

# WE ARE NOW REQUESTING PROPOSALS FOR

## TRAUMA INFORMED COLLABORATIVE LEAD (RFP #8749)

The Chicago Department of Public Health's Office of Violence Prevention and Behavioral Health is seeking to fund an organization as the Trauma Informed Collaborative Lead.

As the Lead, this organization will construct an online process for requesting and storing materials, develop methods for improving trauma-informed practices across systems, and establish a diverse, multi-sector citywide Trauma Informed Collaborative.
