## Previous Planning in NEW CITY

### Back of the Yards Quality of Life Plan: Our American Dream Starts Here

*Facilitated by LISC in partnership with  
Back of the Yards Neighborhood Council*

“...improve the retail identify of the neighborhood as a catalyst changing the neighborhood perception.”

“...improve the physical appearance of the neighborhood through streetscape design and reuse of historic properties.”

“...build community support to demand appropriate level of police personnel to address the safety needs of the neighborhood.”

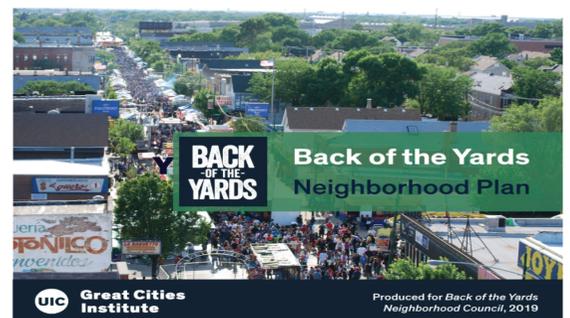

“...ensure quality housing is available to renters, seniors and veterans.”

“...we will expand educational opportunities for all youth in our community....”

“...we will connect local businesses to the resources they need to expand and prosper....”

“...we will support our residents by ensuring they have access to vital healthcare services....”

“...we will support the creation of stronger, more livable neighborhoods...”

### Back of the Yards Neighborhood Plan
