TOBARA RICHARDSON, Deputy Inspector General for  
Public Safety;  
TIMOTHY MOORE, Deputy Director of the Chicago  
Police Department's Bureau of Internal Affairs;  
VAUGHN GANIYU, Assistant General Counsel to the  
Superintendent of Police;  
MAX CAPRONI, Executive Director of the Chicago  
Police Board;  
JAZMYNE ROLLINS, Executive Administrative  
Assistant of the Chicago Police Board;  
MEMBERS OF THE PUBLIC.

Police Board Public Meeting  
June 18, 2025

1           PRESIDENT COOPER: I want to welcome you to  
2 the Board's June 18th public meeting called to  
3 order.

4                   My name is Kyle Cooper, and I am  
5 the president of the Police Board. As always, we  
6 want to thank CAN-TV for covering tonight's  
7 meeting. It is being live-streamed at  
8 CAN-TV.org, and it is also on the CAN-TV app and  
9 televised on CAN-TV 27.

10                   Along with myself, we have the  
11 following Board members in attendance this  
12 evening. Vice President Claudia Badillo, Board  
13 Member Tyler Hall, Board Member Kathryn Liss,  
14 Board Member Arlette Porter, Board Member Andre  
15 Safakas, Board Member Justin Terry, and Board  
16 Member Cynthia Velazquez.

17                   In addition to the Police Board  
18 members, we have the following City officials  
19 here with us this evening. First Deputy  
20 Superintendent Yolanda Talley representing the  
21 Superintendent of Police Mr. Larry Snelling. We  
22 have the Interim Chief Administrator of the  
23 Civilian Office of Police Accountability, Ms.  
24 LaKenya White. We have Deputy Inspector General

Police Board Public Meeting  
June 18, 2025

1 for Public Safety Ms. Tobara Richardson. We have  
2 Deputy Director of Chicago Police Department  
3 Bureau of Internal Affairs Mr. Timothy Moore. We  
4 have the Assistant General Counsel to the  
5 Superintendent Mr. Vaughn Ganiyu.

6 Welcome this evening, and, as  
7 always, we have the Police Board Executive  
8 Director Mr. Max Caproni.

9 Before we proceed on the items on  
10 the agenda, I just want to take a moment and have  
11 a little bit of silence to honor the fallen  
12 Police Officer Krystal Rivera who was tragically  
13 killed in the line of duty on June 5th.

14 Thank you.

15 Is there a motion to approve the  
16 minutes of the Board's public and closed meetings  
17 held on May 15th?

18 VICE PRESIDENT BADILLO: So moved.

19 BOARD MEMBER LISS: I second.

20 PRESIDENT COOPER: All in favor, please raise  
21 your hands and say aye.

22 (CHORUS OF AYES.)

23 PRESIDENT COOPER: Hearing and seeing all  
24 hands raised, the motion passes.

1                   The next regular public meeting of  
2 Police Board is scheduled to take place July 17  
3 at 7:30 p.m., and that meeting will take place  
4 where all the Chicago Police Board meetings take  
5 place, which is right here at the Chicago Police  
6 Board's headquarters -- or the police  
7 headquarters.

8                   The next item on the agenda is  
9 closed meetings. The Police Board meets in  
10 executive session to discuss various matters.  
11 Those discussions are closed to the public as  
12 authorized by Section 2(c)(1), (4), (11), and  
13 (21) of the Illinois Open Meetings Act.  
14 Information on matters discussed in the executive  
15 sessions is included in the minutes of the  
16 meetings posted on our website.

17                   Is there a motion to close a series  
18 of future executive sessions as authorized by  
19 these sections of the Open Meetings Act?

20           VICE PRESIDENT BADILLO: Yes, so moved.

21           BOARD MEMBER LISS: I second it.

22           PRESIDENT COOPER: All in favor, please raise  
23 your hands and say aye.

24                   (CHORUS OF AYES.)

1           PRESIDENT COOPER: Seeing all hands raised  
2 and hearing all ayes, the motion passes.

3                   The next item on the agenda is a  
4 report of minutes and recordings.

5                   Earlier today, the Board, as  
6 required by the Illinois Open Meetings Act, met  
7 and considered minutes and recordings of all past  
8 closed meetings to determine whether the need for  
9 confidentiality still exists.

10                  The Board members unanimously agreed  
11 that it continues to be necessary to keep  
12 confidential the recordings of its past closed  
13 meetings and portions of its minutes.

14                  The Board makes available to the  
15 public portions of its closed meeting minutes,  
16 and these minutes are included in the meeting  
17 booklet that's posted on the Board website in  
18 advance of each public meeting.

19                  The Open Meetings Act permits public  
20 bodies to dispose of these recordings of past  
21 closed meetings after 18 months.

22                  Is there a motion to approve the  
23 disposal of the recordings of closed meetings  
24 held from July 20, 2023, through November 16,

Police Board Public Meeting  
June 18, 2025

1 2023?

2 VICE PRESIDENT BADILLO: Yes, so moved.

3 BOARD MEMBER LISS: Seconded.

4 PRESIDENT COOPER: All in favor, raise your  
5 hand and say aye.

6 (CHORUS OF AYES.)

7 PRESIDENT COOPER: Seeing all hands raised  
8 and hearing all ayes, the motion passes.

9 The next item on the agenda is  
10 police disciplinary cases which includes taking  
11 final action on one case and then an update on  
12 the status of the litigation regarding  
13 arbitration.

14 The Police Board hears cases when  
15 the Superintendent files charges recommending  
16 that sworn -- that a sworn officer be discharged  
17 from the Chicago Police Department for violating  
18 the Chicago Police Department's rules of conduct.

19 The Board, as authorized by the Open  
20 Meetings Act, has discussed in closed meeting one  
21 police disciplinary case. We will now take final  
22 action on this case.

23 Regarding case number 24 PB 3041, is  
24 there a motion to find Police Officer Parrish

Police Board Public Meeting  
June 18, 2025

1 Sevier not guilty of failing to reside in the  
2 City of Chicago?

3 VICE PRESIDENT BADILLO: Yes, so moved.

4 BOARD MEMBER LISS: I second.

5 PRESIDENT COOPER: I will now call on members  
6 of the Board for their votes.

7 Vice President Badillo.

8 VICE PRESIDENT BADILLO: Aye.

9 PRESIDENT COOPER: Board Member Hall.

10 BOARD MEMBER HALL: Aye.

11 PRESIDENT COOPER: Board Member Liss.

12 BOARD MEMBER LISS: Aye.

13 PRESIDENT COOPER: Board Member Porter.

14 BOARD MEMBER PORTER: Aye.

15 PRESIDENT COOPER: Board Member Safakas.

16 BOARD MEMBER SAFAKAS: Aye.

17 PRESIDENT COOPER: Board Member Terry.

18 BOARD MEMBER TERRY: Aye.

19 PRESIDENT COOPER: And Board Member  
20 Velazquez.

21 BOARD MEMBER VELAZQUEZ: Aye.

22 PRESIDENT COOPER: I also vote in favor of  
23 the motion.

24 Voting in favor are Board Members

1 Badillo, Hall, Liss, Porter, Safakas, Terry,  
2 Velazquez, and myself. The motion passes by a  
3 vote of 8 to 0.

4 Is there a motion to adopt the draft  
5 of the written findings and decision and  
6 recommendations to the Superintendent that has  
7 been reviewed by all Board members who  
8 participated in deciding the case?

9 VICE PRESIDENT BADILLO: Yes, so moved.

10 BOARD MEMBER LISS: Second.

11 PRESIDENT COOPER: All in favor?

12 (CHORUS OF AYES.)

13 PRESIDENT COOPER: Hearing all ayes and  
14 seeing all hands raised, the motion passes.

15 The written findings and decision  
16 will be entered as of today's date, sent to the  
17 parties, and then promptly posted on the Police  
18 Board's website.

19 I will now provide an update on the  
20 status of the litigation of the arbitration of  
21 police disciplinary cases.

22 As we have reported at previously  
23 meetings, the Fraternal Order of Police, which  
24 represents Chicago police officers below the rank

1 of sergeant, has appealed to rulings that are  
2 part of the March 2024 Circuit Court of Cook  
3 County decision that allows officers to choose to  
4 have the most serious police disciplinary cases  
5 heard by an arbitrator rather than the Police  
6 Board.

7 The case is pending before the  
8 Illinois Appellate Court, where the union is  
9 challenging the Circuit Court's ruling that  
10 arbitration proceedings be open to the public,  
11 and that the accused officer be suspended without  
12 pay while their case is pending.

13 The Appellate Court held oral  
14 arguments yesterday where each side vigorously  
15 argued its position before standing only room --  
16 a standing-room-only crowd.

17 This is clearly a complex and  
18 important case and is likely to be at least  
19 several months before the Appellate Court issues  
20 its decision. Then there also after that  
21 decision is handed down may be an appeal to the  
22 Illinois Supreme Court.

23 Given the long amount of time it  
24 likely will take to resolve the arbitration

1 issue, I just want to take this moment to  
2 encourage officers facing the most serious cases  
3 of police disciplinary conduct to elect to have  
4 their cases heard before the Police Board, rather  
5 than wait an indefinite amount of time to proceed  
6 in a currently undefined arbitration process.

7 The Board closely monitors the  
8 amount of time needed to bring disciplinary cases  
9 to a hearing and decision, and keeping delays to  
10 a minimum is a priority because the accused  
11 officer is often suspended without pay when these  
12 charges are filed.

13 The case we just ruled on this  
14 evening took less than nine months to decide from  
15 the time the officer was served with the charges  
16 until the Board's final decision, and it  
17 ultimately resulted in a finding that the officer  
18 was not guilty of the alleged misconduct.

19 The Board is committed to holding  
20 fair hearings that uphold the due process rights  
21 of all parties, and accused officers in these  
22 hearings have the right to cross-examine  
23 witnesses, present evidence in their defense and  
24 in mitigation and fully argue their positions.

1                   It is currently unclear whether that  
2                   will be the case with the arbitration.

3                   And just for a little factual  
4                   background, since 2021, the Police Board has  
5                   decided 43 cases following a full hearing on the  
6                   charges, and in 37 percent of those cases, the  
7                   Board ordered the accused officers discharged  
8                   from the Chicago Police Department. In 35  
9                   percent of those cases, the Board imposed lesser  
10                  penalty than that recommended by the  
11                  Superintendent; and in 28 percent of those cases,  
12                  the Board found the officer not guilty of all the  
13                  accused charges.

14                  These outcomes, contrary to some  
15                  public statements I've seen, reflect the Board  
16                  that takes seriously its responsibility to  
17                  impartially assess each case on its own merits  
18                  and ensure that due process is afforded to the  
19                  accused officer.

20                  I can assure you that for as long as  
21                  I serve as president, the Board will be remain  
22                  committed to that responsibility.

23                  The members of the Board, and I can  
24                  unequivocally say this, are not ideologically

1 driven and do not prejudge cases. Rather, we  
2 approach our role as neutral decision-makers  
3 seriously - and like baseball umpires - tasked  
4 with calling balls and strikes based solely on  
5 specific facts presented and the applicable law  
6 in each case.

7 The Police Board website,  
8 Chicago.gov/PoliceBoard, will continue to keep  
9 the public informed of any new developments in  
10 the ongoing litigation and of the status of  
11 disciplinary cases currently before the Board.

12 I encourage you to check the news  
13 and police discipline sections on our websites  
14 for the most up-to-date information.

15 The next item on the agenda is  
16 appeals by disqualified applicants to become  
17 Chicago police officers.

18 When a person applies to become a  
19 Chicago police officer is disqualified and  
20 removed from the eligibility list due to results  
21 of a background investigation, that person has a  
22 right to appeal that decision to this Board. The  
23 Board, as authorized by the Open Meetings Act,  
24 has discussed in a closed meeting one appeal. We

1 will now take final action on this appeal.

2 Is there a motion to affirm the  
3 disqualification decision for the following  
4 appeal, 25AA06?

5 VICE PRESIDENT BADILLO: Yes, so moved.

6 BOARD MEMBER LISS: Second.

7 PRESIDENT COOPER: I will now call on the  
8 members of the Board for their vote.

9 Vice President Badillo.

10 VICE PRESIDENT BADILLO: Aye.

11 PRESIDENT COOPER: Board Member Hall.

12 BOARD MEMBER HALL: Aye.

13 PRESIDENT COOPER: Board Member Liss.

14 BOARD MEMBER LISS: Aye.

15 PRESIDENT COOPER: Board member Porter.

16 BOARD MEMBER PORTER: Aye.

17 PRESIDENT COOPER: Board Member Safakas.

18 BOARD MEMBER SAFAKAS: Aye.

19 PRESIDENT COOPER: Board Member Terry.

20 BOARD MEMBER TERRY: Aye.

21 PRESIDENT COOPER: Board Member Velazquez.

22 BOARD MEMBER VELAZQUEZ: Aye.

23 PRESIDENT COOPER: I also vote in favor of  
24 the motion, and the motion passes.

1                   The written decisions of this  
2    appeal will be entered as of today's date, sent  
3    to the parties, and promptly posted on the Police  
4    Board's website.

5                   At this time, I would call on Deputy  
6    Commissioner Talley to give her report on behalf  
7    of the Superintendent.

8           DEPUTY COMMISSIONER TALLEY:   Good evening.  
9    Earlier this month the Chicago Police Department  
10   lost one of our own in the line of duty.  Officer  
11   Krystal Rivera was a hero who worked to protect  
12   our City until the very end.

13                  We are thankful for everyone who  
14   has reached out with support throughout the past  
15   two weeks.  This support means so much to our  
16   grieving CPD family.

17                  As we prepare to lay our fallen  
18   hero to rest, we are carrying on in her honor and  
19   doing everything in our power to make our City  
20   safer.

21                  Throughout the past few weeks, we  
22   have secured numerous large-scale demonstrations  
23   to secure the safety of all exercising their  
24   First Amendment rights.

1                   This past Saturday, we had officers  
2     protect more than 15,000 demonstrators who  
3     participated in the No Kings rally downtown.  
4     Even with this large crowd, our officers ensured  
5     the demonstration concluded without any major  
6     incident.

7                   We've also protected special events  
8     like Sueños Fest during a busy Memorial Day  
9     weekend, the Puerto Rican festival and parade.  
10    We are also planning for upcoming events that  
11    include the Pride Parade and NASCAR.

12                  I want to acknowledge the  
13    hard-working men and women of CPD who work  
14    canceled days off and extended tours to secure  
15    these events.

16                  While our residents and visitors  
17    are enjoying our City throughout the summer, our  
18    officers are working to keep everyone safe.  
19    Thank you.

20                  PRESIDENT COOPER: Thank you, First Deputy  
21    Superintendent Talley. And, again, I just want  
22    to express my condolences for the loss of Officer  
23    Rivera.

24                  FIRST DEPUTY TALLEY: Thank you.

1           PRESIDENT COOPER: At this time, I would now  
2 like to call on Chief Administrator of COPA Ms.  
3 LaKenya White to give her report.

4           INTERIM CHIEF ADMINISTRATOR WHITE: Thank  
5 you. Good evening. I would like to provide an  
6 update on the complaints we received regarding  
7 ICE.

8                       COPA has received five complaints  
9 involving alleged participation by the Chicago  
10 Police Department members in activities  
11 associated with the U.S. Immigration and Customs  
12 Enforcement.

13                      These allegations, in and of  
14 themselves, do not fall onto COPA's jurisdiction.

15                      In the absence of any additional  
16 qualifying misconduct, we have referred these  
17 complaints to the Officer of Inspector General  
18 for review.

19                      We also have received fewer than  
20 five general complaints related to the protest  
21 activity.

22                      COPA will investigate any that  
23 contain allegations within our jurisdiction. All  
24 others are referred to the Bureau of Internal

1      Affairs.

2                                      Throughout this process, I have  
3      maintained consistent communication with  
4      Superintendent Snelling and his team to ensure  
5      coordination and transparency. These matters are  
6      complex and often involve a large volume of  
7      information, requiring substantial resources and  
8      time to address appropriately.

9                                      I do want to take a moment to say my  
10     deepest condolences to First Deputy  
11     Superintendent Talley and all the members of the  
12     Chicago Police Department regarding the  
13     heartbreaking loss of Officer Krystal Rivera, to  
14     her daughter, to her family, to her friends, and  
15     to whom all are grieving her. You are in our  
16     thoughts and in our prayers. There are truly no  
17     words that can fully capture the pain of losing  
18     someone, especially someone that dedicated their  
19     life to service.

20                                      So often the public just sees the  
21     uniform, blue and white. But behind that uniform  
22     is a person, is a human being, is a mother, a  
23     daughter, a sister, a friend, a colleague, a  
24     loved one. Officer Rivera was all those things

1 and so much more.

2 We at COPA understand the hard work  
3 and challenges that officers face day in and day  
4 out.

5 We also recognize the stress,  
6 depression, and the potential trauma that comes  
7 with the job, both on and off duty. The  
8 sacrifice for those who serve and protect the  
9 City is real, and it's deeply respected and  
10 appreciated.

11 So tonight we honor Officer Rivera's  
12 memory. We mourn her loss, and we stand in  
13 solidarity with the Chicago Police Department.  
14 May her memory be a blessing and may her family,  
15 friends, and colleagues find strength and  
16 continue to find strength in the days to come.  
17 Thank you.

18 PRESIDENT COOPER: Thank you, Chief  
19 Administrator White, for the thoughtful words.

20 At this time, I would now like to  
21 call upon members of the public who have signed  
22 up to speak.

23 Just to make sure, and I don't  
24 think that's going to be a problem tonight, that

1 in order to allow everybody who signed up to  
2 speak, you just limit your comments to two  
3 minutes.

4 So the first person that we do have  
5 signed up to speak is Patricia Fuentes.

6 MS. FUENTES: Thank you very much. I have  
7 concern. I used to be an advocate, and it came  
8 to a point it's a concern. I used to be an  
9 advocate -- or maybe I am still an advocate. I  
10 am still debating. I fight noise ordinance. I  
11 fight race cars. I'm a person that if I see  
12 something, I say something. That's who I am.

13 Now, the noise ordinance -- I have  
14 a picture here that it says 10:30 the latest. I  
15 abide by the rules and regulations. That's who I  
16 am, and I don't lie. If I say guy -- God, lying  
17 is not good.

18 12:30 -- I took that picture at  
19 around 12:30. They were having their loud music  
20 at the Cloud Realty -- Royalty Realty Cloud,  
21 whatever. They sell realty. And I went and told  
22 them, you know, why do you have it so late? I'm  
23 going to call the police. Oh, we are the police.  
24 I'm like, You are the police? He had a pink

1 shirt. He said, Yeah, I'm the police. I'm like,  
2 Look what time it is. That time it was around  
3 10:30, 11:00, and he is like, We tell the police  
4 what to do. I'm like, Oh, okay. So then I call  
5 the police. The police went and were like, you  
6 know, what can we do? I'm like, Are you kidding  
7 me?

8 I called various times, then they  
9 just -- the police would just pass by and not say  
10 anything. And the loud music until around that  
11 time, I went out with my phone, and I said this  
12 is so ridiculous. It's 12:00 something. And I  
13 went and started taking pictures of all the cars  
14 that were there, and they started telling me -- I  
15 don't know what things. And I'm like, What the  
16 heck. If you're the police, you put the rules  
17 and regulations, and you are not an abiding by  
18 it? Why -- so then why do you expect for the  
19 City or the citizens to abide by the law and  
20 regulations if you don't abide by them? Did I  
21 get bombarded. I'm right now going to court.  
22 Thank you very much. And have a nice one.

23 PRESIDENT COOPER: Thank you, Ms. Fuentes.  
24 The next individual who signed up to speak is

1       Duchess. Is there Melanie Hogan. Ms. Hogan.

2           MS. HOGAN: Good evening. I'm Melanie Hogan,  
3       founder of ChiLOVe.

4                       Now, there was a situation in the  
5       7th District where some teenagers based on a lie  
6       committed battery against a young man while  
7       holding his daughter. Okay? Instead of taking  
8       matters into his hands, 23-years-old, he made a  
9       police report. And that's something rarely we  
10      see in this City. The police officer instead  
11      vocally and loud enough, because the culprits  
12      were literally next-door behind the door watching  
13      everything, and let them know that they did not  
14      have to open the door, and that there was nothing  
15      that could be done about it, which perpetuates  
16      and affirms why so many youth are picking up guns  
17      and the parents are allowing it, because when the  
18      police are called, they're saying we can't do  
19      anything about it. So I would like to say when  
20      we allow a continued accumulation of certain  
21      offenses, it's an incentive for them to continue  
22      to engage in these types of behaviors.

23                      Also, CPD, you asked us to allow  
24      you all to do your job, and I have been an

1 advocate for that. They ask to do they job.  
2 Just take the steps. Let them do they job. But  
3 when you pull up and you say there's nothing that  
4 I can do, and then you end up victim blaming the  
5 victim. What else is there to do?

6 So if things have gotten out of  
7 control to the point where there is nothing that  
8 the police can do, just make an announcement, and  
9 let the residents know that you all are  
10 responsible for handling any attacks and, you  
11 know, any situations that occur with battery and  
12 assault when crimes are being committed, isn't  
13 that why we call the police? Just because you  
14 may be in the hood does not mean that you're not  
15 teaching your children to be civilian as well.  
16 But these are the types of situations that make  
17 us handle business on their own. Thank you for  
18 your time.
