Dear Commissioner:

Enclosed is the annual report for the Ravenswood Corridor Redevelopment Project Area, which we compiled at the direction of the Department of Planning and Development pursuant to Section 5(d) of the Illinois Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.), as amended. The contents are based on information provided to us by Chicago Departments of Planning and Development, Finance, and Law. We have not audited, verified, or applied agreed upon accounting and testing procedures to the data contained in this report. Therefore, we express no opinion on its accuracy or completeness.

It has been a pleasure to work with representatives from the Department of Planning and Development and other City Departments.

Very truly yours,

Ernst & Young LLP

Re: Ravenswood Corridor  
Redevelopment Project Area (the “Redevelopment Project Area”)

Dear Addressees:

I am Corporation Counsel of the City of Chicago, Illinois (the “City”). In such capacity, I am providing the opinion required by Section 11-74.4-5(d)(4) of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the “Act”), in connection with the submission of the report (the “Report”) in accordance with, and containing the information required by, Section 11-74.4-5(d) of the Act for the Redevelopment Project Area.
Attorneys, past and present, in the Law Department of the City familiar with the requirements of the Act have had general involvement in the proceedings affecting the Redevelopment Project Area, including the preparation of ordinances adopted by the City Council of the City with respect to the following matters: approval of the redevelopment plan and project for the Redevelopment Project Area, designation of the Redevelopment Project Area as a redevelopment project area and adoption of tax increment allocation financing for the Redevelopment Project Area, all in accordance with the then applicable provisions of the Act. Various departments of the City, including, if applicable, the Law Department, Department of Planning and Development, Department of Housing, Department of Finance and Office of Budget and Management, have personnel responsible for and familiar with the activities in the Redevelopment Project Area affecting such Department(s) and with the requirements of the Act in connection therewith. Such personnel are encouraged to seek and obtain, and do seek and obtain, the legal guidance of the Law Department with respect to issues that may arise from time to time regarding the requirements of, and compliance with, the Act.

In my capacity as Corporation Counsel, I have relied on the general knowledge and actions of the appropriately designated and trained staff of the Law Department and other applicable City Departments involved with the activities affecting the Redevelopment Project Area. In addition, I have caused to be examined or reviewed by members of the Law Department of the City the certified audit report, to the extent required to be obtained by Section 11-74.4-5(d)(9) of the Act and submitted as part of the Report, which is required to review compliance with the Act in certain respects, to determine if such audit report contains information that might affect my opinion. I have also caused to be examined or reviewed such other documents and records as were deemed necessary to enable me to render this opinion. Nothing has come to my attention that would result in my need to qualify the opinion hereinafter expressed, subject to the limitations hereinafter set forth, unless and except to the extent set forth in an Exception Schedule attached hereto as Schedule 1.

Based on the foregoing, I am of the opinion that, in all material respects, the City is in compliance with the provisions and requirements of the Act in effect and then applicable at the time actions were taken from time to time with respect to the Redevelopment Project Area.

This opinion is given in an official capacity and not personally and no personal liability shall derive herefrom. Furthermore, the only opinion that is expressed is the opinion specifically set forth herein, and no opinion is implied or should be inferred as to any other matter. Further, this opinion may be relied upon only by the addressees hereof and the Mayor of the City in providing his required certification in connection with the Report, and not by any other party.

Very truly yours,

Mara S. Georges
Corporation Counsel

CITY OF CHICAGO
JOINT REVIEW BOARD

Report of proceedings of a hearing before the City of Chicago, Joint Review Board held on November 5, 2004, at 10:10 a.m. City Hall, Room 1003, Conference Room, Chicago, Illinois, and presided over by Mr. John McCormick.

PRESENT:

MR. JOHN MCCORMICK, CHAIRMAN
MS. SUSAN MAREK
MR. MARK THOMAS
MR. FRANK ROBERTS
MS. JACKIE HARDER

REPORTED BY: Accurate Reporting Service
200 N. LaSalle Street
Chicago, Illinois
By: Jack Artstein, C.S.R.

ACCURATE REPORTING SERVICE (312) 263-0052
MR. MCCORMICK: My name is John McCormick with the City of Chicago.

MS. HARDER: I'm Jackie Harder from Cook County.

MS. MAREK: Susan Marek, Chicago Board of Education.

MR. MCCORMICK: For the record my name is John McCormick. I'm the representative of the City of Chicago, which under Section 11-74 4-5 of the Tax Increment Allocation Act as one of the statutory Board members of the Joint Review Board.

For the record there will be a meeting of the Joint Review Board to review the proposed Ravenswood Corridor Tax Increment Financing District. The date of the meeting was announced at and set by the Community Development Commission of the City of Chicago at its meeting of October 12, 2004.

Notice of this meeting of the Joint Review Board was also provided by certified mail to each taxing district represented on the Board which includes the
Chicago Board of Education, Chicago Community Colleges District 508, Chicago Park District, Cook County and the City of Chicago and the Public Member.

Public notice of this meeting was also posted as of Wednesday, November 3, 2004 at various locations throughout City Hall.

Our first order of business is to select a Chairperson for this Joint Review Board. Are there any nominations?

MS. HARDER: I'd like to nominate John McCormick.

MR. MCCORMICK: Is there a second for the nomination?

MS. MAREK: I'll second.

MR. MCCORMICK: Are there any other nominations? Let the record reflect there were no other nominations. All in favor of the nomination, please vote by saying aye.

(Chorus of ayes.)

MR. MCCORMICK: All opposed please vote by saying no. Let the record reflect that John McCormick has been elected as Chairperson and will now serve as the
Chairperson for the remainder of the meeting.

As I mentioned, at this meeting we will be reviewing a plan for the Ravenswood Corridor Tax Increment Financing District proposed by the City of Chicago. Staff of the city’s Department of Planning and Development and Law and other departments have reviewed this planned amendment which was introduced to the city’s Community Development Commission on October 12, 2004.

We will listen to a presentation by the consultant on the plan. Following the presentation, we can address any questions that members might have for the consultant or city staff. An amendment to the TIF Act requires us to base our recommendation to approve or disapprove the Ravenswood Corridor Plan and designation of the Ravenswood Corridor TIF area on the basis of the area and the plan satisfying the plan requirements, the eligibility criteria defined in the TIF Act and the objectives of
the TIF Act.

If the Board approves the plan and the designation of the area, the Board will then issue an advisory non-binding recommendation by the vote of the majority of these members present and voting. Such recommendation shall be submitted to the city within 30 days after the Board meeting.

Failure to submit such recommendation shall be deemed to constitute approval by the Board. If the Board disapproves the plan and the designation of the area, the Board must issue a written report describing why the plan and area failed to meet one or more of the objectives of the TIF Act and both the plan requirements and eligibility criteria of the TIF Act.

The city will then have 30 days to resubmit a revised plan. The Board and the city must also confer during this time to try and resolve issues that led to the Board's disapproval. If such issues cannot be resolved or if the revised plan is disapproved, the city may proceed with the
plan but the plan can be approved only with
three-fifths vote of the City Council
excluding positions of members that vacant
and those members that are ineligible to vote
because of conflicts of interest.

Okay. We'd like to have the
presentation begin on the Ravenswood
Corridor. The consultant is URSPAP.

MS. LORONEY: Good morning. My name
is Ann Loroney with URSPAP. We've been
hired by the City of Chicago to conduct an
eligibility study and prepare the
redevelopment plan for the Ravenswood
Corridor TIF.

The project area you have before
you encompasses 78 acres and it roughly
includes the Ravenswood Avenue Corridor from
just south of Lawrence Avenue to Irving Park
and includes the former Ravenswood Hospital
campus site which is bounded by Wilson on the
north, Damen on the west, Sunnyside on the
south and the alley just west of Winchester
Avenue on the east.

The area includes 88 buildings
over 18 full and partial tax blocks and it
includes a segment of the Chicago
Northwestern Railroad and the CTA brown line
in the west. There are 149 tax parcels in
this project area. We conducted a number of
surveys and analyses that included an
exterior building commission survey and land
use survey, survey of site infrastructure
condition, vacant building and parcel
analysis, analysis of building floor area
and site coverage and a review of all
previously prepared plans, studies and data
for this area.

We looked at Cook County Assessor
records for the years 1997 through 2003 and
Cook County Treasurer records for 1997
through 2003. Our findings are that the area
qualifies as conservation area. We find that
90 percent of the buildings are 35 years of
age or older which is 79 of the 88 buildings.

We found that 7 of the 13
conservation area factors are present in the
project. Only 3 are required for designation
of the project area. These include
obsolescence, deterioration, presence of structures below minimum code standards, excessive vacancies.

Generally scientists disinvestment in the project area are exemplified by the presence of vacancies.

There are two entirely vacant parcels, 14 entirely vacant buildings and 18 buildings with vacant space sprinkled throughout the project area.

Of the 88 buildings in the project area, 67% are classified as deteriorating. The railroad retaining wall is exhibiting signs of deterioration and erosion. There's a limited presence in addition to the 7 conservation factors that are present. There are 2 additional factors present to a minor degree. These are dilapidations and deleterious land use.

And we found that the growth rate of the project area has lagged in 3 of the last 5 years and declined in one of those years. The land use plan that's presented in the document includes 3 general land use
categories to guide future revitalization efforts. There's an industrial district along Ravenswood Avenue and an established commercial area along Wilson Avenue and then a planned residential office district for the former Ravenswood Hospital campus site.

The 2000 EAV of the project area is $64,466,911 dollars. By 2028 upon successful completion of revitalization efforts and redevelopment projects, the area is projected to have an EAV $111.4 million dollars. As part of our study we did a housing impact to assess how many occupied residential units are in the project area. We identified 152 occupied residential units.

Included in these are 125 units in multi-family buildings which include some multi-story buildings in the Ravenswood Hospital building and a couple of other locations on the corners in the Ravenswood Corridor and 27 units in mixed use buildings.

The city does not anticipate that occupied residential units will be displaced.
as a result of this TIF and is going to be certifying that no displacement will occur. If, in fact, displacement does occur, a housing impact will be completed or will need to be completed as part of this study.

That concludes the presentation for this area. I'd be happy to answer any questions if you have some.

CHAIRMAN MCCORMICK: Okay. Based on the presentation, do any members of the Joint Review Board have any questions?

MS. MAREK: No.

CHAIRMAN MCCORMICK: If there are no further questions, I will entertain a motion that this Joint Review Board finds that the proposed redevelopment plan, Ravenswood Corridor Tax Increment Financing Redevelopment Project Area satisfies the redevelopment plan requirements under the TIF Act, the eligibility criteria defined in Section 11-74 4-3 of the TIF Act and the objectives of the TIF Act and that based on such findings, approve such a plan and the designation of such area as a redevelopment
project area within the TIF.

Is there a motion?

MS. MAREK: So moved.

CHAIRMAN MCCORMICK: Is there a second for the motion?

MS. HARDER: Second.

CHAIRMAN MCCORMICK: Is there any further discussion? If not, all in favor please vote by saying aye.

(Chorus of ayes.)

CHAIRMAN MCCORMICK: All opposed please vote by saying no. Let the record reflect the Joint Review Board's approval of the proposed Ravenswood Corridor Redevelopment Plan and designation of the Ravenswood Corridor Tax Increment Financing Redevelopment Project Area as a redevelopment project area under the Act.

Do I hear a move to adjourn?

MS. MAREK: So moved.

CHAIRMAN MCCORMICK: We're adjourned.
