12 PRESIDENT FOREMAN: Any opposed?

13 (NO RESPONSE.)

14 PRESIDENT FOREMAN: The motion passes.

15 Next up we'll have a presentation
16 from CPD on the foot pursuit policy. The Police
17 Department is in the process of creating a foot
18 pursuit policy, the first for the City. To
19 address the immediate needs, CPD has published an
20 interim policy which will remain in place while
21 deeper community engagement is conducted.

22 To provide the public with more
23 information on this important topic, we will now
24 have a presentation from CPD on the foot pursuit

1 policy.

2 CHIEF McDERMOTT: Shall I give the opening
3 remarks on behalf of the Superintendent or do you
4 want to go into the presentation?

5 PRESIDENT FOREMAN: Let's do the
6 presentation first.

7 CHIEF McDERMOTT: Okay.

8 LIEUTENANT KAPUSTAINYK: Good evening,
9 everyone. I'm Mike Kapustianyk, and I'm a
10 lieutenant in the Chicago Police Department's
11 Research and Development Division.

12 I'm currently assigned as
13 commanding officer of the policy and procedure
14 section.

15 Thank you for giving me the
16 opportunity to provide a presentation today on
17 CPD foot pursuit policy. And I will share my
18 screen.

19 CPD's Interim Foot Pursuit Policy
20 was issued on May 26th of this year and became
21 effective on Friday, June 11th.

22 For the purposes of this
23 presentation, we have condensed the policy into
24 two sections. First, the pre-pursuit

1 considerations; and, second, engaging in a foot
2 pursuit. However, the complete policy's
3 available on our department directive system
4 which is available publicly at
5 Directives.ChicagoPolice.org.

6 For the pre-pursuit considerations,
7 we broke it down into three topics. Our policy's
8 broken down into foot pursuit guiding principles.
9 The first guiding principle and our highest
10 priority here at CPD is sanctity of life. What
11 sanctity of life means, not only in use-of-force
12 occurrences, but in foot pursuit occurrences and
13 all occurrences, that the Department members must
14 act with the foremost regard for the preservation
15 of human life and the safety of all persons
16 involved.

17 Foot pursuits also carry an
18 inherent risk. The primary consideration of any
19 action in these foot pursuits would be the
20 primary consideration is safety.

21 When engaging in a foot pursuit,
22 the safety of Department members, members of the
23 public, and the fleeing subject should always be
24 the primary consideration when determining

1 whether a foot pursuit should be initiated or
2 continued.

3 We also expect our officers to
4 continually assess the circumstances to determine
5 the appropriate response, the appropriate
6 response to effectively apprehend the subject or
7 safely conclude the pursuit.

8 Department members should be
9 prepared to develop a safe, flexible, and
10 tactical approach to each situation to safely
11 resolve the incident.

12 We also expect our officers to
13 consider safety and tactics to prevent foot
14 pursuits.

15 One of the main goals of that is to
16 use our deescalation tactics. Our deescalation
17 tactics and our principles of force mitigation
18 are identified in our use-of-force policy;
19 however, they can be translated to many
20 interactions with the public, including foot
21 pursuits.

22 Those principles of force
23 mitigation are continual communication, which
24 includes talking to the subjects and using

1 trauma-informed techniques, tactical positioning,
2 which includes creating a zone of safety, and
3 using time as a tactic, which means slowing down
4 the situation, allowing an opportunity for
5 emotions to deescalate.

6 We also expect our officers to
7 consider alternatives to a foot pursuit when
8 appropriate. These alternatives can be obtaining
9 assistance from other Department members or other
10 Department units, such as our helicopter unit,
11 establishing containment and surveillance of the
12 area, using tactical and technological
13 apprehension efforts, including the use of
14 technology, cameras, pods, other technology
15 efforts, and potentially apprehending the subject
16 at another time and place.

17 We also want our officers to
18 consider factors that might create a heightened
19 risk during foot pursuits. These factors can
20 include things such as the number of subjects
21 involved, the number of officers involved,
22 whether the subject is armed, the availability of
23 assist units, and other safety concerns and
24 physical characteristics, such as the nature of

1 the area, the weather, structures that are
2 present, physical hazards, roadways, other safety
3 considerations of the environment.

4 We want those officers to consider
5 those and consider the safety prior to engaging
6 in a foot pursuit.

7 And then we have established
8 standards on the deciding to engage in a foot
9 pursuit, and these standards are layered upon one
10 another.

11 The first standard is that in order
12 for an officer to engage in a foot pursuit, our
13 officers need to establish either probable cause
14 for arrest or reasonable, articulable suspicion
15 for an investigatory stop, which means they have
16 reasonable, articulable suspicion that a crime
17 has been committed, is being committed, or is
18 about to be committed.

19 These are the same standards we
20 have for our investigatory stop or arrest
21 policies. This standard must be met in order to
22 initiate a foot pursuit.

23 Layered on top of that, we want our
24 officers to weigh the risk of the foot pursuit

1 with the need for immediate apprehension of that
2 subject.

3 So when deciding to initiate or
4 continue a foot pursuit, we want officers to
5 weigh the risk to the member, to members of the
6 public, and the subject with the necessity for
7 that immediate apprehension of the subject.

8 And then we have specific
9 prohibitions on foot pursuits. Specific
10 prohibitions such as offenses that are less than
11 a class A misdemeanor, officers cannot pursue for
12 those offenses. If the offense is solely a
13 traffic offense that does not disregard or
14 endanger the safety of others, such as
15 administrative traffic offenses, such as
16 licensing offenses, insurance offenses, or
17 offenses that would be a petty violation or
18 enforceable by citation only, those would not be
19 eligible; the officers would be prohibited from
20 engaging in a foot pursuit for those offenses.

21 And then we have safety
22 considerations, some prohibitions that are based
23 on the safety of everyone involved; this would
24 include losing radio contact with our

1 dispatchers, the officers are unaware of their
2 location, they lose their firearm or other
3 equipment that become a danger to the public.

4 We also want officers -- our
5 officers are prohibited from engaging in a foot
6 pursuit under those circumstances as well.

7 And then, as always, when an
8 officer is directed by a supervisor to
9 discontinue a foot pursuit, they are prohibited
10 from engaging in that foot pursuit.

11 Then we'll go into what our policy
12 is currently on what we expect our officers and
13 supervisors to do during a foot pursuit, when
14 engaging in a foot pursuit. First and foremost,
15 we want to make sure those officers activate
16 their body-worn camera. When conducting a
17 law-enforcement-related activity, an
18 investigatory stop, a traffic stop or an arrest,
19 those officers should have that body camera on
20 already, but we're ensuring with this policy that
21 during the initiation or engagement of a foot
22 pursuit, that that body camera is activated.

23 We also want those officers to
24 notify a supervisor, notify a dispatcher, and

1 notify assisting resources. This provides the
2 information to the dispatcher to ensure it's
3 documented correctly, to assisting resources, so
4 that we can provide assistance, and to the
5 supervisor to ensure that that supervisor is
6 monitoring the foot pursuit.

7 And then just like in assessing
8 prior to a foot pursuit, while engaging in a foot
9 pursuit, we want our officers to continually
10 assess that circumstance to determine whether the
11 foot pursuit is still the appropriate response.

12 And then we want officers during
13 that foot pursuit to also consider the similar
14 safety considerations that we did prior to the
15 foot pursuit.

16 We want to make sure that they can
17 coordinate and communicate with their partner and
18 other assist resources to make sure that there is
19 a safe resolution to that foot pursuit.

20 We want them to consider the
21 presence of wantons, obstacles or other
22 unanticipated risks to ensure that the need to
23 immediately apprehend that subject still
24 outweighs the inherent risk of that foot pursuit.

1 We also want our officers to
2 consider whether the continuation of a foot
3 pursuit or a containment situation is the safest
4 way to resolve that incident. And that
5 containment situation could be similar to the
6 preventative measures, which is that tactical and
7 technological strategies, using assist units,
8 using technology, using cameras, being able to
9 provide a safe resolution to that incident.

10 And then upon discontinuing the
11 foot pursuit, we want to make sure that those
12 officers provide medical attention or request
13 medical attention to those who are injured, make
14 the appropriate notifications, and as always,
15 make sure that incident is reported and
16 documented correctly.

17 And then we have roles for our
18 supervisors during a foot pursuit. The ultimate
19 role of that supervisor is to monitor the
20 pursuit, to direct and coordinate the actions of
21 our officers, to mitigate against risks. To
22 mitigate against the inherent risks that are
23 present during a foot pursuit.

24 They also must continually assess

1 the information and provide instruction to our
2 officers, request assisting resources, instruct
3 the officer to hold their position to allow for
4 assist resources to become available, or to
5 instruct that officer to discontinue the pursuit
6 and start tactical or technological containment
7 strategies or apprehension strategies.

8 And then as we expect always from
9 our supervisors, we want that supervisor to
10 supervise the incident appropriately, make sure
11 the resolution of the incident is done safely,
12 and make sure the documentation of that incident
13 is done correctly.

14 Like I said, this foot pursuit
15 policy is in effect. It was published on May
16 26th and was effective June 11th; however, this
17 policy is still under review.

18 We're allowing the community
19 opportunity and providing the community
20 opportunity to provide input and feedback on this
21 policy. There are a number of ways we're doing
22 this, and I will go over a few here.

23 One, our current policy is open for
24 public comments. You can access the City of

1 Chicago Reform website or the ChicagoPolice.org
2 site and find the policy review section at this
3 address. The complete policy is there, and it's
4 open for electronic comments to be submitted to
5 the Department.

6 Those comments will be open -- the
7 comment period will be open to July 15th of this
8 year.

9 We also have a public input form,
10 which is similar to a survey, which asks various
11 questions with an opportunity to gather feedback
12 on very specific components of the foot pursuit
13 policy. That's also going to be available until
14 July 15th, and you can go to provide more
15 information there.

16 CPD's also going to host two
17 virtual community conversations; one on
18 Wednesday, June 30th, at 7:00 p.m. and one
19 Saturday, July 10th, at 12:00 noon. Registration
20 is accepted on a first come/first serve basis and
21 it's limited to 200 participants. To sign up for
22 that, you can go to the City of Chicago Reform
23 page, the Get Involved page, or at
24 ChicagoPolice.org.

1 And, finally, we are also
2 conducting deliberate dialogs. These dialogs are
3 individual dialogs with organizations and groups
4 that are invited to meet individually with
5 members of CPD.

6 We discuss the multiple views and
7 perspectives, we talk about the policy, we talk
8 about policy development, we discuss with the
9 organizations or the community groups their
10 expectations of our officers, the expectations in
11 the policy, provide collective insight and
12 feedback in the development -- the continuing
13 development of this policy.

14 We have partnered with the Center
15 for Conflict Resolution to facilitate those
16 meetings and to take notes to document those
17 meetings, make sure we're receiving all that
18 feedback.

19 Each of those dialogs are an hour
20 in length, and you can have up to eight community
21 members of your organization involved.

22 They will be held between June and
23 July 15th, but we have a sign-up period which
24 ends June 25th in order so that we can schedule

1 these dialogs appropriately.

2 All this information is available
3 on the CPD website, but you can also contact via
4 e-mail the Police Department and the Community
5 Policing Office at Community@ChicagoPolice.org
6 if you have any questions or comments about any
7 of these community engagements, and they will be
8 able to provide you with more information.

9 Again, I appreciate the
10 opportunity for providing this information
11 tonight and we look forward to the feedback from
12 the community on how we can make this policy
13 better.

14 PRESIDENT FOREMAN: Thank you, Lieutenant.
15 Police Board members, does anyone have any
16 questions, comments?

17 So for those listening, not
18 necessarily looking at the screen, the public
19 policy -- the public comment website is
20 Home.ChicagoPolice.org/reform/policy-review. But
21 if you go to Chicago Police Department's website,
22 you can see it there. There's also a public
23 input form. If you would like to contact either
24 CPD or the Chicago Police Board, we can make sure

1 to direct you to the place where you need to go.

2 Thank you, Lieutenant.

3 On July --

4 BOARD MEMBER ZOPP: Ghian, it's Andy. I
5 have a question.

6 PRESIDENT FOREMAN: Please.

7 BOARD MEMBER ZOPP: Lieutenant, once all the
8 feedback is given, what's the process for
9 revising the policy and then resharing it with
10 people so we know how the feedback was used in
11 terms of interpreting the policy or editing or
12 influencing any changes to the policy?

13 LIEUTENANT KAPUSTIANYK: Absolutely, I can
14 answer that. We review all the comments that
15 come in. We review every comment. And we look
16 at themes and trends and ideas that are provided,
17 not only through the public feedback comment on
18 the policy, but through the deliberative dialogs,
19 through our community conversations. All that
20 information is going to be gathered until July
21 15th. After July 15th, the Office of Community
22 Policing, the Research and Development Division
23 here at CPD, we're going to review, we're going
24 to analyze, and we're going to consider that

1 feedback. We're going to look at the consistency
2 with best practices. And we're going to look at
3 statistical data based on what's occurring here
4 in Chicago, what's occurring nationwide. And
5 we're going to continue to review and revise that
6 policy.

7 We're also going to go through the
8 Consent Decree process with the Independent
9 Monitoring Team and the Office of the Attorney
10 General and our policy review process there as
11 well.

12 After the policy -- after we've
13 taken those community comments and that policy is
14 finalized, it will once again be posted for
15 public comment in August, as we further refine
16 the policy and establish the final policy, which
17 is due to be implemented early September of this
18 year.

19 There will also be some reporting
20 out from the Office of Community Policing on the
21 summary of these community conversations and
22 these dialogs and what actions we've taken in
23 response to them.

24 BOARD MEMBER ZOPP: Thank you.

1 PRESIDENT FOREMAN: Thank you very much.

2 On July 24th, 2020, during the
3 height of the COVID-19 pandemic, the Police Board
4 entered a general omnibus order on conducting
5 disciplinary hearings via two-way video
6 conferencing using Zoom.

7 Given the significant change in the
8 COVID-19 landscape and Chicago's entry into Phase
9 V on June 11th, the Board is resuming in-person
10 hearings.

11 Is there a motion to enter a second
12 general omnibus order that will govern
13 disciplinary hearings?

14 VICE PRESIDENT WOLFF: So moved. Paula
15 Wolff.

16 BOARD MEMBER EADDY: Second. Michael Eaddy.

17 PRESIDENT FOREMAN: All in favor, please
18 signify by saying aye.

19 (CHORUS OF AYES.)

20 PRESIDENT FOREMAN: Any opposed?

21 (NO RESPONSE.)

22 PRESIDENT FOREMAN: The motion passes. A
23 copy of this second general omnibus order will be
24 posted on the Police Board's website.

1 A report of disciplinary actions
2 taken by the Board during the previous month has
3 been made available on the Board's website.

4 There's one disciplinary case on
5 the agenda this evening. We will get to it
6 shortly.

7 The Superintendent has requested
8 the Board's permission to solicit funds to offset
9 the cost of hosting the Department's annual award
10 ceremony and luncheon. Is there a motion to
11 approve this request subject to the Board's
12 receiving an accounting of funds raised and
13 spent?

14 VICE PRESIDENT WOLFF: Paula Wolff. So
15 moved.

16 BOARD MEMBER EADDY: Second. Michael Eaddy.

17 PRESIDENT FOREMAN: All in favor, please say
18 aye.

19 (CHORUS OF AYES.)

20 PRESIDENT FOREMAN: Any opposed?

21 (NO RESPONSE.)

22 PRESIDENT FOREMAN: The motion passes.

23 The general orders and other
24 directives issued by the Superintendent during

1 the previous month are posted on the Police
2 Department's website.

3 Chief McDermott, I'll ask if you
4 will give the Superintendent's report, please.

5 CHIEF McDERMOTT: Yes. Thank you.

6 Hi. My name is Brian McDermott.
7 I'm the Chief of Patrol for the Chicago Police
8 Department.

9 I'm glad to be with you tonight
10 sitting in for Superintendent Brown.

11 Earlier today, the Superintendent
12 introduced our new LGBTQ+ liaisons who will work
13 to advocate on behalf of what has been a
14 marginalized community.

15 As the Supe said, we are continuing
16 to transform the Chicago Police Department
17 through reform by prioritizing human dignity and
18 respect.

19 There will be one liaison for each
20 of the five areas across the City. The liaisons
21 will provide support and outreach at a
22 grass-roots level to the diverse LGBTQ+
23 community.

24 There will be a City-wide LGBTQ+

1 liaison who will serve as a team leader for area
2 liaisons.

3 The liaisons will also provide peer
4 support to other LGBTQ+ members of the Chicago
5 Police Department.

6 These newly created roles are above
7 and beyond what has been required by the Consent
8 Decree in the area of community policing.

9 Growing community trust is at the
10 heart of everything CPD does.

11 I'd like to mention our custom
12 notifications teams that outline the consequences
13 of continuing criminal behavior, which could
14 include being shot or going to prison. And we
15 offer these individuals a list of available
16 services to help deter him or her from continuing
17 down a destructive path.

18 We also offer services to the
19 family members of the custom notified individual.

20 So far this year, we have made at
21 least 333 custom notifications. That's a 733
22 percent increase over the custom notifications
23 performed in 2020.

24 CPD's homicide clearance rate is at

1 53 percent. Over 536 -- 5,036 guns have been
2 recovered since January 1st, 2021.

3 I ask everyone to remember that
4 each gun recovered is a potentially deadly
5 encounter.

6 25 CPD officers have been shot at
7 and 6 officers have been struck by gunfire since
8 the beginning of this year.

9 As you've probably heard, we have
10 canceled days off, have gone to 12-hour tours
11 moving through the Father's Day weekend. This
12 was not done lightly. The Chicago Police
13 Department recognizes and appreciates the
14 sacrifices our officers and their families make
15 to serve and protect the City of Chicago.

16 The deployment order for the
17 Father's Day weekend was developed using
18 historical data. The Department will continue to
19 evaluate and adjust resources to ensure the
20 safety of our residents, our visitors, and our
21 officers.

22 We are also working closely with
23 our community partners, including grass-roots
24 outreach workers. Approving public safety will

1 take all of us working together.

2 Mayor Lightfoot and Superintendent
3 Brown also announced a new foot pursuit policy
4 that prioritizes the safety of officers and
5 individuals involved in the pursuit, as well as
6 the members of the public.

7 It was implemented on June 11th,
8 2021. The Department will continue to review the
9 policy and make revisions as appropriate with a
10 finalized policy to be completed in September.

11 During the policy development
12 process, the Department conducted internal focus
13 groups which provided feedback from our officers
14 that was used to development the new directives.

15 The Department will continue
16 hosting additional internal focus groups while
17 also facilitating community input.

18 The current version of the foot
19 pursuit policy will be made available for public
20 comment until July 15th, 2021.

21 We cannot be successful without
22 first -- without the trust and goodwill of the
23 community.

24 I'd like to thank you for allowing

1 me to speak here this evening. Thank you.

2 PRESIDENT FOREMAN: Thank you, Chief.

3 Chief Administrator Kersten, would
4 you like to give your oral report?

5 INTERIM CHIEF ADMINISTRATOR KERSTEN: Thank
6 you. Thank you, President Foreman, for the
7 opportunity to speak before the Board this
8 evening.

9 In the month of June, COPA received
10 435 complaints and notifications. Of those, 106
11 of them fell under our jurisdiction, and 42
12 percent of those 106 cases involved allegations
13 of Fourth Amendment or improper search and
14 seizure reports.

15 Again, that's our most significant
16 number of types of cases that we receive the
17 highest volume of complaints on.

18 In the month of -- this last month,
19 we also closed four officer-involved shooting
20 cases, and we received one officer involved
21 shooting notification and responded to the scene
22 of that incident.

23 All of our cases that were closed
24 this month which had sustained findings -- or had

1 allegations, rather, of misconduct, 56 percent of
2 those resulted in sustained findings. So that's
3 a significant increase over some prior months.

4 Also, importantly, we released one
5 video of a police shooting based on court orders
6 and things that prohibited us from releasing more
7 videos. That took place in the last month. Then
8 we also had four different community engagements.
9 One of the cornerstones of COPA has really been
10 its attempts to -- even in times of this pandemic
11 our attempts to connect with the community, make
12 sure that we are raising awareness about the work
13 that's going on in our agency, and the efforts
14 that we undertake to help bridge trust between
15 the departments and the community it serves.

16 One of the most important ways we
17 did that in the last six months really, which
18 kind of culminated in this last month, was our
19 work around our policy revisions.

20 Much like the police department,
21 COPA pursuant to the consent decree is also at
22 work revising and updating our policies to comply
23 with the responsibilities set forth in the
24 federal Consent Decree for our agency. Part of

1 that process has been to engage with members of
2 the public to comment on and provide feedback to
3 those comments.

4 And in selecting the individuals
5 that participated in what ultimately became kind
6 of a policy-working group for COPA, we really
7 wanted to make sure that we had an accurate
8 representation of all impacted communities, and
9 so that meant engaging members of the LGBTQ+
10 community, the mental health crises community,
11 people with disabilities, the education
12 community, faith-based leaders, Civil Rights
13 activists, and our legal community.

14 So with that robust and diverse set
15 of voices and opinions, we were able to
16 successfully move a number of different policies
17 ranging from a wide variety of the topics through
18 the completion and ultimately approval from the
19 federal monitor and the Attorney General's
20 Office. And those policies range from things
21 like our intake unit and how it functions; so
22 that's how we answer the phone and take those
23 initial complaints and conduct those first
24 interviews.

1 So really a robust policy kind of
2 guiding and perfecting the way in which we
3 approach that critical work, as well as our
4 quality assurance policy, our timeliness
5 benchmarks.

6 You know, much has been said about
7 the length of time, unfortunately, that it still
8 takes for a COPA investigation to be concluded.
9 So we're hard at work here trying to set forth
10 reasonable benchmarks for us and our staff to
11 meet in order to ask more of ourselves as an
12 agency to better serve our community.

13 We also approved policies relating
14 to our equipment and our apparels, specifically
15 how we can represent ourselves as an agency in
16 the community. And also disciplinary
17 recommendations and recommendations regarding
18 Department member duties, so whether or not an
19 officer should be relieved of powers or has
20 fitness for duty, et cetera.

21 And then lastly, in addition to
22 that work with our community -- working group
23 itself, once those policies get through that
24 process and through that cycle, we then post them

1 publicly on our website. And there's one up
2 there now for public comment. And I would
3 welcome members of the public to go to
4 ChicagoCOPA.org and look under our policy
5 section. It's the policy relating to our final
6 summary reports. So at the end of a COPA
7 investigation, we write a very detailed report
8 about everything that did occur in that
9 investigation, what the appropriate departmental
10 orders or laws were that governed the conduct in
11 question, and then an analysis of how we reached
12 any conclusions that we found.

13 So I invite the public to comment
14 on that. Let us know how to make that product
15 better.

16 At the end of the day, that's what
17 speaks most loudly. Those reports are what speak
18 most loudly for the work we do at COPA.

19 It tells the story of any given
20 investigation.

21 So, again, we welcome public
22 comment on that and any future policies going
23 forward. And if members of the public are
24 interested in participating in this working

1 group, we will be resuming that practice later in
2 the summer, in August. And please feel free to
3 reach out to our Community Engagement Team
4 through our website if you think you want to lend
5 your voice to this conversation.

6 So thank you for the time for this
7 update from COPA.

8 PRESIDENT FOREMAN: Thank you, Chief. Once
9 again, members of the public, ChicagoCOPA.org to
10 make comments as well as ChicagoPoliceBoard.org
11 to make comments on the foot pursuit policy.

12 The Police Board as authorized by
13 the Open Meetings -- yes. The Police Board as
14 authorized by The Open Meetings Act -- sorry.
15 Had to mute someone. The Police Board as
16 authorized by The Open Meetings Act has
17 considered in a closed meeting one police
18 disciplinary case. The Board will now take final
19 action on this case.

20 Regarding case number 19 PB 2966,
21 is there a motion to find Police Officer Patrick
22 Kelly guilty of charges related to the off-duty
23 shooting of Michael LaPorta and to discharge
24 Officer Kelly from the Chicago Police Department?

MEETING
June 17, 2021

1 VICE PRESIDENT WOLFF: So moved. Paula
2 Wolff.

3 BOARD MEMBER EADDY: Second. Michael Eaddy.

4 PRESIDENT FOREMAN: I will now call on
5 members of the Board for their vote. Wolff.

6 VICE PRESIDENT WOLFF: Aye.

7 PRESIDENT FOREMAN: Crawl.

8 BOARD MEMBER CROWL: Aye.

9 PRESIDENT FOREMAN: Eaddy.

10 BOARD MEMBER EADDY: Aye.

11 PRESIDENT FOREMAN: Flores.

12 BOARD MEMBER FLORES: Aye.

13 PRESIDENT FOREMAN: Montes.

14 BOARD MEMBER MONTES: Aye.

15 PRESIDENT FOREMAN: Sweeney.

16 BOARD MEMBER SWEENEY: Aye.

17 PRESIDENT FOREMAN: Zopp.

18 BOARD MEMBER ZOPP: Yes.

19 PRESIDENT FOREMAN: And I vote in favor of
20 the motion.

21 Voting in favor are Board Members
22 Wolff, Crawl, Eaddy, Flores, Montes, Sweeney,
23 Zopp, and myself. The motion passes by a vote of
24 eight to zero.

1 Griffen, please, turn it over to
2 you, my friend.

3 MR. SAUL: Thank you so much, Ghian, and the
4 rest of the Board for having us here tonight.

5 I want to keep this sweet but --
6 short and sweet but give us the opportunity to
7 kind of explain who we are and have our youth
8 council introduce themselves.

9 So nearly a year ago today, I kind
10 of ventured out on this quest to increase the
11 accessibility for young people to make change in
12 our City. I have an existing nonprofit called We
13 Are Able, and I was fortunate enough to kind of
14 come across paths with Ghian, and we kind of
15 discussed about what the youth voice looked like
16 for the Chicago Police Board. And during the
17 time of the COVID-19 pandemic, we were already
18 seeing exacerbated inequities and inequalities in
19 terms of racial justice and policing. Didn't
20 seem like there was much of one that was
21 occurring, so I took it upon myself, along with
22 another group of young people and amazing
23 partners along the way to pave the way for a
24 group of incredible young people from Chicago to

1 be the change that we want to see in the world.

2 So we're pleased to kind of be here for what will

3 be a year-long journey at the very least for us.

4 Tonight we will be meeting biweekly

5 in a group and joining you the third Thursday of

6 every month as well, to work alongside you and to

7 make our City a better, safer, and stronger place

8 for everybody.

9 So with that said, I want to kind

10 of turn it over to our youth council to give a

11 brief introduction of themselves as well. I'll

12 just read off their names and they can provide a

13 quick intro for themselves.

14 So, Jacque, do you want to start

15 first.

16 MR. JACQUE STEFANIC: Yeah, sure. My name

17 is Jacque. I just graduated from Loyola

18 University about a month ago at this time

19 actually, and I'm just really involved with, you

20 know, the community in my neighborhood. I live

21 in West Town. And I'm really excited to be part

22 of this council because policing is very

23 important, at least in my opinion, since I am a

24 Chicago native and just, you know, experiencing a

1 lot of the things that have happened within,
2 like, the past year. You know, I was -- not
3 involved, but I saw a lot of the events that have
4 happened like in May where, like, the tension
5 between Chicago Police Department and the
6 community was very tense, and, like, that kind of
7 pushed me to be involved in an organization like
8 this, that really just pushes for, you know,
9 positive police reform.

10 And just I really appreciate that,
11 you know, an opportunity like this exists. So I
12 really appreciate you all taking the time out of
13 your day to, you know, listen to the youth voice
14 of Chicago. Thank you again, Saul, for bringing
15 me on here.

16 MR. SAUL: Thank you. Corey, are you there?
17 Doesn't sound like it.

18 Isaac?

19 MR. TRONCOSO: My name is Isaac Troncoso. I
20 am a recent UChicago public policy grad. I
21 currently work at Google, but before that I
22 worked for the New York City Mayor's Office
23 working on police reform, in particular Mayor
24 DiBlasio's initiative to have mental health

1 counselor teams that are mobile crisis teams
2 respond to 911 calls by emotionally disturbed
3 persons rather than armed police officers.

4 So I'm very much looking forward to
5 being on the council and really appreciate you
6 guys having us here today.

7 MR. SAUL: Thanks, Isaac. Leah, you on the
8 call?

9 Sarah, I saw you on the call.

10 MS. LIM: Hi, I'm Sarah. I'm a junior at
11 Lane Tech.

12 Something I would like to improve
13 is citizen review boards, because they're kind of
14 powerless in some areas of Illinois.

15 I'm also involved in some computer
16 science stuff, because I like computer science.
17 This summer I'm doing CS Research Value Chicago.

18 MR. SAUL: Thanks. Saul.

19 SAUL: Hi, everyone. My name's Saul. I'm a
20 junior in Hyde Park. And I found out about this
21 opportunity through the Chicago Mayor's Youth
22 Commission where I'm a part of the public safety
23 team there.

24 PRESIDENT FOREMAN: Zaryaab?

1 MS. KHAN: Hi, everyone. My name is
2 Zaryaab. I'm a current junior at Lane. And I
3 found this opportunity with the Chicago Mayor's
4 Youth Commission, and I'm looking forward to
5 learning more about police accountability.

6 MR. SAUL: Mia.

7 MS. BONDS: Hi. I'm Mia. I go to Whitney
8 Young. And I'm interested in more about police
9 policy and how I can help create like better
10 relationship between people of Chicago and the
11 police.

12 MR. SAUL: I'm not sure if she's on, but
13 Charlie, if you're there. Doesn't seem so.

14 But, again, I want to reiterate.
15 There are 11 young people. You met most of them
16 tonight. And I look forward for you to continue
17 to meet them and work with them. We're really
18 honored to have this opportunity. And, you know,
19 we're here to make some real change. We're an
20 independent group. I started this from grass
21 roots up. We want to work alongside you and make
22 some real reform. You know, I've only started to
23 know these young people, but I know that they're
24 an impressive group of people. So I can't thank

1 Max and Ghian enough for all the support they've
2 given me along the way. And, again, I look
3 forward to working with you all soon. Thanks,
4 Ghian.

5 PRESIDENT FOREMAN: Thank you, Griffen.
6 Thank you to the whole youth council.

7 Really appreciate you guys stepping
8 up.

9 Jacque, congratulations on
10 graduating. I know that this is a funny time to
11 graduate, but you will have a story to tell your
12 grandchildren. So it will all work out in the
13 end. We're proud of you guys for stepping up.
14 You know, we absolutely are looking for ways to
15 have more civic participation and really, really
16 proud to see the work that you all are doing.

17 BOARD MEMBER EADDY: Ghian, is there an
18 opportunity to just ask one question?

19 PRESIDENT FOREMAN: Yes, please, Reverend
20 Eaddy.

21 BOARD MEMBER EADDY: Yeah, good, good.
22 Griffen, really excited about hearing what you
23 guys have pulled together. I just wanted to ask,
24 is there a place for others to join the council?

1 How -- what is the enrollment? How does one
2 connect? And if you don't mind, put your website
3 or that in the chat.

4 MR. SAUL: Yeah, thanks so much for your
5 question. So we opened up this application a
6 little -- earlier -- at the end of 2020, around
7 October I want to say, and had applications open
8 for a while. We partnered with -- I just
9 graduated from Tufts University, so I kind of do
10 this in my spare time as well. But we partnered
11 with Youth Guidance, some folks at the Mayor's
12 Youth Commission at the City, BAM, Becoming a
13 Man, Chicago 200, and then the Chicago Community
14 Trust is a big sponsor for us with this
15 initiative. And we're thankful to be able to
16 provide stipends to all our young people who are
17 participating in this.

18 So our program's intended to run
19 for a year, at which point we will open the
20 opportunity up for new young people to join.

21 But we really want this to be a
22 learning experience beyond an advocacy role, so
23 we'd love to get all the members of the Police
24 Board involved and kind of taking on a mentorship

1 role with our young people, and obviously they
2 are going to be looking to engage outside young
3 people, as well. A large part of our budget is
4 itemized for community building events where we
5 hope to engage other young people in the City of
6 Chicago to foster community healing with CPD and
7 beyond.

8 So we're really excited about the
9 future opportunities, policies, and activities
10 that are going to come from this.

11 And I dropped my e-mail there as
12 well as my organization's website is Weable.org,
13 but feel free to contact me at any time. And I'm
14 sure I speak on behalf of the fellow youth
15 council as well, we're really excited to connect
16 with you all.

17 BOARD MEMBER EADDY: Thank you very much.

18 PRESIDENT FOREMAN: Thank you. Anyone else?
19 Any other board members, questions?

20 Thank you and congratulations to
21 you, too, Griffen.

22 Next up we have a presentation from
23 some of our long-time participants at the Board
24 meetings, Communities Organized to Win.

1 Jennifer. Jennifer Edwards, if you can press *6.

2 MS. EDWARDS: Thank you. I'd like Matt to
3 do the introduction for COW, if he can go first.

4 PRESIDENT FOREMAN: Sure. Absolutely.
5 Matt, if you can press *6.

6 MR. BRANDON: Good evening, everybody.
7 First of all, before I begin, I want to send my
8 thoughts and prayers out for a speedy recovery
9 for 6th District Commander Senora Ben. I hope
10 all of you keep her in your thoughts and prayers.
11 She is a great part of the community.

12 Communities Organized to Win, as
13 you know, is an organization that was formed to
14 network with different community groups, block
15 clubs, and individuals throughout the south side
16 of Chicago.

17 We've done that for over the past
18 12 years, and we're proud to say that we've
19 succeeded in creating quite a partnership.

20 On last Monday, June 14th, because
21 of recent violence around the area of 75th and
22 Prairie, the fruits of that endeavor were
23 realized when a response to that violence was
24 headed by the mayor, the Superintendent Brown,

1 high command officers of the Chicago Police
2 Department and different City representatives to
3 hold a community meeting in the middle of 75th
4 Street at Prairie Avenue.

5 The Mayor was there. She answered
6 questions. She talked about things that would be
7 done and things that could be done. And the
8 Superintendent gave his remarks.

9 After the Mayor had left and the
10 Superintendent had left, something happened.
11 About 100 to 150 four-wheelers, motorcycles,
12 three-wheelers decided to come and disrupt the
13 event. And what happened was what needs to
14 happen in all communities. Led by Area 2 Deputy
15 Chief Snelling, Area One Deputy Chief Talley,
16 Deputy Chief of Community Policing Novalez, other
17 high-ranking Chicago police officers, and members
18 of the community, those revelers were walked out
19 of the community with the police and the
20 community side by side until it broke up and they
21 dispersed. That is the police and the community
22 at work. And you don't see that on the news.
23 You only see the bad things.

24 But believe me, with the police and

1 the community together, we can get this done.

2 Thank you for letting me present that.

3 MS. EDWARDS: Okay. My part. I wanted to
4 present some of the things that we've done over
5 the past couple of years. We can go back a
6 little bit further, but we don't want to take up
7 all the time. And some of the things that we
8 have engaged with were trying to help with the
9 Chicago Department of Public Health, increase
10 jobs and decrease gun violence while bringing CPD
11 and the community together.

12 We had on June 30th submitted a
13 list to the People's Response Community Group,
14 ten testing sites in 60619 and 60620 for walk-up
15 testing of COVID-19.

16 We engaged in and interacted with
17 State Senator Elgie Sims, 17th District, State
18 Representative Nick Smith, State Representative
19 Andre Thapedi, 32nd District, to encourage free
20 contact tracing courses at Chicago State
21 University.

22 We negotiated jobs and an agreement
23 between an all-black professional carpentry
24 program to enlist and train returning citizens in

1 the skill of carpentry in International
2 Brotherhood of Carpenters Union.

3 Dennis Muhammad of Do For Self was
4 given 200 union cards and apprenticeship
5 positions to directly hire candidates outside of
6 the union hall.

7 We've had a lot of events, and
8 these events have been for us to bring CPD and
9 the communities together.

10 In 2019, we held a backyard
11 conversation which involved the 6th District
12 police.

13 We also had one in 2020 with
14 Superintendent Brown to welcome him to our
15 community.

16 We've encouraged CAPS. Increased
17 participation in the 3rd and 6th Districts by
18 combining district participation.

19 We've called for participation in
20 attendance at the CPD Consent Decree
21 conversations in the 3rd, 4th, 6th, and 7th
22 districts. We've designed a system of
23 participation at the monthly Chicago Police Board
24 meetings. You guys know about that, how we pull

1 together and kind of tricked you a little bit.

2 We have had participation in weekly
3 roll calls and brought COW members to interact
4 with the CPD officers for the purpose of support
5 and encouragement.

6 We had to thank you so much in
7 Black History Month for the officers of the 6th
8 District because they came out to several of our
9 areas during the snowstorm and shoveled out our
10 block.

11 We had two meetings with the City
12 Deputy Chief of CAPS to suggest CAPS meetings
13 reform, and we're going to be scheduling a third
14 one with community members soon.

15 We conducted three area business
16 walks, identifying problem businesses that
17 impacted community's health and safety.

18 We also joined with other community
19 partners in Operation Neighborhood Safety,
20 posting at area gas stations to reduce the number
21 of violent carjackings and shootings.

22 One of our goals is to help with
23 getting a donation or some type of money to buy
24 Ring systems so we can make these available free

1 to community members so that they will connect
2 with the Police Department.

3 Thank you. Any questions from
4 anybody?

5 PRESIDENT FOREMAN: Thank you very much.
6 This is great. As you know, we really appreciate
7 your continued participation. We know that this
8 working in community is not an easy thing, so we
9 really wanted to highlight the work that
10 Communities Organized to Win was doing as a way
11 of kind of showing how when communities come
12 together and then working with the various CPD
13 offices or officials, that we can get some things
14 done in the community. So I thought that the
15 work that you all were doing was worth taking
16 some time to kind of talk about that to set an
17 example. So thank you very much.

18 MS. EDWARDS: Thank you.

19 PRESIDENT FOREMAN: The next speaker -- now
20 we're going to move to our typical format with
21 the speaker. Jazmyne, if you can get the clock
22 ready.

23 Our next speaker is Gail
24 Saulsberry. Gail Saulsberry. Press *6. We'll

1 come back. We'll come back to Ms. Saulsberry.

2 Next speaker, Zed Braden. Zed

3 Braden. If you can press *6.

4 Next speaker, June Norfleet. *6.

5 Next speaker, Marlin Howe.

6 Ms. Norfleet, I can see you are not
7 on mute. So if you can hear me, you can speak.

8 MS. NORFLEET: I can hear you. Can you hear
9 me?

10 PRESIDENT FOREMAN: Yes, ma'am.

11 MS. NORFLEET: Okay. President Ghian, thank
12 you so, so much. Wow. I was all prepared for
13 you and then I'm unprepared as I'm coming to you
14 straight from the -- as the young people say,
15 straight from the go.

16 I'm here at 316 -- I'm leaving now.
17 316 East 74th Street where the community is
18 getting together regarding incidents on 75th
19 Street. They are bonding and galvanizing,
20 working with the police, and it's just an
21 absolutely wonderful thing to see them in action,
22 to see us in action, gaining our power and
23 learning from some of the training that we've had
24 with the 3rd District and the 6th District.

1 So we are very positive and
2 hopeful. It's a little tense. It was a little
3 tense, but good things are coming out.

4 What I wanted to talk to you real
5 quick about is that we need full power.

6 I came out here tonight with my
7 flashlight just in case it got a little dark out
8 here. And you know with these flashlights, you
9 got all these batteries in there, you've got
10 about three or four in here, and if they're not
11 all working, then you don't get the full power of
12 the light. Do you understand what I'm saying?

13 And so I thought about this in
14 reference to some of our recent activities that
15 we've done with Communities Organized to Win,
16 STOP, NO, and other agencies on the south side of
17 Chicago, where we had tremendous support from our
18 CPD partners, 3rd and 6th Districts. And we also
19 have support from BACP as we went in to assess
20 and canvass some of the businesses that are not
21 serving our community appropriately. But we
22 found some of the batteries were missing. You
23 know what I mean? There was no building there
24 with us. There was no Department of Health.

1 There was no fire department with us. We need to
2 have all of our batteries on full charge for us
3 to have the full power so that we can shine the
4 light. So that we can be that part of the
5 citadel on the hill.

6 Kudos to the Police Department for
7 coming out and supporting us. And we ask that if
8 you can be a conduit and an impetus to get our
9 other agencies that we pay so dearly for to come
10 out and support us, we do ask that you do that.
11 And, again --

12 PRESIDENT FOREMAN: Thank you very much.
13 Thank you very much, Ms. Norfleet. I'm sorry. I
14 had to mute you there.

15 Our next speaker, Marlin Howe.

16 MS. HOWE: This is Marlin Howe. Can you
17 hear me?

18 PRESIDENT FOREMAN: Yes, ma'am.

19 MS. HOWE: Good evening. I'm a homeowner
20 and resident in Beat 24, and I am here this
21 evening to ask the members of this Board for help
22 for Beat 624.

23 The beat crime statistics and the
24 beat calls for service I am sure have been and

1 are available for the members on this Board. So
2 for me to point out one of the many infractions I
3 think would be redundant.

4 What the stats and calls for
5 service show is the need for more police officers
6 in the 6th District.

7 Instead, I would like to appeal to
8 the members of this Board's conscience this
9 evening. While the crime in Beat 624 escalates,
10 the police manpower in the 6th District is
11 dwindling.

12 The people living in Beat 624 who
13 are actively engaged with CAPS, neighborhood
14 community organizations, block clubs, and doing
15 what we can to preserve our quality of life are
16 now facing being terrorized and held hostage in
17 our own community and home.

18 So I ask you, what can we do? What
19 can we do to fix the broken police system while
20 continuing to serve and protect the citizens in
21 Beat 624?

22 Living in the 6th District and in
23 Beat 624, I think the people in the district
24 could be better served if the 6th District could

1 have a commander around long enough so that he or
2 she could organize and implement strategies and
3 tactics for his or her command to combat the
4 crime in the beat.

5 We need an increase in manpower to
6 address the needs of the beats within this
7 district. More police visibility in Beat 624
8 beat car. Enforce laws that are broken
9 repeatedly that affect the quality of life of the
10 people in Beat 624. Infractions such as
11 repairing or washing of cars on our City streets.
12 Loitering on public and -- private and public
13 property, playing loud music, sitting on the City
14 sidewalk and urinating in public. These
15 violations of City ordinances may sound frivolous
16 when Beat 624 is inundated with murder,
17 prostitution, and drugs, and other nefarious
18 crimes, but these violations still cause problems
19 for the people in Beat 624, and these violations
20 are laws that should be enforced, too.

21 In closing, I'd like to say our
22 police officers are doing a great job for a
23 police department that is in need of repair.

24 I thank you guys for giving me this

1 opportunity to voice my concerns.

2 PRESIDENT FOREMAN: Thank you very much.

3 Chief McDermott and Ms. Howe, if you don't mind,
4 Chief McDermott, I'll make sure Max gets you the
5 information for Ms. Howe and we can have somebody
6 check on Beat 624. We would appreciate that.

7 MS. HOWE: Thank you so much.

8 PRESIDENT FOREMAN: Next speaker, Lena

9 Bivens.

10 Next speaker Linda Hudson. Linda

11 Hudson.

12 MS. HUDSON: Can you hear me?

13 PRESIDENT FOREMAN: Yes, ma'am.

14 MS. HUDSON: Good evening. My name is Linda
15 Hudson, and I am a community leader in the 8th
16 Ward.

17 On Thursday, September 17th, 2020,
18 I held a prayer vigil for the female mail carrier
19 who was shot in the Burnside community.

20 In preparing for the prayer vigil,
21 I sought the support of the 4th District and did
22 not get it. I was very disappointed, and I spoke
23 at the September Board meeting about my
24 disappointment in the 4th District.

1 On May 10th, 2021, Officers Eric
2 Davis and Chris Moore of the 4th District called
3 a community leader and asked to meet with her at
4 11:00 a.m. at a local McDonald's restaurant to
5 discuss her organization. Officer Eric Davis
6 showed up in uniform. After repeatedly telling
7 him what her organization was about, she
8 mentioned that I was a member of the
9 organization, at which Officer Davis replied,
10 "Eww. I hear she's erratic." He mentioned that
11 I attended school with Alderman Michelle Harris
12 and other disparaging remarks. He also mentioned
13 that I made him look bad by saying the 4th
14 District did not support my prayer vigil.

15 I know what Officer Davis looks
16 like, but I've never met Officer Davis. For him
17 to show up in uniform to a meeting with another
18 community leader to tarnish my name and my
19 reputation is incomprehensible. I'm a lot of
20 things, but erratic, never.

21 Not only is he practicing out of
22 his scope as a police officer, it makes me
23 question if he has a license to diagnose. And if
24 he does not, then I fully support the City of

1 Chicago ensuring that all police officers become
2 licensed under the Illinois Department of
3 Professional Regulation.

4 I'm a mother, taxpayer,
5 professional, and leader, and I am highly
6 offended.

7 I'm afraid of the criminals in this
8 community. Should I be afraid of Officer Davis,
9 too?

10 Officer Davis needs to be reminded
11 that he is a paid servant in the community. He's
12 paid to serve all parts of the community, not
13 just the political officials he favors.

14 I typically don't fight with CPD
15 because I support their role, value, and
16 responsibility in our community; however, if this
17 unprofessional conduct continues, I'm going on
18 record that I will file a complaint with the
19 Inspector General's Office against Officer Eric
20 Davis and the alderperson whose water he carries.
21 Thank you.

22 PRESIDENT FOREMAN: Thank you. Chief,
23 either chief, any comments?

24 CHIEF McDERMOTT: I have Deputy Chief

1 Snelling on, and he'll follow up with Linda after
2 this to get more specifics and see what kind of
3 follow-up we can do for her.

4 PRESIDENT FOREMAN: Thank you. Next
5 speaker, John Perryman.

6 MR. PERRYMAN: Good evening.

7 PRESIDENT FOREMAN: Good evening.

8 MR. PERRYMAN: I'm just calling regarding
9 what I've been bringing up for over a year, large
10 drug market in our community in Garfield Park.

11 I'm wondering if Chief McDermott
12 can give me any kind of update on police
13 strategies or activities or anything that's been
14 going on over there?

15 CHIEF McDERMOTT: Sure. So since last time
16 you called in on May 20th, you provided your
17 information with the 11th District. Someone
18 reached out and spoke to you, gave them contact
19 information for someone who lived in the 3500
20 block of Walnut. As a result of that contact the
21 11th District personnel made, they formed a block
22 club. It was officially established with the
23 residents on the 3400 and 3500 block of Walnut.
24 In addition to that, since your last call, CPD

1 has conducted two narcotics operations in the
2 area that you were concerned with which resulted
3 in multiple arrests and several of those arrests
4 led to federal charges.

5 MR. PERRYMAN: So, yeah, on this issue, so
6 please don't let up.

7 One other quick question for Chief.
8 We had a new drug market pop up at Francisco and
9 -- Francisco and Warren. Community members
10 repeatedly reached out to the 12th District.
11 They were doing freebies between 7:00 and 8:00
12 for two weeks. Pretty much nothing happened.
13 And then we had a homicide a few days ago at 8:00
14 o'clock on a safe passage route while children
15 are walking to school.

16 Can you tell me what are some --
17 what's the protocol that police will use when a
18 new drug market pops up in a community?

19 CHIEF McDERMOTT: Well, I can't talk the
20 specifics about what our narcotics and our
21 tactical teams do, but what we will do is I'll
22 have one of -- either Deputy Chief Cato or
23 Commander McKenzie reach back out to you when we
24 get the specifics and make sure --

1 MR. PERRYMAN: No, this is the 12th
2 District. This is the 12th District.

3 CHIEF McDERMOTT: I'll have Commander
4 Shemash or Deputy Chief O'Shea reach out, and you
5 can give the specifics of what you're referring
6 to --

7 MR. PERRYMAN: We're too late, because
8 someone's already dead.

9 PRESIDENT FOREMAN: All right. So --

10 MR. PERRYMAN: We need to go forward when
11 new ones pop up. How to prevent the homicide.

12 PRESIDENT FOREMAN: I think this is a larger
13 question. I'm not sure the Chief is going to
14 have the answer about how to prevent homicides.
15 I think this is --

16 CHIEF McDERMOTT: I will say this, and our
17 officers are out there putting their lives on the
18 line every single day. We recovered 5,036 guns
19 so far this year. Our officers have been shot at
20 25 times, they've been shot 6 times this year.
21 And they'll continue to do their best to protect
22 the residents of the City of Chicago.

23 At the same time, you know, they're
24 out there risking their lives. So we will

1 continue to do our best and --

2 MR. PERRYMAN: When new drug markets happen,
3 we do need more help. Can I talk to someone
4 about that in the future?

5 Mr. Foreman, can you connect me
6 with someone about this issue?

7 PRESIDENT FOREMAN: Absolutely.

8 MR. PERRYMAN: Thank you very much, Mr.
9 Foreman.

10 PRESIDENT FOREMAN: Thank you.

11 Our next speaker, Nenad Markovich.

12 Next speaker, Flora Suttle. Ms.
13 Suttle? I can see you're unmuted but I cannot
14 hear you. All right. We'll come back.

15 Next speaker, Mr. George Blakemore.
16 If you can press *6.

17 Ms. Suttle, I can hear you now, Ms.
18 Suttle.

19 MR. BLAKEMORE: Can you hear me?

20 PRESIDENT FOREMAN: Mr. Blakemore, hold on
21 one moment. I'm going to go with Ms. Suttle.

22 MR. BLAKEMORE: I don't want that to go like
23 last time. Can you hear me?

24 PRESIDENT FOREMAN: I can hear you. Stay

1 unmuted. But let me go with Ms. Suttle first.

2 Ms. Suttle.

3 MS. SUTTLE: Yes. Good evening. Thank you
4 for the opportunity to speak this evening. I've
5 decided not to speak this evening. So everybody
6 have a good evening.

7 PRESIDENT FOREMAN: Thank you very much.
8 Mr. Blakemore.

9 MR. BLAKEMORE: Can you hear me?

10 PRESIDENT FOREMAN: Yes, sir.

11 MR. BLAKEMORE: All right. Now, I'm
12 appalled to hear this gentleman talking about
13 open drug market. But when a black person is
14 selling drugs, it's criminal. All -- we don't
15 have one dispensary. The white men got all the
16 medicinal. Then they came back and got for
17 recreation.

18 Now -- so, open drug market. I
19 think we have to do what we have to do with the
20 politicians down in Springfield and bounce the
21 ball back to the City politicians. We didn't get
22 one.

23 I'm outraged. So if men -- if our
24 drug sellers are selling drugs that's illegal,

1 when the white ones are selling the same -- I'm
2 not going to -- that's legal, it's something
3 inherently wrong.

4 What we need is -- also is more
5 black policemen that policing in the black
6 community.

7 I always advocate for jobs to
8 contract and service and we wouldn't have so much
9 crime.

10 Now, the last thing I want to say,
11 if they want to be a good community, CAPS leaders
12 and helping our community, well, why not advocate
13 for the Bud Billiken parade to be more than four
14 blocks. It's on our history. It's our history
15 here. 92 years.

16 Now you going to go around and
17 celebrate the 19th of June. We got something to
18 celebrate right here.

19 Now, I have a case with COPA that's
20 been going on for over three years. That number
21 is 1091942, when I was attacked down at Planning
22 and Development as a concerned citizen by a
23 policeman, and one white lady said, Turn this man
24 -- take these handcuffs off this man, two white

1 folk, and then a black lady said, Take them off,
2 too.

3 So we are abused and a lot of the
4 problems that's --

5 PRESIDENT FOREMAN: Mr. Blakemore.

6 MR. BLAKEMORE: -- going on in the black
7 ghettos is caused by institutional -- insipid and
8 institutional racism.

9 PRESIDENT FOREMAN: Thank you, Mr.
10 Blakemore. Your time is up.

11 Our next and last speaker is Mr.
12 Robert More. Mr. More, press *6.

13 MR. MORE: First of all, hello? Can you
14 hear me?

15 PRESIDENT FOREMAN: Yes, sir.

16 MR. MORE: Okay. Huge equal protection
17 problem. George Blakemore just spoke for -- I
18 got two minutes like and 35 seconds. I'm cut off
19 at 120 seconds every single time.

20 So George Blakemore, a distinct
21 speech held this week from the nominal mayor
22 about any hate violence. She used to let him go
23 on for three, four minutes sometimes with a smile
24 on her face just pandering to the hatred of all

1 white people other than John Brown.

2 And so that's the high issue --
3 huge issue of hatred that she was -- she was in a
4 position of performance (inaudible) to it and
5 foster it. But might not end up getting into
6 this conveyance of charging (inaudible)
7 understood too important not to mention at this
8 juncture, maybe includes URL
9 JN21-15PROTCTR@tripod.com.

10 RJM's (inaudible) number of crimes
11 committed against RJM, Robert J. More, by Teresa
12 Flores, which is postulate for RJM's protection
13 from the subjection to any charge of compounding
14 a crime.

15 In terms of resolution of crime,
16 there is no such thing as custodial caretaking
17 function as a pretext to disregard the protection
18 of the Fourth Amendment.

19 The City of Chicago is held
20 harmless. There is no custodial caretaking of
21 Robert J. More.

22 Nothing done by the City of Chicago
23 Police Department is ever for the utility of any
24 person that fits the profile of Robert J. More.

1 We are enslaved and on the path to
2 extermination from the nominal (inaudible) led by
3 the Committee of 300.

4 What is the present status of the
5 Bland, Young, and Spencer murder, for want of a
6 more accurate term, contra-investigation?

7 Why is the police Superintendent
8 not here? I don't have time to get the answer.
9 I am complaining about that.

10 RJM demands for over the tenth time
11 an e-mail address for the nominal Superintendent
12 to be sent to ANSELM45@Gmail.com. (Inaudible)
13 provides that no one who's not been convicted of
14 a crime -- a violent crime has to abstain from
15 wearing body armor in the City of Chicago.
16 Should anyone's body armor be confiscated
17 (inaudible) contact St. Michael the Archangel.

18 Children of Chicago, you must learn
19 to not only disrespect any and all nominal
20 government controlled by the Committee of the
21 300, but to distrust them and remember your
22 enslavement and/or extermination respectively
23 which constitutes the actual de facto function of
24 any and all nominal government entity so

1 controlled, that is the City of Chicago, City of
2 Chicago Police Department. This --

3 PRESIDENT FOREMAN: Okay. Mr. More, I gave
4 you longer than two minutes to be fair.

5 At this time, all members of the
6 public who signed up to speak have been called.

7 Is there a motion to adjourn?

8 BOARD MEMBER WOLFF: So moved. Paula Wolff.

9 BOARD MEMBER EADDY: Second. Michael Eaddy.

10 PRESIDENT FOREMAN: All in favor, please say
11 aye.

12 (CHORUS OF AYES.)

13 PRESIDENT FOREMAN: The motion passes and
14 the meeting is adjourned.

15 Thank you very much for attending.
16 Everyone be safe. Happy Father's Day to
17 everyone.
