Police Board Public Meeting
June 16, 2022

1 PRESIDENT FOREMAN: Good evening. My name is
2 Ghian Foreman, president of the Chicago Police
3 Board, and I am calling the Board's June 16th public
4 meeting to order.

5 To protect the public's health in
6 response to the COVID-19 pandemic, this meeting is
7 taking place remotely.

8 Pursuant to the Illinois Open
9 Meetings Act, I have determined that holding this
10 meeting in person is not practicable nor prudent.
11 The City of Chicago remains subject to the
12 Governor's Disaster Proclamation due to the COVID-19
13 pandemic and the disease continues to be a threat,
14 especially to the unvaccinated and people with
15 certain health conditions; we are therefore having
16 the meeting remotely this month.

17 The meeting is open to the public via
18 video and audio conference and is being carried live
19 by CAN-TV.

20 Members of the public are on mute in
21 order to reduce background noise and disruptions.
22 We have a court reporter making a transcript of this
23 meeting.

24 In addition to the Police Board

12 PRESIDENT FOREMAN: Thank you. We will now
13 proceed to the items on the meeting agenda.

14 We'll have time at the end of the
15 meeting for public comments. Once again, members of
16 the public are currently on mute in order to reduce
17 background noise and disruptions. When we get to
18 the public comment portion of the meeting, we will
19 unmute each speaker.

20 First, we are pleased to have with us
21 this evening Adam Gross, Executive Director of the
22 Community Commission for Public Safety and
23 Accountability, who will be speaking on the
24 Commission's mission. Adam.

1 EXECUTIVE DIRECTOR GROSS: Thank you, Mr.
2 President, for the opportunity to talk about the new
3 Community Commission for Public Safety and
4 Accountability.

5 The Commission was created by the
6 City Council in July of last summer, and it's
7 intended to be a new model for police oversight,
8 accountability, and public safety.

9 The ordinance sets up two new bodies,
10 a community commission that will work citywide and
11 district councils that will work in each of the
12 City's 22 police districts.

13 I'll give you a quick overview of the
14 two bodies and then talk in a little more detail
15 about each one.

16 First, briefly, the Community
17 Commission will have power to make systemic reform.
18 It will have seven members. They'll need to meet
19 qualifications that are laid out in the ordinance,
20 including pretty extensive requirements about work
21 they've done and also requirements that there be
22 geographic diversity on the Commission.

23 An interim commission is going to be
24 selected soon. And then starting next year,

1 commissioners will be nominated by the district
2 councils that I will talk about in a moment,
3 selected by the Mayor, and then approved by the City
4 Council.

5 So the district councils, there will
6 be 22 of them, one in each police district, and each
7 district council will be made up of three people
8 elected from that district. The first election will
9 be next February, and the district council members
10 who are elected next February will start their work
11 next May. They will focus on making improvements
12 within the district and on plans to make the
13 neighborhood safer. They will work to engage a lot
14 of people in the district and to engage with police
15 officers and command in the district.

16 And the district councils will also be
17 connected to the City-wide community commission and
18 help to make sure that the Commission's work is
19 rooted in knowledge of what's happening on the
20 ground and what people in neighborhoods across the
21 City are concerned about.

22 So I'll talk in a little more detail
23 now about the Commission. The ordinance sets out a
24 couple of goals for the Commission. They include

1 first and foremost increasing public safety. Also
2 building trust between the Police Department and the
3 people in communities it serves. Increasing public
4 support for Police Department policies and
5 activities. Improving interaction between police
6 officers and residents of the City and increasing
7 accountability.

8 So how is the Commission going to
9 accomplish those goals? The big idea is that the
10 Commission with deep engagement from people across
11 the City will play a big role in picking key
12 leaders, in helping to set policies and priorities,
13 and then holding leaders accountable for those
14 policies and priorities. And the idea is that by
15 doing that, with a lot of community input and in
16 collaboration with the Police Department, the
17 Commission will create more trust between the
18 Department and the people it serves, build more
19 legitimacy for the Police Department and its
20 policies and make civilians and police officers
21 safer.

22 The Commission is going to be
23 different from existing oversight bodies. So we
24 have COPA and the Police Board, which are mostly

1 about investigating whether a police officer did
2 something wrong and determining whether and how they
3 should be punished. That's sometimes referred to as
4 back-end accountability. It's about what we do on
5 the back end after there's some allegation that a
6 police officer has done something wrong.

7 The Commission, similar to the
8 Inspector General, is supposed to focus more on
9 front-end accountability, to try to address problems
10 before things go wrong, to look at systems that may
11 be frequently producing bad outcomes, and trying to
12 make changes to improve those systems.

13 So what powers is the Commission going
14 to have to do that kind of work? First, the
15 Commission is going to play an important role in
16 selecting and potentially removing the Police
17 Superintendent, the head of COPA, and members of the
18 Police Board. It will set Police Department policy,
19 except policy that's covered by the Consent Decree.
20 It will in collaboration with the Police Department
21 and COPA and the Police Board establish annual goals
22 for those entities, and then evaluate the progress
23 that they make towards achieving those goals. It
24 will review and comment on the Police Department's

1 budget each year before the City Council votes on
2 the budget. And it will work in a whole bunch of
3 ways to promote community engagement and
4 transparency.

5 Couple more words just on the
6 policy-making power. The likelihood I think is the
7 Police Department will still draft most policy,
8 maybe all of it. The Commission is authorized to
9 draft policy. Whenever policy is drafted, either by
10 the Police Department or the Commission, the
11 ordinance requires the Police Department and the
12 Commission to come together to talk about it, to
13 work to resolve differences, and to build consensus.
14 And there really is a big focus in the ordinance on
15 building and reaching consensus.

16 At the end of the day, in order to
17 become official policy, you'll need the vote of a
18 majority of the Commission.

19 And just like any ordinance that's
20 passed by the City Council, the Mayor will have the
21 power to veto a policy that's passed by the
22 Commission, though the City Council can override
23 that veto, again just like anything that the Mayor
24 vetoes, by a two-thirds majority vote.

1 There are all sorts of checks and
2 balances built into the system.

3 So the district councils, as I
4 mentioned, they'll be created in each of the City's
5 22 police districts, and they will be made up of
6 three people who will be elected in regular
7 municipal elections.

8 Members of the district councils will
9 serve four-year terms. They'll work to build
10 stronger connections between the police and
11 community in each police district. The goal's
12 really to make community members real partners in
13 making the neighborhood safer. They can work with
14 the police to solve problems and to help set
15 priorities. They will also hold meetings at least
16 every month where residents can work with the police
17 on local initiatives and raise and work to address
18 concerns about policing in the district.

19 They will also work with community
20 members to get input on Police Department policies
21 and practices, and they'll provide feedback to the
22 Commission, the city-wide Commission, about what's
23 happening on the ground and help to ensure that the
24 Commission's work is rooted in residents' concerns

1 and priorities.

2 And there's going to be a formal
3 process to do that on a regular basis throughout the
4 year.

5 And then, as I mentioned earlier, the
6 district councils will play a key role in choosing
7 the members of the Community Commission. They'll
8 come up with a short list of candidates. The Mayor
9 will choose from that list and the City Council will
10 vote to confirm.

11 So at the end of the day, you have
12 members of the Commission hooped in, first
13 identified by folks elected within communities
14 around the City and selected by the Mayor and
15 approved by the City Council.

16 So all of the people on the Commission
17 have buy-in from all of those -- all of those people
18 and entities.

19 The ordinance also creates a staff to
20 support the work of the Commission and the work of
21 the district councils. That's the work that I'm
22 doing as executive director of the Commission. And
23 I am working now to hire staff to do that work. We
24 will eventually have a staff of probably 25 to 30

1 people to support all of that work.

2 And the process to select an interim
3 commission is underway. The City Council had an
4 open-application process. They nominated 14 people
5 to serve on that commission. That list of 14 names
6 went to the Mayor, and the Mayor is now in the
7 process of choosing 7 of those 14. I would expect
8 sometime by late summer or early fall, no later than
9 that, members of the commission will have been
10 selected and that work can begin.

11 And then starting soon, we will be
12 working to spread the word about the district
13 councils and the elections next year to encourage
14 people to participate and, whether as an elected
15 member or as an engaged community member, to be
16 deeply involved in that -- in that essential work to
17 strengthen and improve relationships with the Police
18 Department at the local level.

19 That's the broad overview. Thank you
20 so much for giving me this opportunity. And I look
21 forward to attending meetings going forward.

22 PRESIDENT FOREMAN: Thank you very much, Adam.
23 Thank you for coming here today. It's new, right?
24 And any time we are introducing something new, it's

1 going to be a learning process for all of us. And,
2 you know, the Commission will be a part of this
3 police accountability process. We are looking
4 forward to working with you to make this system
5 better. Paula.

6 VICE PRESIDENT WOLFF: Thank you, Adam, for
7 coming. I'm curious, could you give us all an
8 example or two of what kind of policy the
9 Commissions would be making?

10 MR. GROSS: So --

11 VICE PRESIDENT WOLFF: Or suggesting.

12 MR. GROSS: So it's basically any general order
13 that the Police Department is developing, except
14 those that are governed by the Consent Decree will
15 need to run through the Commission.

16 VICE PRESIDENT WOLFF: So for the public who's
17 not so familiar with the general orders, could you
18 just give a couple of examples of what level of
19 policy a general order would be?

20 MR. GROSS: Wow, there are lots of things that
21 fall into that category, so --

22 VICE PRESIDENT WOLFF: I'm sorry. It's not as
23 easy as the Celtics versus the Golden State --

24 MR. GROSS: So something that has been in the

Police Board Public Meeting
June 16, 2022

1 news recently, for example, a foot-chase policy
2 would be a policy that could be developed by the
3 Police Department and then reviewed and voted on by
4 the Commission.

5 VICE PRESIDENT WOLFF: Thank you.

6 PRESIDENT FOREMAN: Thank you. Any other
7 thoughts, Board members, questions? All right.
8 Thank you very much, Adam. Appreciate it.

9 MR. GROSS: Thank you.

10 PRESIDENT FOREMAN: Board, is there a motion
11 to approve the minutes of the Board's May 26th
12 regular public meeting?

13 VICE PRESIDENT WOLFF: So moved. Paula Wolff.

14 MR. EADDY: Second. Michael Eaddy.

15 PRESIDENT FOREMAN: All in favor, please
16 signify by saying aye.

17 (CHORUS OF AYES.)

18 PRESIDENT FOREMAN: Any opposed?

19 (NO RESPONSE.)

20 PRESIDENT FOREMAN: The motion passes.

21 Our next regular meeting will be held
22 Thursday, July 21st at 7:30 p.m. Whether this will
23 be an in-person meeting or remote meeting will be
24 determined closer to the meeting date.

23 There are also two announcements of
24 disciplinary rulings on the agenda tonight. Board

Police Board Public Meeting
June 16, 2022

1 Members Zopp and Montes will make these
2 announcements.

3 BOARD MEMBER ZOPP: Want me to go first, Ghian?

4 PRESIDENT FOREMAN: Sure.

5 BOARD MEMBER ZOPP: I was randomly selected
6 from the Police Board's membership to consider one
7 matter on which the Chief Administrator of the
8 Civilian Office of Police Accountability and the
9 Superintendent of Police did not agree regarding the
10 discipline of three sergeants.

11 In request for review numbers 22-09
12 through 11, the Chief Administrator recommended that
13 Sergeant Matthew Kasput be suspended without pay for
14 90 days for use of excessive force and that
15 Sergeants Allan Finley and Zachary Rubald each be
16 suspended without pay for 180 days for failing to
17 intervene in or report misconduct during a downtown
18 protest on May 31st, 2020.

19 Excuse me. I'm so sorry. The
20 Superintendent did not agree with the Chief
21 Administrator's recommendations. The Superintendent
22 recommended that the excessive force allegation
23 against Sergeant Kasput be not sustained and
24 recommended that Sergeants Finley and Rubald each be

1 suspended for 30 days.

2 In considering this matter, it is my
3 opinion that the Superintendent met the burden of
4 overcoming the Chief Administrator's recommendations
5 for discipline of all three sergeants.

6 A copy of the written opinion will be
7 posted on the Board's website as required by the
8 Municipal Code.

9 PRESIDENT FOREMAN: Thank you. Jorge.

10 BOARD MEMBER MONTES: I was randomly selected
11 from the Police Board's membership to consider one
12 matter in which the Chief Administrator of the
13 Civilian Office of the Police Accountability and the
14 Superintendent of Police had not agreed regarding
15 the discipline of a police officer. In request for
16 review number 22-12, the Chief Administrator
17 recommended that Police Officer Patrick Halloran be
18 suspended without pay for 90 days for unjustified
19 use of his baton and failing to activate his
20 body-worn camera during a downtown protest on August
21 15th, 2020. The Superintendent disagreed with the
22 Chief Administrator's recommendation. The
23 Superintendent recommended allegations regarding
24 baton use be not sustained and that the officer be

1 given a reprimand.

2 After considering this matter, it is
3 my opinion that the Superintendent did not meet the
4 burden of overcoming the Chief Administrator's
5 recommendation for discipline.

6 A copy of the written opinion will be
7 posted on the Board's website as required by the
8 Municipal Code.

9 PRESIDENT FOREMAN: Thank you. Next up,
10 Superintendent Brown, would you like to provide your
11 report?

12 SUPERINTENDENT BROWN: Good evening, everyone.
13 I want to recognize all the members of the Police
14 Board and thank you for your dedication to the City
15 as well as the community members who are joining us
16 here today.

17 As you know, on June 1st and June
18 5th, two Chicago police officers were shot in the
19 line of duty in separate incidents in the 7th
20 District. Thankfully, both of the courageous and
21 dedicated officers survived the unthinkable attacks
22 and are now at home recovering.

23 But that week and the days that
24 followed were tough on the Department and on our

1 City. Both acts of violence served and will always
2 serve as a stark reminder of the dangers the brave
3 men and women of the Chicago Police Department face
4 every day.

5 Still, police officers get up every
6 morning and put on their uniform, leave their
7 families at home and give their all to this City.

8 We wish the best to our officers as
9 they take this time to recover from their wounds.
10 And we thank them, all of our officers, for putting
11 themselves in danger for this City above self.

12 Chicago Police Department won't stop
13 working to enhance public safety and promote
14 community empowerment. We know all of you share
15 that same commitment.

16 Officers are making good on our goal
17 to increase visibility, engagement, and
18 collaboration.

19 Officers are doing work on the ground
20 in our neighborhoods side by side with our
21 residents.

22 As we embark further into the summer,
23 we're seeing progress but we know we cannot let up.
24 We are prepared to get through -- sorry. We were

1 prepared to get through multiple large-scale events
2 over the Memorial Day weekend without any major
3 incidents in either of these events. We are doing
4 what it takes to keep the public and our officers
5 safe while getting ready for future events this
6 summer.

7 This year so far, shootings and
8 homicides are both down across the City. Homicides
9 are down ten percent and shootings are down 17
10 percent.

11 We've also focused our efforts on
12 resources on the top 55 beats where more than half
13 of all crime -- violent crime that occurs in the
14 City. In those top 55 beats, homicides are down 25
15 percent and shootings are down 33 percent.

16 But we will remain persistent in our
17 efforts and maintain consistent outreach to the
18 community. Making our City safer is about
19 collaboration at every level.

20 Earlier this month, the Department
21 hosted the first gun turn-in event as an example of
22 that collaboration with the community, held at St.
23 Sabina Church, where we collected over 400 guns,
24 including 13 assault weapons at the gun turn-in.

1 Overall, officers have recovered over 5,500 guns
2 illegally possessed since beginning of the year. We
3 also made over 2500 gun arrests this year.
4 Enforcement, however, is only one piece of the
5 public safety culture.

6 Chicago Police Department is focused
7 on community engagement. This month, we
8 participated in a peace rally in the 5th District
9 and helped kick off our West Side Youth Baseball
10 League with a parade. If you haven't been to that,
11 you got to join next year. It is really fun stuff
12 on the west side with those young kids playing
13 baseball all summer. And we continue to work with
14 City departments and agencies to seek alternatives
15 to the criminal justice system when possible. This
16 is especially important when we look at the
17 statistics. Youth account for half -- actually,
18 it's near 60 percent now, of all carjacking-related
19 arrests. Still officers continue their tireless
20 efforts. We've made over 634 carjacking-related
21 arrests so far this year. So we'll continue to hold
22 offenders accountable while continuing to address
23 the root causes of violence. And we will also
24 uphold that commitment to ourselves and holding

1 ourselves accountable. Thank you.

2 PRESIDENT FOREMAN: Thank you, Superintendent.
3 Chief Administrator Kersten, if you'd like to
4 provide your report.

5 CHIEF KERSTEN: Thank you, President Foreman
6 and members of the Police Board. Just reporting out
7 on COPA's statistics from last month. The month of
8 May we received 417 complaints and notifications.
9 Of those, 136 were under COPA's jurisdiction. And
10 continuing in the trend that we see month after
11 month, 59 percent, so the highest percentage of
12 those cases under our jurisdiction were improper
13 search and seizure or Fourth Amendment allegations.

14 Also, you know, we have one thing in
15 common with some of the remarks that Superintendent
16 Brown made just now, which is that we also
17 understand the importance of community engagement,
18 and that's a big focus for COPA as well being
19 present in the community we serve, listening to the
20 community that we serve, and also explaining what
21 our role is and isn't, and also helping to inform
22 the public about some of the rights that our
23 officers have in order to better understand the
24 challenges to creating a safer Chicago.

1 So we were also out in the community
2 as well this month. We joined Latinos Progresando
3 on May 4th at their quarterly community meeting.
4 Also had the privilege of returning to the Leaders
5 Network for their main meeting with west side faith
6 leaders. Also several student-engagement activities
7 at local CPS middle schools, specifically targeting
8 eighth grade classrooms. And it is a unique
9 program. We were at both Gary Comer Middle School
10 and John Garvey Elementary School in the month of
11 May speaking to almost several hundred eighth
12 graders in total about what a mock investigation for
13 police misconduct looks like. Making sure that kids
14 understand that what you see on social media or the
15 sound bites that you pick up in the news, of course,
16 aren't the entirety of what goes into an
17 investigation. And so really learning what putting
18 together pieces of evidence looks like.

19 I think we all can agree our youth
20 are all very invested in issues surrounding policing
21 and police reform and public safety. So the sooner
22 we can start engaging that population and sort of
23 explaining, you know, what the perspective is that
24 we are engaged in and our end of the public safety

1 sector at COPA, the better.

2 We also joined -- we were
3 participating in junior achievement in a career
4 event. And also returned again to the Nobel
5 Neighbors community meeting.

6 All of those activities, I think, are
7 really important opportunities to sort of elevate
8 the understanding of our City as to what COPA is and
9 what we do within the broader issues of the public
10 safety.

11 And lastly, I will just take some
12 time to talk a little bit about transparency.

13 Transparency is something that you
14 guys will hear me take about frequently at these
15 public meetings.

16 It's something that's very important.
17 It's core and foundational to building trust in our
18 communities as having transparency and openness in
19 the work that we do.

20 It was a signature of our budget last
21 year, creating a transparency unit to sort of
22 further and speed up the manner in which we deliver
23 transparency around our cases, around our video
24 releases, and wanting to really highlight on another

1 element of transparency, which is the release of our
2 summary reports of investigation.

3 There's been two high-profile cases
4 recently where I think there's been a lot of
5 questions and sometimes misunderstanding in the
6 public about when we can or can't or when we should
7 or shouldn't release the summary report of
8 investigation. And for those that may not be
9 familiar, a summary report, or an SRI for short, is
10 the written summarization of all of the
11 investigative steps that went into our
12 investigation, the allegations that were served
13 against officers, if any, and what our findings or
14 outcomes, as well as disciplinary recommendations,
15 if any, in a given case.

16 Under our ordinance, the Municipal
17 Code lays out that COPA is to make available to the
18 public inspection all of our summary reports of
19 investigation. But that comes with rules. It comes
20 with some contours and some limitations around how
21 we do that.

22 So when we conclude a report at COPA,
23 of course that's not the final say. Those reports
24 go to CPD for their review. And after that, if it's

1 a serious allegation with serious disciplinary
2 recommendations, it comes here to the Chicago Police
3 Board. But we can't make those reports public until
4 officers have had the opportunity to be served with
5 that discipline.

6 So when it's a Police Board case, we
7 can't publish the reports until that officer has
8 been served through DOL, the Department of Law,
9 after they prepared charges and filed them with the
10 Police Board. And sometimes that can take months
11 from the time COPA and the Superintendent have
12 reviewed and decided on the recommendations for
13 discipline.

14 Also, if it's a case with less severe
15 disciplinary recommendations, we still can't publish
16 our report immediately. Those officers have to be
17 served at the district level with their suspensions
18 or their reprimands or whatever the discipline was
19 before COPA has the ability to publish.

20 And when you have cases, and we have
21 many cases like this that involve officers that are
22 facing very significant discipline consequences,
23 meaning their cases that will be before the Police
24 Board and other officers in the same incident that

1 may be facing much less severe consequences, like a
2 reprimand, or a violation noted, or one-day
3 suspension, we can't publish those reports until all
4 of those officers at the various levels have been
5 served with their discipline.

6 So in many of these high-profile
7 cases, one of which would be the incident at
8 Brickyard Mall, we -- that summary report was
9 concluded. That's a case that arose out of the
10 protests from two summers ago. That summary report
11 was concluded last September. But it is just now
12 this week that we are going to be able to start
13 making that public.

14 And so I'd like to take the
15 opportunity to kind of explain that process a little
16 bit.

17 Another high-profile example of that
18 would be the incident that occurred on North Avenue
19 Beach last summer involving a young woman, Ms.
20 Brown. And although that officer's charges never
21 ended up being filed with the Police Board because
22 we learned last month at the hearing that he had
23 resigned, it is because there are other pieces of
24 information happening that also impact our ability

1 to publish our report.

2 Specifically, it became news this
3 week that that officer was criminally indicted by
4 the Cook County State's Attorney's Office.

5 When things like that happen, that
6 also impacts our ability to release summary reports.

7 I know there's some folks on the call
8 tonight from the public who may have more specific
9 questions about that. It doesn't mean that the
10 report isn't to be released, but it means that COPA
11 has an obligation to ensure that our work at the
12 administrative investigation level in no way impedes
13 or undermines the integrity of a potential criminal
14 prosecution.

15 So that will change the timeline in
16 which we release a report. And sometimes it means
17 we have to make additional redactions in order to
18 keep private information that could otherwise
19 influence an ongoing criminal prosecution.

20 So, again, it's kind of a big picture
21 overview of the complexity of what delivering on our
22 transparency obligations often looks like.

23 But we're just very aware that the
24 public often has questions. And we want to be

1 available to try to answer those complex questions
2 and try and break down the information so that
3 everybody's operating on the same understanding.

4 So thank you for allowing me to take
5 the time to go through that tonight.

6 PRESIDENT FOREMAN: Thank you. We don't have
7 to do this right now. So I know members of the
8 public have questions. But sometimes we have
9 questions, the Police Board members. And you
10 mentioned a couple of cases maybe took two years.
11 But there's others that take significantly longer.
12 We recognize that it's a complex process; the
13 Superintendent is involved, the Law Department is
14 involved, we now have the Commission that's
15 involved. And so one of the things that from our
16 side that -- from a perspective of fairness,
17 fairness to the officers, fairness to members of the
18 public, you know, we think it's critical that these
19 processes are efficient and it gets through. We
20 have members of the public who come for years and
21 ask the same questions.

22 And so we would like to encourage
23 these processes to work as efficiently as possible.
24 Not just COPA. It's not just CPD. It's not just

1 the Law Department, not just the Police Board, but
2 it's kind of incumbent upon all of us to make sure
3 we keep these processes moving in an efficient way.

4 Paula, I saw you had your hand
5 raised.

6 VICE PRESIDENT WOLFF: Yes. This is something
7 for a later Board meeting. You do point out
8 regularly at these meetings that a large proportion
9 of your cases report Fourth Amendment search and
10 seizures. Would it make sense at one of our
11 meetings to make a presentation, talk about how we
12 compare with other jurisdictions and are there ways
13 we can address that?

14 CHIEF KERSTEN: Sure. And I think absolutely.
15 I think I'd love to have the opportunity to do that.
16 And then also to provide some greater context in
17 what ends up happening in a lot of those cases.
18 Because, again, we're reporting on what citizens are
19 complaining about. What are their concerns when
20 they are calling COPA from the month prior. That
21 doesn't always necessarily translate to even an
22 allegation of misconduct, let alone a sustained
23 allegation of misconduct. But I think that's not
24 really the end of the story. I think it's important

1 for the Police Department to understand where this
2 friction is kind of coming from. And that's why we
3 have talked on these meetings other forums about the
4 need for COPA to be able to provide at the district
5 level sort of a breakdown of what's coming in the
6 door and where and how, so that that may better
7 inform, you know, the way that they are
8 communicating with their officers and commanding the
9 officers in those districts.

10 So if we can identify repeat
11 occurrences, that may mean a couple of things. It
12 may mean we need community-engagement strategies
13 there. It may mean we need to have commanders that
14 want to reevaluate how they're deploying resources.

15 But, regardless, I know we can't wait
16 two or three years for a conclusion of an
17 investigation to be all that is communicated between
18 COPA and CPD. That certainly doesn't move us very
19 far forward in achieving greater public safety.

20 So, yes, I would be very open, Paula,
21 or anyone else that wants to have more presentation
22 or more information on that specific topic.

23 PRESIDENT FOREMAN: Thank you. Other members
24 of the Board? Thank you.

1 I will now call upon members of the
2 public who signed up in advance to speak. To make
3 sure we have time to hear from all speakers, there
4 is a two-minute time limit on comments.

5 Callers, you can unmute yourselves by
6 pressing *6. And our first speaker is Isaac T.
7 Troncos.

8 MR. TRONCOSO: Nailed it. It's great to see
9 you all. For those who don't know, I'm a member of
10 the Chicago Youth Council for Police Accountability.
11 I'm just reporting in. We attend these meetings
12 every now and then for anyone not familiar. We had
13 our inaugural panel series a few weeks ago, and we
14 were very glad to have a number of stakeholders from
15 the community, including our fearless director Glenn
16 Brooks, representatives from the Mayor's Youth
17 Commission as well, the Youth Chicago Crime Lab,
18 mental health experts, the former inspector general,
19 the City's Senior Director of Youth Policy. So
20 really a wide variety of stakeholders.

21 And for anyone looking to get
22 involved and engaged with the youth voice, highly
23 recommend maybe becoming one of our future panelists
24 or attending another event. We are currently

1 formulating our next project. So just wanted to
2 report in. Thank you so much.

3 PRESIDENT FOREMAN: Thank you. Extremely
4 well -- job well done with the panel. Looking
5 forward to seeing more. You know, really encouraged
6 by seeing our young people really kind of stepping
7 up and bring up issues that are important, not just
8 to young people but the entire City. Bravo to you
9 and the rest of the Commission for a job well done.

10 Our next speaker, LaKeisha Caples.
11 LaKeisha Caples. If you are there, if you can press
12 *6.

13 Our next speaker, Ms. Noel. Ms. Noel,
14 if you can press *6.

15 MS. NOEL: Hello, everyone. Good evening.
16 The bottom line is the Department of Law needs some
17 limitations on the time that they keep anything, any
18 kind of case, other than a civil case.

19 There should be a time limitation on
20 them. I would start working on those.

21 Superintendent, I thank you for your
22 decision as far as the Mia Wright's case is
23 concerned.

24 COPA, we have been trying to get in

1 contact with someone in the office about Pebble's
2 case, specifically reviewing the video. We were
3 told when we came there within a week of the last
4 meeting where she testified that we would see the
5 video within two weeks, and that has not happened.
6 So I'd like you to, you know, put that at the top of
7 your list of things to do.

8 Whoever is the executive director
9 over the new Commission, the foot pursuit policy is
10 actually under the Consent Decree, so you would not
11 be reviewing the foot pursuit policy as an order, if
12 it is true that the Commission is not responsible to
13 look at and determine any policies under the Consent
14 Decree.

15 And the last thing I have to say is
16 that all of this that is being done, although you
17 see all these white faces and positions of power, it
18 is because this particular issue is black led.
19 There would be no Consent Decree without black
20 leadership. There would be no new commission
21 without black leadership. Those 21, 22 people who
22 were supposed to be representing the community, that
23 was written by black leadership. I want to see more
24 black faces in positions of leadership. For some

1 reason, I don't why, there's this trust of white
2 faces to lead issues that are disproportionately
3 affecting black and brown people. I want to see
4 that change. You can trust us. We know a lot. We
5 are very well educated, as educated as most white
6 people now.

7 So that is what I want to see moving
8 forward. I want black faces and brown faces when we
9 are behind the policies, practices, and procedures
10 that are moving forward. Thank you.

11 PRESIDENT FOREMAN: Thank you. Crista, hold
12 on. Don't go off yet. You brought up an issue that
13 we talk about a lot. We don't have any answers.
14 But I want to bring it up here for something for us
15 to think about. You talked about the Law Department
16 should have a certain period of time in which they
17 bring cases forward. So one of the things that we
18 struggle with -- and, Adam, your Commission will
19 struggle with this, and we all have the ability,
20 COPA, you all have the ability as well to recommend
21 policy. Right? So we have this delicate balance
22 about if a case is not brought by a certain period
23 of time, then what happens? How do you make
24 something fair to members of the public and at the

1 same time make something fair to members of the
2 Department? So in the same way that, Crista, you
3 and your colleagues push for certain things, these
4 are some of the places where I think that we need
5 some help kind of thinking through, how do we get
6 through these issues. Right? To be able to say,
7 Well, if a case isn't brought by a certain time,
8 then the case goes away. That's not fair to anyone
9 either.

10 And so these are complex. So I would
11 love to be able to spend a little time thinking
12 through some of these issues with you. Chief.

13 CHIEF KERSTEN: I just want to note there is a
14 proposed ordinance amendment that would put a time
15 limit. It is before the City Council. They are
16 trying to get it out of Public Safety Committee.
17 Alderman Matt Martin sponsored the ordinance that
18 puts a time limit on the amount of time the
19 Department of Law has before they have to file
20 charges before the Police Board.

21 So it's not going to solve all of the
22 problems that Ms. Noel mentioned obviously, but that
23 is a component.

24 And so if you want to learn more

1 about that ordinance, I recommend you talk to your
2 alderman.

3 PRESIDENT FOREMAN: Thank you. Our final
4 speaker, Mr. Robert More. Mr. More, if you can
5 press *6.

6 MR. MORE: Can you hear me?

7 PRESIDENT FOREMAN: Yes, sir.

8 MR. MORE: Okay. Robert J. More speaking on
9 behalf of St. Michael, the Archangel, Executive
10 Committee, the 16th of June 2022. This conveyance
11 is dedicated to Guy Faukes and Carl (inaudible),
12 true patriots who paid the ultimate price.

13 The same thing has to be accomplished
14 here is vigilante vindication. The vigilantism that
15 will save this country if it can possibly be saved.
16 (Inaudible) policing remedies, like the military,
17 are obstructions to the vigilantism that is
18 indispensable and morally necessary to fix the
19 problems, to protect the interests, legitimate
20 reliance (inaudible) continually all day long from
21 this tyrannic, barbaric, totalitarian, abomination
22 that the nominal United States has become.

23 On Sunday, 6/12/22 at 2542, Robert J.
24 More was a victim of a theft of another \$400 worth

1 of property, three laptops, two bookbags. Police
2 report number 277263. Still in search of all of
3 that material. There is a \$400 reward -- \$300, or
4 whatever it is, that is posted for the recovery
5 and/or conviction of the perpetrators.

6 Number two, Dr. Richard Fleming,
7 M.D., juris -- physics, juris doctorate, 90-page
8 resumé, 400 published papers, published a book
9 called COVID-19 BioWeapon, and (inaudible)
10 explaining there is nothing natural about the
11 COVID-19. The whole thing is a manufactured vector
12 for destruction of what's left in the counterfeit
13 version of the Rule of Law and direction of the
14 population to 486 million non-Jews worldwide, plus
15 56 million non-Jews in the United States.

16 Todd (inaudible), a disability rights
17 attorney, class action lawsuit, there are about half
18 a million active military members who are on that
19 about the monstrosity of the vaccine to which
20 they've been subjected. He also goes into medical
21 battery, medical murder, and other crimes being
22 perpetrated though the protocol implemented on
23 people who go to emergency rooms and hospitals
24 throughout this country.

Police Board Public Meeting
June 16, 2022

1 Dr. Peter (inaudible) COVID-19,
2 identification of actual constitution --

3 PRESIDENT FOREMAN: Thank you, Mr. More.
4 Thank you, Mr. More.

5 At this time, all members of the
6 public who signed up to speak have been called. Is
7 there a motion to adjourn?

8 VICE PRESIDENT WOLFF: So moved. Paula Wolff.

9 BOARD MEMBER EADDY: Second. Michael Eaddy.

10 PRESIDENT FOREMAN: Thank you. The motion
11 passes and the meeting is adjourned.

12 Wish everybody peace and safety.
13 Happy Father's Day.
