

# Altenheim/Lawndale Line Community Planning Session 03

December 2, 2021, 5-7 pm

**Alderman Michael Scott, Jr. (24th ward)  
and Alderman Jason Ervin (28th ward)**

Welcome you to join us for the third of three community planning sessions on the Altenheim rail line.

**This project is exploring recreational opportunities for a two-mile section of elevated rail that lies between Taylor Street and Fillmore Street from California Avenue to Kostner Avenue.**

**This third community planning session is a workshop to talk about:**

- Refined design concepts on the line developed from community feedback
- Input on the design and usage of the Altenheim/Lawndale line
- Focus areas and development ideas in the surrounding neighborhood
- Understanding anti-displacement tools
