Evaluation Committee. The Commissioner will notify the Respondent(s) that they have been selected, or, that the City wishes to select the Respondent upon completion of functionality in development. The Respondent will then be required to sign a document (Functionality Document), detailing the functionality that Respondent will be required to maintain for the Period of Designation. If Respondent does not develop the functionality in the timeframe described in the Proposal, or such shorter term as required by the Commissioner, the condition for designation will not be met, and the designation of that Respondent’s App will not occur. Once Respondent believes that it has achieved the functionality contained in its Proposal, it shall notify the Commissioner, and Respondent shall perform such tests, at such frequency, to demonstrate to the Commissioner that the App has the promised functionality. Such functionality will then be detailed in a Functionality Document, to which Respondent must adhere during the term of the designation.

The City reserves the right to enlist independent consulting services to assist with the evaluation of all or any portion of the Proposal responses as it deems necessary.
4.2.2 Evaluation Criteria

The Evaluation Committee will review the Respondent's Proposal to determine overall responsiveness and completeness of the Proposal with respect to the components outlined in the RFP using the following criteria (not necessarily listed in order of importance):

A. Professional and Technical Competence:
   - Ability to meet performance obligations described in this RFP and preferred and required functionality of the E-Hail Taxi Dispatch App outlined in Exhibits 1 and 2.
   - Professional Qualifications and Specialized Experience of Respondent and its Team to providing services to large municipalities.
   - Professional Qualifications and Specialized Experience of Respondent's Key Personnel (and Team Members) and Local Availability of Key Personnel committed to the City of Chicago.
   - Past and Current Performance of the Respondent (and Team members) in terms of quality and costs of services. The Committee may solicit from any available sources relevant information concerning the Respondent's record of performance.

B. Quality, Comprehensiveness and Adequacy of the proposed Implementation and Management Plan. The Evaluation Committee will review each Proposal for the Respondent's understanding of the objectives of the Program and how these objectives may be best accomplished through Respondent’s E-Hail Taxi Dispatch App and related services.

C. Pricing/Cost Proposal. The City will consider structure, completeness and adequacy of cost as per the Itemized Cost Proposal, Exhibit 3. Preference will be given to cost proposals that minimize costs to passengers, drivers, and medallion holders and that do not overly burden any one group, particularly those required to participate in the program.

D. Legal Actions - The EC will consider any legal actions, if any, by or against Respondent and any division, subsidiary or parent company of Respondent, or against any member, partner, etc., of Respondent if Respondent is a business entity other than a corporation.

E. Financial Stability – The EC will consider the financial condition of Respondent. Respondent must be financially stable to ensure performance over the duration of the contract.

F. Compliance with Laws, Ordinances, and Statutes. The EC will consider Respondent’s compliance with all laws, ordinances, and statutes governing the
Program. See Online City of Chicago EDS Instructions and Attachment A, Online EDS Acknowledgement form in Exhibit 7.

G. Adherence to Program Rules. The EC will consider Respondent’s willingness to adhere to Program rules and prohibitions.

H. Conflict of Interest – The EC will consider any information regarding Respondent, including information contained in Respondent’s Proposal, that may indicate any conflicts (or potential conflicts) of interest which might compromise Respondent’s ability to satisfactorily perform the proposed Services or undermine the integrity of the competitive procurement process. If any Respondent has provided any services for the City in researching, consulting, advising, drafting, or reviewing of this RFP or any services related to this RFP, such Respondent may be disqualified from further consideration.

I. References. The EC will consider Respondent’s references.

J. Agreement. The EC will consider Respondent’s willingness to agree that it will maintain compliance with the terms and conditions of the Program.

K. Dedicated Resources. The EC will consider the resources available to Respondent for implementing the E-Hail Taxi Dispatch App and related services.

L. Data Requirements. The EC will consider Respondent’s ability to meet data and reporting requirements described in this RFP.

M. Insurance. The EC will evaluate Respondent’s willingness to procure and maintain required insurance.

N. Marketing Plan. The EC will evaluate the adequacy and potential impact of Respondent’s Marketing Plan.

INSURANCE REQUIREMENTS AND INSURANCE CERTIFICATE
FOR
E-HAIL TAXICAB DISPATCH APPLICATION
Respondent must provide and maintain at Respondent's own expense or cause to be provided, during the term of the period of designation and any time period following expiration if Respondent is required to return and perform any of the Services or Additional Services under this period of designation, the insurance coverage and requirements specified below, insuring all operations related to the period of designation.

A. INSURANCE TO BE PROVIDED

1) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this period of designation and Employers Liability coverage with limits of not less than $100,000 each accident, illness or disease.

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, separation of insureds, defense and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago is to be named as an additional insured under the Respondent and any subcontractor’s policy. Such additional insured coverage shall be provided on ISO Endorsement Form CG 20 10 for ongoing operations or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to Respondents or subcontractors sole negligence or the additional insured’s vicarious liability. Respondent’s liability insurance shall be primary without contribution by any other insurance or self-insurance maintained by or available to the City. The Respondent must ensure the City is an additional insured on insurance required from subcontractors.

3) Automobile Liability (Primary and Umbrella)

If Respondent uses any motor vehicles (owned, non-owned and hired) in connection with Services to be performed, Respondent must provide Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Error & Omissions/Professional Liability

When any system architects/technicians, EDP professionals including but not limited to system programmers, hardware and software designers/consultants or any other professional consultants perform Services in connection with this period of designation, Professional Liability Insurance covering acts, errors or omissions must be maintained with limits of not less than $1,000,000. Coverage must include performance of or failure to perform EDP, performance of or failure to perform other computer services and failure of software product to perform the function for the purpose intended. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of Services or work related to the period of designation. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years.

5) Blanket Crime

The Respondent must provide Blanket Crime coverage covering all persons handling funds or electronic data funds against loss by dishonesty, robbery, burglary, theft, forgery, destruction or disappearance, computer fraud, funds transfer fraud, identity fraud expenses,

Respondent must submit evidence of insurance on an Accord Insurance Certificate Form or equivalent prior to execution of the period of designation. The receipt of any certificate does not constitute period of designation by the City that the insurance requirements in the period of designation have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of period of designation. The failure of the City to obtain certificates or other insurance evidence from Respondent is not a waiver by the City of any requirements for the Respondent to obtain and maintain the specified coverages. Respondent must advise all insurers of the period of designation provisions regarding insurance. Non-conforming insurance does not relieve Respondent of the obligation to provide insurance as specified in this period of designation. Nonfulfillment of the insurance conditions may constitute a violation of the period of designation, and the City retains the right to suspend this period of designation until proper evidence of insurance is provided, or the period of designation may be terminated.

The Respondent must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Respondent.

Respondent hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Respondent in no way limit the Respondent's liabilities and responsibilities specified within the period of designation or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Respondent under this period of designation.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this period of designation or any limitation placed on the indemnity in this period of designation given as a matter of law.

If Respondent maintains higher limits than the minimum shown, the City requires and shall be entitled to coverage for the higher limits maintained by the Respondent. Any available insurance proceeds in excess of the specified minimum limits and coverage shall be available to the City.

If Respondent is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Respondent must require all subcontractors to provide the insurance required herein, or Respondent may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Respondent unless otherwise specified in this period of designation. Respondent must ensure that the City is an additional insured on Endorsement CG 20 10 of insurance required by subcontractors.

If Respondent or Subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provisions in the period of designation to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Discrimination against any potential or existing employee, driver, or passenger on the basis of race, color, sex, gender identity, age, religion, national origin, ancestry, sexual orientation, disability, marital status, parental status, military discharge status, or source of income is prohibited. All taxicab drivers must accept, without additional charge, passengers with service animals.

1.7. EDS FREQUENTLY ASKED QUESTIONS

Q: Where do I file?
A: The web link for the Online EDS is https://webapps.cityofchicago.org/EDSWeb

Q: How do I get help?
A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?
A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State law and City ordinances and certify compliance with various laws and ordinances.
An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.

Q: Who is the Applicant?
A: “Applicant” means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.

Q: Who is the Disclosing Party?
A: “Disclosing Party” means any entity or person submitting an EDS. This includes owners and parent companies.

Q: What is an entity or legal entity?
A: “Entity” or “Legal Entity” means a legal entity (for example, a corporation, partnership, joint venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?
A: “Person” means a human being.

Q: Who must submit an EDS?
A. An EDS must be submitted in any of the following three circumstances:

<table>
<thead>
<tr>
<th>Applicants:</th>
<th>An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Entities holding an interest:</td>
<td>Whenever a legal entity has a beneficial interest (E. G. direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf.</td>
</tr>
<tr>
<td>Controlling entities:</td>
<td>Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the</td>
</tr>
</tbody>
</table>
controlling entity must also file an EDS on its own behalf.

Q: What information is needed to submit an EDS?
A: The information contained in the Preparation Checklist for EDS submission.

Q: I don’t have a user ID & password. Can I still submit an Online EDS?
A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?
A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?
A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering “Yes” to “Is this an existing City of Chicago user ID?” when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

Q: I don’t have an email address. How do I submit an Online EDS?
A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as www.hotmail.com or www.yahoo.com or rmail.google.com to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?
A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?
A: The EDS Captain is a person who performs certain administrative functions for an
organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

Q: Who is the EDS team?

A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

Q: I forgot my password. What should I do?

A: To retrieve a temporary password, click the “Forgot your password?” link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?

A: Click on “Create New” after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

Q: How do I fill out a Disclosure of Retained Parties?

A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on “Create New”. Answer (click) “Contract” to “Is this EDS for a contract or an EDS information update?” Click “Fill out EDS”, and click on the “Retained Parties” tab. When finished, click on “Ready to Submit.”

Q: How do I attach documents?

A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you.
Documents can be sent in PDF (preferred), Word, or paper format.

Q: **Who can complete an Economic Disclosure Statement online?**

A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

Q: **What are the benefits of filing my Economic Disclosure statement electronically?**

A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: **Will my information be secure?**

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the “Online EDS” login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication. Only you will have knowledge of this unique identification information.

Q: **I am filing electronically. How do I sign my EDS?**

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: **My address has changed. How can I update my information?**

A: You must be an EDS Captain for your organization to update this. Log-in and click on “Vendor Admin, Site Administration.” Select the appropriate site and click edit.

Q: **I have more questions. How can I contact the Department of Procurement Services?**

A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.
Q: Can I save a partially complete EDS?

A: Yes. Click “Save”. To avoid data loss, we recommend you save your work periodically while filling out your EDS.

Q: Do I have to re-type my information each time I submit an EDS?

A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

Q: What are the system requirements to use the Online EDS?

A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/

- Your web browser is set to permit running of JavaScript.

- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.

- Your monitor resolution is set to a minimum of 1024 x 768.

- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at http://get.adobe.com/flashplayer

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XIP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.

1.2 Indemnification

(a) Contractor must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

(i) injury, death or damage of or to any person or property;

(ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Contractor’s failure to perform or cause to be performed Contractor’s promises and obligations as and when required during the Period of Designation, including Contractor’s failure to perform its obligations to any Subcontractor;

(iv) the City’s exercise of any available rights and remedies; and

(v) injuries to or death of any employee of Contractor or any Subcontractor under any workers compensation statute.

(b) "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys’ fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor’s breach of this Agreement or to Contractor’s negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, contractors, subcontractors or licensees.

(c) At the City Corporation Counsel’s option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations during the Period of Designation. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, Contractor waives any limits to the amount of
its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of the Period of Designation for matters occurring or arising during the Period of Designation or as the result of or during Contractor’s performance of Services beyond the term. Contractor acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Contractor's duties during the Period of Designation, including the insurance requirements in Exhibit 4 of the RFP.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. 1.6 2014 City Hiring Plan Prohibitions

(a) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a Subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Contract are employees or Subcontractors of Contractor, not employees of the City of Chicago. This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.
(c) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Contract, or offer employment to any individual to provide services under this Contract, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Contract, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Contractor by a City employee or City official in violation of paragraph B above, or advocating a violation of paragraph C above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Contract. Contractor will also cooperate with any inquiries by OIG Hiring Oversight.

1.7 Confidentiality and Use Restrictions

(a) All City Data is confidential, except as specifically authorized in the RFP or as may be required by law. Contractor must not allow the City Data to be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to insure that its staff and its Subcontractors are bound by the confidentiality provisions in the RFP.

(b) Except as provided in this subparagraph 1.7(b) or the RFP or as required by law, Contractor must keep all user data confidential, Contractor may not allow it to be made available to any individual or organization, and Contractor may not request any user to waive the confidentiality of all or any portion of such data. Contractor must implement such measures as may be necessary to insure that its staff and its Subcontractors are bound by the confidentiality provisions in the RFP relating to user data.

(c) Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the Period of Designation, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(d) If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor’s possession during the Period of Designation, Contractor must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.
1.8 Best Efforts Regarding Work Force

(a) Contractor must use best efforts to employ members of a Minority Group, as such term is defined in Section 2-92-420(r) of the Municipal Code of Chicago, whether through itself or through approved Subcontractors, for at least 25% of the work force that performs the Services during the Period of Designation.

(b) Respondent must summarize its plan to use best efforts in the manner described above.

(c) Contractor will be required to report on its ongoing best efforts to the Commissioner on a quarterly basis, and will provide documentation or other support showing its best efforts upon the Commissioner’s request.
