1 PRESIDENT COOPER: All right, everybody.
2 Welcome to the May Police Board meeting. All
3 right. Good evening, everyone. My name is Kyle
4 Cooper. I'm the president of the Chicago Police
5 Board, and I'm now calling the Board's May 15th
6 public meeting to order.

7 We thank CAN-TV as always for
8 covering this meeting. It is being live-streamed
9 at CAN-TV.org and on the CAN-TV app and televised
10 on CAN-TV 27.

11 Along with myself, we have the
12 following Board members attending in person this
13 evening: Vice President of the Board, Ms.
14 Claudia Badillo, Board Member Tyler Hall, Board
15 Member Kathryn Liss, Board Member Arlette Porter,
16 Board Member Justin Terry, and Board Member
17 Cynthia Velazquez.

18 We also have Board Members Steven
19 Block and Andreas Safakas on the phone. They're
20 unable to attend this meeting in person and would
21 like to attend remotely. Is there a motion to
22 perit them to do so?

23 VICE PRESIDENT BADILLO: So moved.

24 PRESIDENT COOPER: All in favor, please raise

1 your hands and say aye.

2 (CHORUS OF AYES.)

3 BOARD MEMBER LISS: I'd like to second that.

4 PRESIDENT COOPER: All in favor, raise your
5 hands and say aye.

6 (CHORUS OF AYES.)

7 PRESIDENT COOPER: The motion passes.

8 In addition to the Police Board
9 members, we have the following City officials
10 here with us this evening. We have the Chief of
11 the Chicago Police Department's Office of
12 Constitutional Policing and Reform Angel Novalez
13 representing the Superintendent of Police Mr.
14 Larry Snelling. We have the Interim Chief
15 Administrator of the Civilian Office of Police
16 Accountability, Ms. LaKenya White, and we have
17 the General Counsel of the Inspector General's
18 Office Mr. Nathaniel Wackman who is representing
19 Deputy Inspector General for Public Safety Ms.
20 Tobara Richardson. We have Deputy Director of
21 the Chicago Police Department's Bureau of
22 Internal Affairs Mr. Timothy Moore, and we also
23 have the General Counsel to the Superintendent
24 Mr. Scott Spears. And as always, we have the

1 Police Board's Executive Director Mr. Max
2 Caproni.

3 We will now proceed to the items on
4 the meeting agenda.

5 Is there a motion to approve the
6 drafts of the minutes of the Board's public and
7 closed meetings held on April 17th?

8 VICE PRESIDENT BADILLO: So moved.

9 BOARD MEMBER LISS: Second.

10 PRESIDENT COOPER: All in favor, raise your
11 hands and say aye.

12 (CHORUS OF AYES.)

13 PRESIDENT COOPER: Hearing all ayes, the
14 motion passes. The regular public meeting of the
15 Board is scheduled to take place on June 18th at
16 7:30 p.m. and that meeting will take place where
17 all Police Board meetings do, which is right here
18 at the Chicago Public Safety Headquarters.
19 Please note that next month's meeting will take
20 place on a Wednesday instead of a Thursday,
21 because the third Thursday of next month is
22 Juneteenth which is a City and federal holiday.

23 The Police Board meets in executive
24 session to discuss various matters. Those

1 discussions are closed to the public as
2 authorized by Section 2(c)(1), (4), (11), and
3 (21) of the Illinois Open Meetings Act.

4 Information on matters discussed in
5 the executive sessions is included in the minutes
6 of the meetings posted on our website.

7 Is there a motion to close a series
8 of future executive sessions as authorized by
9 these sections of the Open Meetings Act?

10 VICE PRESIDENT BADILLO: Yes, so moved.

11 BOARD MEMBER LISS: Second.

12 PRESIDENT COOPER: All in favor, please raise
13 your hand and say aye.

14 (CHORUS OF AYES.)

15 PRESIDENT COOPER: Hearing all ayes, the
16 motion passes.

17 The next item on the agenda is an
18 update on the arbitration proceedings.

19 As we have reported on in previous
20 meetings, the Fraternal Order of Police, which
21 represents Chicago police officers below the rank
22 of sergeant, has appealed two rulings that are
23 part of the March 2024 Cook County Circuit Court
24 decision that allows officers to choose to have

1 the most serious cases of police misconduct heard
2 by an arbitrator rather than the Police Board.

3 The case is currently before the Illinois
4 Appellate Court where the union is challenging
5 two aspects of the Circuit Court's ruling.

6 First, that arbitration proceedings be open to
7 the public, and, second, that accused officer may
8 be suspended without pay while their case is
9 pending.

10 The Appellate Court has scheduled
11 oral arguments on this matter for June 17th. It
12 therefore will be at least several months before
13 the Appellate Court decides this case, and after
14 that, there may well be an appeal either taken by
15 the City or by the Union.

16 Four new disciplinary cases have
17 been filed with the Police Board thus far in
18 2025. Three of the four cases involve officers
19 accused -- three of the four accused officers
20 have requested arbitration, bringing to 19 the
21 total number of cases currently before the Board
22 in which the accused officer has requested
23 arbitration. These cases aren't old, and there
24 will be no arbitration hearings until

1 establishment of a public arbitration process,
2 and there can be no Police Board hearing on these
3 cases without the consent of the accused officer.

4 Five Police Board cases, however,
5 are moving forward because the accused officer
6 elected to have the Board hear their cases rather
7 than wait for arbitration.

8 The Police Board's website,
9 Chicago.gov/Police Board, will continue to keep
10 the public informed of any new developments in
11 the ongoing litigation and the status of any new
12 disciplinary identifications before the Board.

13 I encourage you to check out the
14 news and information section on our website for
15 the most up-to-date information.

16 The next item on the agenda is
17 appeals by disqualified applicants to become
18 Chicago police officers.

19 When a person who applies to become
20 a Chicago police officer is disqualified and
21 removed from the eligibility list as a result of
22 a background investigation, that person has a
23 right to appeal that decision to this Police
24 Board. The Board, as authorized by the Open

1 Meetings Act, has discussed in closed meeting
2 several -- two appeals this month. We will now
3 take final action on those appeals. Is there a
4 motion to affirm the disqualification decision
5 for the following appeal 25AA05 and reverse the
6 disqualification decision for the following
7 appeal 25AA034?

8 VICE PRESIDENT BADILLO: So moved.

9 BOARD MEMBER LISS: Second.

10 PRESIDENT COOPER: I will now call on members
11 of the Board for their votes.

12 Board Member Badillo.

13 VICE PRESIDENT BADILLO: Aye.

14 PRESIDENT COOPER: Board Member Block.

15 BOARD MEMBER BLOCK: Aye.

16 PRESIDENT COOPER: Board member Hall.

17 BOARD MEMBER HALL: Aye.

18 PRESIDENT COOPER: Board Member Liss.

19 BOARD MEMBER LISS: Aye.

20 PRESIDENT COOPER: Board Member Porter.

21 BOARD MEMBER PORTER: Aye.

22 PRESIDENT COOPER: Board Member Safakas.

23 BOARD MEMBER SAFAKAS: Aye.

24 PRESIDENT COOPER: Board Member Terry.

1 BOARD MEMBER TERRY: Aye.

2 PRESIDENT COOPER: And Board member
3 Velazquez.

4 BOARD MEMBER VELAZQUEZ: Aye.

5 PRESIDENT COOPER: I also vote in favor of
6 the motion and the motion passes.

7 The written decisions of these
8 appeals will be entered as of today's date, sent
9 to the parties and promptly posted on the Police
10 Board' website.

11 At this time, I would now like to
12 call on Chief Novalez to give the
13 Superintendent's report.

14 Before I do so, I just want to say
15 to the Chief and to all the members of the Police
16 Department here with us this evening, myself and
17 several members of the Board had the pleasure of
18 attending last week's award ceremony, and I just
19 wanted to say it was a great event, and it was
20 fantastic to hear about all the hard work and
21 dedication that the officers and the City have
22 performed and who were deserving of the awards it
23 received, and I wanted to pass on my congrats to
24 those officers and CPD as a whole for continuing

1 to do great work to keep the citizens of the City
2 safe.

3 CHIEF NOVALEZ: Thank very much. If I have
4 the opportunity, I will make sure that I pass
5 this on to our officers.

6 Good evening, everybody. My name
7 is Angel Novalez. I am the Chief of
8 Constitutional Policing and Reform. And once
9 again, it is an honor and a privilege to be here
10 on behalf of Superintendent Snelling.

11 As always, I will take copious
12 notes of your concerns, and I will make sure that
13 they get back to the Superintendent and they're
14 addressed immediately.

15 So good evening. This week marks
16 National Police Week. A week that honors the
17 heroism and bravery of law enforcement here in
18 Chicago and throughout the country.

19 This year, members of CPD,
20 including Superintendent Larry Snelling, joined
21 the families of the following officers, Luis
22 Huesca, James Crowley, Enrique Martinez, in
23 Washington, DC, for Police Week. The names of
24 our fallen heros have been added to the National

1 Police Memorial in recognition of their sacrifice
2 and their courage, and our Superintendent is
3 there to accompany and support the families.

4 We also recognize the work the
5 officers -- the work that they do every day to
6 keep our communities throughout Chicago safe.

7 We also honor those officers this
8 week. As you mentioned, at the recognition
9 ceremony, we're very proud of the work the
10 officers did.

11 Some of you were there in
12 attendance, and it was a great opportunity to
13 come together and honor the officers that protect
14 our City.

15 Earlier this month, we hosted the
16 annual St. Jude Memorial March which returned to
17 us on Michigan Avenue for the second year in a
18 row.

19 Recruits lined the route with the
20 names and photos of all 606 fallen Chicago police
21 officers who had been killed in the line of duty.
22 This emotional march pays tribute to our fallen
23 office and our Gold Star families, many of them
24 who were in attendance.

1 As we head into the summer months,
2 we are continuing to make progress reducing
3 violent crime.

4 So far this year we've seen a 24
5 percent reduction in murders. There has also
6 been 33 less shooting victims and 32 percent less
7 shootings compared to last year. We're also
8 continuing to see significant reductions in
9 robberies citywide compared to 2024. We are
10 seeing more than 1,100 less robberies, a 37
11 percent reduction.

12 The robbery task force, which
13 involves both the Bureau of Detectives, the
14 Bureau of Patrol, and the Bureau of
15 Counterterrorism have been working to address
16 robberies through on-the-ground mission and
17 investigation to hold offenders accountable.

18 While this is progress, there is
19 more work to do, and we invite all communities to
20 partner with us to ensure that we achieve that
21 safety. Thank you.

22 PRESIDENT COOPER: Thank you, Chief Novalez.
23 At this time, I would like to now call on Chief
24 Administrator White to give her report.

1 INTERIM CHIEF ADMINISTRATOR WHITE: Good
2 evening, all. I would like to report out a few
3 data sets from April. COPA received 330
4 complaints and notifications. 88 of those
5 investigations are under COPA's jurisdiction. 37
6 percent of COPA's allegations are Fourth
7 Amendment/improper search and seizure. COPA also
8 received two officer-involved shooting
9 notifications. COPA closed 76 investigations in
10 April. 20 percent of the closed cases had at
11 least one sustained allegation.

12 For video releases in April, we did
13 two video releases. One was for a fatal
14 officer-involved shooting near 900 East 100th
15 Street, and the other one was unintentional
16 discharge near 4800 West Monroe.

17 For engagements, COPA attended 21
18 community engagement events.

19 Before I conclude, I would like to
20 take a moment to highlight the Community
21 Mediation Pilot Program which is an alternative
22 dispute resolution model administered by COPA
23 which we envision as a tool to bridge the
24 communication gap and establish a better

1 understanding and mutual respect between
2 community members and the Chicago Police
3 Department.

4 COPA has hosted three community
5 conversations and four community meetings with
6 District Council members designed to provide a
7 format of engagement that allows community
8 stakeholders to provide input and feedback on
9 program policy, operations, and staffing
10 community mediators.

11 Most recently, COPA hosted two
12 round-table discussions that captured feedback
13 and comments from a diverse group of CPD members
14 who range from commander to patrol.

15 We look forward to hosting our
16 final round table next week with representatives
17 from the Police Union. Thank you.

18 PRESIDENT COOPER: Thank you, Chief
19 Administrator White.

20 At this time, I would like to call
21 on members of the public who signed up in advance
22 to speak. And to make sure that we have time for
23 everybody who signed up to speak, and I think we
24 will, please limit your comments to just two

1 minutes, and Vice President Badillo will be
2 setting a timer to that effect. So if you hear
3 that go off, please conclude your remarks.

4 With that said, the first member of
5 the public who signed up to speak is Ms. Jennifer
6 Edwards.

7 MS. EDWARDS: I try to be understanding of
8 all sides. I consider myself a progressive, but
9 also from the old school.

10 The last couple of weeks we have
11 had teenagers coming out of schools -- Hyde Park
12 High School is one of them in the 3rd District --
13 and they just immediately start fighting, and so
14 our officers from the 3rd District had to go
15 over, and they jumped on the officers. Some of
16 the ones that we know. Knocked them to the
17 ground. Some were arrested and then some were
18 told -- they were told later to let them go.
19 Okay. So we were kids. Okay. I was a Catholic
20 school girl, so I couldn't do much, but we all
21 were kids. We all had these feelings of wanting
22 to do things, whether it was Double Dutch or
23 whatever we did. But when you start messing with
24 our officers and the ones that I know, I think

1 it's time for us as community people, if we can't
2 get the City to do these snap curfews, then we
3 need to go to our legislatures. Okay. I'm going
4 to mine, and I'm encouraging people on CAN-TV to
5 do this.

6 Now, there is a law, and I'm not a
7 lawyer, but I'm going to read it, that's on the
8 books. Okay. Let me find it. Hold on, please.
9 This is -- it's an Illinois law that states that
10 the parents should be responsible for any damages
11 that the kids may do. That's property damage,
12 whatever else. And it's not being enforced. And
13 the police are not allowed to do these things.
14 The police are handcuffed. They can't do
15 anything. They have to stand up. They have to
16 take all of this abuse. I think this is wrong.

17 We had a couple of people the last
18 couple of meetings to come and talk about they
19 were upset about the kids just going out being
20 wild and doing what they wanted to do, but I
21 think that we want to have to do this because we
22 pay taxes, telling everybody. We want our
23 neighborhoods to look a certain way and be a
24 certain way, and we vote. So I'm telling

1 everybody, even people on the Police Board, we
2 got to do something about this because this is
3 wrong. Thank you.

4 PRESIDENT COOPER: Thank you, Ms. Edwards.
5 The next speaker who signed up is a Ms. Donna
6 Olivares.

7 MS. OLIVARES: Good evening, members of the
8 Board. Deputy Chief Angel Novalez, thank you.
9 I'd like to just piggyback off of what Ms.
10 Edwards had said earlier.

11 As a citizen and protecting those
12 students that do participate and do try to do
13 good, I would like to make a suggestion that in
14 the arrest of the students, please arrest the
15 parents as well, fingerprint them, and throw them
16 in jail with the students so that when they go to
17 apply for a mortgage loan, car note, now they
18 have a record.

19 Also, citizens that have worked
20 hard to protect their homes and families, hose
21 'em down. Bring the hoses out. You have my
22 permission, along with property owners, to bring
23 the hoses out.

24 As teenagers we know, we smell

1 ourselves once in a while, and it doesn't hurt to
2 clean our City streets. Bring the hoses out,
3 hose 'em down. And next the dogs. Thank you.

4 PRESIDENT COOPER: The next speaker we have
5 signed up to speak is Mr. Asish Shegi.

6 MR. SHEGI: Hi. My name is Asish Shegi. I'm
7 an Englewood business owner. So I'm in the 7th
8 Police District, and they are doing an incredible
9 job since day one. They were attending my calls
10 and, you know, addressing the issues I have,
11 especially business license officer.

12 But the main problem I have is drug
13 dealing in front of the business. That's not
14 just the drug dealing. They are selling it to
15 teenagers underage, and plus they drink in front
16 of the store, in the car, and that can cause
17 drunk driving accidents. And this is wrong.

18 So what I do, I watch the camera
19 all the time. I made more than 500 911 calls. I
20 have the records. So but -- I think so many
21 businesses are scared to call the 911 because
22 they don't want their presence -- police presence
23 in their business, but I made a decision that as
24 long as the City gave me the license, I should

1 obey the City law. You know, if you see
2 something, you need to talk. You need to tell.
3 So that is the main part I'm doing. But this --
4 the way that drug dealing in Englewood goes, that
5 affect the younger generation, that will affect
6 so many working people in Englewood I personally
7 know. They care about us, and they don't like --
8 they don't like these things there.

9 So it's a major concern I have. In
10 front of me, I see the kids, 14-year-old,
11 13-year-old buying drugs from the people. They
12 don't care about the next generation.

13 So this is a serious issue. I
14 see -- yeah. So if we leave this like this,
15 that's not good for the City, for the community,
16 for the families.

17 PRESIDENT COOPER: Thank you, Mr. Shegi.

18 MR. SHEGI: Thank you.

19 PRESIDENT COOPER: The next speaker who
20 signed up to speak is Evangelist Latice Porter.

21 MS. PORTER: Good evening. Thank you all for
22 all of your service and thank you all for coming
23 out. I'm Evangelist Latice Porter. For some of
24 you that may not be on the Board that know who I

1 am, I spearheaded the Million Woman United Family
2 March in DC last summer on the 23rd, but I've
3 come out to a couple of meetings to see if we
4 could get the Superintendent. We're getting
5 ready to march in Woodlawn.

6 I also happen to be a Woodlawn
7 leader, which is the quad I cover is the 63rd and
8 Stony, the Obama Center, all the way to Cottage,
9 the businesses and the residents.

10 But one of the things that -- I'm a
11 substitute teacher as well, Chicago -- that I
12 don't agree with right now, and it's not to knock
13 down anything, but it's because the children -- I
14 have a nursing background, and the frontal lobe
15 of a child is not fully developed like an adult,
16 so we cannot execute some things because they are
17 young; nonetheless, we do have to address the
18 issues.

19 I'm currently getting ready to go
20 to a meeting next week in Hyde Park because
21 that's in my quad concerning what Ms. Jennifer
22 and the young lady just got through talking
23 about.

24 So the first thing that I would

1 like to do is we're having a March on June 18th,
2 which is to bridge the gap between the police and
3 the community. I waited because we had a May 3rd
4 date, and I wanted the Police Superintendent to
5 be on board, because I thought it would be
6 important for him to be present; nonetheless,
7 because now because our violence is escalating.
8 We need to go ahead and march, and it was
9 something he wanted to see us get together. It
10 takes a village. We are the village. And even
11 if we have to be the village for the parents
12 because they are not educated on some of the
13 levels that we are. So it's to bring healing to
14 the community.

15 We're going to end up in the
16 parking lot of the 3rd District Police
17 Department. They already have a program in place
18 that they give every year, to my understanding.
19 We're partnering with them. We're going to March
20 from 63rd and Cottage all the way to 71st which
21 is the 3rd District police.

22 So I'd like for you all to be
23 present and on board if you can, have the
24 Superintendent out, so we can change what's going

1 on in our community together. God bless you
2 tonight.

3 PRESIDENT COOPER: Thank you, Ms. Porter.

4 The next individual who signed up
5 to speak is Ms. Patricia Puente.

6 MS. PUENTE: Thank you. My name is -- thank
7 you very much. My name is Patricia Puente. I'm
8 here because summer is already here. And I
9 notice that I'm fighting a noise ordinance that
10 the people have their loud music. They're going
11 to start having their barbecue and all that
12 stuff. It's 10:00, 11:00, 12:00, 1:00 o'clock in
13 the morning, with really loud music. I do know
14 that there's -- I have it right here. I do know
15 that there's an ordinance that states that the --
16 I wanted to read it. The civil rights -- here we
17 go. The noise ordinance code of 1961, Section
18 27, in Illinois, if you make noise that
19 interferes with the enjoyment of life before and
20 after hours, you're violating a state ordinance.

21 The reason why I'm saying this is
22 because my neighbors have their music, and they
23 have it really loud that I can listen to it, even
24 if I put earplugs. And they just say, you know,

1 we know people from the City. We know people
2 from the City. And I'm like, What does that have
3 to do with respecting thy neighbors? God said,
4 Love they neighbors, and I'm going to go -- sorry
5 again, but I say respect they neighbors, please.

6 The other thing is that my
7 neighbors, they know their police officers, and
8 when they come, they just ignore me. They --
9 this is what one of dispatchers told me, it's
10 okay to have loud music, and I'm like, No, it
11 isn't. But summer is around the corner. Thank
12 you very much.

13 PRESIDENT COOPER: Thank you, Ms. Puente. If
14 you want to stick around, I'm sure you can speak
15 with Chief Novalez or other officers who are more
16 than willing to talk to you about how to address
17 the situation.

18 MS. PUENTE: Thank you.

19 PRESIDENT COOPER: The next speaker who
20 signed up to speak is Mr. Edwin Castro White.

21 MR. CASTRO WHITE: Good evening. So as an
22 open gay man who served five years in the United
23 States Air Force, on April 19th was the
24 discriminated against by four off-duty police

1 officers at a federally funded event. And my
2 question to you, Chief Novalez, is how do you
3 plan to address this issue?

4 CHIEF NOVALEZ: I have one quick question so
5 I can provide the proper guidance where you need
6 to be. Were you able to lodge a complaint with
7 COPA or Internal Affairs?

8 MR. CASTRO WHITE: No. I have addressed
9 several aldermen on this complaint, and I have
10 not gotten any correspondence.

11 CHIEF NOVALEZ: You know what? After this,
12 if you can see Deputy Director Tim Moore from the
13 Bureau of Internal Affairs, and we will make sure
14 we lodge a complaint so that can be looked into.

15 MR. CASTRO WHITE: Thank you.

16 PRESIDENT COOPER: Thank you very much, Mr.
17 Castro White.

18 The final speaker we have tonight
19 is Pastor Doyle.

20 PASTOR DOYLE: For the record, DOYLE, this
21 Land is your land, R-Y, as the 19-year-old Marine
22 in that picture going across the table. So this
23 adds to what Mr. Castro White was trying to say
24 because here's the rest of the story.

1 On April 19th, Ms. Jeanette
2 Beatrice Taylor, born today 50 years ago, her
3 venom was directed towards this Marine in the 4th
4 Ward at King College Prep.

5 So Mr. Castro White was collateral
6 damage because one of the officers does, Chief
7 Novalez, have a record of being homophobic.

8 So I've already made it clear to
9 multiple elected officials. The same Jeanette
10 Beatrice Taylor who famously -- if you Google,
11 there is a picture of her in the face of former
12 Mayor Lori Lightfoot. That picture, meaning she
13 is pointing down at the former mayor.

14 And as Attorney Cooper has seen in
15 at least one text, today my focus isn't her 50th.
16 It's a business owner who passed from this life
17 who is also -- from this life on May 15th who
18 meant something. She just left this life earlier
19 than expected.

20 So on the 6th was Mr. Hall's
21 birthday. Belated. But starting with Chief
22 Administrator White, you have your aldermen and
23 alderwomen who are running scared. I need
24 Jeanette out of that seat because on April 19th

1 at King College Prep, when you are seen by
2 multiple individuals directing towards me, he's
3 new to politics, I am not. I'm a 22nd District
4 resident. And so meeting with the current
5 president of COPA -- current president of the FOP
6 recently, I have his full support.

7 I have multiple white and Hispanic
8 elected officials' full support, because at the
9 end of the day, that could have turned out worse
10 at King College Prep because of her venom, her
11 anger, and it could have been held and handled
12 differently because this Marine doesn't run.

13 Whatever anger she has and what's
14 not working in the current administration, don't
15 bring it to me, bring it to the current mayor.

16 Meanwhile, this Marine expects her
17 out of that seat. Take it for whatever --
18 however you'd like it, because at the end of the
19 day, when you come for this Marine, I was a
20 Marine before I was a minister, and if you want
21 the fight, only one of us will be left standing.

22 PRESIDENT COOPER: Thank you, Pastor.

23 PASTOR DOYLE: Have a good day.

24 PRESIDENT COOPER: At this time, all members

1 of the public who have signed up to speak have
2 spoken.

3 Is there a motion to adjourn the
4 May Police Board meeting?

5 VICE PRESIDENT BADILLO: So moved.

6 BOARD MEMBER LISS: Second.

7 PRESIDENT COOPER: All in favor?

8 (CHORUS OF AYES.)

9 PRESIDENT COOPER: The motion passes and the
10 meeting is adjourned. Thank you very much,
11 everybody.

12 (WHEREUPON, the meeting was
13 adjourned at 8:00 p.m.)
