NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization - On June 26, 1985, the City Council of the City of Chicago enacted an ordinance, last amended December 15, 1992, which established an area known and designated as City of Chicago Special Service Area #7 and authorized the levy of an annual tax not to exceed an annual rate of five percent of the equalized assessed value of the taxable property therein to provide certain special services in and for the area in addition to the services provided by and to the City of Chicago generally.

In 1977, The Kedzie Tract Industrial Association, Inc. ("KTIA") had been created to provide special community services, in addition to those provided by the City of Chicago, to the Kedzie Tract which is the industrial area within the boundaries of Kedzie Avenue on the east, Central Park on the west, 49th Street on the south and 47th Street on the north, all boundaries identical to those defined by SSA #7. Under an agreement between the City of Chicago (represented by the Special Service Area Commission) and The Kedzie Tract Industrial Association, Inc., all activities of Special Service Area #7 were performed by KTIA. Services provided include street resurfacing, snow removal, sewer and water line improvements, electrical improvements, refurbishing of railroad crossings, private security, area clean-up, graffiti removal, and technical assistance to promote commercial and economic development within the area.

On March 12, 2008, the board of directors, with members present from the Chicago City Department of Planning decided to replace KTIA as the service provider with Back of the Yards Neighborhood Council beginning January 1, 2009.

At the annual meeting of KTIA a decision was made to dissolve the Association at midnight on December 31, 2008.

Basis of Presentation - Financial statement presentation follows the requirements under FASB ASC 958 (formerly SFAS No. 117, Financial Statements of Not-for-Profit Organizations). Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. On December 31, 2011, the Organization had no permanently restricted net assets.
NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Accounting Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents - For purposes of the Statement of Cash Flow, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Donated Services - No amounts have been reflected in the financial statements for donated services. The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs and various committee assignments.

Income Tax Status - The Organization is exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code.

Tax Levies / Revenue Recognition - Property taxes are levied pursuant to law in September and an enforceable legal claim attaches to the properties. The taxes are payable in two installments in the following year. The first installment is an estimate based on prior year's tax and is due in March. The second installment, adjusted to reflect any increase or decrease from the previous year, is due approximately in August. Cook County bills and collects all property taxes and remits them to the City of Chicago which remits them to the Organization.

Revenue from property taxes levied is recognized in the statement of activities in the year that it becomes available.

Annually, an estimate for doubtful receivables based on uncollected taxes from prior years is determined. Management determines the allowance based on historical experience. Accounts receivable are written off when deemed uncollectible (generally, after two years.)
Date of Management's Review - Management has evaluated subsequent events through April 3, 2012, the date on which the financial statements were available to be issued.

NOTE 2 - CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash balances at a high quality financial institution. Balances at times may exceed federally insured credit limits.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Organization is an affiliate of the Special Service Area Numbers 10, 13, and 39 and Back of the Yards Neighborhood Council. The Organization contracts with the Back of the Yards Neighborhood Council as the sole service provider in order to administer and provide direct services on behalf of the Organization, which has no employees.

Total expenses charged to the Organization for service related fees totaled $31,988 for the year ended December 31, 2010.

The Organization has a payable to an affiliated Organization Back of the Yards / Special Service Area #39 for an advance on a related line of credit in the amount of $15,000.
