1           PRESIDENT FOREMAN: We're going to call  
2 the meeting to order. I apologize for the  
3 delay getting started. This is the first time  
4 we have a new process where people can sign up  
5 in advance, so we're just trying to make sure  
6 we get everything right.

7           I'm Ghian Foreman. I will call  
8 the meeting to order. Board Member Johnson is  
9 unable to attend in person, and I would like to  
10 ask for a motion to permit attendance via  
11 conference call. Is there a motion?

12          BOARD MEMBER EADDY: So moved.

13          BOARD MEMBER O'MALLEY: Second.

20          BOARD MEMBER O'MALLEY: Make a motion with  
21 one correction. In the case regarding Officer  
22 Diane Sebastian, it says in the official  
23 minutes that there was zero opposed. I opposed  
24 a guilty verdict of Diane Sebastian. If we can

23 The Board's decisions in the cases on which we  
24 took final action this evening will be entered

1 as of today's date and will be issued to the  
2 parties.

3 In addition, as required by the  
4 Municipal Code of Chicago, the written decision  
5 for each case will be posted on the Board's  
6 website. These decisions will be available  
7 tonight within one hour of the end of this  
8 meeting.

9 Next, as we've talked about  
10 before, we're going to try to make these  
11 meetings more interactive, something where  
12 there's going to be a dialogue where the public  
13 can get to learn some things as well as the  
14 Board.

15 So today we have a presentation  
16 by Nubia Willman, Director of the Office of New  
17 Americans. Please.

18 MS. WILLMAN: Thank you. My name is Nubia  
19 Willman. I am the new director for the Office  
20 of New Americans from the Mayor's Office. A  
21 mouthful. And I'm happy to be here today  
22 because I'm happy to take questions about the  
23 work that we're doing to help protect and  
24 support the immigrants and refugees that are

1 living here in Chicago.

2 But before I do that, I do have a  
3 background as an attorney. I view myself as an  
4 advocate and I wanted to provide some  
5 resources.

6 Today I have brought, probably  
7 not enough, but I can share via e-mail if you  
8 want, some resources for you to look at.

9 The first is a referral list for  
10 people who are considering the need to be  
11 assessed by an immigration attorney. The best  
12 defense is offense, however that phrase goes,  
13 because if you are someone who's undocumented  
14 or mixed-status family, you're concerned about  
15 the security and safety of your family, it's  
16 really important that you be assessed by a  
17 credible attorney. So I'm providing a list of  
18 agencies here in the City that you can go and  
19 get assessed by.

20 I'm also providing a  
21 know-your-rights packet, so you know what you  
22 can do if someone detains you, specifically  
23 detains you, what your rights could be.

24 Also providing a list of

1 information for the trauma and how it impacts  
2 children living in mixed-status families. And  
3 I'm also providing information about the  
4 census.

5 One of the initiatives that we're  
6 doing through the office is the Census 2020.  
7 Making sure it's a success here in the City and  
8 everyone is accounted for and especially in all  
9 our communities. And the census is very  
10 important. And right now there are  
11 opportunities to apply for jobs with the  
12 census, and we are really promoting at this  
13 moment because we need to have community  
14 leaders, people here in the audience who are  
15 the ones spreading the message. So I have  
16 information on how you can apply for jobs  
17 through the census so you can be out there  
18 talking to the community, your neighbors as to  
19 why the census is so important.

20 I don't know if you have any  
21 questions or questions from the audience.

22 UNIDENTIFIED SPEAKER: Who did you say you  
23 was again?

24 MS. WILLMAN: Nubia Willman, and I'm

1 director for the Mayor's Office of New  
2 Americans.

3 UNIDENTIFIED SPEAKER: Mayor Lori  
4 Lightfoot?

5 PRESIDENT FOREMAN: Yes.

6 UNIDENTIFIED SPEAKER: Do you know why she  
7 is ignoring my e-mails and my calls?

8 MS. WILLMAN: I can't speak specifically to  
9 your e-mails or calls, but we do have a  
10 communications department. Maybe we can look  
11 into that.

12 MR. BLAKEMORE: I have a question for you,  
13 young lady. I'm against this office from what  
14 you said in your presentation about  
15 undocumented, illegal people who are not  
16 citizens. These resources going to them when I  
17 have a group, black legal Americans, who need  
18 these resources.

19 So you go back and tell Ms.  
20 Lightfoot that George Blakemore said that he  
21 anti new America. We're all Americans. We  
22 been here. We have to use our resources to  
23 subsidize -- you call the word undocumented,  
24 I'm using the term illegal. Not even citizens

1 of this great land.

2 So the black people need all  
3 resources, good jobs, contract and services.  
4 We need them, not undocumented, not -- and,  
5 Mr. Foreman, you don't take up for her. You  
6 don't take up for her. Now I'm finished.

7 PRESIDENT FOREMAN: Thank you.

8 MS. WILLMAN: I do want to mention that the  
9 black communities often (inaudible) of this  
10 narrative, and there's over half a million  
11 black undocumented immigrants living in the  
12 United States. So this is obviously an issue  
13 that impacts all communities, not just one  
14 demographic.

15 MR. CLEMENTS: The concern that I have is  
16 the Office of New America.

17 PRESIDENT FOREMAN: Can you say your name  
18 for the record.

19 MR. CLEMENTS: I will. My name is Mark  
20 Clements. I'm with Chicago Tortured Justice  
21 Center. And I would just like to know what  
22 does that office represent and what it stands  
23 for, because we've been in America all our  
24 lives, and, you know, New America, what about

1 the office of what Lori Lightfoot stated of  
2 individuals that are re-entering back into  
3 society from our prisons?

4 So I think people will take that  
5 as offensive.

6 PRESIDENT FOREMAN: If I might, so, again  
7 this is the first of a series of meetings,  
8 right?

9 MR. CLEMENTS: I understand.

10 PRESIDENT FOREMAN: So we're going to have  
11 a cross section of a lot of people coming.  
12 This was relevant because of the ICE raids that  
13 took place. So we want to make sure that we're  
14 bringing up issues that people in the community  
15 are asking us about. And so we invited Nubia  
16 to come speak with us.

17 But absolutely. We're not trying  
18 to --

19 MR. CLEMENTS: Mr. Foreman, I think also --  
20 and, you know, I'm just speaking. But the  
21 bottom line of it is, I think people are upset,  
22 at least that attends these meetings, and when  
23 we tell you sometimes it can be a little bit  
24 disruptive, but I think they're upset because

1 they don't understand the process of COPA. And  
2 I think at these types of meetings, it will be  
3 a very great asset to the community if you can  
4 have someone from Mrs. Roberts' office to  
5 explain that office to the people, that way  
6 when they come here, they're not so up in arms.

7 PRESIDENT FOREMAN: So you hit it on the  
8 head. And the reason why we haven't started  
9 that way yet is because of the Consent Decree.  
10 This is new for all of us, right? We're trying  
11 to make sure that -- we come and explain the  
12 process to you today, the process changes  
13 tomorrow, we have to come back and explain it  
14 to you the next day.

15 So we're trying to do this in a  
16 way that we're getting used to it. We're  
17 running a little bit late because of that.  
18 You're right. And these process changes are  
19 coming because of the feedback that we've been  
20 getting from you all.

21 So bear with us a little bit. It  
22 might not be starting exactly the way that you  
23 want it to start. We want this to be a good  
24 dialogue.

1 MR. CLEMENTS: And I will go sit down after  
2 I say this. But I think also, Mr. Foreman,  
3 that a lot of people in this room here is  
4 somewhat upset due to the fact that we have  
5 some police officers that receive 20, 25 and 30  
6 complaints of police misconduct and  
7 nothing -- at least that process is extremely  
8 too slow. And it's like they're hoping that  
9 you die before the process is carried out. And  
10 even how you all may feel about Joseph Beal, we  
11 believe that he's innocent. Thank you. Love  
12 you all.

13 PRESIDENT FOREMAN: Any other comments for  
14 Nubia?

15 MR. MORE: The whole lineage demonstrated  
16 this is constitutional and what provision --

17 UNIDENTIFIED SPEAKER: Come right here and  
18 speak.

19 MR. MORE: I thought you were pointing to  
20 me.

21 PRESIDENT FOREMAN: Say your name, please.

22 MR. MORE: Oh, oh, oh. Here's my question.

23 Where in the constitution is this authored?

24 That's what I'm just asking before the next

1 meeting, to demonstrate that this is all  
2 constitutional? Go back to some provision in  
3 the constitution, then come through the  
4 northwest ordinance to the Illinois  
5 constitution and connect up all the dots so we  
6 can see that this isn't something extra  
7 constitutional. Thank you. I don't want to  
8 take up my two minutes.

9 MS. ROSE: This is Natacki -- I'm Natacki  
10 Rose. And I definitely like to go on the  
11 record. I'm from the 7th Ward. I definitely  
12 stand with Civilian Police Accountability. And  
13 I think also if the Board actually -- well, I  
14 don't want -- I believe that we should have  
15 this board. I believe in a democratic board,  
16 that you all should be able to be selected by  
17 the people for your positions first of all.

18 PRESIDENT FOREMAN: Excuse me. We'll get  
19 to the comment section.

20 MS. ROSE: Secondly, the Officer Ramos  
21 that's still --

22 PRESIDENT FOREMAN: I'm going to interrupt.  
23 This is not the comment section. Right now  
24 this is strictly questions -- we'll get to the

1 comment section.

2 MS. ROSE: For the lady about ICE. Okay.

3 That's what I'm about to get to but you

4 interrupted me.

5 So when our police department  
6 spend so much money on officers like Officer  
7 Ramos and everything, it's hard for us to ask  
8 the young lady questions about ICE and the  
9 position that the police hold and the Police  
10 Board hold because of the community and the  
11 distrust between the community.

12 So I would like to ask her like  
13 how will we bridge these gaps because we have  
14 no trust in you, and we have no trust in your  
15 board, because you allow people like Officer  
16 Ramos and stuff to, like, to come in. So how  
17 would she come in and help us as a community be  
18 able to trust you all with ICE and everything?  
19 Because I don't want ICE to take over our  
20 communities either.

21 MS. WILLMAN: I can speak a little bit to  
22 the immigration component, which is what my  
23 office really focuses on, and I also have a  
24 chief of equity and racial justice who focuses

1 on the broader context of social/racial justice  
2 with the Mayor's Office.

3 But as I mentioned before, I used  
4 to be an immigration attorney where I  
5 represented survivors of crimes, people who had  
6 been taken advantage of by their employers. So  
7 one of my jobs is to bridge that gap, that  
8 mistrust.

9 One of the tools that I saw that  
10 was very useful was the new visa. I'm not sure  
11 you are aware. It's a special remedy through  
12 immigration where you are a victim of a crime,  
13 and you show that you cooperated with the  
14 police, and they're able to then certify that  
15 you cooperated and then you're able to apply  
16 for a remedy. So this is a tool that's really  
17 helpful because it links both the communities  
18 who may be often scared of reporting crimes and  
19 allows the police also to build their trust in  
20 their capacity within the communities so that  
21 people are willing to report those crimes and  
22 cooperate with them. And so that remedy, I can  
23 speak to the importance of it in the  
24 immigration world, but certainly one of the

1 tools that can be used where both people can do  
2 outreach to say this tool exists, victims of  
3 crime should be assessed, and that's one of the  
4 better examples I can give you.

5 MS. ROSE: The only thing I will say you  
6 probably should have got introduced within a  
7 better frame, because the community don't trust  
8 the Board, so that's why people coming up  
9 saying whatever. But I appreciate your input.

10 MS. WILLMAN: Thank you.

11 PRESIDENT FOREMAN: Thank you.

12 Mr. Blakemore, Mr. Blakemore. Thank you.

13 MR. BLAKEMORE: Thank you.

14 PRESIDENT FOREMAN: General orders issued  
15 by the Superintendent during the previous  
16 months are listed in the books as well as on  
17 the Police Department's website.

18 Next up Superintendent Johnson.

19 SUPERINTENDENT JOHNSON: Thank you,  
20 Mr. Chairman.

21 Really briefly, I want to advise  
22 everyone in the next couple of months we'll be  
23 getting our first report as to how the Chicago  
24 Police Department is conducting themselves in

1 terms of the Consent Decree. So I believe  
2 we'll get it at the end of September. It will  
3 be out to the public shortly after that.

4 I also want to share our newest  
5 effort in transparency. We've gone and created  
6 dashboards for the public that will focus on  
7 important aspects of the Chicago Police  
8 Department.

9 First dashboard focuses on  
10 transparency around the gun offenders and  
11 individuals that pose risk to our families and  
12 communities. So we're looking at how these  
13 individuals are handled in the criminal justice  
14 system, including the arrest initiated from the  
15 Chicago Police Department.

16 We'll also be rolling out a  
17 series of transparency dashboards around police  
18 use of force and internal investigations that  
19 the public will be more knowledgeable about how  
20 often use of force is being utilized and the  
21 internal investigation that surrounds it.

22 We're going to put these things  
23 out for public comment to see what you all  
24 think about it, so I'm eager to hear you all's

1 feedback on these new efforts.

2 Thank you, Mr. Chairman.

3 PRESIDENT FOREMAN: Thank you. So now  
4 we're going to call for public speakers. We  
5 have a lot of speakers today. We really are  
6 going to hold for two minutes. If something  
7 afterwards you need to continue, I'll stay  
8 around afterwards, maybe some other Board  
9 members. But we do have to hold it to two  
10 minutes today.

11 The first speaker is Flora  
12 Suttle.

13 MS. SUTTLE: Good evening. My name is  
14 Flora Suttle, S-U-T-T-L-E. I'm a retired  
15 Chicago Police agent. I've worked in internal  
16 affairs for 12 years of my 22 years of service.  
17 And I'm here because my situation is addressed  
18 to COPA. My son, Derrick Suttle, was killed  
19 February 11th, 2012, by a male black police  
20 officer who was accompanied by his wife and  
21 this officer was off duty. He put on his  
22 uniform. He went outside to investigate a  
23 so-called crime. A few minutes later, he sees  
24 a van in the alley crashed into his garage. He

1 says it is attempt burglary. Blocks my son in.  
2 And the end result is my son was end up  
3 murdered. He shot him once in the left arm  
4 breaking both bones. He's black. You ain't  
5 heard nothing about it in the media. He shot  
6 him once in the right clavicle breaking a bone.  
7 He said he was trying to drive and hit his wife  
8 who was in the car. He was in fear of his  
9 life. He said my son became combative after he  
10 shot him. So he took out his handcuffs and he  
11 put it on that broken arm and handcuffed him to  
12 the steering wheel, and he watched him until he  
13 became non-combative when they called for the  
14 police. Nobody called for an ambulance.  
15 Nobody provided services. IPRA -- IPRA  
16 justified this. This was under Garry McCarthy  
17 and Mayor Emanuel. IPRA justified the  
18 shooting. I'm going to go beyond the  
19 shootings, starting with when he was  
20 handcuffed. They didn't include that. When  
21 the bullet leaves the gun, that's the end of  
22 the investigation. This man did a Jon Burge  
23 trick. Fixing a person to -- attaching a  
24 person to a fixed object.

1 COPA, I want the case reopened.

2 I want you to tell me the policy for having a  
3 case reopened. I want you to tell me the  
4 procedure that we citizens have to follow to  
5 get our cases reopened. And then I want you to  
6 tell me the process for what we have to do for  
7 follow-up to make sure that you're doing what  
8 you want to do. I want accountability. I want  
9 transparency. I'm working with the 7th Ward.  
10 This happened in the 8th Ward and the 4th  
11 Police District.

12 With my knowledge and my  
13 expertise, we have a lot of evidence. Tell me  
14 what to do. 4th District.

15 PRESIDENT FOREMAN: Ms. Suttle.

16 MS. ROBERTS: Ms. Suttle, as you remember,  
17 I met you at Chicago State University. Prior  
18 to that meeting, you had an appointment in my  
19 office. We sat you down. We interviewed you.  
20 Told you what the process is. I will tell you  
21 again what that process is. First, start with  
22 you coming down to our office. Then we ask you  
23 to basically file a complaint which is an  
24 initial request for us to reopen the

1 investigation. As you know, today we have not  
2 received that.

3 MS. SUTTLE: File a complaint. I was told  
4 I didn't have to file a complaint, all I had to  
5 do was present new evidence.

6 MS. ROBERTS: No, no. You can file a  
7 complaint or give us a letter, either one.  
8 We're going to take either one. But we need  
9 some record from you besides what's happening  
10 here, some record from you requesting that we  
11 take this action. Once we get that action, we  
12 then go through assessing whether or not there  
13 was something that was not looked at under the  
14 original investigation. Once that is  
15 identified, then we proceed with that  
16 investigation. That is our process. We can  
17 contact you again, set up another appointment.  
18 We can come to you if you're not able to come  
19 back to us.

20 But, Ms. Suttle, you are well  
21 aware we have been working with you and making  
22 ourselves available to you.

23 MS. SUTTLE: I will also say this, I was  
24 told I would be a -- better for me to get an

1 attorney to write the language that we need to  
2 present to you to make sure our wording is  
3 correct.

4 MS. ROBERTS: Ms. Suttle, I'm here on open  
5 record. You do not need an attorney to do  
6 that.

7 PRESIDENT FOREMAN: Thank you.

8 MS. SUTTLE: Thank you, Ms. Roberts. I  
9 will be coming in with my documentation and my  
10 request again.

11 PRESIDENT FOREMAN: Next speaker, Crista  
12 Noel.

13 MS. NOEL: Hey, y'all. How y'all doing?  
14 Good evening, all of it. So you got a dossier  
15 on me, Eddie? Man. Okay. Well, that wasn't  
16 cool. That wasn't cool. I'll tell you a  
17 story. Okay? So you want to know why I do  
18 this work? Got beat up by a cop out in  
19 Westchester. And the first time I saw a cop in  
20 my rearview mirror, I almost ejected through  
21 the sunroof of my car. And I said to myself, I  
22 cannot be afraid of the police. This is not  
23 cool. So you know what I did? I did what's  
24 called exposure therapy. I came to Police

1 Board meetings, and I surrounded myself with  
2 police officers, because I knew that every cop  
3 wasn't the cop that did that to me, and I  
4 wasn't going to allow myself to fear cops. So  
5 I came here. I came here, and I came here, and  
6 I came here, and I came here. And what makes  
7 me the most upset -- please, please, folks.

8 PRESIDENT FOREMAN: Ms. Noel, hold on one  
9 second. Can we please have -- audience, can we  
10 give the speakers an opportunity to speak?

11 MS. NOEL: Okay. So when people came to  
12 me, Martinez Sutton, Rekia's brother, Bettie  
13 Jones' family, all these people, I knew that  
14 they were going to experience the same thing  
15 that I experienced. I knew that because their  
16 loved ones had been killed by cops, that they  
17 were going to be afraid of them. And so what I  
18 did was I told them to come here and to speak  
19 so that they, too, would have exposure therapy,  
20 right? They, too, would not fear police  
21 officers. Because good or bad, this guy  
22 here -- I don't know. Good or bad, good or  
23 bad, if they put themselves in a situation, I  
24 knew that they could recover faster.

1                   So what bothers me, and I'll end  
2 with this, what bothers me is that I bring them  
3 here so you can trust and you look them up.  
4 You went and looked them up. And that's on me,  
5 because I brought them here. You look me up  
6 all you want. As a matter of fact, I would  
7 have told you this story. If Garry wanted to  
8 know anything about me, he could have called  
9 me. I would have told him this. But I brought  
10 people here and they were exposed to that. And  
11 that makes me feel awful. Awful. Now let me  
12 say this, they are afraid of police officers,  
13 so this works. But you did that -- this is my  
14 work. And you did that. And if I didn't feel  
15 betrayed by that police officer that did what  
16 he did to me out in Westchester, I felt  
17 betrayed by this. I know it stopped but it  
18 just -- I cannot tell you how hurt I am that I  
19 brought people here for them to recover and  
20 they were looked up.

21           PRESIDENT FOREMAN: On behalf of the Police  
22 Board, I sincerely apologize. I understand the  
23 feeling exactly.

24                   There was a shooting a block from

1 my house. I had my daughter in the car. I saw  
2 the shooting. I knew the young man. I knew  
3 his father. I invited all my neighbors. All  
4 of my neighbors came. I know what you feel. I  
5 apologize.

6 The Superintendent and I had a  
7 good conversation. It's -- we don't know why  
8 it started. We don't know exactly when it  
9 started. It won't happen again. We've changed  
10 the policy. We no longer are giving  
11 the information -- we asked people to sign up  
12 in advance so the Superintendent may be able to  
13 speak very specifically to some of the issues.  
14 And so since this incident, we're not doing  
15 that anymore. We're on the back end. We'll  
16 get a response from the Superintendent's office  
17 to say this is how we're handling whatever the  
18 issue was.

19 So I sincerely apologize. I  
20 understand exactly. We talked about it. So we  
21 understand exactly. You felt the same level of  
22 betrayal and it won't happen.

23 MS. NOEL: It's done. Right? It's been  
24 done. Okay. And McCarthy, what? We -- we --

1 we bombers, we're terrorists because we want to  
2 talk before the Police Board.

3 Eddie, thank you so much for not  
4 be Garry McCarthy.

5 PRESIDENT FOREMAN: Next speaker, Octavia  
6 Mitchell.

7 MS. MITCHELL: Good evening. My name is  
8 Octavia Mitchell, as you all probably already  
9 know. Okay. So I have a question and this  
10 question is about my son Isaiah Jackson --  
11 deceased Isaiah Jackson murdered by CPD, shot  
12 three times in his back on April the 24th,  
13 2010. Okay. I have been working with COPA,  
14 and COPA received -- as far as getting his DNA,  
15 it's been a long road. COPA received the DNA  
16 and sent to the Illinois State Police  
17 Department. So now I'm just on hold. I was  
18 wondering what was taking so long after  
19 speaking with a supervisor at the Illinois  
20 State Police Department Synara Anderson, who  
21 stated that a case that old in a police  
22 shooting would get immediate attention. So for  
23 what reason it's taking so long for me to get  
24 these DNA results, I don't know.

1                   Once she went to look it up and  
2     came back, I can feel and see her through the  
3     phone how scared she was. I can't say anything  
4     else. I can't talk anymore. You need to talk  
5     to the CPD.

6                   I'm trying to figure out what's  
7     so important about this DNA sample that I've  
8     been fighting for this for nine years, and now  
9     that the Illinois State Police Department has  
10    it in their possession, they still -- it still  
11    hasn't been tested.

12                  Okay. So August the 5th, 2019, I  
13    spoke with another supervisor who they hadn't  
14    had a chance to warn, Ms. Debra Dizinski,  
15    stated that they been got these DNA samples in  
16    June of 2010. They got these DNA samples in  
17    2010, nonstandard samples that was received  
18    from the medical examiner and was sent back --  
19    the results was sent back to the CPD June the  
20    21st, 2011. There was nothing to compare these  
21    nonstandard samples to.

22                  So I'm being put on hold for  
23    nothing. I'm being stalled for nothing because  
24    you all know there was nothing there.

1                   Mr. Eddie Johnson, can you please  
2 explain to me what inventory you all sent to  
3 the Illinois State Police Department?

4           SUPERINTENDENT JOHNSON: Ms. Mitchell, I  
5 have no idea of the circumstances.

6           MS. MITCHELL: So you have no idea what's  
7 going on? You signed off on it.

8           SUPERINTENDENT JOHNSON: I have no idea  
9 what's going on with the circumstances of the  
10 case, but I will certainly look into it.

11          MS. MITCHELL: But you signed off on it. I  
12 have you right here. So you are aware of  
13 what's going on? So you are not aware of this?  
14 You didn't send this letter out?

15          SUPERINTENDENT JOHNSON: Ma'am, just  
16 because my signature is on --

17          MS. MITCHELL: You are not going to allow  
18 anyone to put your name on anything without you  
19 knowing about it, I know about that.

20          SUPERINTENDENT JOHNSON: There are hundreds  
21 of documents that go out every day. And I'm  
22 not trying to defend it. What I'm saying to  
23 you is you have to give me the opportunity to  
24 look into it.

1 MS. MITCHELL: Okay. So can I give you the  
2 opportunity to also send me what inventory that  
3 you all sent to the Illinois State Police  
4 Department that's supposed to being tested?

5 SUPERINTENDENT JOHNSON: I will have your  
6 case looked at, ma'am.

7 MS. MITCHELL: How long should I be  
8 waiting? Because I think you are all waiting  
9 on me to die, too.

10 SUPERINTENDENT JOHNSON: I will look into  
11 it immediately.

12 MS. MITCHELL: Thank you.

13 PRESIDENT FOREMAN: Next speaker, Darva  
14 Watkins.

15 Next speaker, John Perryman.

16 MR. PERRYMAN: Good evening. I'm here  
17 again to talk about a troubled business. I  
18 think I hardly have to say it. The troubled  
19 business is doing the same thing it's been  
20 doing throughout. Last time I was here, Chief  
21 Waller said he would personally help me. He  
22 pretty much dodged me for the whole month and  
23 then started scrambling at the beginning of the  
24 week. I don't think you guys are -- I don't

1 think the police are taking our problem  
2 seriously. It seems pretty much lawless on the  
3 11th and 12th. We're having trouble -- it's a  
4 simple thing. A business is -- it's becoming a  
5 hub of illegal activity because they're selling  
6 cigarettes to -- illegal cigarettes to many,  
7 many people, it's creating a whole hub, to shut  
8 down the business. They're so open. They're  
9 still so doing the same thing.

10 I was told by Glen Brooks  
11 probably a hundred times that this business  
12 would be closed by now. It was closed for two  
13 weeks. All right? I first brought this to  
14 Commander Chung almost two years ago when he  
15 first started in the 12th.

16 So I guess my question,  
17 Superintendent, is, what are we going to do  
18 next?

19 SUPERINTENDENT JOHNSON: Okay.  
20 Mr. Perryman, you want to give me the address  
21 of the business you're referring to on the  
22 record or online?

23 MR. PERRYMAN: I've given this address to  
24 you guys so many times. I want the Police

1 Board, please dwell on this conversation we are  
2 having right now. How many times have I given  
3 this address? I bet a couple of you have it  
4 memorized. So I'm not going to give you the  
5 address. You need to do a little leg work  
6 yourself, and I want to know specifically once  
7 you do have that address what will happen.

8 PRESIDENT FOREMAN: If I can ask, let's let  
9 him do the homework. Please, let's give the  
10 address. Let's be efficient.

11 MR. PERRYMAN: I don't want to say it on  
12 public record just because I don't want to be a  
13 target. I will give it to you. Once I give it  
14 to you, can I ask you this, what will you do  
15 about it?

16 SUPERINTENDENT JOHNSON: I have to look  
17 into what the specific complaint is, but I will  
18 contact you personally and let you know.

19 MR. PERRYMAN: How long? When? Because  
20 this is -- Police Board, please, burn this in  
21 your minds. How many times have they said this  
22 to me?

23 PRESIDENT FOREMAN: Five years times 12  
24 months.

1 MR. PERRYMAN: So this is the issue -- I  
2 will step aside in a moment. This is the  
3 issue. There's no urgency to this in the  
4 police department. I brought this so many  
5 times. You've sat in that chair when I brought  
6 this exact thing up. Chief Waller was here.  
7 You know, he's pretty much, what? Your number  
8 two or number three? He knows about it. We  
9 brought this up. I don't want to start from  
10 scratch again. So something needs to happen.  
11 I'd like to talk to someone tomorrow about it.  
12 Can I talk to you tomorrow about it?

13 SUPERINTENDENT JOHNSON: Mr. Perryman,  
14 we've spoken before. Okay? So I will contact  
15 you immediately. Okay? I have to look into it  
16 first.

17 MR. PERRYMAN: All right. I don't think I  
18 need to say anything else on this.

19 PRESIDENT FOREMAN: Thank you.

20 Next speaker, Michael LaFargue.

21 Next speaker, Jennifer Edwards.

22 I think three together. Matthew, I'll call you  
23 guys next.

24 MS. EDWARDS: Good evening. This is about

1 amending the police cadet program.

2 BOARD MEMBER SWEENEY: Can you speak up,  
3 please. What program?

4 MS. EDWARDS: Amending the police cadet  
5 program. The current police cadet program is  
6 designed to attract candidates for future  
7 employment with the Chicago Police Department.  
8 The program is outlined in employer resources  
9 document E05-29 and became effective 2/21/19.  
10 This amended strategy is designed to address  
11 deficiencies in the number of black police  
12 candidate hires and intended to address the  
13 serious lack of trust between the black  
14 community, particularly black youth, and the  
15 Chicago Police Department by engaging with them  
16 while still in high school. Recent hiring  
17 patterns of the CPD have seen a decline in the  
18 number of black police recruits and can be  
19 attributed to the failure of the City of  
20 Chicago to invest in these communities in the  
21 areas of education, employment, business and  
22 housing. In an attempt to stem the violence  
23 that is of epidemic proportion in our  
24 communities of color, the first requirement

1 will be an opportunity of sustainable  
2 employment for young adults in these  
3 communities. Because all high school graduates  
4 will not attend a traditional four-year college  
5 and obtain a degree that will qualify them for  
6 various opportunities in professional fields,  
7 blue collar jobs are an important option for  
8 gaining access to the middle class and being  
9 able to support a family.

10 City of Chicago positions are  
11 considered to be blue-collar jobs. Do require  
12 training in most cases and educational level of  
13 an associate's degree.

14 A police cadet will begin a  
15 training program designed to prepare them for a  
16 career as a Chicago police officer. Police  
17 cadets would enter this program as a junior in  
18 high school at the age of 17 years old.  
19 Candidates for this program will have a minimum  
20 of a B grade level and have exceptional  
21 attendance records. Courses in Spanish as a  
22 second language is encouraged.

23 PRESIDENT FOREMAN: Just so the audience  
24 knows, we received a letter from you. I'll

1 distribute it to the rest of the Board and  
2 we'll be sure to get back to you.

3 MS. EDWARDS: Thank you.

4 BOARD MEMBER ZOPP: I want to make sure.

5 Is that something you're proposing, a program?

6 MS. EDWARDS: Yes. Proposing to expand it.

7 BOARD MEMBER ZOPP: It sounds like a great  
8 idea. Thank you for taking the time to put it  
9 together.

10 MS. EDWARDS: We've got more.

11 PRESIDENT FOREMAN: Next speaker, June  
12 Norfleet.

13 MS. NORFLEET: Good evening, public and the  
14 Police Board. And it's Norfleet. Continuing,  
15 the training program. The training program  
16 will be designed to take a PC, a police  
17 candidate, from his or her junior grade through  
18 the 23rd birthday. As PCs go through the  
19 training program during their high school  
20 years, the training they should receive should  
21 be accredited by the Chicago Public Schools and  
22 the State of Illinois Educational Board and  
23 applied towards credits needed to attain a high  
24 school diploma. While attending high school,

1 the police cadet would work as an unpaid intern  
2 with the Chicago Police Department.

3           Upon graduation from the Chicago  
4 public high school, the PC will then be hired  
5 as a full-time employee of the City of Chicago  
6 working in the Chicago Police Department  
7 district under the direction of the CPD.

8           The PC will be assigned to the  
9 district's community policing program and work  
10 with credible community partners in public  
11 policing to help build the trust that is  
12 necessary between the police and the community.

13           During this part of the PC's  
14 training, the PC will also be enrolled in a  
15 college program that will include criminal  
16 justice courses relevant to issues of social  
17 justice today.

18           The current policy of the City of  
19 Chicago colleges offers students tuition-free  
20 classes if the student meets the requirement of  
21 grade average and attendance.

22           The PC will be required to  
23 complete a minimum of 60 hours of credited  
24 hours, and duties during this time period will

1 be assignments as described in the job  
2 description with focus on engagement with the  
3 community of their area.

4 The PC will receive a salary of  
5 \$41,600 annually or \$20 per hour. The  
6 healthcare benefits can be provided to the PC  
7 in various ways. We say if the republicans  
8 fail to replace the ACA, family benefits will  
9 continue their coverage and other options are  
10 available. Thank you.

11 BOARD MEMBER SWEENEY: Thank you.

12 PRESIDENT FOREMAN: Matthew Brandon.

13 MR. BRANDON: Good evening, Board,  
14 Superintendent. This is part three of this  
15 program. Implementation and cost is  
16 recommended that the amended police cadet  
17 premium create 100 positions to be implemented  
18 during the 2019/2020 school year. A review of  
19 the current sophomore classes of Chicago public  
20 high schools can identify eligible applicants  
21 for the program.

22 Educators, CPD, human resources  
23 personnel, clergy and community leaders should  
24 form a panel of review and evaluate applicants

1 that would be submitted by the student's high  
2 school. The cost of this program for full  
3 employment after graduation from high school  
4 and registration in an acceptable college  
5 program would be approximately \$5 million per  
6 year, including potential healthcare costs.

7 Finally, for the program let's  
8 not be a distraction. Projected savings from  
9 the mismanagement in lawsuits for abuses by CPD  
10 officers, real or imagined, real or imagined,  
11 would be realized as the Department begins to  
12 reflect both the community it services and  
13 include the community it services in developing  
14 additional strategies for community safety.

15 Money exists in the current CPD  
16 budget or overtime budget that can be  
17 redirected to this program.

18 A burgeoning TIFFF fund is flush  
19 with money that should be used for this type of  
20 investment rather than giveaways to the rich.

21 A disinvestment in communities of  
22 color has given rise to the sense of  
23 hopelessness and helplessness.

24 Privatization of positional city

1 services has seen the middle class dwindle as  
2 these families flee the city. An audit of all  
3 private contract services should be done and  
4 where those services can be brought back  
5 in-house they should be.

6 A city that invests in the rich  
7 while eliminating opportunities for its middle  
8 class and diminishing subsidies for its poor  
9 and working poor cannot wear the banner of a  
10 world class city.

11 PRESIDENT FOREMAN: Thank you.

12 Next speaker, Loretta Anderson.

13 Next speaker, Kimberly  
14 Howell-Gilmore.

15 MS. HOWELL-GILMORE: How y'all doing? I  
16 come before you today because last year, June  
17 1st, 2018, my son was leaving for Chicago  
18 Public School, and he was put down by your  
19 fellow officers with guns indicate he had an  
20 AK-47, which never existed. So this is what  
21 I'm asking you. Put y'all selves in my shoes.  
22 Put y'all selves in my shoes. What would y'all  
23 do if your kid was walking home and the CPD put  
24 your kids down with guns talking about they had

1 an AK-47, which never existed? And then you  
2 constantly get the same old letters talking  
3 about an investigation, which we went through  
4 the whole process over and over. I'm tired of  
5 receiving these letters 60 days' investigation.  
6 It's past 60 days. It's a year. And I'm  
7 tired. I'm not finna keep on coming down here  
8 with the same old information talking about, We  
9 investigating, when you all already did the  
10 investigation. It's videos out there. I want  
11 justice for the police that put my son down  
12 with guns from the 4th District, period.

13 MS. ROSE: Also, the CPD has continued to  
14 send Kimberly letters saying that would  
15 continue investigation. They have not  
16 acknowledged what happened to her son. And, of  
17 course, up here I am -- I stopped coming here  
18 because I'm just showing her the process of  
19 justice. But her son was in 7th grade. And  
20 I'm here in support of her. Nothing has been  
21 done. This officer, as usual when officers are  
22 reprimanded, they go on to desk duty. The  
23 office is still on desk duty. The officer  
24 still continues to be paid. Officers commit

1 crimes and continue to be paid. They pay dues  
2 to FOP, which is Kevin, and that shouldn't be.

3 If you are accused of a crime to  
4 a minor, then you should not be on desk duty,  
5 and you should not be able to -- allowed to be  
6 able to put a child down with an AK-47 on the  
7 ground when they coming home from school.

8 PRESIDENT FOREMAN: Thank you.

9 MS. ROBERTS: Ms. Gilmore, thank you for  
10 letting me know that you had actually filed a  
11 complaint with our office. We do have that  
12 complaint obviously. After this meeting, I'm  
13 going to get the number. I would like to say  
14 that our timeliness was better than what it is  
15 but it is not. And I apologize that it's taken  
16 that long, but I don't want you to think for  
17 one second that it doesn't have priority  
18 because it does. I have put myself in your  
19 shoes. I do have a young son, 24 years old, so  
20 I know what that feels like. I know what it  
21 feels like to think about what would happen.  
22 So I totally empathize with you and I  
23 sympathize with you, but I don't want you to  
24 think I know that this is how it is when it

1 takes so long to get these done. I don't want  
2 to give you excuses. I could, it's not  
3 acceptable. I realize that. But it is not  
4 forgotten. Your case has not been forgotten at  
5 all. I will get your number and get an actual  
6 phone call to you about exactly where we are in  
7 the process.

8 PRESIDENT FOREMAN: Barney Barnhart.

9 MR. BARNHART: Good evening, everyone. My  
10 name is Barney Barnhart, and I have lived on  
11 the corner of Van Buren and Springfield for  
12 almost 20 years now. The drug market on  
13 Springfield from Jackson to Congress has never  
14 closed. It's as bad tonight as it has ever  
15 been. There are gentlemen on my corner with  
16 cash in hand and drugs in the other and nothing  
17 is being done. The blatant -- it's busy and  
18 blatant as it's ever been. This is not my  
19 first or second time in front of this body to  
20 complain about this drug market. My question  
21 is, will you make an effort this week to close  
22 this market down? Residents are being  
23 intimidated. What can be done on a daily basis  
24 to make this happen? Why is this market just

1 never closed down?

2 On July 18th, 2014, I heard the  
3 gun fire that took the life of Shamiya Adams.  
4 My block was filled with police that night  
5 telling us that this would close and it would  
6 stop. It never has. What will the residents  
7 see the police doing to close down this drug  
8 market?

9 PRESIDENT FOREMAN: Superintendent?

10 SUPERINTENDENT JOHNSON: Mr. Barnhart, I  
11 will look into your complaint. I don't know  
12 if -- you know, I will tell you this about drug  
13 markets: Often times we work on them, and you  
14 won't see the undercover work going on over  
15 there. I'm not saying that's what's occurring.  
16 That's why you don't always see what the police  
17 are doing. Sometimes we work with federal  
18 partners depending how large the scale is.

19 So I will look into it. I will  
20 get your number, and I will look into it and  
21 get back to you.

22 MR. BARNHART: I'd like to add one more  
23 point. Three weeks ago there was a big action  
24 of the police to close down the drug market at

1 Jackson and Springfield, and they did that, and  
2 the next day the drug dealers at Springfield  
3 and Van Buren, and we've had no action since.  
4 So it appears that, Oh, we take away from here  
5 and we have to start over at the beginning  
6 every time.

7 I appreciate your attention to  
8 this matter.

9 PRESIDENT FOREMAN: Thank you. Lee  
10 Bielecki.

11 MR. BIELECKI: Mr. Simpson invited me back  
12 here this month after I attended last month's  
13 meeting, so I'm returning at his invitation.  
14 He suggested I read and review the 55-page  
15 finding and decisions against Sergeant Franko,  
16 Officers Mondragon, Sebastian and Viramontes  
17 and come back with an opinion for you.

18 After reading the entire  
19 document, I've come to this conclusion. Some  
20 of the procedures regarding reporting and use  
21 of audio equipment were lax. I see nothing  
22 that would have lended any other conclusion  
23 that their actions did not warrant termination.  
24 Suspension, perhaps, but clearly not

1 termination.

2 The decision was clearly a  
3 political one driven by media and public  
4 perception.

5 In your own words or members'  
6 words in the report, these officers' actions  
7 did not cause the death of Laquan McDonald.

8 I applaud Mr. O'Malley's  
9 statement regarding Officer Sebastian. Their  
10 testimony was consistent with what she  
11 believed.

12 What I do suggest would be a  
13 policy change. Officers involved in a deadly  
14 force shooting episode often describe one or  
15 more alterations in perception, thinking and  
16 behavior. Most common are distortions in time  
17 perception.

18 In most cases, officers recall  
19 shooting events as occurring in slow motion,  
20 even though a smaller percentage report  
21 experiencing the event as speeded up. Sensory  
22 distortions are common. Some form of  
23 perceptual disassociation may occur as well.  
24 Officers involved may experience a sense of

1 helplessness. Disturbances and memory are  
2 commonly reported in shooting cases. And the  
3 immediacy of officers being interviewed right  
4 after an officer-involved shooting should be  
5 revisited. These incidents are traumatic to  
6 all involved.

7           Our federal law enforcement  
8 partners' policy states that a reasonable time  
9 will elapse before an agent gives a statement  
10 and in an officer-involved shooting. That  
11 practice translates into a 48 to 72-hour  
12 period. This policy applies to the agent  
13 involved but is also normally involved -- to  
14 all those involved, not just the one that's  
15 fired the weapon.

16           Bill Lewinski, of Force Science  
17 Institute is regarded by many as a definitive  
18 expert on the subject of interviewing officers  
19 after shootings, has stated a delay enhances an  
20 officer's ability to more accurately and  
21 completely respond to questions, arguing for a  
22 recovery period of at least 48 hours before  
23 being interviewed in depth. Lewinski --

24           PRESIDENT FOREMAN: Mr. Bielecki --

1 MR. BIELECKI: I understand. I'll be done  
2 in about 30 seconds.

3 PRESIDENT FOREMAN: I'll let you go over.  
4 Can I ask if you can give us the comments as  
5 well? Because some of the things that you are  
6 saying, it's important for us to kind of  
7 understand this perspective. Give your  
8 comments to Max. It will be helpful for us to  
9 be able to read it.

10 MR. BIELECKI: That's fine. I can give it  
11 to him and he can make copies.

12 PRESIDENT FOREMAN: Thank you.

13 MR. BIELECKI: Thanks.

14 PRESIDENT FOREMAN: Next speaker, Sharon  
15 Banks-Pincham, and then Loretta Turner, Alonzo  
16 Anderson.

17 MR. BANKS-PINCHAM: Good evening to the  
18 Police Board. My name is Sharon Banks-Pincham,  
19 and we, too, are going to be presenting a  
20 three-part presentation on a recommendation we  
21 have for consideration.

22 I'm going to give you the history  
23 of the surveillance camera program in the West  
24 Chesterfield community. We are proposing to

1 expand the ongoing neighborhood watch  
2 surveillance camera program which presently  
3 exists within the West Chesterfield community  
4 across the entire City, all 50 wards.

5           The West Chesterfield Community  
6 Association is a community organization in  
7 which community residents purchase surveillance  
8 cameras through -- installing a network of 32  
9 surveillance cameras in our neighborhood of  
10 approximately 1,000 households from October  
11 2016 to January 2017.

12           As of June 2018, we have  
13 increased the number of self-financed  
14 surveillance cameras in the program to 44,  
15 which makes up a current network system that  
16 spread over ten city blocks.

17           Since the late 2015, WCCA  
18 residents felt a need to proactively address  
19 the uptick in crime within the area and  
20 encourage the association to assign a committee  
21 to research the cost effective, cost efficient,  
22 sustainable means to implement a neighborhood  
23 watch surveillance camera system for the  
24 community.

1                   The camera on NWSCS, for short,  
2                   committee identifies nine items which made up  
3                   the criteria for developing the surveillance  
4                   camera network. The first, of course, was  
5                   pricing and cost. Second was clarity. Three,  
6                   accessibility. Four, coverage. Five, security  
7                   of physical system hardware. Six, remote use.  
8                   And seven, warranty on equipment.

9                   Thank you for your time.

10                  MS. TURNER: Good evening. My name is  
11                  Loretta Turner, and I am a representative from  
12                  the West Chesterfield Community.

13                         West Chesterfield is located in  
14                         the area beginning at 91st and State Street  
15                         going east to 91st and the west side of King  
16                         Drive. Our community continues going south  
17                         from 91st and State Street extending to 95th  
18                         and the north side of King Drive. It is a  
19                         small, yet noticeable, neighborhood on the  
20                         south side that is known as a community with  
21                         strong roots. We are proposing to expand the  
22                         ongoing neighborhood watch surveillance camera  
23                         program which presently exists within the West  
24                         Chesterfield Community across the City in all

1 50 wards.

2           The neighborhood watch  
3 surveillance camera program allows residents to  
4 capture on video crimes, suspicious activities  
5 and police responses 24 hours a day, seven days  
6 a week. While residents are asleep or away  
7 from their neighborhoods, the surveillance  
8 cameras are recording the images that are  
9 occurring within the neighborhood. We feel  
10 that the cameras are truly a valuable asset.  
11 Thank you.

12           PRESIDENT FOREMAN: Alonzo Anderson.

13           MR. ANDERSON: Good evening. My name is  
14 Alonzo Anderson, a resident with the West  
15 Chesterfield community and a board member of  
16 the WCCA community association board. The  
17 aforementioned neighborhood watch surveillance  
18 camera program operates even when we are  
19 asleep. The cameras are working, capturing  
20 images which occur within the community. This  
21 was the case on Monday, April the 10th, 2017,  
22 around 5:00 a.m., the honorable Judge Raymond  
23 Myles was gunned down in his back porch. The  
24 surveillance cameras owned by the West

1 Chesterfield Community Association captured the  
2 image of a man in the 9400 block between Forest  
3 and Calumet Avenue, okay, who was later  
4 arrested and charged with the judge's murder.  
5 Minutes later, this same individual was seen  
6 running north in the alley from the judge's  
7 house. Who would have known that these cameras  
8 would provide this critical information to the  
9 Chicago Police Department in their  
10 investigation.

11 We are proposing that 10 of the  
12 50 City wards have cameras installed as part of  
13 this pilot program. The cost for the  
14 surveillance pilot program is roughly 16,000 to  
15 20,000. And the average cost per household  
16 would be anywhere from 400 to \$425. The cost  
17 per ward is roughly 400,000 to \$500,000. And  
18 the total for the pilot program will be \$4  
19 million to \$5 million. The cost for installing  
20 cameras in the remaining 40 wards will be  
21 anywhere from \$16 million to \$20 million.

22 Lastly, as I take my seat, to  
23 honor the late Judge Myles, we are proposing  
24 that the City-wide surveillance program be

1 named the Honorable Judge Raymond Myles  
2 Neighborhood Watch Program. Thank you.

3 PRESIDENT FOREMAN: Thank you. David  
4 Dewar.

5 MR. DEWAR: My name is David Dewar. I  
6 live in the 19th Ward. I've been there 35  
7 years. And I ran for alderman and I support  
8 good policing. What happened to me was  
9 anything about good policing.

10 In the year 2014, in front of my  
11 house, I was arrested. I was arrested because  
12 somebody on my block, a William Hosty, he had  
13 political pull. He was in the union and the  
14 police falsely arrested me. I filed a federal  
15 civil lawsuit. Federal judge found on my  
16 behalf that I won. And through my discovery  
17 process, I discovered a false arrest report.  
18 And I can give you the specifics on how this  
19 has been done to me, where they took my  
20 original incident report with the RD and the  
21 event number and switched them knowingly. They  
22 created a false incident report, and then they  
23 created a false arrest report, thus creating a  
24 false report on me.

1                   They came over a year later in  
2 the year 2015 -- which I have this report, and  
3 they came over with six police officers in  
4 front of my house. I had just left. And they  
5 stayed for 30 minutes upon the request of the  
6 neighbor that had me arrested in the year 2014  
7 that has political favor and was able to get  
8 the police to do his bidding. And I have this  
9 right here. On this report it shows an arrest  
10 was attempted to be made and it was coded out.

11                   So my question here is this, on  
12 the Police Board it shows here the rules of  
13 conduct, under item 14 it says, Making a false  
14 or written report. Now, we have the Jesse  
15 Smollett trial coming up and Superintendent  
16 Eddie Johnson says we want an apology from him  
17 for doing that. Where's my apology? Where is  
18 my apology from the police? And how many more  
19 other people have you done that to?

20                   I'm a middle-aged white guy and a  
21 business owner, respected in the community and  
22 this happened to me. Where is the apology?  
23 Where is the justice? That's my question. And  
24 I have all the proof right here.

1           PRESIDENT FOREMAN: Superintendent, I don't  
2 know if you want to address the information.  
3 Superintendent, do you want to get whatever  
4 records that he has?

5           SUPERINTENDENT JOHNSON: If he is filing a  
6 complaint, then that complaint should go  
7 through the proper process with COPA.

8           PRESIDENT FOREMAN: I'm sorry. This would  
9 be COPA.

10                               Next speaker, Queen Sister.

11           MS. QUEEN SISTER: Blessings. You know,  
12 month after month after month, y'all sit  
13 here --

14           UNIDENTIFIED SPEAKER: Year after year  
15 after year.

16           BOARD MEMBER O'MALLEY: Start over.

17           MS. QUEEN SISTER: We've been coming  
18 here -- I've been coming here I think longer  
19 than anybody in this room. And the game ain't  
20 changed. The players have. But you all, you  
21 sit there on your asses with blood on your  
22 hands and a smile on your face and nothing  
23 improves and nothing is done.

24                               Superintendent, let me say you.

1 This background check program is nothing new.  
2 And, Mr. President, you claim that you don't  
3 know when it started and how it started. You  
4 need to think before you speak and make sense  
5 when you talk, because we the people got a  
6 right to know. So if you don't know, you need  
7 to find out, because I want to know. You know,  
8 but checking my background is no different than  
9 omitting my statements in the public comments  
10 to avoid the people from hearing the truth.  
11 There's no profanity and there's no disrespect,  
12 no breach of peace involved.

13 You know, D'Anga and Votka  
14 (phonetic) and this mayor, I thought if she  
15 didn't have anything, she would have had a  
16 public safety program, being attached to law  
17 enforcement for as long as she has been. And  
18 she come up with nothing.

19 You know, the fact is,  
20 Superintendent, is that she's willing to  
21 jeopardize the safety of this City for her  
22 relationship with you, as we continue to watch  
23 this flood of black blood flow. And it's like  
24 your pension is a tad bit more important.

1 I spend my money. Neither one of  
2 you all contribute a dime to this puddle of  
3 blood, sweat and tears flowing through my  
4 village. And I ain't too proud to beg because  
5 I beg on behalf of black folks every day of my  
6 life, but I'm a tad too black to kiss ass.

7 There are tax dollars that come  
8 in here for crime and violence prevention and  
9 they need to go towards the effective programs.  
10 One moment. You stood on that west side and  
11 you talked about bodies being found from the  
12 west side to the wild side. Not one time did  
13 you mention the community safety whistle alert  
14 program, and the fact that these whistles are  
15 available for these sisters to save themselves,  
16 and that's the least that we can do. I'm out  
17 here in skips without a bulletproof vest doing  
18 the work.

19 And the other issue,  
20 Mr. President, is you got these retired cops  
21 out here drunk with the power and there needs  
22 to be something done about it.

23 PRESIDENT FOREMAN: Thank you. George  
24 Blakemore.

1 MR. BLAKEMORE: Oh Lord, nothing. Don't  
2 call Jesus. Don't call Buddha or a rabbi.

3 Ladies and gentlemen, ladies and  
4 gentlemen, I was appalled to know that Madam  
5 Lightfoot has embraced this sanctuary minutia  
6 and how they have punished the police  
7 department and they told them, You better not,  
8 you better not ask them for their legal status.  
9 But they ask black people, Show me your  
10 identification. Pat black people down. So the  
11 system is institutional racism. And I'm  
12 ashamed of the black policemen, Dinel Roberson  
13 (phonetic), Pat Hill. What's wrong with black  
14 policemen? Don't you know you are not a white  
15 policeman? Don't you know you should organize?  
16 Don't you know when you pay your union money to  
17 the Fraternal Order of Police, you are giving  
18 your money to racists. And black people been  
19 doing it and way before Trump. Don't lat it on  
20 Trump. These are little Trumps right here that  
21 continuously letch. Black lives don't matter.  
22 And all these blacks that sit on the Board,  
23 they getting their reparation because they get  
24 paid by the master. They getting their

1 reparation.

2 So, again, you want more black  
3 recruits, you got to educate them and inform  
4 black people. And you got a right to have  
5 these police. But these black policemen, you  
6 are not white police. You know that. And you  
7 over here, the Superintendent, you are not a  
8 white superintendent. Institutional racism.  
9 That means in the fabric of the material. See  
10 that, all colorful. It's dyed in this  
11 material. It's institutional. Schools, the  
12 church, all institutions.

13 So, again, I was upset to hear  
14 that Madam Lightfoot is spending our taxpayer  
15 money with some nonsense America for illegal  
16 immigrants undocumented. They don't belong  
17 here. The illegal means against the law.

18 PRESIDENT FOREMAN: Thank you,  
19 Mr. Blakemore.

20 MR. BLAKEMORE: You going to obey my two  
21 minutes. You want me to obey my two minutes.  
22 Against the law.

23 PRESIDENT FOREMAN: Thank you.

24 MR. MORE: Can I start, Mr. Foreman?

1 Robert J. More. It is August 22nd, 2019,  
2 speaking on behalf of the institute of St.  
3 Michael the Archangel, executive committee.  
4 This is part of a charter revocation project  
5 involved -- the City of Chicago, Cook County,  
6 State of Illinois, and there isn't place in the  
7 United States to get all these charters revoked  
8 because it's our opinion -- the learned opinion  
9 of all involved, that we can't do anything to  
10 reinforce the continued existence in operation  
11 of this nominal government because there's so  
12 many breaches of God's law that it's more  
13 conducive to the loss of souls than to the  
14 salvation of souls. So everything's got to be  
15 scrapped. We got to start from scratch. Make  
16 a correction.

17 I didn't mean to say return to  
18 law enforcement in the Middle Ages, but return  
19 to law enforcement of Medieval England.

20 Mr. Superintendent, you missed so  
21 many meetings. I don't know anyone that goes  
22 to as many funerals and wakes the third  
23 Thursday of every month. It's just remarkable.  
24 I don't know how many you must go to in a given

1 year, but I know 12 years with Phil Cline, he  
2 was in that seat every single month.

3 Here's a question. Can I get a  
4 stipulation from the Superintendent of the City  
5 of Chicago Police Department that some type of  
6 formula which binds both the City of Chicago  
7 and the Superintendent of the City of Chicago  
8 to stipulate components of knowledge in the  
9 possession of Superintendent of the Chicago  
10 Police Department regarding the conveyances  
11 postulated in these meetings, regardless of  
12 whether the Superintendent's here or not? In  
13 other words, if you're -- the Superintendent's  
14 present or not present, the Superintendent  
15 responsible and susceptible, both criminal and  
16 civil liability, for the entirety of the  
17 contents of any conveyance postulated in any  
18 and all of these meetings.

19 If I can get that stipulation, I  
20 don't have to continue to come to these  
21 meetings. If you can't answer that question,  
22 after we're done, you can address the issue.  
23 I'm going to send you e-mails. I got to prove  
24 the content of your state of mind. I got to

1 lock it down because you are in the position  
2 you're in. Absolutely nothing personal. I got  
3 to protect the value of my state, and I got to  
4 protect posterity as I understand it from  
5 numerous different types of detriments.

6                   Number two. I demand that the  
7 Rothschilds and the Committee of 300 all be  
8 investigated for all of these crimes, because  
9 they are the principal causes other than the  
10 cause of -- the Adam Sand (phonetic) and all  
11 the -- and subsequent to that. They are the  
12 principal causes of the crime. I still got a  
13 couple --

14           PRESIDENT FOREMAN: Mr. More --

15           MR. MORE: Am I done?

16           PRESIDENT FOREMAN: Yes.

17           MR. MORE: Did time go fast.

18                   Can I talk to you after the  
19 meeting?

20           PRESIDENT FOREMAN: At this time, all  
21 people signed up to speak have spoken. Is  
22 there a motion to dismiss?

23           BOARD MEMBER O'MALLEY: Yes, so moved.

24           BOARD MEMBER ZOPP: Second.

1           PRESIDENT FOREMAN: Motion passes. Thank  
2 you very much.
