A. City Council Authority: To induce redevelopment pursuant to provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the "Act") the City Council of the City (the "the City Council") adopted certain ordinances on December 11, 1996, approving a redevelopment plan for the Stockyards Annex Redevelopment Project Area (the "Area"), designating the Area as a "redevelopment project area" under the Act, and adopting tax increment allocation financing for the Area (collectively, the "TIF Ordinances"). SECTION 3. THE PROJECT

3.01 The Project. The Developer will complete the Project no later than December 31, 2013, or such later date as to which HED may consent.

3.02 Project Budget. The Developer has furnished to HED, and HED has approved, the Project Budget. The Developer hereby certifies to the City that (a) the City Funds, together with Lender Financing and Equity shall be sufficient to complete the Project, and (b) the Project Budget is true, correct and complete in all material respects.

3.03 HED Approval. Any approval granted by HED under this Agreement is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by HED pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project or otherwise lessen the Developer's obligations under Section 5.02.

3.04 Survey Update. On the Completion Date, the Developer shall provide an updated Survey if the Project added new improvements to the Property.

3.05 Signs and Public Relations. The Developer shall erect a sign in accordance with a template provided by HED, and subject to final approval by HED, in a conspicuous location on the Property during the Project indicating that financing has been provided by the City.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$11,040,469, which the Developer will initially fund from the following sources:

| <u>Sources</u> | <u>Amount</u> |
|------------------------|---------------------|
| Equity | \$2,314,411 |
| Lender Financing | \$8,571,758 |
| Grants | \$154,300 |
| ESTIMATED TOTAL | \$11,040,469 |

Such sources of funds shall be used to pay all Project costs because no City Funds will be paid until the City's issuance of a Certificate, and then only on a "pay-as-you-go" basis. Except for the City Funds, no other City financial assistance or incentives have been or will be provided for the Project.

4.02 Reimbursement from City Funds. City Funds may only be used to reimburse the Developer after the issuance of a Certificate for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit I sets forth the maximum amount of costs that may be reimbursed from City Funds for each line item therein, contingent upon receipt by the City of documentation satisfactory to HED. City Funds shall not be paid to the Developer hereunder prior to the issuance of a Certificate. In no event shall the City reimburse the Developer in excess of the lesser of (a) \$917,000 or (b) Nine and Six Tenths percent (9.6%) of the Project costs, as set out in the final Project Budget. Furthermore, in no instance shall such the total City Funds paid under this Agreement, together with any other financial assistance provided to the Developer with respect to the Project (including, without limitation, the value of any tax assessment incentives, abatements or reductions), exceed twenty-five percent (25%) of the Project costs, as set out in the final Project Budget.

Subject to the terms and conditions of this Agreement, the City hereby agrees to provide funds solely from Available Incremental Taxes to reimburse the Developer for the cost of TIF-Funded Improvements up to the maximum amount determined under the last sentence of the preceding paragraph (the "City Funds"). City Funds derived from Available Incremental Taxes shall be available to pay such costs and allocated for such purposes only so long as:

(i) The amount of the Available Incremental Taxes is sufficient to pay for such costs;
and

(ii) The City has been paid the City Fee described in Section 4.05 below.

TIF Assistance shall be paid or reimbursed to Developer in three (3) annual payments pursuant to the following schedule of payment:

| | |
|--|-----------|
| Issuance of the Certificate | \$458,500 |
| First Year Anniversary of Issuance of the Certificate | \$229,250 |
| Second Year Anniversary of Issuance of the Certificate | \$229,250 |

The Developer acknowledges and agrees that the City's obligation to pay any City Funds is contingent upon the fulfillment of the conditions set forth in parts (i) and (ii) above, as well as the prior issuance of the Certificate and the Developer's satisfaction of all other applicable terms and conditions of this Agreement, including, without limitation, compliance with the covenants in Section 8.05.

4.03 Requisition Form. On the Completion Date and on each September 30th (or such other date as the parties may agree to) thereafter and continuing throughout the Term of the Agreement, the Developer shall provide HED with a Requisition Form, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per year (or as otherwise permitted by HED). Upon HED's request, the Developer shall meet with HED to discuss any Requisition Form(s).

4.04 Prior Expenditures. Exhibit G hereto sets forth the prior expenditures approved by HED as of the date hereof.

4.05 City Fee. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.06 Cost Overruns. The Developer shall be solely responsible for any Project costs in excess of those set forth in the Project Budget and shall hold the City harmless from any and all such costs.

4.07 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The payment of City Funds is subject to being terminated and/or reimbursed as provided in Section 12.

SECTION 5. CONDITIONS PRECEDENT

The Developer must satisfy the following conditions before the City will execute and deliver this Agreement, unless such conditions are waived in writing by the City:

5.01 Project Budget. HED must have approved the Project Budget.

5.02 Other Governmental Approvals. The Developer must have secured all other necessary approvals and permits required by any state, federal, or local statute, ordinance or regulation and has submitted evidence thereof to HED. Such approvals shall include, without limitation, all building permits necessary for the Project; provided, however, that if the City agrees to close before construction commences, such building permits shall be secured prior to commencement of any such construction work.

5.03 Financing. The Developer must have furnished proof reasonably acceptable to the City that it has Equity, the DCEO Grant and/or Lender Financing to complete the Project. Any liens against the Property in existence at the Closing Date must have been subordinated to this Agreement pursuant to a Subordination Agreement in the form of Exhibit J to be recorded, at the expense of the Developer, with the Recorder's Office of Cook County.

5.04 Lease and Title. The Title Policy must contain such endorsements as may be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3:1 with parking), contiguity, location, access and survey. The Developer has provided to HED, on or prior to the Closing Date, certified copies of all easements and encumbrances of record with respect to the Property not addressed, to HED's satisfaction, by the Title Policy and any endorsements thereto.

5.05 Evidence of Clean Title. The Developer, at its own expense, must have provided the City with the searches under its name, Halsted Pershing Morgan, LLC, as follows:

| | |
|--|-------------------------------|
| Secretary of State | UCC search |
| Secretary of State | Federal tax search |

| Clerk of Circuit Court, Cook County | Pending suits and judgments |

showing no liens against the Developer, the Property, or any fixtures now or hereafter affixed thereto, except for the Permitted Liens.

5.06 Surveys. The Developer must have furnished the City with three (3) copies of the Survey.

5.07 Insurance. The Developer, at its own expense, must have insured the Property in accordance with Exhibit L hereto, and delivered to HED actual policies or Accord Form 27 certificates evidencing the required coverages.

5.08 Opinion of the Developer's Counsel. On the Closing Date, the Developer must have furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit K, with such changes as may be acceptable to Corporation Counsel.

5.09 Evidence of Prior Expenditures. The Developer must have provided evidence satisfactory to HED in its sole discretion of the Prior Expenditures.

5.10 Financial Statements. The Developer must have provided HED with such financial statements as HED may reasonably require.

5.11 Documentation. The Developer must have provided documentation to HED, satisfactory in form and substance to HED, with respect to the current number of employees per Section 8.05.

5.12 Environmental. The Developer must have provided HED with copies of any existing phase I environmental audits completed with respect to the Property and a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

5.13 Corporate Documents; Economic Disclosure Statement. The Developer must have provided a copy of its Articles of Organization containing the original certification of the Secretary of State of its state of organization; certificates of good standing from the Secretary of State of its state of incorporation and the State of Illinois; a secretary's certificate in such form and substance as the Corporation Counsel may require; operating agreement, by-laws and such other corporate documentation as the City has requested. The Developer must also have provided the City with an Economic Disclosure Statement dated as of the Closing Date.

5.14 Litigation. The Developer must have provided to Corporation Counsel and HED, a description of all pending or threatened litigation or administrative proceedings involving the Developer and the Property.

5.15 Lease. Intentionally Omitted.

SECTION 6. AGREEMENTS WITH CONTRACTORS

In connection with the Project, the Developer shall comply with, and shall cause the general contractor and all subcontractors to comply with, the construction requirements set forth in Exhibit D that are applicable to such parties. Such requirements are specific City requirements that must be satisfied and include, without limitation, wage, MBE/WBE utilization and City resident hiring requirements.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of the Project in accordance with the terms of this Agreement and upon the Developer's written request, HED shall either issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement or a written statement detailing the measures which must be taken in order to obtain the Certificate. HED may require a single inspection by an inspecting architect hired at the Developer's expense to confirm the completion of the Project. The Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the performance of the work associated with the Project improvements. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein unrelated to such work will remain in effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.05 and 8.14 as covenants that run with the land will bind any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement or such shorter period as may be explicitly provided for therein. The other executory terms of this Agreement shall be binding only upon the Developer or a permitted assignee under Section 15.15 of this Agreement.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, no Certificate will ever be issued, and the City will have the right to terminate this Agreement. If this occurs, no City Funds will ever be paid to the Developer. In addition, if the Project's TIF-Funded Improvements include any public improvements, the City will have the right (but not the obligation) to complete such public improvements and the Developer must immediately reimburse the City for all reasonable costs and expenses incurred in completing such public improvements.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, HED shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) the Developer is a Delaware limited liability company duly organized, validly existing, qualified to do business in Delaware and Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its Articles of Organization, by-laws or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) during the term of this Agreement, the Developer will continue to own good, indefeasible and merchantable leasehold title to the Property (and all improvements thereon), free and clear of all liens except for the Permitted Liens and such other matters as HED may consent to in writing;

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(g) the Developer has and shall maintain all government permits, certificates and consents necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any agreement or instrument related to the borrowing of money to which the Developer is bound or for which the Property serves as collateral;

(i) any financial statements provided to the City are and will be, at the time of submittal, true, complete and correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) the Developer shall not directly or indirectly do any of the following without the prior written consent of HED, which consent shall be in HED's sole discretion: (1) be a party to any merger, liquidation or consolidation; (2) sell (including, without limitation, any sale and leaseback), transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property; or (3) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City;

(l) the Property shall not be used for any Prohibited Use;

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract (as defined below), including while this Agreement or any Other Contract is executory, (ii) the term of this Agreement or any Other Contract between Developer and the City, and/or (iii) any period while an extension of this Agreement or any Other Contract with the City is being sought or negotiated.

Developer represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or

to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No.2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married, as defined under Illinois law; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;

- d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.02 Covenant to Redevelop. The Developer shall redevelop the Space in accordance with this Agreement and all Exhibits attached hereto, the Redevelopment Plan, the TIF Ordinances, the Project Budget and all amendments thereto, and all applicable federal, state and local laws, ordinances, rules, regulations, executive orders and codes. The covenants set forth in this Section shall run with the land but shall be deemed satisfied and shall terminate when the City issues its Certificate for recording in the Recorder’s Office of Cook County.

8.03 Use of City Funds. City Funds shall be used by the Developer solely to reimburse the Developer for its payment for the TIF-Funded Improvements.

8.04 Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Area; provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer’s expense, cooperate and provide reasonable assistance in connection with the marketing of any such bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. If any such bonds are issued, the City may use the proceeds thereof to reimburse the Developer for any amounts remaining due under this Agreement.

8.05 Occupancy Requirement and Retention; Covenant to Remain in the City. The Developer covenants that, as of the date of this Agreement, and as a condition to the issuance of the Certificate, not less than seventy-five percent (75%) of the rental space at the Property is leased. The Developer further covenants that at all time thereafter through the earlier to occur of (i) the fifth anniversary date of the issuance of the Certificate pursuant to Section 7.01, and (ii) the final payment of City Funds under this Agreement:

- (a) not less than seventy-five percent (75%) of the rental space at the Property shall be leased and occupied; and
- (b) it will maintain its operations within the City of Chicago and operate at the Property for the same use and at substantially the same capacity as described in the Developer’s TIF application and/or this Agreement, unless the covenant in clause (a) is satisfied and the Commissioner of HED, in the Commissioner’s sole discretion, consents to a change in use.

During the Term of the Agreement, the Developer shall, at the time of filing the annual Requisition Form, provide HED with a notarized affidavit certifying to its compliance with this Section 8.05 for the 12 month period ending the day prior to the date of such filing date of such certificate. Compliance with Section 8.05(a) shall be determined on an annual rental square foot average only. The

covenants set forth in this Section 8.05(a) shall run with the land and be binding upon any permitted transferee, if any, for the period set forth in the first paragraph of this Section 8.05.

8.06 Arms-Length Transactions. Unless disclosed in the approved Project Budget or unless HED has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.07 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Area.

8.08 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.09 Financial Statements. The Developer shall provide HED with financial statements for each fiscal year within 90 days of the close of such fiscal year and, at HED's request, shall provide such interim statements as HED may require.

8.10 Insurance. The Developer shall provide and maintain during the Term of the Agreement, and cause other applicable parties to provide and maintain, the insurance coverages specified in Exhibit L.

8.11 Non-Governmental Charges. Except for the Permitted Liens, and subject to the next sentence, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

8.12 Compliance with Laws. The Property and the Project are and shall be operated in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes.

8.13 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property in the Recorder's Office of Cook County. If the Permitted Liens include any existing mortgages, such mortgagee must execute a subordination agreement in the form of Exhibit J.

8.14 Real Estate Provisions; Governmental Charges. Subject to the next paragraph, the Developer will pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Space or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances, including, but not limited to, general real estate taxes.

The Developer has the right, before any delinquency occurs, to contest any Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

8.15 Lease. Intentionally Omitted.

8.16 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.17 Annual Compliance Report. Beginning with the calendar year in which the Certificate is issued and continuing throughout the Term of the Agreement, the Developer shall submit to HED the Annual Compliance Report by February 1st of the year following the end of the calendar year to which the Annual Compliance Report relates. For example, if the Certificate is issued in 2012, then the first Annual Compliance Report will be due no later than February 1, 2013.

8.16 Independent Contractor

(a) The Developer shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "**Shakman Accord**") and June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(d) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to

any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Developer by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of the Department. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

8.17 FOIA and Local Records Act Compliance

(a) FOIA. Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended ("**FOIA**"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, then Developer covenants to comply with such request within 48 hours of the date of such request. Failure by Developer to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Developer submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Grantee mark any such documents as "proprietary, privileged or confidential." If Developer marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the "**Local Records Act**"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 9. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that it has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with the requirements of all Environmental Laws and this Agreement. The Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City and relating to the Project or the Property.

SECTION 10. INDEMNIFICATION

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner directly or indirectly relating or arising out of this Agreement or the Project. The provisions of the undertakings and indemnification set out in this Section 10 shall survive the termination of this Agreement.

SECTION 11. MAINTAINING RECORDS / RIGHT TO INSPECT

The Developer shall (a) comply with the requirements of Paragraph H of Exhibit D during the Term of the Agreement and cause the other applicable parties to comply with such requirements, and (b) upon three (3) business days' notice, permit any authorized representative of the City to have access to all portions of the Project and the Property during normal business hours to confirm the Developer's compliance with its obligations under this Agreement.

SECTION 12. DEFAULT AND REMEDIES

12.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 12.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to comply with any covenant or obligation, or the breach by the Developer of any representation or warranty, under this Agreement or any related agreement;

(b) the commencement of any bankruptcy, insolvency, liquidation or reorganization proceedings under any applicable state or federal law, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default

unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(c) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(d) the entry of any judgment or order against the Developer or the Property which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(e) the dissolution of the Developer or the death of any natural person who owns a 50% or more ownership interest in the Developer, unless, in the case of a death, the Developer establishes to the HED's satisfaction that such death shall not impair the Developer's ability to perform its executory obligations under this Agreement; or

(f) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns 5% or more ownership interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns such a material interest in the Developer, for any crime (other than a misdemeanor).

12.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy. However, the City shall not be entitled to recover any City Funds previously paid to the Developer unless the Event of Default involves a Reimbursement Event.

12.03 Curative Period. In the event the Developer fails to perform any covenant or obligation or breaches any representation or warranty which the Developer is required to perform under this Agreement, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. No such cure period, however, shall apply to Events of Default described in Section 12(b), (c), (d), (e) or (f), which defaults shall have the cure periods described therein, if any. In addition, no cure period shall apply to default arising from a breach of the jobs and operations covenants in Section 8.05 and such breach shall be an immediate Event of Default.

SECTION 13. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit F hereto. No mortgagee shall have the right to succeed to the Developer's rights under this Agreement unless it complies with the first sentence of Section 15.15 hereof.

SECTION 15. MISCELLANEOUS

15.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit A hereto without the consent of any party hereto, and HED may grant consents as explicitly provided for under certain sections of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 15.01 shall be defined as any deviation from the terms of the Agreement which operates to materially reduce the scope of the Project, to reduce the occupancy requirements in Section 8.05 by more than five percent (5%), to materially change the Project or business operations of the Developer at the Property, or increases the City Funds payable to the Developer.

15.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

15.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

15.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

15.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

15.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

15.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

15.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

15.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

15.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

15.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, and any bond ordinances relating to the Area, if any, such ordinance(s) shall prevail and control.

15.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

15.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

15.14 Approval. Wherever this Agreement provides for the approval or consent of the City, HED or the Commissioner, or any matter is to be to the City's, HED's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, HED or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or HED in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

15.15 Assignment. The Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City, which consent shall be in the City's sole discretion and which, if granted, may be conditioned upon, among other things, the assignee's assumption of all of the Developer's obligations under this Agreement. The foregoing limitation shall not prevent the Developer from collaterally assigning to a lender that is also providing financing for the Project the Developer's right to receive the payment of City Funds as security for such lender financing. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

15.16 Binding Effect. This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

15.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of

material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.
