

River Ecology and Governance Task Force Summary

March 9, 2020 3:00PM – 4:00PM

AGENDA

I. Welcome and Introductions

II. Task Force Survey

III. Planning Assistance to the States Restoration Framework Update

IV. Development Reviews and the Task Force Role

- a. Need for project review for “by-right” land uses, with the Task Force in an advisory capacity.
- b. Ways for Task Force members to participate in broader conversations about riverfront land use planning.
- c. Discussion: How do Task Force members want to be involved?
What challenges may arise?

V. Small Group Discussion Questions

- a. System-wide Goals and Metrics
- b. Industrial Corridor Planning
- c. PAS Restoration Framework

VI. Share Out, Next Steps, and Adjourn
