

Chicago Mobility Collaborative

Quarter 3 Session

September 19, 2024

Olive-Harvey College

Agenda

- Welcoming
- Community Voices
- CDOT Updates
- Knowledge-sharing presentation: Adaptive Cycling, Envision Unlimited
- Community Tables overview
- Community Tables breakout conversations
- Regroup
- Announcements
- Meeting Close

Today's goals

1. Make new connections and identify opportunities for partnerships.
2. Inform the public on key CDOT projects, traffic safety data, and traffic safety strategies.
3. Advance conversations and efforts identified at past Community Tables.
4. Discuss opportunities for actions and advocacy efforts.

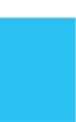

CMC Goal

The goal of the Chicago Mobility Collaborative is to establish a forum for meaningful participation, where collaboration is encouraged, learning is facilitated, partnerships are fostered, and where Chicagoans have a voice in the decision-making that impacts them.

Community agreements of engagement

1. Listen actively to understand others' views and perspectives.
2. One person speaks at the time.
3. Seek clarity, avoid making assumptions.
4. Be accountable for your words and their impact.
5. Your experience is valuable and unique, and it is worth sharing.
6. Provide constructive criticism of ideas and projects, not of individuals.

CDOT Updates

Traffic Safety Data & Project Highlights

Traffic Fatalities in the City of Chicago

David Pufundt

Community Tables

Group Conversations

Community Tables Vision Statement

Community Tables will foster dialog, inclusion, and empowerment; they will be a platform to build trust with fellow Chicagoans and an opportunity for CDOT to strengthen relationships with communities; the tables will be centered on lived experiences and will be intentional in the ways they will create space for diverse voices, stories, and bodies.

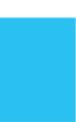

Community Table participants will seek to become connectors, conveners, and collaborators.

September 2024 Community Tables

- **Table 1. *Better Streets for Transit: Corridor Implementation: building projects and building coalitions***
- **Table 2. *Beyond the Bike Lane: Accessible Micromobility: a better network and inclusive events for all***
- **Table 3. *Featured Project: 130th St Streetscape Project***

Regroup
