Strengthening Neighborhoods—Increasing Affordability.

2015 Fourth Quarter  
Progress Report  
October-December

City of Chicago  
Rahm Emanuel, Mayor

## LETTER FROM THE COMMISSIONER

We are pleased to submit the 2015 Fourth Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in *Bouncing Back*, Chicago's fifth Five-Year Housing Plan covering the years 2014-2018.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. In 2015, the second year of the Five-Year Plan, the Department committed over \$344 million to support 7,347 units of affordable housing. This represents 135% of our annual resource allocation goal and 89% of our units assisted goal.

During the fourth quarter, the Department approved financing for four multi-family development projects—giving us a total of fourteen for the year—and completed the transition to a strengthened Affordable Requirements Ordinance that is expected to generate 1,200 new units and \$90 million in additional resources for affordable housing over the next five years.

Once again, we would like to thank our many partners for their continued support and participation. We at DPD could not succeed in our work without the ongoing support and cooperation of these valued partners—neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. Through our combined efforts, we will continue to move forward in creating, preserving and supporting affordable housing for the people of Chicago.

David L. Reifman

## INTRODUCTION

This document is the 2015 Fourth Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014-2018*.

In 2015, DPD projected commitments of more than \$254 million to assist over 8,200 units of housing.

For the full year 2015, the Department committed more than \$344 million in funds to support over 7,300 units, which represents 89% of the 2015 unit goal and 135% of the 2015 resource allocation goal.

## CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2015 the Department of Planning and Development projected commitments of over \$206 million to support more than 5,600 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

For the full year, DPD committed more than \$304 million in resources to support 5,293 units. These numbers represent 147% of the annual multi-family resource allocation goal and 94% of the annual unit goal.

### Multi-family Rehab and New Construction

#### **Clybourn and Division Apartments**

On October 14 the City Council approved a financial package to enable the development of an 84-unit, mixed-income apartment building on the Near North Side. The \$39.2 million Clybourn and Division Apartments, located at 1200-26 N. Clybourn Avenue in the 27th Ward, will contain 26 units for Chicago Housing Authority (CHA) residents, 26 additional affordable units and 32 units at market rates.

City assistance for the project will include \$8.1 million in Tax Increment Financing (TIF) assistance, \$1.3 million in Low Income Housing Tax Credits that will generate \$13.2 million in equity and \$1.9 million in Donations Tax Credit equity. The 1-acre site, owned by the City and valued at \$4.3 million, will be sold to the developer for \$22,000. The CHA is matching the TIF funds with an \$8.1 million loan.

The V-shaped, seven-story structure will feature a daycare center, restaurant, 55 indoor parking spots and 2,500 square feet of commercial space. The developer is Clydiv LLC, a partnership between Michaels Chicago Holding Company and Brinshore PL, LLC.

*Part of the CHA's "Plan Forward", Clybourn and Division Apartments will contain a mix of studio, one- and two-bedroom rental units along with ground-floor commercial space.*

## Fannie Emanuel Apartments

Also approved on October 14 was the Chicago Housing Authority's proposed restoration of a vacant, 20-story West Garfield Park apartment complex. The \$64.4 million gut rehab of Fannie Emanuel Apartments, located at 3916 W. Washington Boulevard in the 28th Ward, will create 181 one-bedroom units for seniors. Upgrades will include modernized mechanical systems, a new facade, lobby, laundry, fitness center and landscape improvements.

The City is transferring \$35 million of its bond volume cap to the CHA for interim and permanent financing, supported by \$2.4 million in Low Income Housing Tax Credits that will generate \$26.1 million in equity for the project. The rehabbed apartments will be leased to seniors earning up to 60 percent of area median income. Tenants will pay 30 percent of their income towards rent; HUD rental assistance will cover the remaining monthly balances.

Originally constructed in 1963 as Park View Apartments, the building was vacated in 2007 due to mechanical system problems. Its new name honors Dr. Fannie Emanuel, an African-American physician and civic leader who founded the Emanuel Settlement House in Chicago in 1908.

## Midway Pointe Senior Residences

A financial package approved on October 28 by the City Council will support the construction of a 95-unit rental development for independent seniors in Garfield Ridge.

The \$20.3 million Midway Pointe Senior Residences, to be developed by Midway Pointe LLC at 5001-21 W. 47th Street in the 22nd Ward, will contain 89 one-bedroom and 6 two-bedroom apartments in a six-story elevator building. Eighty-five units will be earmarked for seniors at up to 60 percent of AMI; the remainder will be rented at market rates.

City support will include \$2 million in TIF funds, a \$4.6 million loan and \$900,000 in Low Income Housing Tax Credits that will generate \$9.8 million in equity for the project.

The complex will include meeting spaces, on-site management offices, a kitchen, library, TV/media room, landscaped courtyard and adjacent parking. A broad range of social activities and recreational programs also will be provided for residents.

*A new, mixed-income development planned for a .77-acre site at the southwest corner of 47th Street and Lavergne Avenue will house 95 one- and two-bedroom units for renters aged 55 or older*

## Nelson Mandela Apartments

A 72-unit affordable rental development for families will be constructed in West Humboldt Park through financial measures approved on November 18 by the City Council. The \$27.1 million Nelson Mandela Apartments comprises eight three- and six-unit structures to be located on scattered sites in the area bounded by Central Park, Chicago and Kedzie Avenues and Franklin Boulevard.

City financial support includes \$6.5 million in TIF funds and \$1.8 million in Low Income Housing Tax Credits that will generate \$17.8 million in equity for the project. The remainder of the funding will be provided through private sources and an \$850,000 loan from the Federal Home Loan Bank.

Construction will occur on five privately owned parcels and thirteen City-owned lots in the 27th Ward. The City lots, appraised at \$155,000, will be sold to Bickerdike Redevelopment Corporation for \$1 each. The three-story buildings comprise a mix of one- to three-bedroom apartments for households earning up to 60 percent of area median income. Off-street parking, bicycle storage and on-site laundry facilities will also be provided.

In 2015 the Department of Planning and Development projected commitments of over \$33 million to help almost 500 households achieve or sustain homeownership.

For the full year, DPD committed more than \$27 million to support 368 units. These numbers represent 83% of the annual homeownership resource allocation goal and 78% of the annual unit goal.

*This Pullman rowhouse, acquired under the Neighborhood Stabilization Program, was rehabbed in 2015 and sold to a homebuyer who qualified for down-payment and closing cost assistance.*

## IMPROVEMENT AND PRESERVATION OF HOMES

In 2015 the Department of Planning and Development projected commitments of nearly \$15 million to assist more than 2,100 households repair, modify or improve their homes.

For the full year, DPD committed more than \$12 million to support 1,686 units. These numbers represent 84% of the annual improvement and preservation resource allocation goal and 79% of the annual unit goal.

# POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

## Full Implementation of 2015 ARO Now Underway

The revised Affordable Requirements Ordinance approved on March 18, 2015 went into effect on October 13, 2015. All projects introduced to City Council after that date—or that fail to receive Council approval by July 13, 2016—will be subject to the 2015 requirements.

The ARO is triggered whenever a development project receives a zoning change, City land or financial assistance, or is located in a downtown Planned Development and includes a residential component containing ten or more units. The differences between the previous (2007) and 2015 AROs are summarized below. Additional information is available online at [www.cityofchicago.org/ARO](http://www.cityofchicago.org/ARO).

Policies	2007 ARO	2015 ARO
In Lieu Fee – Downtown	\$100,000	\$175,000/\$225,000* for for-sale developers who “buy out” of affordable unit obligation
In Lieu Fee – Higher Income Zones	\$100,000	\$125,000
In Lieu Fee – Low/ Mod Income Zones	\$100,000	\$50,000
Set-aside Requirement	10% of units built must be affordable;	135
20% if project receives financial assistance from the City	Unchanged	76
Affordable Unit Requirement	No unit requirement; developers can elect to pay in-lieu fee to meet entire obligation	2.5% minimum affordable unit requirement; developers can elect to meet remaining obligation with in-lieu fees
Offsite Option	No offsite option	Rental projects in the downtown zone or rental or for-sale projects in a higher income zone can build their required units off-site, within two miles of the subject property and in the same zone. For-sale projects downtown can meet their requirement by constructing for-sale units anywhere in the City.
CHA Option	CHA is not eligible to purchase units, and maximum rent must be affordable to households at 60% AMI, disadvantaging the CHA	Removes barriers that prevent the CHA and other authorized agencies from purchasing or leasing on-site ARO units; provides a \$25,000 per-unit reduction for remaining in-lieu fees
Transit-Oriented Development (TOD)	No transit-oriented benefits	Projects that meet the criteria for a Transit-Served Location can receive additional floor area/height if they include 50-100% of required affordable units on-site.
Allocation of In-Lieu Revenues (AHOF)	60% of AHOF funds go to construction or preservation of affordable housing; 40% go to Trust Fund	50% of AHOF funds go to construction, rehab, or preservation of affordable housing; 50% go to Trust Fund. AHOF funds can also support ARO administration.

## Twelfth Annual Rents Right Housing Expo

On November 7 the 12th Annual Rents Right Housing Expo provided a convenient, one-stop opportunity for landlords and renters to learn more about their rights and responsibilities. The free event was held at Steinmetz College Prep, located at 3030 N. Mobile Avenue on the Northwest Side.

Co-sponsored by the Department of Planning and Development (DPD) and the Chicago Rents Right Committee, the expo featured over thirty exhibitors who assisted tenants and landlords with information about conflict resolution, building code violations, laws pertaining to evictions, maintenance issues and other aspects of rental housing.

Bilingual workshops covered topics such as the rights of tenants and landlords under foreclosure, bed bug infestations and building code violations. Workshop attendees were eligible to enter a drawing to win one of six \$25 gift cards.

Participating agencies included various City departments, Lawyers' Committee for Better Housing, Metropolitan Tenants Organization, Community Investment Corporation, Access Living, Community and Economic Development Association, Spanish Coalition for Housing, Northwest Side Housing Center and Home Depot.

## Neighborhood Stabilization Program Update

Although the City has expended the last remaining funds out of a total of \$169 million in NSP grants awarded to Chicago by HUD since 2009, we will continue to report on NSP activity until all buildings have been completed.

Through the end of 2015, a total of 879 units in 199 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 826 units in 171 properties; 839 units (190 properties) have been made available for purchase or rent. One hundred ninety-one units (139 properties) have been sold to qualified homebuyers, and 46 multi-family properties containing 635 units have been fully rented out. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list continues to be available at [www.chicagonsp.org/index.html](http://www.chicagonsp.org/index.html).

NOTE: Beginning in 2013, we report on ARO projects when they have paid their fee-in-lieu or have filed the affordable housing covenant securing construction of the required affordable units. This does not necessarily mean these units have begun construction, but does imply that they were ready to begin construction, since the building permit cannot be released until the covenant has been recorded. Note also that totals represent all projects approved by City Council after the 2007 updates to the ARO.

NOTE: Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

\* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."

\*\* Low Rise or High Rise
