The City of Chicago, through a pass-through grant to the Chicago Park District, will rehabilitate parks and fieldhouses at Carver, Columbus, Dvorak, Eckhart, Garfield, Humboldt, Jackson, Jefferson playlot, Park #429 (former South Shore Country Club), Pulaski Park, Rainbow Beach and Park, Sherman, and Washington Parks.

(see attached)

The following are hereby incorporated into this agreement:

1. A-102 Assurances
2. Proposal as submitted
3. 36 CFR Chapter XII, Part 1228
5. 43 CFR 17
6. [Blank]
The United States of America, represented by the Director, Heritage Conservation and Recreation Service, United States Department of the Interior, and the Grant Recipient above (hereinafter referred to as the Grantee), mutually agree to perform this agreement in accordance with the Title X, Urban Park and Recreation Recovery Program, 20 U.S.C. 2233, 92 Stat. 3813 (1978), and with the terms, promises, conditions, plans, specifications, estimates, procedures, project proposals, maps, and assurances attached hereto and hereby made a part hereof.

The United States hereby promises, in consideration of the promises made by the Grantee herein, to obligate to the Grantee the amount of money referred to above, and to tender to the Grantee that portion of the obligation which is required to pay the United States' share of the costs of the above grant, based upon the above percentage of assistance. The Grantee hereby promises, in consideration of the promises made by the United States herein, to execute the Grant described above in accordance with the terms of this agreement.

The following special Grant terms and conditions were added to this agreement before it was signed by the parties hereto: The Grantee agrees to acknowledge this assistance by placing a sign on all sites covered by this grant. "The improvement of this site was financed in part through a grant from the Heritage Conservation and Recreation Service, U.S. Department of the Interior, under the provisions of the Urban Park and Recreation Recovery Act of 1978 (Title X, Public Law 95–625)." The sign may also include the name of other funds involved in the improvements covered by this grant.

During construction, a temporary 3' x 5' sign will state "The improvements to this site are being financed in part through a grant from the Heritage (continued)

In witness whereof, the parties hereto have executed this agreement as of the date entered below:

ATTACHMENT TO UPARK FUND GRANT REHABILITATION AND INNOVATION AGREEMENT

Thirteen sites will be rehabilitated during the duration of this project. Six of the sites’ rehabilitation will include fieldhouse remodeling. A description of anticipated accomplishments and necessary rehabilitation are as follows:

**Carver Park:** A comfort station will be constructed and trees and shrubs will be planted.

**Columbus Park:** Repairs will be made to the refectory building. Window replacement, new roofing, flooring and floor finishing are included in the repair process. In addition to the above, the fieldhouse will be remodeled, trees and shrubs replaced and Jensen Drive restored to landscape green space. **(Phase One)**

**Dvorak Park:** The fieldhouse will be remodeled with the following improvements: new doors and windows, flooring and floor finishing, exterior wall improvements, landscape embellishments and the athletic field rehabilitation.

**Eckhart Park:** A new roof and floors will be installed as a part of the fieldhouse remodeling. Lighting improvements will also be made.

**Garfield Park:** The Music Court will be restored to a landscape green space. Four ball diamonds will be improved with the installation of new backstops, sidewings and bleachers.

**Humboldt Park:** The remodeling of the fieldhouse will include plumbing, lighting and floor improvements. New roofing, interior room revision will also be accomplished as a phase of the fieldhouse remodeling. Six ball fields will be improved and landscape embellishment will be made at the exterior of the fieldhouse. **(Phase One)**

**Jackson Park:** Trees and shrubs will be replaced and natural areas rehabilitated. **(Phase Two)**

**Jefferson Playlot Park:** The current playground will be redesigned and equipment installed. Landscape improvement will be made.

**Park #429 (Former South Shore Country Club):** The building exterior will be stabilized, tennis courts replaced, game terrace constructed, basement remodeled and mechanical and lighting improvements. **(Phase Two)**

**Pulaski Park:** New roofing and interior room revisions will occur as an addition of the fieldhouse remodeling. **(Phase One)**
Rainbow Beach and Park: Trees and shrubs will be replaced. New playground equipment installed as a phase of the playground remodeling. (Phase One)

Sherman Park: Three playgrounds will be remodeled and new equipment installed. The fieldhouse will be remodeled; included in this remodeling is new roofing, flooring, flooring materials, landscaping, electrical and plumbing improvements. (Phase One)

Washington Park: The rose garden will be rehabilitated along with shrub and tree replacement. (Phase One)
Submitted as a Part of  OHP No. 17-CTY-1670-01

SITE NAME: Carver Park

LOCATION: 939 E. 112nd Street

DATE:

BOUNDARIES AND STREET LOCATION: The area encompassed by the R.O.W. line adjacent to the park of E. 114th Street, S. Dobson Avenue, E. 113rd Street and S. Drexel Avenue.

TYPE OF LAND CONTROL: Fee Simple Title

DATE ACQUIRED: 1950

SCOPE OF WORK TO BE ACCOMPLISHED THROUGH THIS GRANT (Describe in detail provide numbers and work elements):

Construction of one new comfort station building encompassing some 600 sq. of floor space.

Planting of approximately 100 trees.

When the work is completed, toilet facilities will be available to service a senior citizens recreation area as well as a general use picnic area. This will allow for a more comprehensive use of the area. The trees will increase the esthetic values in the park.

Architectural & Engineering Costs  18,000
Pre-Agreement Costs  1,000
Comfort station building  45,000
Plumbing for building  17,000
Electrical facilities for building  14,000
Landscaping  55,000
Contingencies  20,000
Total Cost  $170,000

RESERVED AWAITS OF CRAPP ASSURANCE ON THE PROJECT & $119,000

SITE NAME: Park #429 (Former S. Shore Country Club) Sub. No. 09

LOCATION: 7059 S. Shore Drive

DATE:

BOUNDARIES AND STREET LOCATION:
Area encompassed by the easterly R.O.W. line of S.W. Shore Drive, the northerly line of 71st Street and the flood hazard line of the lake front.

TYPE OF LAND CONTROL: 10 year lease with owner

Scope of work to be accomplished through this grant (describe in detail, provide numbers and work elements):
Replacement or repair of 520 windows.
Replacement or repair of 44 doors.
New stucco surface applied to approximately 75,000 sq. ft. of wall area.

This work is the 2nd phase of extremely needed rehabilitation work to prevent the total deterioration of this building. This work will essentially complete the stabilization of the exterior of the building. Interior remodeling will be required to allow for complete recreational programs offering cultural opportunities in music and other arts, as well as in civic functions and craft instruction. Programs encompassing all of these activities will be offered to the total spectrum of age groups and draw people from a region of the city.

Architectural & Engineering Costs 118,000

AMENDMENT TO UPARR GRANT AGREEMENT

THIS AMENDMENT TO GRANT Agreement No. 17-CTY-1670-90-04 is hereby made and agreed upon by the United States of America, acting through the Director of the National Park Service pursuant to Title X, Urban Park and Recreation Recovery Program, 16 USC 2501, 92 State. 3538 (1978).

The GRANTEE and the United States, in mutual consideration of the promises made herein and in the agreement of which this is an amendment do promise as follows:

That the above mentioned agreement is amended by adding the following:
1) Extend the Grant expiration date from December 31, 1983 to December 31, 1984 (Retroactive from December 31, 1983.)
2) Additions and deletions to Scope (Attachment to Grant) as per attached.

In all other respects the agreement of which this is an amendment, and the plans and specifications relevant thereto, shall remain in full force and effect. In witness whereof the parties hereto have executed this amendment as of the date entered below.

UPARR PROJECT AGREEMENT INFORMATION
Submitted as a Part of GRANT No. 17-CTY-1676

SITE NAME: Columbus Park
Sub. No. 2

LOCATION: 500 S. Central Avenue

DATE:

BOUNDARIES AND STREET LOCATION: The area encompassed by the R.O.W. lies adjacent to the park of Muenster Blvd., Adams Street, Central Avenue and the Eisenhower Expressway.

TYPE OF LAND CONTROL: Fee Simple Title

DATE ACQUIRED: 1912

SCOPE OF WORK TO BE ACCOMPLISHED THROUGH THIS GRANT (Describe in detail and provide names and work elements):

Repairs to approximately 25,000 sq. ft. of roofing, new floors or improvements to existing floor finish for approximately 5,000 sq. ft. of area. Repairs or replacements to 64 window units. New plumbing or plumbing repairs for 4 public washrooms and 2 shower rooms. New lighting over 10,000 sq. ft. of floor space. Landscaping of approximately 2,000 sq. ft. of adjacent exterior area. Elevator service to second floor of fieldhouse.

This rehabilitation work will produce two rejuvenated recreation buildings featuring two gymnasiums, 10 club rooms, 2 kitchens, and various craft shops. These improved facilities will allow for better recreation service over a wide range of athletic programs as well as better service in the instructional arts and crafts. An elevator in the fieldhouse will provide service to second floor for the elderly and the handicapped.

| Architectural & Engineering Costs | $58,500 | $58,500 |
| Pre-Agreement Costs | $3,500 | $3,500 |
| New roofing | $75,000 | $75,000 |
| New doors & windows | $150,000 | $90,000 |
| New floors & floor finishes | $40,000 | $40,000 |
| Plumbing improvements | $70,000 | $70,000 |
| Electrical improvements (inc. elevator) | $190,000 | $270,000 |
| Exterior walks & paving | $40,000 | $40,000 |
| Landscaping | $128,000 | $128,000 |
| Contingencies | $75,000 | $75,000 |
| Total Cost | $850,000 | $850,000 |

ESTIMATED AMOUNT OF UPARR ASSISTANCE FOR THIS PROJECT $325,000

The information contained herein is a part of Agreement No. 1 and Amendment thereto No. 1.

UPARK PROJECT AGREEMENT INFORMATION

Submitted as a part of GRANT NO. 17-GTH-16

SITE NAME: Deepak Park

LOCATION: 1129 N. Cullerton Street

DATE:

BOUNDARIES AND STREET LOCATION: The area encompassed by the R.O.U. in adjacent to the park of Cullerton, Carpenter, May and 21st Street.

TYPE OF LAND CONTROL: Fee Simple title

DATE ACQUIRED: 1907

SCOPE OF WORK TO BE ACCOMPLISHED THROUGH THIS GRANT: (Describe in detail provide numbers and work elements):

Repairs or replacement to 36 window units. Repair or replacement to 14 units. New floor or improved floor finished for approximately 6,000 sq. of area. New plumbing or plumbing repairs for 2 public washrooms and 2 shower rooms. Sod and other improvements to 60,000 sq. ft. of Athletic area. Addition of elevator to serve the handicapped.

When this rehabilitation work is completed, a rejuvenated fieldhouse containing 2 gymnasiums, 1 assembly hall, 5 clubrooms, 4 kitchens and various shops will allow for a better range of athletic and recreational activity. The improved outdoor athletic field will accommodate all forms of outdoor sports and activities. An elevator will provide service to the 2nd floor, the elderly and the handicapped.

- New roof of approximately 18,000 sq. ft.
- New floor or improved floor finished for approximately 7,000 sq. ft. of area.
- New lighting over 5,000 sq. ft. of floor area.
- Interior plastering of approximately 3,000 sq. ft.
- Interior painting of approximately 5,000 sq. ft.
- Landscaping of approximately 2,000 sq. ft. of adjacent exterior area.
- Addition of elevator to service the handicapped.

When this rehabilitation work is completed, a fieldhouse with an improved exterior and interior will exist. This fieldhouse will contain 2 gyms, 1 natatorium, 1 auditorium, 6 clubrooms, 1 kitchen and will house various craftshop activities. The community will be provided with an improved and expanded recreation program. An elevator will provide service to the second floor for the elderly and the handicapped.

| Architectural & Engineering Costs | 47,500 |
| Pre-Agreement Costs | 2,500 |
| New Roofing | 175,000 |
| New Doors & Windows | 35,000 |
| New Flooring & Floor Finishes | 40,000 |
| Plumbing Improvements | 30,000 |
| Plastering (inc. elevator) | 105,000 |
| Electrical (inc. elevator) | 105,000 |
| Painting | 20,000 |
| Contingencies | 50,000 |
| Total Cost | 850,000 |

ESTIMATED AMOUNT OF UPFR ASSISTANCE FOR THIS PROJECT $350,000 (including contingencies.

The information contained herein is a part of Agreement No. 1 and Amendment thereto No. 2-2000.

November 1979
Submit as a Part of Grant No. 17-CTY-1670

SITE NAME: Humboldt Park

LOCATION: North & North Humboldt Avenues

DATE:

BOUNDARIES AND STREET LOCATION: The area encompassed by the R.O.W. lines adjacent to the park of North Avenue, Humboldt Drive, Division Street, and Bremo Drive.

TYPE OF LAND CONSIDERED: Fee Simple Title

DATE ACQUIRED: 1869

SCOPE OF WORK TO BE ACCOMPLISHED THROUGH THIS GRANT (Describe in detail provide numbers and work elements):

Repairs to approximately 28,000 sq. ft. of roofing. Realignement and revision to 13 rooms on the 2nd floor of fieldhouse. Repairs or replacement to 57 window units and 14 door units. New plumbing and plumbing facilities for 6 public washrooms and 2 shower rooms. Painting of approximately 75,000 sq. ft. of area. New floor or improved floor finishes for approximately 4,000 sq. ft. Landscaping of approximately 2,000 sq. ft. of adjacent exterior area. Rehabilitation of 6 ballfields. Addition of elevator to service the handicapped & the elderly.

When this rehabilitation work is completed there will exist a rejuvenated fieldhouse containing 2 gymnasiums, 7 clubrooms, Y kitchen, 1 craftshop, and 1 assembly hall. The improvements to these facilities will better allow for a very complete range of indoor athletic programs for art and craft instruction, cultural and dramatic presentations and other civic functions. The building also will provide a headquarters for a swimming pool and swimming beach operations. Service to the second floor for the elderly and the handicapped will be provided.

ESTIMATED AMOUNT OF URBAN ASSISTANCE FOR THIS PROJECT $ 595,000 (including contingencies)

The information contained herein is a part of Agreement No. and Amendment thereto No. 1

Date: 2-28-79
November 1979
SITE NAME: Polish Park

LOCATION: 1419 W. Blackhawk Street

DATE: 

BOUNDARIES AND STREET LOCATION:
The area encompassed by the R.O.W. lines adjacent to the park of Blackhawk, Noble, Potomac and Cleaver Streets.

TYPE OF LAND CONVEYANCE: Fee-Simple Title

DATE ACQUIRED: 1911

SCOPE OF WORK TO BE ACCOMPLISHED THROUGH THIS GRANT (Describe in detail provide numbers and work elements):

Roofing repairs to approximately 25,000 sq. ft. of roofing. Realignment changes, revisions and improvements to 11 interior rooms in fieldhouse. New plumbing and plumbing revisions to two public washrooms. New floor improved floor finishes to approximately 9,000 sq. ft. of floors. Plastic and painting to approximately 10,000 sq. ft. of area. New lighting of 4,000 sq. ft. of floor area. Landscaping of approximately 2,000 sq. ft. adjacent to exterior area. Elevator service to second floor.

This rehabilitation work will produce a rejuvenated fieldhouse containing two gymsnas, one assembly hall, six club rooms and one kitchen with various craft shops. These improved facilities will allow for better and more complete recreational service over a larger range of interior recreation service and will also provide better service for arts and crafts.

**Grant Number**: 17-CYT-1670-80-02  
**Applicant**: City of Chicago  
**Administering Agency**: Department of Planning  
**Grant Title**: Reuse and Innov. Programming  
**Grant Expiration Date**: December 31, 1982  
**Proposal Scope** (Description of proposal on individual site or project basis, with identification of each site):

1) The Chicago Park District, as a pass-through recipient of UPARR assistance, will make the following improvements to the Broadway Armory Park (No. 462) which will complete Phase I of the conversion of this facility to a community recreation center: new ventilation, flooring, lockers, curtain walls, lighting, protective window grids, and public address system; clean and paint walls; renovate a kitchen and, room conversions.

2) The Woodlawn Organization, as a pass-through recipient of UPARR assistance, will operate community-based recreation awareness, anti-vandalism training, and park rehabilitation programs. These programs are designed to serve the community by organizing events and activities which include the following: sports, arts, cultural activities, park awareness programs, park management programs, anti-vandalism education.

**Pre-Agreement Costs**: Should it be determined by the Comptroller General that architectural and engineering costs are eligible pre-agreements costs, an amount not exceeding $141,480 will be subject to reimbursement.

FHL-2-280  
January 1980  
Page 1 of 2
The United States of America, represented by the Director, Heritage Conservation and Recreation Service, United States Department of the Interior, and the Grantee Recipient above (hereinafter referred to as the Grantee), mutually agree to perform this agreement in accordance with the Title X, Urban Park and Recreation Recovery Program, 16 USC 2501, 92 Stat. 3538 (1978), and with the terms, promises, conditions, plans, specifications, estimates, procedures, project proposals, maps, and assurances attached hereto and hereby made a part hereof.

The United States hereby promises, in consideration of the promises made by the Grantee herein, to obligate to the Grantee the amount of money referred to above, and to tender to the Grantee that portion of the obligation which is required to pay the United States' share of the costs of the above Grant, based upon the above percentage of assistance. The Grantee hereby promises, in consideration of the promises made by the United States herein, to execute the Grant described above in accordance with the terms of this agreement.

The following special Grant terms and conditions were added to this agreement before it was signed by the parties hereto:

"The grantee agrees to acknowledge this assistance by placing a sign on all sites covered by this grant, 'The improvement of this site was financed in part through a grant from the Heritage Conservation and Recreation Service, U.S. Department of the Interior, under provisions of the Urban Park and Recreation Recovery Act of 1978 (Title X, Public Law 95-625).' The sign may also include the source of other funds involved in the improvements covered by this grant.

"During construction, a temporary 3'x5' sign will state, 'The improvements to this site are being financed in part through a grant from the Heritage Conservation and Recreation Service, U.S. Department of the Interior, under the provisions of the Urban Park and Recreation Recovery Act of 1978 (Title X, Public Law 95-625).' The sign may also include the source of other funds involved in the improvements covered by this grant."

In witness whereof, the parties hereto have executed this agreement as of the date entered below.

PRE-AGREEMENT AGRICULTURAL, ENGINEERING, AND ADMINISTRATION COSTS WILL NOT EXCEED $31,600

ESTIMATED BUDGET OF UPARK ASSISTANCE FOR THIS PROJECT $125,300

The information contained herein is a part of Agreement No.____

RFR 2-029X November 1979

When completed, Jackson Park will have added approximately 1,000 trees to its environment. Neighborhood youth have been trained in tree nurturing. In addition, a recreation program composed of activities selected by the community residents will be in place.
INNOVATION GRANT PROPOSAL:

B. DISCUSSION OF SELECTION CRITERIA – Broadway Armory

This is a proposal for the adaptive reuse of the Broadway Armory, a national guard facility. This building, built originally for commercial recreation, has in fact been used for recreation for the last 60 years on a regular, but not scheduled basis. The building has an oak drill floor of over 30,000 square feet, a ballroom, and at least 25 spaces of various sizes usable for recreation. This is a multi-year rehab proposal which envisions indoor track and field activities, sports activities (basketball, tennis, volleyball, soccer and boxing); drum corps and bands from the schools, university practice hall and a stage and entertainment hall; in the future a swimming pool and locker room area will be built; a kitchen which could be used for general public use, for school and bake sales, for community funding-raising events; multi-use room for games, meetings, education, social events; the National Guard medical unit available to the public for physical checkups; other uses include photography classes and developing dark room, ceramic and pottery, wood-working, painting, drawing classes; the all purpose hall can be used for large gatherings and special events (special olympics, inter-school competitions, mass theatrical performances, concerts and band performances) as well as organized gymnastics and sports. The National Guard offices will stay within the building and will share multi-purpose areas. The Chicago Park District will operate the recreation program with input provided by the local community organization, which originated this proposal, the Edgewater Council. A lease is currently being
INNOVATION GRANT:
B. Discussion of Selection Criteria - Jackson Park

The program in Jackson Park will be a recreation program organized and run by a community organization of a lengthy history of upgrading a low income community. Two, The Woodlawn Organization, will run programs in the arts and cultural field, general recreation and sports programs, activities in the care of plants and the appreciation of nature (attempting also to organize a Fruit, Vegetable and Plant Garden Market) and provide management assistance in assessing park problems and control of vandalism. A special emphasis will be placed on programs for the handicapped to be conducted by experienced staff and professional instructors with the assistance of youth trainees. In this community of Woodlawn there is a predominance of minority, low-to-moderate income families with a high concentration of youth and senior citizens. The area lacks usable park space and comparable recreational programs available in other areas of the city which hinders the redevelopment of the community. The fieldhouse is not capable of accommodating such a program due to the lack of available trained staff.

Integration of recreation with other community services. This program will be presenting arts and cultural programs in cooperation with nearby available institutions. Since this is a historic park with a funded restoration program about to begin, Two will be assisting in this program on Wooded Island. Since Two is directly involved in new housing development, neighborhood commercial improvement and the rehabilitation of housing, this recreation program will be directly related to neighborhood upgrading.
July 31, 1980

Issue of the Separate Entrance for the National Guard at the Broadway Armory

First, the fact that the National Guard will be completely dislocated from their central office complex near the main entrance to the Broadway Armory and relocated to the rear (south end) of the building is pertinent to the entrance issue.

The second fact is that the National Guard function, especially their recruiting station, is not compatible with the recreation function for the general public. The National Guard using the existing entrance would conflict with the general public use and would result in public confusion as to the location of the recreation program.

Therefore, the Chicago Park District must isolate the National Guard from the general recreating public and has proposed to relocate the National Guard entrance along with their main offices to the south end of the building also on Broadway Avenue. Having the main offices of the Park District at the north entrance to the building is the only method to ensure proper control of the recreation facility.

Thus, the new National Guard entrance is essential for operating and controlling the recreation program.

In view of the fact that the space is donated (a 25 year lease at no cost to the Park District) plus the fact that an undetermined share of the operating costs will be borne by the State, any cost sharing mechanism contemplated must take into account this rather large dollar figure. This figure could range from two to five million dollars based on value of physical plant donated or rental equivalents.
AMENDMENT TO UPARR GRANT AGREEMENT

This Amendment to Grant Agreement No. 17-CTY-1670-80-02 is hereby made and agreed upon by the United States of America, acting through the Director of the National Park Service pursuant to Title X, Urban Park and Recreation Recovery Program, 16 USC 2501, 92 State, 3538 (1978).

The GRANTEE and the United States, in mutual consideration of the promises and covenants herein and in the agreement of which this is an amendment do promise as follows:

At the above mentioned agreement is amended by adding the following:

The grant expiration date from December 31, 1982 to December 31, 1983

All other respects the agreement of which this is an amendment, and the terms and specifications relevant thereto, shall remain in full force and effect. In witness whereof the parties hereto have executed this amendment of the date entered below.

CLOSE-OUT NARRATIVE
UPARR GRANT 17-CTY-1670-80-02

This innovative Grant was primarily constructive in nature (85%) converting the Broadway Armory to a recreation facility. The Woodlawn Organization (T.W.O.), a large community concern within Chicago's economically depressed Woodlawn community, operated a program that included recreation activities with park management and anti-vandalism education programs. This program represents 15% of this Grant.

The Broadway Armory is located in the Edgewater community that was lacking in recreational space, both indoor and outdoor space - when compared with other community areas of Chicago. The total expenditure of Grant-oriented funds representing $1,000,000.00 (85% UPARR, 15% State) completed Phase I of the conversion of this facility to a community recreation center including new roofing, exterior wall improvements and some preliminary interior work necessary for implementation of Phase II of this project. Phase I of the conversion process was primarily exterior with Phase II completing the interior renovation.

The Woodlawn Organization was primarily responsible for the development and subsequent implementation of this innovative program. Of the $179,000.00 of available funds for this program 70% was UPARR, 27% CDBG local match and 3% contribution from T.W.O.
T.W.O. contracted Landscape Consortium to implement the landscape portion of the program representing over 40% of the project. Landscape Consortium did the landscape architecture and trained community youths during the planting of trees and shrubs.

T.W.O. managed the recreation program in Jackson Park with the cooperation of the Chicago Park District. Recreation activities reached all levels of the community including games and toys for children, sports tournaments for the young and ceramic and macrame classes for the elderly. The final report prepared by T.W.O. is attached to the Performance Report.
