★ HUD Entitlement Grants – 2022 Action Plan

- **HUD Funding** \$117.4 million* (Anticipated Based Award) + \$79.2 million (Unprogrammed) = \$196.5 million
- **Community Development Block Grant (CDBG)** \$80.1 million* (Base Award) + \$67.1 million (Unprogrammed) = \$147.2 million
 - Proposed Uses: Domestic Violence, Food Assistance, Homelessness, Mental Health, Senior Services, Violence Prevention, Workforce Training, Small repairs, Homeownership Counseling, and more.
- **HOME Investment Partnership Grant (HOME)** \$20.1 million* (Base Award) + \$12.1 million (Unprogrammed Program Income) + \$71.2 million in ARP HOME = \$103.4 million
- **Emergency Solutions Grant (ESG)** \$7 million* (Anticipated Base Award)
 - Proposed Uses: Rental assistance, rapid rehousing, homeless shelters, outreach
- **Housing Opportunities for People with AIDS (HOPWA)** \$10.1 million* (Base Award)
 - Proposed Uses: HIV/AIDS housing and support services

The funding amounts are estimates. Should the exact amount differ, funding amount revisions will be made to the activities in the Action Plan. The City expects no displacement of families, individuals, or businesses to occur as a result of activities. Should displacement occur as a result of any project or activity, the City will follow the regulations of the Uniform Relocation Assistance and Real Property Acquisition Policies Act. The estimated amount to benefit low to moderate-income persons for the CDBG program is 70%.

Community Development Block Grant (OBM)

Full details of projects will be released in the Draft 2022 Action Plan on OBM's website after the public comment period closes on October 8, 2021.*

Department of Family and Support Services – Overview

As the City of Chicago’s primary social services funder and administrator, the Chicago Department of Family and Support Services (DFSS) manages a comprehensive, client-oriented human service delivery system that employs a holistic approach to improving the quality of life for our most vulnerable residents. DFSS administers resources and provides assistance and support to a network of over 360 community-based organizations. The DFSS mission is:

Working with community partners, we connect Chicago residents and families to resources that build stability, support their well-being, and empower them to thrive.

DFSS’ priorities are to:

- **Deliver** and support high quality, innovative, and comprehensive services that empower clients to thrive.
- **Collaborate** with community partners, sister agencies, and public officials on programs and policies that improve Chicagoans’ lives and advance systemic change.
- **Inform** the public of resources available to them through DFSS and its community partners.
- **Steward** DFSS’ resources responsibly and effectively.

Department of Public Health – Overview

Vision

A city of thriving communities where all residents are able to live healthy lives.

Mission

To promote and improve health by engaging residents, communities and partners in establishing and implementing policies and services that prioritize residents and communities with the greatest need.

Values:

- Diversity: We respect and appreciate our differences and affirm our range of experiences, values, traumas and strengths. We work to constantly improve our cultural competence and seek out underrepresented views.
- Excellence: We are a responsive workforce that strives to meet needs and exceed expectations. We deliver work with integrity and hold each other accountable for increasing health equity among Chicagoans.
- Informed Decision Making: We collect, analyze and disseminate data. In collaboration with community partners, we use data to inform program, policy and funding decisions.
- Teamwork: We work together, learning from and valuing staff and community partners. We aim to act responsibly, ensure effective communication and encourage each other to achieve our common goals

Department of Housing – Overview

Mission

Chicago's Department of Housing expands access and choice for residents and protects their right to quality homes that are affordable, safe and healthy.

Vision

Equitable distribution of resources across all 77 communities so that every Chicagoan can choose and remain in quality housing that's affordable, safe and healthy.

Values

The work of the Chicago Department of Housing is to develop and promote quality, affordable, safe and healthy homes across all 77 communities, putting Chicagoans proximate to resources they need to thrive at every age.

This work is radical. It demands that we challenge systems. It requires our action and collaboration. It means fighting historically racist lending and investment policies, local resistance to progress and deeply rooted patterns of segregation in our city. It creates public stewards committed to building community wealth and housing as a human right.

Mayor's Office for People with Disabilities – Overview

The goal of the Mayor's Office for People with Disabilities (MOPD) is to foster accessibility, full participation, and equal opportunities for people with disabilities, in all aspects of life, through systemic change, information and referral, education and training, public policy, and direct services. MOPD works to ensure that the rights of the disability community are equitably represented in all City services, programs, initiatives, and policies. MOPD is striving to make Chicago a world-class, disability-friendly city.

The City of Chicago welcomes all City residents and nearly 60 million visitors annually, many who have disabilities. Due to the disability community being undercounted in the U.S. Census, the number of people with disabilities served by the City of Chicago and MOPD greatly exceeds the 300,000 people recorded in the U.S. Census.

Mayor's Office for People with Disabilities – 2022 Project Updates

- **Home Mod Program \$1.7 million**
