AS THE DEVELOPER

WHEREAS, the Community Development Commission (the "Commission") of the City of Chicago (the "City") has heretofore been appointed by the Mayor of the City with the approval of its City Council (the City Council referred to herein collectively with the Mayor as the "Corporate Authorities") as codified in Section 2-124 of the City's Municipal Code; and

WHEREAS, the Commission is empowered by the Corporate Authorities to exercise certain powers enumerated in Section 5/11-74.4-4(k) of the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1 et seq.), (as amended from time to time, the "Act"); and

WHEREAS, the City Council, upon the Commission's recommendation pursuant to Resolution 97-CDC-12 and pursuant to the Act, enacted three ordinances on March 19, 1997 pursuant to which the City approved and adopted a certain redevelopment plan and project (the "Plan") for the Roosevelt/Canal Redevelopment Project Area (the "Roosevelt/Canal Area"), designated the Roosevelt/Canal Area as a redevelopment project area and adopted tax increment allocation financing for the Roosevelt/Canal Area; and

WHEREAS, the City Council, upon the Commission's recommendation pursuant to Resolution 00-CDC-76 and pursuant to the Act, enacted three ordinances on July 19, 2000 pursuant to which the City approved and adopted a certain amended redevelopment plan and project (the "Amended Plan") for the expanded Roosevelt/Canal Redevelopment Project Area (the "Expanded Roosevelt/Canal Area"), designated the Expanded Roosevelt/Canal Area as a redevelopment project area and adopted tax increment allocation financing for the Expanded Roosevelt/Canal Area. The street boundaries of the Expanded Roosevelt/Canal Area are described on Exhibit A hereto; and

WHEREAS, the City Council, upon the Commission's recommendation pursuant to Resolution 00-CDC-77 and pursuant to the Act, enacted three ordinances on August 30, 2000 pursuant to which the City approved and adopted a certain redevelopment plan and project (the "Plan") for the Jefferson/Chicago Redevelopment Project Area (the "Jefferson/Roosevelt Area"), designated the Jefferson/Roosevelt Area as a redevelopment project area and
adopted tax increment allocation financing for the Jefferson/Roosevelt Area. The street boundaries of the
Jefferson/Roosevelt Area are described on Exhibit A hereto; and

WHEREAS, United Parcel Service, Inc. (the "Developer"), have presented to the City’s Department of
Planning and Development ("DPD") a proposal for redevelopment of the Area or a portion thereof that is in
compliance with the Plan, consisting of assemblage, demolition, remediation, public right-of-way improvements
and the construction of 558,141 square foot of commercial improvements that will allow for the consolidation of the
Developer’s existing distribution facility (the "Project"); and

WHEREAS, DPD requests that the Commission recommend to City Council that the Developer be
designated as the developer for the Project and that DPD be authorized to negotiate, execute and deliver a
redevelopment agreement with the Developer for the Project; now, therefore,

BE IT RESOLVED BY THE COMMUNITY DEVELOPMENT COMMISSION OF THE CITY OF
CHICAGO:

Section 1. The above recitals are incorporated herein and made a part hereof.

Section 2. The Commission hereby recommends to City Council that the Developer be designated
as the developer for the Project and that DPD be authorized to negotiate, execute and
deliver on the City’s behalf a redevelopment agreement with the Developer for the
Project.

Section 3. If any provision of this resolution shall be held to be invalid or unenforceable for any
reason, the invalidity or unenforceability of such provision shall not affect any of the
remaining provisions of this resolution.

Section 4. All resolutions, motions or orders in conflict with this resolution are hereby repealed to
the extent of such conflict.

Section 5. This resolution shall be effective as of the date of its adoption.

Section 6. A certified copy of this resolution shall be transmitted to the City Council.

SUMMARY SHEET
United Parcel Service, Inc.
The Roosevelt/Canal and Jefferson/Roosevelt
Tax Increment Financing/Redevelopment Project Areas

Action Requested:
1) Recommend to the City Council the designation of United Parcel Service, Inc., and/or a related entity to be formed, as the Developer for the redevelopment of the of the property located within the boundaries of the Roosevelt/Canal and Jefferson/Roosevelt Tax Increment Financing ("TIF") Redevelopment Project Areas in the area generally bounded by 12th Place on the north, Jefferson and Canal Streets on the east, 16th Street on the south and Union Avenue and Ruble street on the west (the "Property" and the "Project"); and,
2) Authorize the Department of Planning and Development to negotiate, execute and deliver on the City’s behalf a redevelopment agreement with the Developer for the Project.

Project:
United Parcel Service, Inc. ("UPS") currently operates a 23.3 acre distribution facility on scattered sites in the area bounded by 12th Place and Liberty Street on the north, Canal Street on the east, 16th Street on the south and Halsted and Ruble Streets on the west. Four of these scattered sites are located west of the Dan Ryan Expressway on land bounded by Liberty Street on the north, Union Avenue on the east, vacated 15th Place on the south and Halsted Street on the west (the "Union Avenue Parcels").

The University of Illinois Board of Trustees (the "Board") wants to acquire the Union Avenue Parcels as part of its University Village redevelopment project. In order for UPS to sell and vacate the Union Avenue Parcels, UPS requires replacement property east of the Dan Ryan Expressway and in the vicinity of its existing distribution center.

UPS has proposed the assemblage, remediation and redevelopment of three privately owned parcels, one parcel beneath an elevated portion of the Dan Ryan Expressway that is controlled by the State of Illinois and two street vacations. The project will also include the reconfiguration and renovation of existing UPS structures and parking improvements that are located east of the Dan Ryan Expressway.

Location:
The area generally bounded by 12th Place on the north, Jefferson and Canal Streets on the east, 16th Street on the south and Union Avenue and Ruble Streets on the west (the "Property" and the "Project").

Developer:
United Parcel Service, Inc.

Assistance:
The City intends to negotiate a TIF redevelopment agreement with the Developer for tax increment financing assistance in the maximum amount of $6,933,800. The assistance will be provided in the form of a taxable TIF note and the total project cost is currently estimated to be $22,700,000. The City’s assistance will be reduced, on a dollar for dollar basis, in the event the final total Project cost is less than the currently estimated amount of $22,700,000.

Zoning:
The Chicago Plan Commission approved a Commercial Planned Development on May 13, 2004 and City Council approval of the Commercial Planned Development was acquired on May 26,

Ward: 2nd Ward, Alderman Madeline Haithcock.

Public Benefits:

- Site Redevelopment and Improvements
  - The University of Illinois' residential redevelopment of UPS' Union Avenue Parcels will create a clear division between residential and commercial uses in the surrounding area. This project will also create 224 new residential units and increase real estate tax revenue by replacing parking lots with a residential development.
  - The relocation of UPS' operations from the Union Avenue Parcels will reduce traffic congestion on Halsted Street and other area roadways.
  - The creation of 748 off-street UPS employee parking spaces will significantly reduce, or even eliminate, UPS' need for on-street parking.
  - The creation of UPS' campus distribution center east of the Dan Ryan Expressway will secure its presence within the community and increase its operating efficiency.

- Landscaping, Demolition and the Removal of Blighting Characteristics
  - All components of the project will comply with the Landscape Ordinance.
  - The project calls for the removal of a vacant railroad embankment and trestle.
  - The project will eliminate blighting characteristics by redeveloping the area generally bounded by 12th Place on the north, Canal Street on the east, 16th Street on the south and Union Avenue on the west.

MBE/WBE: The Developer will comply with the City's MBE/WBE requirements. Attachment C to the Staff Report includes the certified mail receipts as evidence that the Developer has provided the MBE/WBE contractor associations with the required notifications.

Community Outreach: A letter of support from Alderman Haithcock is included in your Staff Report as Attachment E.

STAFF REPORT
United Parcel Service, Inc.
The Roosevelt/Canal and Jefferson/Roosevelt
Tax Increment Financing Redevelopment Project Areas

MS. CHAIRMAN AND MEMBERS OF THE COMMISSION:

The Resolution before you requests that the Community Development Commission recommend to the City Council the designation of United Parcel Service, Inc., and/or a related entity to be formed, as the Developer for the redevelopment of the property located within the boundaries of the Roosevelt/Canal and Jefferson/Roosevelt Tax Increment Financing Redevelopment Project Areas in the area generally bounded by 12th Place on the north, Jefferson and Canal Streets on the east, 16th Street on the south and Union Avenue and Ruble Street on the west (the “Property” and the “Project”). The Resolution also asks for your authorization to negotiate, execute and deliver a redevelopment agreement on the City’s behalf with the Developer for the Project.

Background
The Property is located within two tax increment financing districts. The Jefferson/Roosevelt Tax Increment Financing Redevelopment Project Area was established by the City Council on August 30, 2000. This tax increment financing district is centered on the intersection of Jefferson Street and Roosevelt Road and is generally located between the South Branch of the Chicago River on the east, the Dan Ryan Expressway on the west, Harrison Street on the north and 15th Street on the south.

The Roosevelt/Canal Tax Increment Financing Redevelopment Project Area was first established by the City Council on March 19, 1997 and then amended and expanded on July 19, 2000. The Roosevelt/Canal Project Area is irregularly shaped and is generally bounded by Roosevelt Road, Maxwell Street and 15th Street on the north, Canal Street on the east, 16th Street on the south and by Union Avenue on the west.

United Parcel Service, Inc. (“UPS”) currently operates a 23.3 acre distribution facility on scattered sites in the area bounded by 12th Place and Liberty Street on the north, Canal Street on the east, 16th Street on the south and Halsted and Ruble Streets on the west. Four of these scattered sites are located west of the Dan Ryan Expressway on land bounded by Liberty Street on the north, Union Avenue on the east, vacated 15th Place on the south and Halsted Street on the west (the “Union Avenue Parcels”).

The University of Illinois Board of Trustees (the “Board”) wants to acquire the Union Avenue Parcels as part of its University Village redevelopment project. In order for UPS to sell and vacate the Union Avenue Parcels, UPS requires replacement property east of the Dan Ryan Expressway and in the vicinity of its existing distribution center.

This project will create a clearly defined division between residential and commercial uses in the area, create a more efficient campus-style distribution center and secure UPS’ presence within the surrounding community. In addition, the improved campus-style distribution center will greatly reduce UPS’ need for on-street employee parking and will allow automobile traffic in retail and residential areas to flow more freely.

Development Project
Proposed Developer
The Developer is a wholly-owned subsidiary of UPS Worldwide Forwarding, Inc., which is a wholly-owned subsidiary of United Parcel Service of America, Inc. United Parcel Service of America, Inc. is a wholly-owned subsidiary of United Parcel Service, Inc., which is a publicly traded Delaware corporation and which is the Developer’s ultimate parent entity.

UPS was founded in 1907 as a messenger company. Since its inception, UPS has grown into a corporation focusing on the goal of enabling commerce around the globe. Today UPS is an international company with one of the most recognized brands in the world. UPS has become the world’s largest package delivery company and a leading global provider of specialized transportation and logistics services. UPS manages the flow of goods, funds and information in more than 200 countries and territories worldwide. It is also the eighth largest employer and the fourth largest private sector employer in the greater Chicagoland metropolitan area.

Proposed Project
UPS has proposed the assemblage, remediation and redevelopment of three privately owned parcels, one parcel beneath an elevated portion of the Dan Ryan Expressway that is controlled by the State of Illinois and two street vacations. The project will also include the reconfiguration and renovation of existing UPS structures and parking improvements that are located east of the Dan Ryan Expressway. The following chart illustrates the parcels to be assembled or reconfigured and renovated by UPS:

8) Acquisition, remediation and redevelopment of Employee Lot Dan Ryan. This lot will include parking for 201 employee vehicles;
9) Vacation, remediation and redevelopment of Jefferson Street south of 15th Street. This vacation will improve UPS’ access to, and control over, lots 1E, 1W, 5 and the South Truck Feeder Lot;
10) Relocation of fiber optic cable located on Lots 1E and 1W;
11) Relocation of a cellular tower located on Lot 5;
12) Installation of campus gateways and signage at the intersections of 14th Place and Union Avenue and 14th Place and Canal Street;
13) Installation of a traffic signal at the intersection of Canal Street and 14th Place;
14) Installation of intersection control beacons at i) Jefferson and Maxwell Streets, ii) Jefferson Street and 14th Place, iii) Clinton Street and Maxwell Street, and iv) Clinton Street and 14th Place;
15) Union Avenue, Ruble Street and Jefferson Street will be designated as truck routes and critical access routes for UPS’ operations between Roosevelt Road and 16th Street; and,
16) All features of the project will be in compliance with the City’s Landscape Ordinance, the Commercial Planned Development and amended Planned Development #450.

**Deal Structure**
The City intends to negotiate a TIF redevelopment agreement with the Developer for tax increment financing assistance in the maximum amount of $6,933,800. The assistance will be provided in the form of a taxable TIF note and the total project cost is currently estimated to be $22,700,000. The City’s assistance will be reduced, on a dollar for dollar basis, in the event the final total Project cost is less than the currently estimated amount of $22,700,000.

Letter of Support
July 8, 2004

Mary Richardson-Lowry, Chairman
Community Development Commission
121 N. La Salle Street, Room 1000
Chicago, IL 60602

RE: UPS JEFFERSON STREET FACILITY
TIF REQUEST

Dear Chairman Richardson-Lowry:

I am writing this letter to you in support of providing $6,933,800 million in tax increment financing (TIF) to UPS for their proposed consolidated distribution facility in the southwest loop. This action will allow UPS to create an industrial campus east of the Dan Ryan expressway by consolidating its parking facilities for both employee and truck parking. This project will result in job retention and an overall greening of the area.

I fully support the efforts of the Department of Planning and Development and I would appreciate any assistance you could provide them in obtaining these funds for the purposes specified in this letter.

Thank you in advance.

Sincerely,

Madeline L. Haithcock
Alderman, 2nd Ward
