MEMBERS OF THE CHICAGO POLICE DEPARTMENT COMMAND STAFF; MEMBERS OF THE PUBLIC.

Good evening, all. Good 1 PRESIDENT FOREMAN: 2 Hope everyone is great this evening. evening. Mv name is Ghian Foreman, president of the Chicago 3 Police Board, and I am calling the Board's September 4 5 15th public meeting to order. To protect the public's health in 6 response to the COVID-19 pandemic, this meeting is 7 taking place remotely. Pursuant to the Illinois 8 Open Meetings Act, I have determined that holding 9 10 this meeting in person is not practical or prudent. The City of Chicago remains the subject of the 11 12 Governor's disaster proclamation due to the COVID-19 13 pandemic, and the disease continues to be a threat, 14 especially to the unvaccinated and people with certain health conditions. We are therefore having 15 16 the meeting remotely this month. 17 This meeting is open to the public 18 via video and audio conference and is being carried

19 live by CAN-TV. Members of the public are on mute 20 in order to reduce background noise and disruptions. 21 We have a court reporter this evening making a 22 transcript.

23In addition to the Police Board24members, we have several City officials here with us

2	EXECUTIVE DIRECTOR SKAHILL: Here, sir.

13	PRESIDENT FOREMAN: Thank you. We will now
14	proceed to the items on the meeting agenda. We'll
15	have time at the end of the meeting for public
16	comments.
17	Once again, members of the public are
18	currently on mute in order to reduce background
19	noise and disruptions. When we get to the public
20	comment portion of the meeting, we will unmute each
21	speaker.
22	We're pleased this evening to have
23	with us two members of the City's Community
24	Commission for Public Safety and Accountability.

1	Commissioners Anthony Driver and Remel Terry, who,
2	along with five other Chicagoans, were recently
3	appointed by Mayor Lightfoot. They're here to speak
4	about the Commission. I'll turn it over to our
5	Commission members. Welcome.
6	COMMISSIONER DRIVER: Welcome, everyone, and
7	thank you for having me. It's a pleasure to meet
8	you all, as we have been appointed now for about
9	three weeks, and we are in the process of getting to
10	know the Public Safety infrastructure in the City of
11	Chicago.
12	I'd like to introduce myself very
13	briefly. My name is Anthony Driver, Junior. I'm a
14	lifelong south-sider. My family and myself have
15	resided in the Back of the Yards/Englewood community
16	since the 1960s. And I've also had the pleasure of
17	working to pass this ordinance for the last five
18	years. Was part of the coalition that eventually
19	came together to work with the Mayor's Office as
20	well as the City Council to pass this ordinance.
21	And I would also like to announce
22	that our first public meeting will be held Thursday,
23	September 29th, at 6:30 p.m. at Malcolm X College.
24	We would encourage everyone to come out, members of

1	the public. This Commission is really a chance for
2	you to have your voice heard in the public safety
3	infrastructure within the City and we'd love to hear
4	from you. And also would like to plug our district
5	councils. So right now Chicagoans all across the
6	City are getting petitions to run for district
7	council for each police district. There's 22 police
8	districts in the City. There will be three district
9	councils district counselors per police district.
10	We think that is the beating heart of this
11	ordinance. It gets to the core of what we're trying
12	to do as far as having a hyper-localized solution to
13	public safety in our City. And I would encourage
14	everyone to sign up to run for those positions. If
15	you don't want to run yourself, to support someone.
16	And I'm also joined by Interim
17	Commissioner Remel Terry. And I'd like to pass to
18	her to offer remarks.
19	COMMISSIONER TERRY: Thank you so much,
20	Anthony. Good evening, everyone. Thank you all to
21	the Police Board, President Ghian, for this
22	opportunity to address the community. Very excited
23	about this opportunity.
24	As my colleague mentioned, I'm Remel

1	Terry. I am a lifelong Chicagoan and proud
2	west-sider. I have worked a lot around police
3	accountability issues, serving on the COPA Community
4	Advisory Council, as well as participating in the
5	legislation that actually formed COPA back when we
6	were not as happy with IPRA. Had relationships with
7	various community-based organizations, officers.
8	You name it, I have those relationships. And so I'm
9	really just excited and want to echo the sentiments
10	that Anthony shared to invite all of you out to our
11	upcoming public meeting on Thursday, September 29th,
12	as well as encourage each and every one of you to
13	engage with us.

14 We are here to serve and we look 15 forward to bringing forth and elevating all voices at the table, the community, the officers, those who 16 17 are working as it relates to oversight in this 18 So thank you, all, for this opportunity. realm. 19 PRESIDENT FOREMAN: Thank you. So this great 20 information. So the 29th, 6:00 p.m. at Malcolm X 21 College.

22 COMMISSIONER DRIVER: 6:30.

23 PRESIDENT FOREMAN: 6:30. Do you have a24 website up yet? I know the Commission is new. But

1	do you have a website? Where could members of the
2	public find out more information?
3	COMMISSIONER DRIVER: Absolutely. It's
4	Chicago.gov/ChicagoCommunityCommission.
5	PRESIDENT FOREMAN: ChicagoCommunityCommission.
6	Chicago.gov/ChicagoCommunityCommission. And is it
7	listed on there how I can get more information if
8	let's say if I was interested in running, where
9	would I find that information?
10	COMMISSIONER DRIVER: Absolutely. There's
11	information on there about if you would like to be a
12	part of the Commission for the next year. And also
13	if you'd like to run for any of those District
14	Council seats.
15	PRESIDENT FOREMAN: Okay. And I know you said
16	that it's petitions. Is there a timeline when one
17	has to apply?
18	COMMISSIONER DRIVER: Yeah. So each police
19	district has a unique amount of voters in the
20	district, so there's a certain amount of signatures
21	that you need to get. That's on the Board of
22	Elections website. So on August 30th, petitioning
23	began, and I believe November 21st it ends, and you
24	have until the 28th to turn those nominating

1 | petitions in.

2 PRESIDENT FOREMAN: Okay. Board, any other 3 questions for the Commission members?

So I would like to say thank you very 4 5 much for stepping up and doing this. It's a really big responsibility. And, you know, a lot of times 6 7 you don't get the thank-yous. And so I'll say thank you in advance. Right? The work that we as the 8 Board have been doing, a lot of times we don't get 9 10 the thank-yous. And we don't do it for the 11 thank-yous.

12 I strongly encourage you guys to 13 remember these days when you were pushing to get this passed. It's important for our city. And you 14 15 guys are now a very intricate part of our police 16 accountability system. And I think that it's 17 important that we, the residents of the City of 18 Chicago, support you the same way on day one that we 19 support you on day 365. Right? And in order for 20 the Commission to work, I think it's incumbent upon 21 all of us, everyone, to make this system work. We cannot just rely on the Commission to -- or the 22 23 Police Board or COPA to solve all of the problems of 2.4 our police accountability system. It truly will

1	take all of us to be a part of this system.
2	So, again, really, I'm grateful for
3	the work and thank you for your efforts.
4	COMMISSIONER DRIVER: Thank you.
5	PRESIDENT FOREMAN: Board, is there a motion to
6	approve the minutes of the Board's August 18th
7	regular public meeting?
8	VICE PRESIDENT WOLFF: This is Paula Wolff. I
9	so move.
10	BOARD MEMBER EADDY: Michael Eaddy. Second.
11	PRESIDENT FOREMAN: The motion is seconded.
12	All in favor, please say aye.
13	(CHORUS OF AYES.)
14	PRESIDENT FOREMAN: Any opposed?
15	(NO RESPONSE.)
16	PRESIDENT FOREMAN: The motion passes.
17	Our next regular public meeting will
18	be held on Thursday, October 20th, at 7:30 p.m.
19	Whether this will be an in-person meeting or remote
20	meeting will be determined closer to the meeting
21	date.

2	and (11) of the Illinois Open Meetings Act.
3	A summary of the items discussed in
4	the executive sessions is posted in the meeting
5	minutes on our website.
б	Is there a motion to close future
7	executive sessions as authorized by the Open
8	Meetings Act?
9	VICE PRESIDENT WOLFF: I move that as well.
10	Paula Wolff.
11	BOARD MEMBER EADDY: Second. Michael Eaddy.
12	PRESIDENT FOREMAN: All in favor, please say
13	aye.
14	(CHORUS OF AYES.)
15	PRESIDENT FOREMAN: Any opposed?
16	(NO RESPONSE.)
17	PRESIDENT FOREMAN: The motion passes.
18	We have several police disciplinary
19	cases on the agenda this evening.
20	As authorized by the Open Meetings
21	Act, the Police Board has considered in a closed
22	meeting one disciplinary case. The Board will now
23	take final action on this case.
24	Regarding case number 21 PB 2995, is

1	there a motion to find Police Officer Sheldon
2	Thrasher guilty of using deadly force without
3	justification and to discharge him from the Chicago
4	Police Department?
5	VICE PRESIDENT WOLFF: So moved. Paula Wolff.
6	BOARD MEMBER EADDY: Second. Michael Eaddy.
7	PRESIDENT FOREMAN: I will now call on members
8	of the Board for their votes. Wolff.
9	VICE PRESIDENT WOLFF: Aye.
10	PRESIDENT FOREMAN: Block.
11	BOARD MEMBER BLOCK: Aye.
12	PRESIDENT FOREMAN: Cusack.
13	BOARD MEMBER CUSACK: Aye.
14	PRESIDENT FOREMAN: Doorley.
15	BOARD MEMBER DOORLEY: Aye.
16	PRESIDENT FOREMAN: Eaddy.
17	BOARD MEMBER EADDY: Aye.
18	PRESIDENT FOREMAN: Montes.
19	BOARD MEMBER MONTES: Aye.
20	PRESIDENT FOREMAN: And I vote in favor of the
21	motion.
22	Voting in favor are Board Members
23	Wolff, Block, Cusack, Doorley, Eaddy, Montes, and
24	myself. The motion passes by a vote of 7 to 0.

1	The there is mothing to educe the
1	Is there a motion to adopt the
2	written findings and decisions that have been
3	reviewed by all Board members who participated in
4	the case?
5	VICE PRESIDENT WOLFF: So moved. Paula Wolff.
6	BOARD MEMBER EADDY: Second. Michael Eaddy.
7	PRESIDENT FOREMAN: All in favor?
8	(CHORUS OF AYES.)
9	PRESIDENT FOREMAN: Any opposed?
10	(NO RESPONSE.)
11	PRESIDENT FOREMAN: The motion passes.
12	The written decision in the case on
13	which the Board took final action this evening will
14	be entered as of today's date, sent to the parties,
15	and then posted on the Board's website.
16	There are also three announcements of
17	disciplinary rulings on the agenda tonight. Board
18	Members Wolff, Block, and Montes will make these
19	announcements.
20	VICE PRESIDENT WOLFF: This is Paula Wolff. I
21	was randomly selected from the Police Board's
22	membership to consider one matter on which the Chief
23	Administrator of the Civilian Office of Police
24	Accountability and the Superintendent of Police did

not agree regarding discipline of a police officer.
In request for review number 22-16,
the Chief Administrator recommended that Police
Officer Steven Smith be suspended for 60 days for
using excessive force during an arrest. The
Superintendent did not agree in that he recommended
the allegations be classified as not sustained and
that no discipline be imposed.
After considering the matter, it's my
opinion that the Superintendent did not meet his
burden of overcoming the Chief Administrator's
recommendation for discipline.
A copy of the written opinion will be
posted on the Police Board's website as required by
the municipal code. Thank you.
PRESIDENT FOREMAN: Thank you.
BOARD MEMBER MONTES: This is Jorge Montes. I
was randomly selected from the Police Board's
membership to consider one matter in which the Chief
Administrator of the Civilian Office of Police
Accountability and the Superintendent of Police did
not agree regarding the discipline of two police
officers.
In request for review numbers 22-18

1	and 22-19, the Chief Administrator recommended that
2	Police Officer Mark Palazzolo be suspended for using
3	excessive force, arresting a person without
4	justification, and failing to timely activate his
5	body-worn camera.
6	The Chief Administrator recommended
7	that Officer Erica Hernandez be reprimanded for
8	arresting a person without justification and failing
9	to timely activate her BWC as well.
10	The Superintendent did not agree with
11	certain findings and recommended that both officers
12	be reprimanded.
13	After considering this matter, it is
14	my opinion that the Superintendent did not meet his
15	burden of overcoming the Chief Administrator's
16	recommendations for discipline.
17	A copy of the written opinion will be
18	posted on the Police Board's website as required by
19	the municipal code.
20	BOARD MEMBER BLOCK: This is Steven Block. I
21	was randomly selected by the Police Board's
22	membership to consider one matter on which the Chief
23	Administrator of the Civilian Office of Police
24	Accountability and the Superintendent of Police did

1	not agree regarding the discipline of a police
2	officer.
3	In request for review number 22-17,
4	the Chief Administrator recommended that Police
5	Officer Levon London receive a minimum of a 180-day
6	suspension up to and including discharge from the
7	Police Department for using excessive force during a
8	protest in the Chicago Hyde Park neighborhood on May
9	31st, 2020.
10	The Superintendent did not agree with
11	certain findings and recommended a 180-day
12	suspension.
13	After considering this matter, it is
14	my opinion that the Superintendent did not meet the
15	burden of overcoming the Chief Administrator's
16	recommendation for discipline.
17	A copy of the opinion will be posted
18	on the Board's website as required by the municipal
19	code.
20	PRESIDENT FOREMAN: Thank you.
21	Next, I think the First Deputy I
22	don't see his camera on. Let's oh, First Deputy,
23	I'll ask for your report, please.
24	FIRST DEPUTY CARTER: Sorry about that. Good

evening, Mr. President. Good evening, Board. 1 2 Let me start by recognizing the Board and our residents for working alongside the Chicago 3 Police Department. It is only together that we can 4 5 enhance public safety and impact residents and 6 visitors across Chicago. Since the last Police Board meeting, 7 residents celebrated Labor Day and joined the City's 8 Mexican-American community in commemorating Mexican 9 Independence Day. Because of our officers' 10 11 dedication, both the holiday weekend and this past 12 weekend's events concluded with little incidents 13 related to the Citywide celebration. 14 The Department remains rooted in 15 ensuring visibility, engagement, and collaboration. We made sure our officers were 16 17 visible and present in our neighborhoods and that 18 work in our communities has paid off. As in previous months, we maintained 19 20 double-digit declines in shootings and homicides. 21 And this year so far there's been a 15-percent 22 decline in homicides, with shootings down nearly 19 23 percent citywide compared to 2021 at the same time 2.4 frame.

In the top 55 beats, homicides are 1 down 22 percent and the shootings are down 30 2 percent since we began focusing resources in those 3 4 beats. 5 Safety is our top priority in every 6 community. And in just the first 13 days of this month, officers have recovered 471 guns. Since the 7 start of the year, we've collected more than 9000 8 9 That's a three percent increase over the firearms. 10 same time frame in 2021. In addition, the 11 Department recently launched our caravan task force 12 which enforces ordinances for illegal drifting and 13 drag racing. 14 Already we've made nine arrests, 15 impounded seven vehicles for illegal activity on 16 city streets and received more than 20 impound 17 requests.

18 Men and women of the Chicago Police
19 Department are working around the clock to make
20 Chicago safer.

At the beginning of the month, officers working in the gang and narcotics division within the Bureau of Counterterrorism made more than two dozen arrests and three major takedowns on the

1	west side of Chicago. Operation Shattered Forks,
2	Operation Casa Diablo, and Operation Double Stack
3	tracked gangs, guns, and illegal drugs across the
4	10th, 12th, and 15th Police Districts for several
5	months.
6	Officers seized vehicles, firearms,
7	illicit drugs with an estimated street value
8	totaling over \$208,000 and recovered approximately
9	\$130,000 in cash.
10	These takedowns were the result of
11	steadfast collaboration across the Department. And
12	during the operations, gang and narcotics division
13	shared information with the Bureau of Detectives
14	that led to the arrest in an active homicide
15	investigation.
16	We won't stand for violence or
17	illegal destruction in any community and we won't
18	let gangs destroy our neighborhoods.
19	The men and women of the Chicago
20	Police Department are working around the clock. We
21	are not only holding offenders accountable, we're
22	also working to restore community trust.
23	Youth programs such as Cops and Kids
24	Chess and our Sports and Arts Leagues are part of

-	
1	that effort. They provide safe spaces for students
2	in Chicago and after school.
3	And active partnerships with the City
4	departments and agencies like Chicago Public Schools
5	and the Chicago Park District, as well as service
6	organizations, also help to engage youth and young
7	people.
8	The Department is also keeping up the
9	pace when it comes to recruitment and building a
10	diverse Department.
11	So far this year, we've hired more
12	cops than in all of 2019. Women made up at least 25
13	percent of each of the two graduating classes this
14	year, and more than 70 percent of our new officers
15	were people of color in the last recruit class,
16	recruit Class 21-6.
17	We know enhancing public safety and
18	building a better Department go hand in hand and
19	making Chicago stronger is hard work, but not
20	impossible; however, it will always be work that we
21	will have to do together to make Chicago safer.
22	Thank you, Mr. President, and I will
23	turn it right back over to you.
24	PRESIDENT FOREMAN: Thank you. Now for the

1	COPA report. Chief of Staff Jay Westensee.
2	CHIEF ADMINISTRATOR WESTENSEE: Thank you,
3	President Foreman. Good to be with everybody
4	tonight.
5	Chief Administrator Kirsten regrets
6	that she is unable to attend this meeting, so I will
7	give our briefing tonight.
8	I will begin with a brief report out
9	on COPA's complaint intake and case disclosure data
10	and then highlight a few other agency initiatives
11	and provide a brief look ahead to 2023.
12	So to start, in August, COPA received
13	505 new complaints and notifications. Of that 505,
14	136 fell within COPA's jurisdiction for
15	investigation.
16	Of those cases within our
17	jurisdiction, 31 percent of those new complaints
18	contain allegations relating to the Fourth
19	Amendment; in other words, allegations involving
20	improper search or seizure.
21	Regarding notifications in August,
22	COPA received three notifications related to
23	officer-involved shootings.
24	Regarding investigations concluded in

1	August, we closed a total of 84 cases, 18 of those
2	84 cases contained at least one sustained
3	allegation.
4	Across all allegations in those 84
5	cases just to note, many cases involved more than
6	one allegation of misconduct, 47 percent of the
7	allegations resulted in sustained.
8	COPA also closed three
9	officer-involved shooting investigations in August.
10	Turning to community engagement
11	efforts, COPA's team was active in the month of
12	August. COPA attended a total of 26 different
13	events. For example, I'll highlight that we
14	attended the National Night Out on August 2nd, which
15	is an annual community-building event that promotes
16	community partnerships with the public safety system
17	and neighborhood camaraderie.
18	We attended multiple Chicago Public
19	School events surrounding first day of school. We
20	attended multiple mobile City Hall events which are
21	organized by the City Clerk and designed to bring
22	City services directly to neighborhoods across the
23	City.
24	And, finally, I'll highlight with the

1	support of Commissioner Rachel Arfa and members of
2	the Mayor's Office for People with Disabilities,
3	COPA staff participated in the Department of Streets
4	and Sanitation's Clean and Green initiative by
5	spending an afternoon clearing and beautifying a
6	vacant lot in Englewood.
7	These events are a great opportunity
8	to get out in the community. And we've enjoyed
9	community members lending a hand in the cleanup
10	efforts.
11	So we are looking forward to
12	partnering with other City agencies again for
13	another cleaning effort on the west side this month.
14	Relative to transparency releases,
15	I'll note that COPA had no new video postings
16	pursuant to the City's video release policy in the
17	month of August.
18	With that said, we had one release
19	this past week, which is available for review on
20	COPA's case portal.
21	Relative to new or revised COPA
22	policies, addressing requirements set out in the
23	consent decree, COPA had no policies posted for
24	public comment in the month of August. We

1	anticipate posting a revised policy addressing
2	protocols surrounding sworn affidavits later this
3	month, which will be available for public comment on
4	our website, which is ChicagoCOPA.org.
5	Like all other City departments, COPA
6	has been hard at work preparing its budget request
7	for 2023.
8	I'm just to give some backdrop,
9	last year in our budget request process, we focused
10	our efforts on establishing, staffing, and
11	operationalizing the video release and transparency
12	unit which is designed to deliver on transparency
13	and video release mandates as well as FOIA mandates.
14	That unit is now presently staffed and operational.
15	So we're very pleased with that. And happy with the
16	progress that we've been able to make with that over
17	the course of a year.
18	This year's budget effort will focus
19	on building capacities to ensure long-term Consent
20	Decree compliance, positioning COPA to fully inhabit
21	mandates within its enabling ordinance, which
22	address identifying patterns of practices of
23	misconduct, highlighting operational policy or
24	training concerns, and recommending revisions to

1	Chicago Police Department policy and practices.
2	Finally, I'll note that tomorrow,
3	September 16th, will mark COPA's five-year
4	anniversary. This is a proud moment for COPA, as
5	well as an opportunity to reflect on the progress
6	during this period.
7	This progress is reflected in the
8	quality and thoroughness of the agency's
9	investigative work, robust efforts to advance the
10	culture of policing, and build trust in the
11	community, and provide enhanced transparency.
12	Police reform, and specifically COPA,
13	would not have made any significant progress without
14	the hard work and dedication of community partners,
15	public safety leaders, elected officials, and the
16	work of COPA staff, all of whom have worked so
17	diligently to promote accountability for the
18	residents of Chicago, civilian and sworn.
19	Thank you for the time. And back to
20	you, President Foreman.
21	PRESIDENT FOREMAN: Thank you. And I'll just
22	take a point of privilege to say congratulations on
23	the five years. I know that it hasn't been always
24	easy. It certainly hasn't always been fun. But

we're seeing how COPA is truly being a part of this 1 accountability system as we all go through this 2 Consent Decree, right, and we work to make the 3 system better. We now have a new partner with the 4 5 Commission. And I know that they will work closely with all of us to ensure that we have a great system 6 7 going forward. I will now call upon members of the 8 public who signed up in advance to speak. 9 To ensure 10 we have time to hear from all speakers, there's a 11 two-minute time limit on comments. Those 12 participants unmute yourself when you are called, 13 please dial \*6. 14 I will call our first speaker, Lolita 15 Hendrix. Lolita Hendrix. Lolita Hendrix. 16 Okay. Our next speaker, Daje Allen 17 from the Youth Council. 18 MS. ALLEN: Hello. My name is Daje and I'm 19 part of the Youth Council. And we just recently 20 rebranded from the -- oh, goodness. I'm sorry. The 21 Police Accountability Council and we rebranded to 22 the Youth Organizing Until Trauma Heals Council, so 23 we can have a broader scope of issues that we could 2.4 deal with and make a -- have impact on. And right

1	now we're at the beginning of our second term. Last
2	year was our first term.
3	And we are just like out reaching and
4	trying to get more people to come join. That's
5	really where we are in the process right now. And
6	kind of planning so we can do more stuff this year
7	because last year we had our panel event. This year
8	we're trying to do more and for that we need more
9	people.
10	And so I'm going to put the link in
11	the chat for the application, if anybody knows any
12	young people, I think 16 to 24, that age range, that
13	would be interested.
14	PRESIDENT FOREMAN: Can you tell us the link,
15	because not everyone we have CAN-TV and they
16	can't always see.
17	MS. ALLEN: Oh.
18	PRESIDENT FOREMAN: We try not to really do the
19	chat. If you can read it to us, and we can try to
20	spread the word. You can put it in the chat and
21	then we can have it and spread the word.
22	MS. ALLEN: Yeah.
23	PRESIDENT FOREMAN: Is there a website we can
24	go to or

1	MS. ALLEN: It will be on our Instagram.
2	PRESIDENT FOREMAN: And what's your Instagram?
3	MS. ALLEN: CYCPA_
4	PRESIDENT FOREMAN: CYCPA @CYCPA_ for
5	everyone who's social media savvy and you can get
6	all the information.
7	MS. ALLEN: Yeah. That's it. Thank you very
8	much.
9	PRESIDENT FOREMAN: Thank you. And thank you
10	again for your continued participation.
11	For everyone, I think it's critical
12	that we encourage our young people to be a part of
13	this system. They have a lot more runway than we
14	do. And, you know, I've personally kind of
15	witnessed and gotten to know some of them. In fact,
16	even one of the new council members is one of the
17	Youth Council members as well, right, so how do we
18	get our young people involved in making the system
19	better.
20	Our next speaker, Tamiko Holt. Tamiko
21	Holt. Do we have Tamiko Holt available?
22	MS. HOLT: Hi. Can you hear me?
23	PRESIDENT FOREMAN: Yes, ma'am. Good evening.
24	MS. HOLT: Good evening, all. My name is

1	Tamiko Holt, and I am speaking on behalf of the
2	Hendrix family.
3	Treasure Hendrix was a young woman
4	that was found dead in a police officer's a
5	former police officer, Charlie Bell's, RV last year,
6	August 2021.
7	The family's concern my concern,
8	should be the public's concern, is the
9	non-investigation that took place with Treasure
10	Hendrix's death. And today we're here to speak on
11	behalf of that non-investigation. And I'm trying to
12	understand that why we don't think that when it's
13	one of our own, meaning the Chicago PD, why would we
14	think that the investigation should be more
15	scrutinized to make sure that everything was done
16	according to your policies and your procedures.
17	None of this happened. So many unanswered
18	questions, just for lay people. I'm not talking
19	about people that worked in that space for many
20	years. I'm talking about lay people with common
21	sense that has real common sense questions. This
22	has not been answered. And with that being said,
23	this is not going away. And the inaction of
24	everyone involved that we trust to have our best

1	interests at heart is very disturbing.
2	Now, we as taxpayers, and as a black
3	woman living in Chicago, and I see I'm seeing the
4	surge of black women coming up missing and pretty
5	much coming up dead in garbage cans and nobody has
6	nothing to say about it. It's a problem. We're
7	watching. We're pretty much starting to rise and
8	pretty much organize it. It's a problem that needs
9	to be addressed. But when it's one of our own that
10	we trust to serve and protect, and the agency that
11	pretty much Department that's supposed to pretty
12	much be surrounding, serving and protecting the
13	citizens that we pay good money to do this, we have
14	to do something. Nobody is above the law.
15	PRESIDENT FOREMAN: Ms. Holt, I'm sorry. Your
16	time is up. But let me ask a question. I'm not
17	sure. Are you asking about CPD investigating this?
18	I'm not really sure.
19	MS. HOLT: I'm talking about all the powers
20	that be and the check-and-balance systems we claim
21	we have in place, where are they? They are not
22	showing up. Where are they? Does that make sense?
23	PRESIDENT FOREMAN: It does. But I want to try
24	I want to try to not just listen to you, but try

1	to see if there's some action that we can take
2	rather than just listening to you.
3	MS. HOLT: And basically what I'm saying is, no
4	one has contacted the family concerning this. No
5	one has even made it look like they were even trying
6	to investigate this.
7	PRESIDENT FOREMAN: Okay.
8	MS. HOLT: To make sure that what you say
9	happened to this young woman actually happened.
10	PRESIDENT FOREMAN: All right. First Deputy,
11	can I ask you to if we need information from Max
12	to get in contact, is this something I can ask you
13	to follow up on?
14	FIRST DEPUTY CARTER: Yes, sir. If she can
15	give the information to Max, we'll follow up, and
16	I'll have Chief of Detectives Deenihan give look
17	into it.
18	PRESIDENT FOREMAN: Thank you very much.
19	MS. HOLT: Thank you very much.
20	PRESIDENT FOREMAN: Ms. Holt, I'm sorry for you
21	and the family's loss.
22	MS. HOLT: Thank you very much.
23	PRESIDENT FOREMAN: Our next speaker, Yesenia
24	Puebla.

1	MC DIEDIA: US Kas Good evening Mach se
1	MS. PUEBLA: Hi. Yes. Good evening. Yeah, so
2	the release of COPA's final investigation is a
3	damning indictment of CPD Superintendent David
4	Brown, Police Board Member Steven Block, who is on
5	this call, and Mayor Lori Lightfoot.
6	I quote from the report, "COPA has
7	determined Officer Solano's use of deadly force
8	against (redacted) on March 31st, 2021, to be
9	without specification and in violation of General
10	Order 03-02. COPA further determined that Officer
11	Solano failed to properly activate his body-worn
12	camera, failed to properly load his firearm, and
13	failed to follow his training with respect to foot
14	pursuits."
15	The report states, "Accordingly,
16	"COPA recommends separation from the Department."
17	So this is yet another incident in which CPD is
18	disregarding the actions of a killer cop on the
19	streets of Chicago, while putting a gun back in his
20	hands.
21	The mayor-selected Police Board
22	Member Steven Block made the final decision to
23	ignore COPA and siding with another mayoral
24	appointee, Police Superintendent David Brown, in the

1 process. 2 There must be an investigation into how the Police Board decided the case and all 3 records must be released for the public to see, 4 5 including the statements of Officer Solano and Sammy Encarnacion, justifying the murder they committed. 6 The alleged police oversight in 7 Chicago is rigged at every point in favor of the 8 9 police. 10 Steven Block was able to block COPA's 11 recommendation as a single member of the Police 12 Board. If he had agreed with COPA's recommendation to fire officers, it would still have to have 13 14 proceeded to hearing with the whole Board. 15 So the public saw Block's ruling 16 before we were even allowed to read COPA's summary. At every point in the process, Chicago officials 17 18 have decided that protecting the reputation of CPD 19 came before the openness to the public. 20 Anthony should be here today. 21 Anthony Alvarez, he should be with his daughter and 22 the rest of his family that has been demanding 23 answers since March 31st, 2021. 2.4 The entirety of the system of

1	policing in Chicago is denying his family justice.
2	Evan Solano and Sammy Encarnacion
3	must face federal civil rights charges for the
4	violation of Anthony Alvarez's civil rights
5	immediately.
6	Adam Toledo, 13-year-old from Little
7	Village, he should also be here. He was murdered
8	two days before Anthony, which speaks to how police
9	continue to not be punished for murdering young
10	people in the City.
11	There needs to be an investigation
12	for the CPD's handling of cases that lead to the
13	death by police brutality of our communities.
14	Justice for Anthony Alvarez.
15	PRESIDENT FOREMAN: Thank you. So to respond
16	to your comments, our system is currently set up
17	that if the Superintendent and COPA have a
18	disagreement, one member of the Board has the
19	opportunity to review the information that both
20	sides present. Based on that information, that
21	Board member gets to make a decision whether or not
22	the Superintendent overcame COPA's recommendations.
23	In that particular case that you talk
24	about, Board Member Block made that recommendation

1	based on significant information that he had at his
2	disposal. The same that any of us would. Right?
3	That's the way our system is set up. And so
4	MS. PUEBLA: I understand
5	PRESIDENT FOREMAN: Wait, wait, wait, wait.
6	Your time is up. You had the opportunity to take a
7	look at our at the Police Board to get a good
8	understanding of what this process is, right?
9	MS. PUEBLA: And I'm responding.
10	PRESIDENT FOREMAN: You have the opportunity to
11	go and try to change the way the process works.
12	This is the way
13	MS. PUEBLA: Yeah, thank you. And I'm telling
14	you
15	PRESIDENT FOREMAN: This is the way that our
16	process works. We have the opportunity, the same
17	way that the Commission came and they were able to
18	make some changes. As the members of the public, we
19	have the opportunity to make changes to our system.
20	This is the way that our system works. And so I
21	invite you to continue to come back. But this is
22	the way that our system works.
23	So thank you. Our next speaker, Fred
24	McGee. Fred McGee.
1	Next speaker, Cynthia Hendrix.
----	--
2	Cynthia Hendrix.
3	Our next speaker Catherine Henchek.
4	Catherine Henchek.
5	Next speaker, Kamran Siddiqi.
6	MS. SIDDIQI: This is Kamran. The release of
7	COPA's final investigation is a damning indictment
8	of CPD Superintendent David Brown, Chicago Police
9	Board member Steven Block, and Mayor Lori Lightfoot.
10	I quote from the report, "COPA has determined
11	Officer Solano's use of deadly force against
12	(redacted) on March 31st, 2021, to be without
13	justification and in violation of General Order
14	03-02. COPA further determined that Officer Solano
15	failed to properly activate his body-worn camera,
16	failed to properly load his firearm, and failed to
17	follow his training with respect to foot pursuits."
18	The report states, "Accordingly, COPA recommends
19	separation from the Department."
20	This is yet another incident in which
21	CPD is disregarding the actions of a killer cop on
22	the streets of Chicago, while putting a gun in
23	the back in his hands.
24	The Mayor-selected Police Board

Γ

1	member Steven Block made the decision final
2	decision to ignore COPA and sided with another
3	mayoral-appointee, Police Superintendent David
4	Brown, in the process.
5	There must be an investigation into
6	how the Police Board decided this case. All records
7	must be released for the public to see, including
8	the statements of Evan Solano and Sammy Encarnacion,
9	justifying the murder they committed.
10	The alleged police oversight system
11	in Chicago is rigged at every point in favor of the
12	police.
13	Steven Block was able to block COPA's
14	recommendation as a single member of the Police
15	Board.
16	If he had agreed with COPA's
17	recommendation to fire the officers, it would still
18	have proceeded to a hearing of the whole Board.
19	The public saw Block's ruling before
20	we even were allowed to read COPA's summary. At
21	every point in the process, Chicago officials have
22	decided that protecting the reputation of CPD came
23	before openness to the public. Anthony should be
24	here today. He should be with his daughter and the

rest of his family. 1 I would also like to point out that 2 there was such a long delay after your final 3 release -- COPA's final release on January 27th. 4 5 Everything you have done has been to delay and obstruct justice. These families are waiting for 6 justice and you have obstructed it. 7 I know what you said about the 8 9 process, but really the process is broken. Anthony 10 Alvarez should be here with his family. Adam Toledo 11 And we will never stop fighting for should. 12 justice. Justice for Anthony Alvarez. Thank you. 13 PRESIDENT FOREMAN: Kamran, are you still 14 there? 15 MR. SIDDIOI: Yes. 16 PRESIDENT FOREMAN: Did you get an opportunity 17 to read the decision? 18 MR. SIDDIOI: Yeah, I did. PRESIDENT FOREMAN: And so I think that there 19 20 was a very full explanation as to the evidence that 21 was there and why the decision was made. So I would 22 ask you to take another look at it and go --23 MR. SIDDIOI: I also read the numerous 2.4 violations in COPA's report, the numerous things

that Evan Solano and Sammy Encarnacion did wrong. 1 Ι 2 mean the fact that a statement wasn't taken from Evan Solano until like April and then they want to 3 say there was no like possible collusion between the 4 5 officers, it's just ridiculous. I mean this has taken such a long thing. That's not even to say 6 Superintendent Brown waited like 175 days after 7 COPA's release. He was supposed to make a decision 8 9 in 90 days. So there's no oversight. The cops can 10 kill whoever they want. They've killed -- they've 11 shot another person, Raymond Comer, on the 2100 12 block of West Adams. There's no oversight, so these 13 things keep happening. 14 PRESIDENT FOREMAN: There is absolutely

14 oversight. I will strongly suggest, there is an 16 opportunity to apply for the Commission for the 17 District Council positions. We talked about that 18 earlier.

MR. SIDDIQI: Just a rubber stamp for the police's decision. That's been proven.

21 PRESIDENT FOREMAN: Well, this Commission now 22 will be run by the people. You have an opportunity 23 to participate. So I will strongly suggest that you 24 do so.

Our final speaker is Mr. Robert More.
 MR. MORE: Yeah, Mr. Foreman, can you hear me?
 PRESIDENT FOREMAN: Yes, sir.
 MR. MORE: Got you. First of all, I never -- I

am on the two minutes. I don't know what it is. I 5 don't have a stopwatch on it right now, and I just 6 run out of time and that's just the way it is. 7 But I am finishing all of my meetings -- I wasn't able 8 to finish with the following closer. May the souls 9 of the faithful departed, through the mercy of God, 10 11 rest in peace and may perpetual light shine upon 12 them.

13 The big problems are lack of adequate 14 priority. That's the source of all the problems, 15 along with the fallen human condition, and the fact 16 that you have a hundred satanic pedophiles -actually 300, the ten families, that push the 17 18 buttons and pull the strings and have such enormous 19 technological capacity, all the different patents 20 and trademark applications that have been made, 21 classified so that us goyim can't get that 22 information and fix all the problems in the world. 23 There's just so many evils that are involved. 24 What is the basis for the absence of

1	the Superintendent from this meeting?
2	PRESIDENT FOREMAN: Mr. More
3	MR. MORE: I will move on. I'm complaining
4	about that because pardon?
5	PRESIDENT FOREMAN: Let's not use up your time
6	for this.
7	MR. MORE: Okay. Got you. I'm complaining
8	about that because I can't see how he cannot
9	participate. Okay.
10	Correction from earlier meeting,
11	because I have to protect my estate and myself. I,
12	RJM, Robert J. More is in no way suicidal. Never
13	has been. When RJM stated that anyone ever
14	committing suicide, I have been there, RJM was not
15	referencing suicidal predisposition. Because RJM
16	has known for 55 years now that no human being ever
17	possesses the authority to take his or her own life.
18	The message RJM was endeavoring to
19	convey was that RJM has been subjected to temptation
20	to despair salvation, which are most painful,
21	indeed.
22	And RJM at age 62 understands the
23	difficulties and suffering a person in a position of
24	the Chicago Police Department was trying to do the

1 right thing. 2 It is extremely difficult. You're between a rock and a hard place. You're Serpico. 3 You're Terrance Yeakey, the Oklahoma City hero who 4 was gunned down. Okay. You are Pat Tilman, the 5 friendly fire, just ending up dead. And you are in 6 a really difficult position. 7 So the institute of Michael the 8 9 Archangel wants it to be known that we're out here. 10 Dr. Abraham Low, Mental Health 11 Through Will Training, RJM cannot recommend this 12 enough --13 PRESIDENT FOREMAN: Mr. More. 14 MR. MORE: Am I done? 15 PRESIDENT FOREMAN: Your time is up. Yes, sir. 16 Thank you. 17 MR. MORE: Okay. 18 PRESIDENT FOREMAN: Thank you. Ms. Lolita 19 Hendrix, were you able to join? Ms. Hendrix? 20 Yes. Can you hear me? MS. HENDRIX: 21 PRESIDENT FOREMAN: Yes, ma'am. 22 MS. HENDRIX: My name is Lolita Hendrix, and I 23 am a citizen of Chicago, as well as an employee of 24 the City of Chicago.

1	Last year, my niece was killed, I
2	believe, on August 19th of 2021. Here's my request.
3	We have the Police Department not looking at the
4	case clearly. COPA was present at what was an
5	autopsy; however, the family was never told that she
6	had even passed away.
7	COPA was also present and they
8	documented a lot of information that was contrary to
9	what was at the scene, according to the Fire
10	Department.
11	So we got a lot of messed-up
12	information coming to us as a family, telling us
13	this is how my niece passed away.
14	Sadly, what we are seeking and what
15	we are not getting is constant communication from
16	the Police Department. We're also not getting
17	information that would have been from our FOIA
18	request. We're also not getting information as it
19	relates to how she died. She had she had illegal
20	drugs introduced into her system, and there's
21	nothing that speaks to the Police Department doing
22	further investigation on that. And her case was
23	closed. And so the officer that did the case
24	

the person that we believe is the culprit in her
 demise.

3 We're seeking more response from the Police Department and a clear documentation from the 4 5 Police Department that attests to how they investigated this case. Why were none of us 6 interviewed to talk about what we know about our 7 niece, my niece? And, in fact, her mother, who is 8 also on the line but she couldn't get through into 9 10 the system for some reason, it wouldn't let her 11 through.

12 So I'm hoping that the Police 13 Department will reopen this case and that the Police 14 Department will actually do an investigation as it 15 relates to Treasure Nicole Hendrix who was, in my 16 opinion, murdered. And I thank you for your time. 17 PRESIDENT FOREMAN: Thank you, Ms. Hendrix. As I stated to Ms. Holt, sorry for your loss. 18 The 19 First Deputy is going to have someone make sure to 20 get in touch with you all and get some additional 21 information. But one thing, Chief of Staff 22 Westensee, she mentioned that COPA was also involved 23 at some point. Can you also -- I'll have Max reach out to you. Can you also take a look at this and I 2.4

1	just want to make sure that, you know, we've looked
2	at this in all the matters it's supposed to be
3	looked at and let's get back to the family to let
4	them know kind of where you are from a COPA
5	perspective.
6	The first is going to have he is
7	going to look into it as well.
8	ACTING CHIEF ADMINISTRATOR WESTENSEE:
9	Absolutely. We will coordinate a response here and
10	reach back out.
11	PRESIDENT FOREMAN: Thank you very much.
12	At this time, all members of the
13	public who signed up to speak have been called. Is
14	there a motion to adjourn?
15	VICE PRESIDENT WOLFF: Yes. This is Paula
16	Wolff.
17	First I want to welcome the CCPSA
18	members. Congratulations. Look forward to working
19	with you. And I move that we adjourn.
20	PRESIDENT FOREMAN: Is there a second? I'll
21	make the second. I can't make the second.
22	BOARD MEMBER DOORLEY: I'll make the second.
23	PRESIDENT FOREMAN: We have a first and a
24	second. All in favor, please say aye.

1	(CHORUS OF AYES.)
2	PRESIDENT FOREMAN: Thank you. The motion
3	passes and the meeting is adjourned. I wish
4	everyone peace.
