

# WE ARE NOW REQUESTING PROPOSALS FOR TRAUMA INFORMED LEARNING COHORT LEADERS (#8696)

The Chicago Department of Public Health's Office of Violence Prevention and Behavioral Health is seeking four (4) organizations to serve as Learning Cohort Leaders.

Awarded organizations will recruit, convene, and form learning cohorts across various sectors. This role includes developing training materials, coaching participants, planning and delivering training, and providing technical assistance to ensure that trauma-informed approaches and materials are understood and practiced.
