Upcoming Meetings

President Foreman announced that the schedule of the Board's monthly public meetings for 2022 has been set and will be available on the Board's website. He stated that the Board’s next regular public meeting will be on Thursday, January 20, 2022, at 7:30pm.

He reported that the Board members unanimously agreed that it continues to be necessary to keep confidential the recordings of its past closed meetings and portions of the minutes. He noted that earlier this year the Board began making publicly available portions of its closed-meeting minutes and that these minutes are included in the Blue Book that is posted on the Board's website in advance of each public meeting.

Police Disciplinary Cases

President Foreman noted that a report of disciplinary actions taken by the Board during the previous month is posted on the Board’s website. He reported that there are two announcements of disciplinary rulings on the agenda:

Board Member Montes reported that the Chief Administrator recommended that Police Officer Michael Mancha be discharged from the Chicago Police Department for rule violations stemming from a vehicle pursuit. Board Member Montes reported that the Superintendent objected to the Chief Administrator’s recommendation and recommended that Officer Mancha be suspended for 180 days. Board Member Montes announced his ruling that the Superintendent did not meet the burden of overcoming the Chief Administrator’s recommendation for discipline.
Case No. 21 RR 17. Board Member Doorley reported that pursuant to Section 2-78-130 of the Municipal Code of Chicago she reviewed one matter on which the Chief Administrator of the Civilian Office of Police Accountability and the Superintendent of Police did not agree regarding the discipline of a sergeant. Board Member Doorley reported that the Superintendent objected to the Chief Administrator’s recommendation and recommended that Sergeant Perez be suspended for 180 days. Board Member Doorley announced her ruling that the Superintendent met the burden of overcoming the Chief Administrator’s recommendation for discipline.

Request to Solicit Funds for Police Awards Ceremony
President Foreman reported that the Superintendent has requested the Board’s permission to solicit funds to offset the costs of hosting the Department’s annual awards ceremony and luncheon in May 2022. Board Member Wolff moved to approve the Superintendent’s request, subject to the Board’s receiving an accounting of funds raised and spent following the event. The motion passed by a vote of 8 in favor (Foreman, Wolff, Block, Doorley, Eaddy, Flores, Montes, and Zopp) to 0 opposed.

Policy Regarding the Attendance of and Participation by the Public at Board Meetings

July 23, 2019

The Police Board values the attendance of the public at its meetings and the opportunity to receive comments and questions on matters concerning the Board or the Police Department. The Board will treat members of the public with courtesy and respect, and expects that the public will treat Board members and Department members in a similar manner.

Toward that end, the Board has adopted the following rules governing conduct at Board meetings:

1. An individual wishing to address the Board must sign-up in advance by contacting the Board’s office no later than 3:00 p.m. of the day of the meeting, or by signing up in person at the meeting location up to 15 minutes before the meeting begins.

2. When called upon to address the Board, each speaker is to identify him/herself and speak clearly so that all in attendance may hear and so that the court reporter may make an accurate record of the proceedings.

3. Due to time constraints, each speaker is limited to two minutes and must conclude when asked to do so by the Board member acting as parliamentarian.

4. Personal attacks, obscene language, fighting words, threats, conduct intended to disrupt or interfere with the meeting, and comments not related to matters within the Board’s or the Department’s jurisdiction, by a speaker or any person in attendance, are strictly prohibited.

Violation of any of the above rules may result in the removal of the violator from the meeting room, or in the immediate adjournment of the meeting; in addition, repeated violations may result in the violator not being permitted to attend or participate in future Board meetings.
CITY OF CHICAGO

Policy Regarding Community Input Received at Police Board Public Meetings

June 20, 2019

The City values the attendance of the public at monthly Police Board meetings and the opportunity to receive comments and questions concerning police-related matters. The following policy is created to ensure responsiveness to community input received at the meetings.

1. Each Police Board public meeting shall be transcribed by a court reporter. The transcript of the meeting shall include a complete report of each speaker's remarks, and shall be posted on the Police Board website.

2. Within seven business days of the public meeting, the Executive Director of the Police Board shall review the transcript of the meeting, classify the community input received, and direct the community input to the appropriate responding agency (Police Department, Civilian Office of Police Accountability, Police Board, Deputy Inspector General for Public Safety, and/or any other appropriate agency).

3. Each responding agency shall make best efforts to respond fully to the community input.

4. Within ten business days of receiving the community input from the Executive Director of the Police Board, each responding agency shall provide the Executive Director with a written report documenting its response to the community input to date. The Executive Director of the Police Board shall track all community input and responses.

5. The Executive Director of the Police Board shall post on the Police Board website prior to the next public meeting: (a) a report of the tracking of community input and responses (if no response is received, this will be noted on the report), and (b) each responding agency's written report of its response to the community input.

---

1 This policy is created to fulfill the requirements of Paragraph No. 538 of the Consent Decree entered in Illinois v. Chicago:

538. Within 90 days of the Effective Date, the City will create a policy for collecting, documenting, classifying, tracking, and responding to community input received during the Police Board's regular community meetings. The policy will outline the methods for: (a) directing community input to the appropriate responding entity, agency, or office; and (b) documenting and making public, all responses to community input.

2 As defined in Paragraph No. 729 of the Consent Decree, "'Best efforts' require a party, in good faith, to take all reasonable steps to achieve the stated objective." (Footnote added on October 18, 2019)
