GOAL 1: Improve sense of place and build on identity of Jefferson Park

1.1 IDENTIFY OPPORTUNITIES FOR PLACEMAKING

- Signature landmark -
- Signature gateway -

GOAL 2: Improve public space

2.1 IMPROVE AND CREATE NEW PUBLIC SPACES FOR LOCAL GATHERING AND EVENTS

- Public winter garden -
- Public outdoor plaza -

GOAL 3: Improve streetscapes to foster walkability

3.1 INSTALL NEW STREETSCAPES AND LIGHTING AT AINSLIE, LIPPS AND ON NORTHWEST HWY NEAR FOSTER

- Street landscaping -
- Pedestrian-oriented lighting -
GOAL 4: Develop design guidelines to enhance the character of the community

4.1 BUILDINGS ORIENTED TOWARDS THE STREET

Sites should be seen from the street with sensitive use of both lighting and landscaping to reinforce a sense of place and a well-designed environment.

4.2 TRANSPARENT FACADES ON RETAIL BUILDINGS

Attractive sidewalks, fences and walkways signal how to get to the destination.

GOAL 5: Improve community safety through Crime Prevention Through Environmental Design

5.1 VISIBILITY

Clear sense of ownership is demonstrated by having a public or private owner responsible for every site.

5.2 NATURAL ACCESS CONTROL

Proper maintenance is essential to communicate public safety and a well-kept community.

5.3 OWNERSHIP

5.4 MAINTENANCE
