Saturday, September 7, 2024	10a-1p	3030 N. Mobile Ave.

Rabies Vaccine and Microchip Clinics

www.cookcountyil.gov

Pet Vaccine Clinic Rules:

Available to the first 100 dogs only. Only **TWO (2) dogs per household** are allowed at each clinic.

- **For Your Dog's Safety:** To ensure a smooth visit for all our furry friends, we require a capable adult (18+) to handle each animal.
- **Streamlined Check-In:** To avoid unnecessary crowding, we'll start distributing numbers at 9:30 am. Arriving earlier than 8 am might limit access to the waiting area.
- **Serving Our Community:** This program is open to Cook County residents 18 and over with a valid ID.
- **Keeping Everyone Healthy:** To protect the well-being of all animals, we can't service sick pets (including dogs showing respiratory issues).
- **Puppy Love with Age Limits:** For their safety and proper vaccinations, only dogs 8 weeks or older can participate.
- **Prepare for Fun (with a bit of a wait):** We recommend bringing a chair, water, and dressing for the weather (it's a busy day!).
- **Space for Everyone:** To keep all our furry friends comfortable, please avoid petting other animals and maintain a 6-foot distance with your pup.
- **Leash and Carrier Safety:** For everyone's peace of mind, please bring a secure leash (no longer than 6ft) or a carrier. Retractable leashes are not permitted.
- **Helping Your Dog Feel Safe:** If your dog needs a muzzle during vaccinations or near other animals, please bring your own. We want your pup to feel comfortable throughout the visit.
- **Working Together for a Smooth Visit:** We reserve the right to refuse service for the safety and well-being of all animals and staff.

Be sure to check our website at Chicago.gov/CACC for the latest schedule, as dates, times, and locations may be adjusted to ensure everyone's safety.
