

COVID-19 Update

September 1, 2020

Travel Order: Adding North Carolina, Hawaii, & Nebraska for a total of 21 states and Puerto Rico

The District of Columbia has <10 daily cases per 100k

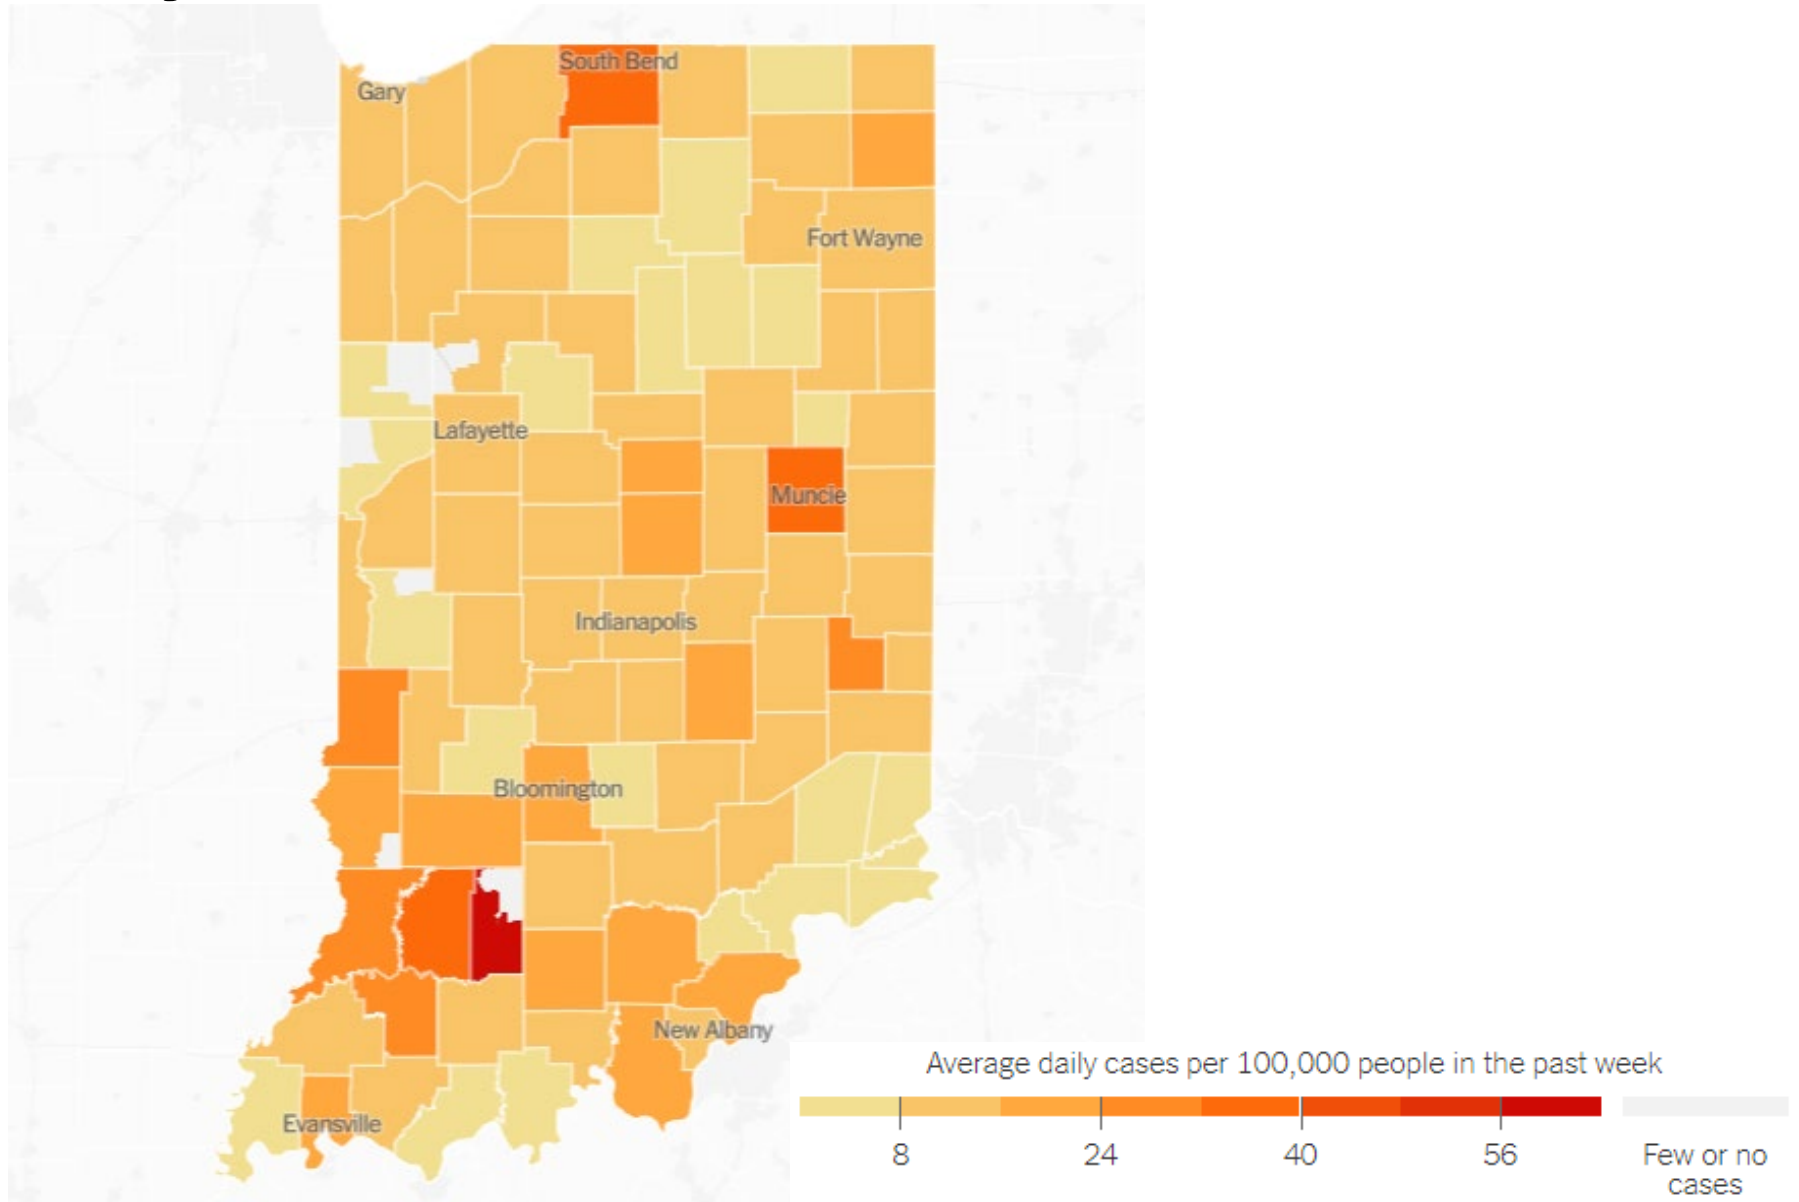

Next 5 states	
State	Daily Cases /100k
Indiana**	15.8
Kentucky	14.4
Minnesota	14.2
Florida*	13.7
California*	13.1

Designated States
 < 15 daily cases for one week while designated
 Between 10 -15 daily cases per 100k**
 Less than 10 daily cases per 100k

Note: *This State was on the designated list and is now under 15 daily cases per 100k residents, if they stay below for another week, it will be taken off the list; **Indiana is above the 15 daily cases per 100k resident threshold but is not included on this week's travel order due to several factors specific to the state's outbreak and reporting methodology. If it stays above the threshold next week, it will be formally added to the list. Source: CDC Data Tracker

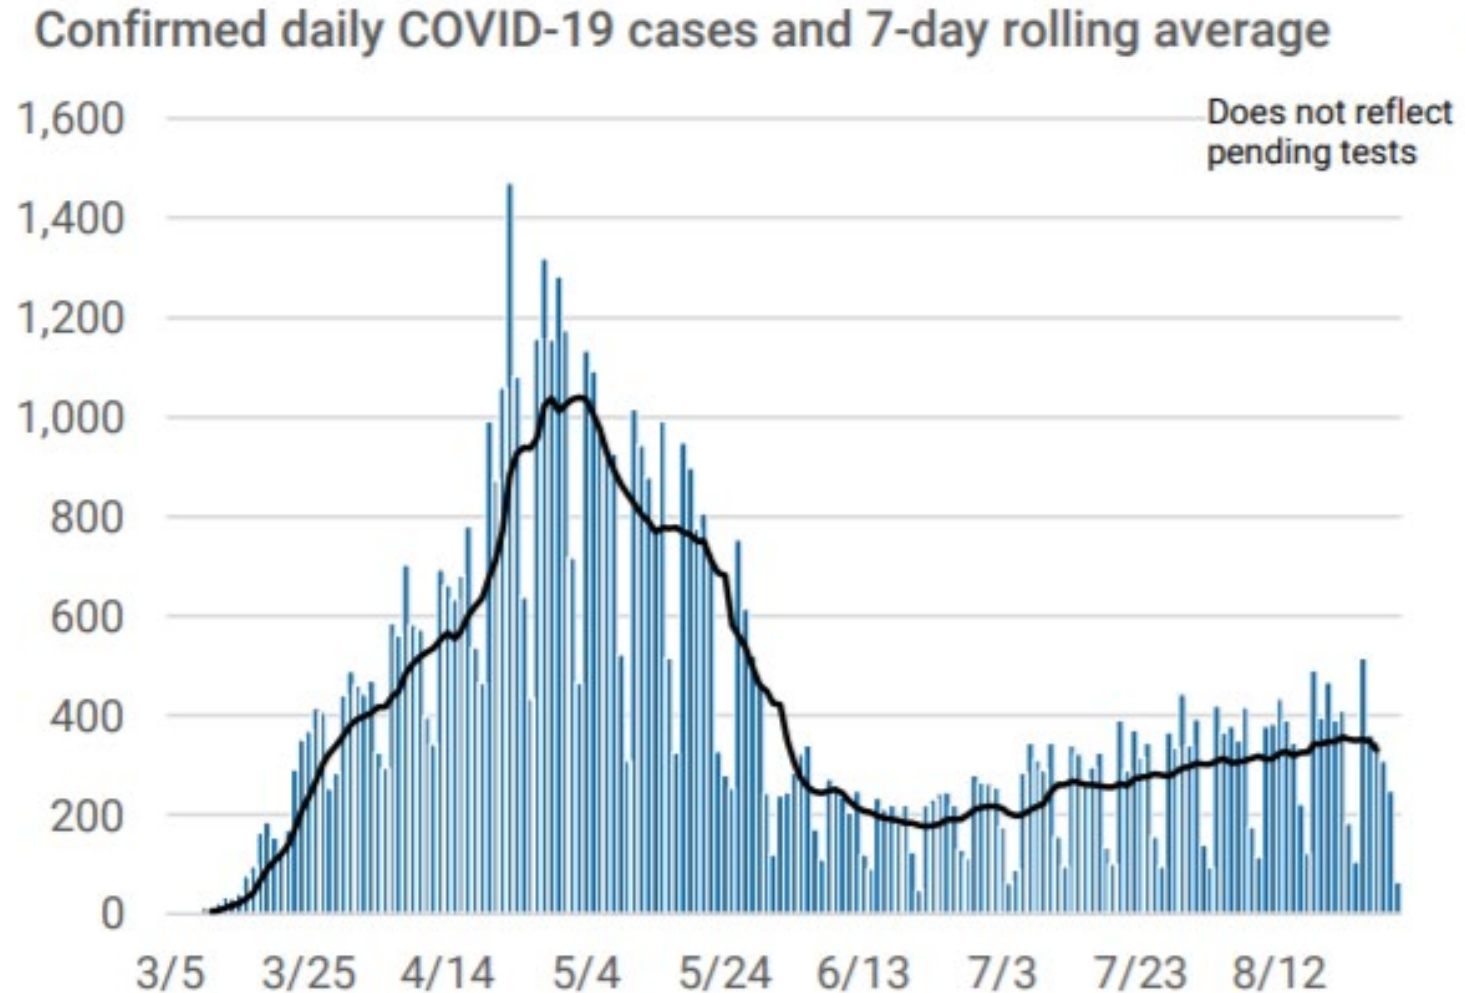

★ Indiana may be added next week
