* **SAFE SPACE**

- These community meetings are a welcoming, respectful space for all.
- Trans, nonbinary, & gender-expansive people, families, and allies are encouraged to attend.
- Come as you are – bring a friend!

* **WHY THIS MATTERS**

- **The world has changed.** Trans and nonbinary communities face ongoing discrimination and challenges.
- We need to protect and empower our most vulnerable communities.
- These meetings will help shape real solutions that reflect community needs and lived experiences.

* **SUPPORT**

- **Content warning:** There will be discussions about discrimination, transphobia, and personal experiences that may be triggering. These conversations are difficult but necessary.
- A quiet room and support from a **CARE** team member will be available.
- ASL interpretation will be provided.
