1 PRESIDENT LIGHTFOOT: Good evening, 2 everyone. We're going to get the meeting 3 started. 4 My name is Lori Lightfoot, and I 5 am President of the Chicago Police Board. I am calling the meeting to order. 6 7 The first item of business is approval of the minutes of the Board's regular 8 9 public meeting held on August 10th and the 10 special public meeting held on August 25th, 2017. 11 12 Is there a motion to approve the 13 minutes? 14 BOARD MEMBER SIMPSON: So moved. 15 BOARD MEMBER EADDY: Second. 16 PRESIDENT LIGHTFOOT: All those in favor? 17 (Chorus of Ayes.) 18 PRESIDENT LIGHTFOOT: Any opposed? 19 (No Response.) 20 PRESIDENT LIGHTFOOT: Motion passes. 21 Next regular public meeting will 22 be on Thursday, October 19th at 7:30 here at Chicago Public Safety Headquarters. 23 24 At this time, I ask for a motion

1	to close a series of executive sessions for
2	purposes of considering personnel matters and
3	litigation, as authorized by Sections 2(c)(1),
4	(3), (4) and (11) of the Illinois Open Meetings
5	Act. Is there such a motion?
6	BOARD MEMBER SWEENEY: So moved.
7	BOARD MEMBER EADDY: Second.
8	PRESIDENT LIGHTFOOT: All those in favor?
9	(Chorus of Ayes.)
10	PRESIDENT LIGHTFOOT: Any opposed?
11	(No Response.)
12	PRESIDENT LIGHTFOOT: The motion passes.
13	A report of disciplinary actions
14	taken by the Board during the previous month
15	has been made available at this evening's
16	meeting. This report and the Board's written
17	Findings and Decisions are posted on the
18	Board's website.
19	The Police Board, as authorized
20	by the Open Meetings Act, has considered in a
21	closed meeting two disciplinary cases. The
22	Board will take final action on these cases.
23	Regarding case number 17 BP
24	2925, the Superintendent filed charges to

1	discharge Police Officer Clay Walker from the
2	Chicago Police Department for possessing a
3	controlled substance without a prescription.
4	The Superintendent subsequently moved to
5	withdraw the charges stating that he will be
6	unable to prove the charges by a preponderance
7	of the evidence.
8	Is there a motion to grant the
9	Superintendent's motion to withdraw the
10	charges?
11	BOARD MEMBER FOREMAN: So moved.
12	BOARD MEMBER SIMPSON: Second.
13	PRESIDENT LIGHTFOOT: All in favor?
14	(Chorus of Ayes.)
15	PRESIDENT LIGHTFOOT: Any opposed?
16	(No Response.)
17	PRESIDENT LIGHTFOOT: Voting in favor are
18	Board members Foreman, Delgado, Eaddy, Flores,
19	O'Malley, Simpson, Sweeney and myself. The
20	motion passes by unanimous vote.
21	Regarding case number 17 BP 2934,
22	the Superintendent filed charges to discharge
23	Police Officer Michelle Bankson from the
24	Chicago Police Department for making a false

1	statement. The Superintendent subsequently
2	moved to withdraw the charges without
3	prejudice, stating that the officer has a
4	serious medical condition.
5	Is there a motion to grant the
6	Superintendent's motion to withdraw the
7	charges?
8	BOARD MEMBER FOREMAN: So moved.
9	BOARD MEMBER EADDY: Second.
10	PRESIDENT LIGHTFOOT: All in favor?
11	(Chorus of Ayes.)
12	PRESIDENT LIGHTFOOT: Any opposed?
13	(No Response.)
14	PRESIDENT LIGHTFOOT: Voting in favor are
15	Board Members Foreman, Delgado, Eaddy, Flores,
16	O'Malley, Simpson, Sweeney and myself. The
17	motion passes by a unanimous vote.
18	The Board's decision in the cases
19	on which we took final action this evening will
20	be entered as of today's date and will be
21	issued to the parties. A copy of the written
22	decisions will be posted on the Board's website
23	as required by the Municipal Code of Chicago.
24	There's one additional

1 disciplinary matter to announce.

2	BOARD MEMBER SIMPSON: Pursuant to Section
3	2-78-130 of the Municipal Code of the City of
4	Chicago, a civil member of the Police Board has
5	considered a matter on which the Chief
6	Administrator and the Superintendent of Police
7	did not agree regarding the discipline of a
8	police officer.
9	Case number 17 RR 06 involves
10	allegations that Police Officer Dominic Merola
11	unnecessarily pointed his weapon at the driver
12	and passenger of a vehicle stop and detained
13	and handcuffed the driver for an extended
14	period of time without justification.
15	The Chief Administrator
16	recommended sustaining the allegations and
17	suspending the officer for 16 days. The
18	Superintendent recommended classifying the
19	allegations as Exonerated.
20	In my opinion, the Superintendent
21	met the burden of overcoming the Chief
22	Administrator's recommendation for discipline,
23	and therefore the Superintendent's
24	recommendation will be implemented pursuant to

1 the ordinance.

2 A copy of the written opinion 3 will be posted on the Board's website as 4 required by the Municipal Code of the City of 5 Chicago. 6 PRESIDENT LIGHTFOOT: Thank you, 7 Mr. Simpson. 8 The general orders and other directives issued by the Superintendent of 9 10 Police during previous months are listed in the 11 books made available at this evening's meeting and are posted on the Police Department's 12 13 website. 14 The next item is the 15 Superintendent's report to the Board. We have 16 First Deputy Kevin Navarro. Do you have a 17 report? FIRST DEPUTY NAVARRO: Good evening. 18 First I'd like to say the Superintendent is doing 19 well, and that he wanted me to reiterate that 20 21 we are committed to making the Department 22 better for everyone, staying true to our mission of protecting the City and its 23 24 citizens.

1	Reforms that we are putting in
2	place, and we continue to do, center around the
3	needs to provide better mentoring, support, and
4	training for our police officers so that they
5	are prepared to serve you all in Chicagoland.
6	The past year and a half we've
7	done several things towards the steps for
8	reform, including launching live scenario-based
9	training, force mitigation, deescalation and
10	crisis intervention, which our officers all
11	liked those classes.
12	This year we released a revised
13	use-of-force policy that is based on input from
14	police officers, subject matter experts and for
15	the first time citizens. We released it for
16	public comment, two periods.
17	Happy to report that we are
18	close to completing the first round of training
19	on the policy for all officers.
20	By the end of this year, every
21	officer on patrol will be equipped with a Taser
22	and a body-worn camera.
23	We've also invigorated our
24	officer training curriculum which now includes

1	cultural sensitivity training at the DuSable
2	Museum. Getting great reviews from everybody.
3	And our Community Policing
4	Advisory Panel just finished three public
5	meetings to review the drafting and
6	recommendations. This will change how we
7	police in Chicago, especially involving the
8	community.
9	If you want to take out a pen and
10	paper, we launched a website dedicated to
11	tracking the progress of our reforms. It's
12	home.ChicagoPolice.org/reform. You can follow
13	the progress of our reforms through that
14	website.
15	UNKNOWN SPEAKER: Can you repeat that?
16	FIRST DEPUTY SUPERINTENDENT NAVARRO: Sure.
17	Home.ChicagoPolice.org/reform.
18	UNKNOWN SPEAKER: Excuse me. Can I get a
19	chance to address the Board?
20	FIRST DEPUTY SUPERINTENDENT NAVARRO: Let
21	me finish.
22	We are optimistic and hopeful
23	about the direction we're headed, but we're
24	also realistic about knowing that there's much

1	work ahead of us to make CPD a model agency.
2	The Superintendent and I will
3	ensure that whatever agreement we put together
4	and put in place with the Attorney General,
5	that it will be put together with input from
6	police officers, subject matter experts and
7	people that we have sworn to serve you. So
8	thank you very much.
9	PRESIDENT LIGHTFOOT: Thank you, First
10	Deputy.
11	I will now call upon those
12	members of the public who signed to speak in
13	advance.

1 and preventable, gun violence.

2 It hit too close to home, because 3 I have lost two of my own children to gun 4 violence in separate incidents 20 years apart. In 1992, my daughter was 16 and a 5 senior in high school. She was getting ready 6 7 for college. She wanted to be a nurse. She was a smart, strong, young woman. And like 8 9 young people do one night, she went to the 10 movie with her friends. As she was leaving the theater, she was struck by a stray bullet and 11 killed instantly. The bullet that fired -- the 12 bullet that hit her was by a 14-year-old that 13 14 was given a gun by an adult. 15 My daughter was not the target -was not the target of this horrible act of gun 16 violence perpetrated by an illegal gun. 17 When she was killed, I was 18 pregnant with my fourth child, my only son 19 20 Tyler. 21 20 years later in 2012, December 22 23rd, he, too, lost his life to an act of senseless gun violence. Tyler was like his 23 24 sister, Tyesa, a good kid. Worked at Wal-Mart.

1	He was going to school to be an occupational
2	therapist, and he was target shot and killed in
3	front of my home, in my own driveway. Tyler's
4	murder still remains unsolved.
5	Since my children were killed, I
6	have worked tirelessly to stop more parents
7	from joining the worst club there is, to be a
8	survivor of members who were lost to gun
9	violence.
10	Through my struggles to stop
11	senseless gun violence, I have come to support
12	the work of everybody to pass the gun laws
13	today here.
14	I've lost two of my kids to gun
15	violence. We need to do something about the
16	crime in Chicago. My daughter was killed in
17	Chicago. My son was killed in Hazel Crest.
18	I work endless hours to try to
19	find the way to stop this. I ask you guys to
20	come up with a way, too. Thank you.
21	PRESIDENT LIGHTFOOT: Thank you, Ms.
22	Cherry.
23	Next speaker is Irma Aragon. Ms.
24	Aragon, good evening.
	Victoria Logal - Corporato Sorvigos

1	MS. ARAGON: My name is Irma Aragon. I
2	come from the north side. It is very hard for
3	me to be here. But 2016, September 7th, my son
4	was killed four houses close to my house, and
5	and I'm here because I have a problem with
6	the police. The police give false information
7	to the funeral home that my son was gang
8	related. It's not true. And I cannot bury my
9	son in the place where we pray and everything,
10	because all of this false information the
11	police do it.
12	And my neighbor, they have more
13	information than me, because they attended to
14	the CAPS meeting. I attended, too, but I feel
15	like I feel a little discriminated at this
16	point, because they know more than me. And
17	everything that they say about my son was not
18	true.
19	I've attended to the police CAPS
20	meeting, District 17, and I had to
21	confronted to the sergeant to ask him like
22	that, why you give this information. He said,
23	No, we did not. But I still hearing this
24	problem with my neighbors, with the community,

1 because they look different.

2	I need to work really hard on
3	this. And I feel like it's not right when the
4	police made these mistakes, because he was not
5	in a gang like they say. And I'm here because
6	I need help on the north side. North side have
7	a lot of children, too. This is not only south
8	side. And I feel like we don't have the same
9	support like the south side.
10	PRESIDENT LIGHTFOOT: Thank you, ma'am.
11	Our next speaker is Elizabeth
12	Ramirez. Ms. Ramirez, are you here?
13	MS. RAMIREZ: Yes.
14	PRESIDENT LIGHTFOOT: Okay.
15	MS. RAMIREZ: Good evening. My name is
16	Elizabeth Ramirez. I'm the cofounder for
17	Parents for Peace and Justice.
18	October 23rd of 2011, I lost my
19	son to the violence at his own birthday party.
20	He gave his life for two other lives. The
21	reason I'm standing is because I know there's
22	too many cases and not enough detectives
23	working on our children's cases.
24	I know that they're hiring more

1	police officers, but why not hire more
2	detectives to work on our children's cases.
3	We're not telling them to stop
4	doing what they're doing and take care of our
5	children's cases, because all children matter.
6	All children matter. And a lot of us know our
7	children, and because we're out there trying to
8	get answers to our questions.
9	I'm a mother that's been out
10	there. And I've gotten my answers to my
11	questions. As I take the information to the
12	detectives, to the captain and the sergeant,
13	nothing has been done.
14	They had got a group of the guys
15	that were involved in a gang except one, the
16	one that's taking the credit. The one that has
17	followed me. The one that has called me to
18	tell me to stop.
19	You know, we need help. I'm not
20	up here only for our children that are not here
21	with us any longer, I'm here for the children
22	that are still with us that deserve to live in
23	a better city, a better community, because my
24	group is for peace and justice.

1 Our children are here with us. 2 They deserve to be able to play in a 3 playground, be able to feel safe going to 4 school or to a grocery store or to the store on 5 the corner. 6 We're losing too many of our 7 children to this violence. And, again, I stand here not only 8 9 for my child, but the moms that have lost their children, too, and the ones that are still 10 11 here. 12 I have two grandkids, 11 years old and 2 years old. My 11-year-old is scared. 13 14 Why should she feel scared? 15 PRESIDENT LIGHTFOOT: Thank you, ma'am. MS. RAMIREZ: Thank you so much. And God 16 17 bless us. 18 PRESIDENT LIGHTFOOT: Next speaker is 19 Rachel Oliver. Ms. Oliver, good evening. 20 MS. OLIVER: Good evening. Today I am here 21 in my capacity as a member of the Progressive 22 Baptist Church. As our pastor, Dr. Charlie Dates, 23 24 stated some months ago, we are committed to

Police Board Public Meeting - September 18, 2017

1 working with the Department on efforts to 2 improve community relationships. 3 It has been shown in numerous 4 communities that personal interaction between officers and the communities that they police 5 6 serves to humanize the civilian population, 7 especially in regards to cross racial interaction. 8 9 Does the Chicago Police 10 Department have any plans to encourage this 11 policing style, specifically getting officers 12 out of their cars to interact with the communities they serve? If so, how can the 13 14 faith community be of assistance? After all, Jesus walked amongst sinners. Certainly the 15 CPD can encourage some efforts for interaction 16 17 between its officers and the citizens they 18 serve. I look forward to your answer. Thank 19 you. FIRST DEPUTY SUPERINTENDENT NAVARRO: 20 We 21 do encourage our officers to interact with the 22 community. It can be as simple as just getting out and saying hello, to playing basketball 23

24 with the kids, jumping rope, getting as close

1 as they can to the community. 2 I enjoy, myself, interacting. 3 And, yes, we do -- what district is your church 4 in? Do you know what areas? 5 MS. OLIVER: We're across the highway, 35th and Wentworth. 6 7 FIRST DEPUTY SUPERINTENDENT NAVARRO: You would be in the 9th District on that side, and 8 they should have a faith-based committee. 9 Τ 10 can have them reach out to you if I can get 11 your information. 12 MS. OLIVER: Thank you. FIRST DEPUTY SUPERINTENDENT NAVARRO: 13 14 Thank you for offering. 15 MS. OLIVER: Thank you so much. PRESIDENT LIGHTFOOT: Thank you, ma'am. 16 17 Our next speaker is Jeremy 18 Odekerken. 19 MR. ODEKERKEN: Close enough. PRESIDENT LIGHTFOOT: I tried. 20 21 MR. ODEKERKEN: I appreciate it. 22 If I may lift this up. **All** I'm here as well with Progressive 23 right. 24 Baptist Church. I am sure you are aware of the

events that transpired in St. Louis this last
 weekend with another miscarriage of justice
 once again.

Truly, we can all agree that we do not want to see this in our beloved Chicago. So we are here to tell you that we are with you, and we are here for you; however, we are going to provide persistent pressure and call you for accountability.

10 Not only do we promise that 11 when -- if anything like this happens in our 12 City, that we will peacefully and passionately 13 protest where needed, but we desire to partner 14 with you in whatever capacity for us to foster 15 justice when rights and lives are threatened or 16 trampled upon.

17 We cannot remain silent while 18 another life is taken. So we plead with you 19 now to please thoroughly investigate and unwaveringly pursue justice for all claims of 20 21 police misconduct that come before you and land 22 on your desks, especially in cases of officers that have a pattern of complaints of excessive 23 24 force and race behavior.

1	There was a history of 17
2	complaints regarding excessive force and use of
3	racial slurs against Officer Van Dyke before he
4	murdered Chicago teen Laquan McDonald. In each
5	of these previous cases, no action was taken.
6	I do not claim to know that he
7	was guilty of every complaint lodged against
8	him, but I do have to wonder that if action had
9	been taken previously, whether or not something
10	different might have happened that night in
11	October almost three years ago. A life could
12	have been spared, and there could be a future
13	and hope for Laquan.
14	This is all of our City, and we
15	want to pursue peace with you. Because in the
16	presence of peace, everybody, both police and
17	civilians, can thrive.
18	We want to be in a city which we
19	all have a common conviction to find truth and
20	justice that is spoken to find truth and
21	justice where wrongs that are committed are
22	being made right and the rights of all are
23	respected and upheld. Thanks and God bless.
24	PRESIDENT LIGHTFOOT: Thank you, sir.

1 Michri Stewart. 2 Next speaker, Raphael Vargos. 3 MR. VARGOS: My name is Raphael. We are 4 here on behalf of our daughter Alexandra Vargos. She was killed October 19th, 2014. 5 It is an unsolved case. We have had to reach out 6 7 to detectives. We are getting minimal response when we call. There are moments where they 8 9 can't be reached or they don't call back. And 10 unfortunately, they don't. 11 My daughter was sitting in the kitchen waiting for her brother, and she was 12 13 killed in -- sitting in a kitchen. This is 14 outrageous and out -- not unheard of, but it's 15 just outrageous that something can happen -- she was going to college. 16 She 17 was -- she wanted to be someone. She wanted to 18 give to society. And we have people out here 19 with no conscience, easy accessibility to guns. 20 I know the Police Department is 21 trying the best they can, but we need more 22 She was killed in the Belmont Cragin help. 23 There is a gang war going on in that area. 24 area. It is about six shootings, people -- six

deaths already this year alone. And we want
 something done.

3 We are here on behalf of our 4 daughter. And we would like justice for our 5 daughter.

We understand that the Police 6 7 Department is overwhelmed with so many cases, but they need more detectives. They need more 8 9 homicide detectives. They need more -- we need 10 help in the City. The City looks beautiful on 11 one side, on the other side there is blood all over the street. That needs to stop. We need 12 to do something. We need to work together. 13 14 The Police Department with the community, we 15 need to work together. PRESIDENT LIGHTFOOT: 16 Thank you, sir. 17 Ms. Vargos, is there something

18 you'd like to add, ma'am?

MRS. VARGOS: Yes. I'm the mother of Alexandra Vargos. That's her full name. At 18 years old, like my husband said, she was a freshman in college and her goal was to be a social worker. That was what she wanted to do. So, as parents, we're doing all

1	we can so we could express our concerns and
2	others that don't even realize what's going on
3	out there, because you don't have to be
4	affected or know someone that is affected by
5	gun violence to proceed to help, because my
6	daughter was taken away. Her innocent life was
7	taken away. Her dreams were taken away. But
8	as parents, we can't let her dreams be taken
9	away.
10	So we're going to do all we can,
11	but we want justice, and we want the support of
12	everyone in the law system.
13	There's too many lives that are
14	being taken away. And it's not fair for
15	anyone. It's not fair for those that want to
16	make a difference in the society.
17	We raised her right, and we've
18	done all we can, and there has to be something.
19	There has to be something in place. There has
20	to be. It's too much. Too many young lives,
21	older, elderly and young, and it's just too
22	much. We want answers, please.
23	PRESIDENT LIGHTFOOT: Mr. Navarro, could
24	you meet with the Vargos?

1 And also, Mrs. Ramirez, are you 2 still here? 3 MS. RAMIREZ: Yes, I am. 4 PRESIDENT LIGHTFOOT: Both of these, this family and Ms. Ramirez are talking about 5 detectives that haven't responded to them about 6 7 the status of the investigation of their families, and I wonder if you could speak with 8 9 them about that. 10 FIRST DEPUTY SUPERINTENDENT NAVARRO: No 11 problem. 12 PRESIDENT LIGHTFOOT: Stay at the end of 13 the meeting and go see the First Deputy. 14 MRS. VARGOS: Thank you. 15 PRESIDENT LIGHTFOOT: Our next speaker is 16 Carolyn Ruff. 17 MS. RUFF: Thank you for -- good to see 18 you. This is my first time here. But I do 19 have a complaint. 20 March 9th, there was a young lady that was abused at one of these chain Missha 21 22 stores in Charlotte, North Carolina. I'm pretty sure if you have not viewed the video, I 23 24 encourage you to go back and look up Missha,

1 Charlotte, North Carolina, and view the video. 2 Well, since that, I organized a 3 boycott here, because the owner of Missha in 4 Charlotte, North Carolina, is also the owner here in Chicago. And they live here in 5 6 Chicago. 7 Well, we've been boycotting that store for over 100 something days, and since 8 9 then, I've been harassed, put in jail. I'm a 10 70-year-old woman. And lies have been told on 11 And the police on 51st and Wentworth, me. every time we call to explain to them that we 12 are being harassed, this is a peaceful protest, 13 14 they seem to take Missha's side. 15 I tried calling the alderman to have a meeting with her. She refused. 16 And I want something to be done, because they are 17 18 not -- they're abusing me as a woman, as my 19 right to protest. And I would like for 20 something to be done of a -- they gave me a 21 restraining order, which I have not done 22 anything to anyone out there, just boycotting peacefully, me and a couple more people. 23 But 24 we've complained about the people that work in

1	this store. They've called us the B word.
2	They called us KKK. They called us the N word.
3	They threw pennies at us. You name it, they
4	have abused us. They have abused me, and I
5	wake up every night thinking that they put me
6	in jail for no reason. No reason. And this
7	happened August 8th.
8	PRESIDENT LIGHTFOOT: Thank you, ma'am.
9	Just point of clarification. Have you filed
10	any kind of complaint with IPRA or the Bureau
11	of Internal Affairs?
12	MS. RUFF: No, I have not filed.
13	PRESIDENT LIGHTFOOT: I don't see anybody
14	here from IPRA.
15	Chief I wonder if you can go
16	around the column. The chief of internal
17	affairs is here on the other side of the
18	column, ma'am, and he'll be happy to speak with
19	you about your concern.
20	MS. RUFF: Thank you very much. And I want
21	to say to all the parents that have lost their
22	loved ones, I'm fighting for justice for you as
23	well. And my heart is bleeding for all the
24	young people that have been killed in this

1 community, and we got to do something. We got 2 to do something. Thank you very much. 3 PRESIDENT LIGHTFOOT: Chief Welsh is in the 4 back there. 5 Our next speaker is Pamela Hunt. Pamela Hunt. 6 7 MS. HUNT: I'm here. Good evening. Also 8 I express my condolences to the parents who 9 have lost children and to the families. 10 I quess my concern is, the 11 easiest thing to do is follow up, a phone call with the parents. That's the easiest thing to 12 13 do. And why detectives are not doing that, 14 it's despicable. It is despicable. It goes 15 against the very reform that is supposed to take place. The easiest thing to do is to call 16 17 a parent. I'm just disgusted even thinking 18 about that. 19 So I'm here before you today 20 because I'm concerned -- attorney Lightfoot, I 21 saw you on PBS, you and Shari Runner. And I 22 saw the discussion with the gentleman -- I think from the Chicago Police Survivor. 23 And 24 I'm afraid that there are many officers

1	currently on the force who take that same
2	position, that people, unarmed citizens, are
3	looking for a payday when they're being abused,
4	or somehow that our stories about abuse aren't
5	real, they're fabricated or they're
6	overexaggerated.
7	And the Fraternal Order of Police
8	president, I don't know if you met with him,
9	his mentality seems to be pretty much the same.
10	So I'm going to the very beginning. I'm saying
11	the issue is racism. And I'm asking what are
12	you going to do about it? When you talk about
13	cultural sensitivity, in my mind, it makes no
14	sense to bring people onto the force and then
15	try to induct them into cultural sensitivity.
16	If they haven't come in contact with a Latino
17	or a black person, it doesn't make any sense to
18	have that person on the force.
19	So I don't know what reforms in
~ ~	the black continue of the barries have been as

20 the hiring practices, I don't know how are you 21 trying to rid yourselves of the racists on the 22 force, or how you're trying to prevent further 23 racist officers from being on the force.

24 We have a president who is a

1 white supremacist, and we have a DOJ head, 2 Sessions, who is a white racist and KKK 3 empathizer, and I am not going to back down 4 from that statement. 5 PRESIDENT LIGHTFOOT: Thank you. 6 MS. HUNT: So I'm asking what are you all 7 going to do about the racism? Let me say, be the change, that 8 campaign, all I ask is, what are you asking the 9 10 white community to do to change? And Pat Hill, I cannot stand up 11 12 and not mention Pat Hill. That sister gave her She fought for the black community, and 13 life. she exemplified what a police officer should do 14 15 in terms of community policing and really trying to just help the community. 16 17 We're not trying to be 18 adversaries, but we're not trying to be victims 19 either. 20 PRESIDENT LIGHTFOOT: Thank you. 21 Our next speaker is Crista Noel. 22 Ms. Noel, are you here? Our next speaker is Queen Sister. 23 24 Good evening, ma'am.

1 MS. QUEEN SISTER: Good evening. Can we, 2 perhaps, have a moment of silence for Pat Hill. 3 (Brief Pause.) 4 Okay. This is real on this battle field. Okay. I want to say, regarding 5 6 Carolyn, I was over at Missha in January, and 7 we went through and did a license check for the establishment to find that they were violating 8 9 City ordinance. The police were called, and 10 when they arrived, the only thing they were 11 worried about was arresting the black sister in the snow suit, and that was me, because they 12 had been out there for two weeks bouncing 13 14 around. 15 And that's just another problem we have among us as a culture of people. 16 17 Everybody wants to play the game, but don't 18 nobody want to take time to learn the rules. 19 So, naturally, I called, and I 20 made the necessary complaints with the 21 alderman. My sister knocked on the window and 22 told Officer Schiller that a man was down the 23 street waving a gun. He was ready to lock me 24 up.

1	Now, when we say to you, I'll be
2	over there this week, we're going to call
3	and I'm going to call you before I call the
4	officers, because we want a we want you to
5	do your job. We want you to earn your money.
6	We want you to come to that establishment and
7	violate them for not complying with the
8	ordinances and enforce the law.
9	Our babies are back in school. A
10	lot of them took their summer funds to buy
11	guns. Let's not act like how this goes.
12	On top of that, we discovered
13	that there's a young Caucasian with a
14	Caucasian teacher that was distributing guns
15	and ammunition to the students. He represent
16	at least ten. Back on the street.
17	We've also discovered since the
18	last time I've been here that the same guns
19	that I told you was turned in end up back on
20	the street as
21	PRESIDENT LIGHTFOOT: Sister, Sister, let
22	me first say your time is up. I'm going to
23	give you time to wrap it up. Don't lean so
24	close to the microphone so we won't get the

1 feedback.

2	MS. QUEEN SISTER: I ran into two young
3	guys in the morning walking down the alley with
4	guns because they're scared.
5	We had a system in place. When
6	our community officer, who knew me, I'll take
7	the guns and give him the guns, and he turned
8	them in. He is retired. And that is no longer
9	in play.
10	So where do we take these guns?
11	I couldn't touch them, because I don't want my
12	prints on them.
13	So who do we call to when we
14	call 911, you don't show up because it is not a
15	life-threatening emergency until after the
16	trigger is pulled.
17	PRESIDENT LIGHTFOOT: Sister, I'm going to
18	ask you to stop there, and maybe First
19	Deputy Navarro can talk to you after the
20	meeting is over.
21	FIRST DEPUTY SUPERINTENDENT NAVARRO: You
22	can call when you have guns for us to recover,
23	call 911. I will guarantee you an officer will
24	be there fast.

1	MS. QUEEN SISTER: They document. We've
2	done it twice this school year. School hadn't
3	been in a month, and we made two calls, and
4	it's a no-show.
5	And let me say this,
6	Superintendent, while you are interim here,
7	don't think for two seconds that you're going
8	to deal with DACA and not deal with BLOCA.
9	I need you all to read Article
10	4 Section 4 of the United States
11	Constitution, and I want to point out this
12	invasion and (Inaudible). That's all I'm going
13	to say.
14	UNKNOWN SPEAKER: I want to address the
15	Board.
16	PRESIDENT LIGHTFOOT: Sir, sir.
17	UNKNOWN SPEAKER: Putting
18	PRESIDENT LIGHTFOOT: Sir, sir.
19	UNKNOWN SPEAKER: It ain't about
20	PRESIDENT LIGHTFOOT: Queen Sister, you
21	made a very serious allegation about a teacher
22	trafficking guns. I'm going to ask you
23	MS. QUEEN SISTER: Calm down. We're going
24	to talk.

1 PRESIDENT LIGHTFOOT: Again, sorry to 2 impose upon you again. I wonder if you'd like to make a 3 4 report of that allegation against a teacher, specific details. 5 Chief Welsh of the Bureau of 6 7 Internal Affairs is here, and I'm sure he would 8 be more than happy to take that report. 9 MS. QUEEN SISTER: Thank you. 10 PRESIDENT LIGHTFOOT: Did you say the 11 teacher was arrested? 12 MS. QUEEN SISTER: He's been arrested. 13 But we understand there was more than one at 14 that particular school. 15 PRESIDENT LIGHTFOOT: Thank you very much. 16 MS. QUEEN SISTER: Can we see what you're 17 doing with the money? 18 Can we see something about the 19 budget in this blue book? 20 PRESIDENT LIGHTFOOT: Thank you, Queen 21 Sister. 22 PRESIDENT LIGHTFOOT: Our next speaker is 23 George Blakemore. 24 UNKNOWN SPEAKER: I want to address the

1 Board.

2 PRESIDENT LIGHTFOOT: Sir, if you'd like to 3 speak, you need to sign up ahead of time. 4 UNKNOWN SPEAKER: I just want to --5 PRESIDENT LIGHTFOOT: Go ahead, 6 Mr. Blakemore. Good evening. MR. BLAKEMORE: To the citizens of our City 7 and to Ms. Lightfoot, I told the mayor that I 8 9 was going to speak about his appointment 10 of him. He was forced to do that. We can't 11 force these people to respect us. They have to respect our money. I'm not -- we can't 12 13 legislate the law. No white man have to like a 14 black man. He don't have to like me. I got to 15 like me. 16 Racism has been here and gonna 17 stay here. The only person that have to love 18 you, you got to love yourself and respect 19 yourself and make people respect you. 20 You have a political system here. It must work for you. You continuously call 21 22 the same political people. Well, you put them 23 there. 24 Nobody have to like me, but me.

1 Now, what about sanctuary and the 2 negative effect that it has on the Chicago 3 Police force. Bringing drugs into the country. 4 Drug cartel. Create all type of crime. And not respecting the law of the United States of 5 6 America when it comes to immigration and 7 naturalization. 8 So you are not doing your job, 9 because the mayor told you not to do it. 10 Sanctuary. Don't ask them if they a citizen. I'm a citizen. If I commit a 11 crime, I am a U.S. citizen, and you treat me 12 one way. Those that commit a crime that don't 13 14 belong here, turn them into ICE. Send them 15 back where they came from. 16 Now, wait a minute here. This is 17 out of control. God bless America. And I'm a 18 U.S. citizen. My people came here as slaves in 19 America. Not immigrants, but enslaved. And 20 seems like to me that you still want to keep us 21 there and put another group when you got 22 investigation and your human resource and going to use it on these people that don't even 23 24 belong here.

1 And the little dirty secret, you 2 can be a Chicago policeman and do not have to be a citizen of the USA. 3 4 And thank you, Ms. Lightfoot. So much progress obtained because of you. And you 5 and these other blacks on this Board. 6 7 God bless each one of you. UNKNOWN SPEAKER: I want to address the 8 Board. 9 10 PRESIDENT LIGHTFOOT: Sir, you are not 11 speaking tonight. You have not signed up. Ι have asked you politely. No, sir. No, sir. 12 13 I've asked you politely. Sir. Sir. 14 UNKNOWN SPEAKER: You all got to police --15 PRESIDENT LIGHTFOOT: Our last speaker, 16 Mr. Robert More. 17 Mr. More, please. Wait one 18 second. 19 Sir, please take your seat. Can 20 you please take your seat, sir. 21 Mr. More, go ahead. 22 MR. MORE: Robert More speaking. Executive of the archangel. 18, September of 2017. 23 24 There's been some confusion over

1	the most recent meetings as to what day it is
2	and their special meetings. And maybe on the
3	voicemail after hours a message can be left
4	with the Police Board number, because trying to
5	follow all this has gotten confusing. I have
6	missed some meetings.
7	I'm really sorry to hear the
8	troubled infliction of the Superintendent, but
9	that brings us back to the question: What is
10	necessary for the citizens of the City of
11	Chicago? Is the Superintendent cognizant of
12	the contents of the conveyances of each of the
13	public speakers at each and every meeting?
14	I have to come down here and
15	having the we have a new a different
16	deputy superintendent.
17	This isn't like we're in some
18	little Petticoat Junction or something where
19	there's just one deputy. It's not Barney Fife.
20	I mean there's 13,000 different individuals
21	could be sitting there.
22	So trying to accomplish what I'm
23	trying to accomplish, it's just and now I'm
24	just moving on to make a record.

1	So, again, I have respectfully
2	demanded sometimes a stipulation as to the
3	Superintendent at least reading, cognizant of
4	the contents of the conveyances.
5	Again, what happened on September
6	11th. We are now 16 years and one week since
7	the September 11th, 2001, atrocity.
8	The last premeditated murder was
9	(inaudible) victim in January of 2016.
10	40 months and two days the next
11	scheduled inauguration. This is a temporary
12	window of opportunity which will be lost
13	forever, even if I don't know if Trump's not
14	doing a good job at all. He is not bearing the
15	burden of the office.
16	Nonetheless, at least we're not
17	having attempts to start deportations to the
18	camps.
19	My heart goes out to all the
20	people who've lost children due to the sins of
21	other human beings. But no gun has ever killed
22	anyone. No knife has ever killed anyone. And
23	the means of self-defense is necessary to keep
24	an armed citizenry, the Second Amendment.

1 There's no problem in human 2 history to which more government is ever the 3 solution. That's simply not the problem. 4 David Clarke, Milwaukee County 5 sheriff --6 PRESIDENT LIGHTFOOT: Mr. More, you need to 7 wrap up. 8 MR. MORE: Okay. Trying to make the best 9 use of the time. 10 The last really important thing, 11 I just have to solute the following three in 12 law enforcement: Jack McLain, Ted Gunderson, and Terrence Seeke, without your revelations of 13 14 the truth of the first World Trade Center, the 15 agenda of the (inaudible) Oklahoma City and trying to expose what really happened. 16 17 I solute all of you (inaudible) 18 for all members of the City of Chicago Police 19 Department. 20 Thank you, Mr. More. THE COURT: 21 MR. MORE: Thank you. 22 PRESIDENT LIGHTFOOT: Before we adjourn, I, too, want to join the other speakers in noting 23 24 the passing of former Police Officer Patricia

She held us all accountable. 1 Hill. She 2 demanded accountability in a high standard. I send out our condolences to her 3 4 family. 5 I also want to thank our now 6 former Hearing Officer Jackie Walker. 30 years 7 of service to the Police Board. And want to thank her for her dedication to her tasks. 8 She will be missed. 9 10 Now, is there a motion to adjourn 11 tonight's meeting? 12 BOARD MEMBER EADDY: So moved. 13 BOARD MEMBER SIMPSON: Second. PRESIDENT LIGHTFOOT: All in favor? 14 15 (Chorus of Ayes.) 16 PRESIDENT LIGHTFOOT: Okay. The motion 17 passes. The meeting is adjourned. 18 Thank you, folks. 19 20 (WHEREUPON, the proceedings 21 were adjourned at 8:15 p.m.) 22 23 24
