**FIRST AMENDMENT  
TO  
BLOMMER CHOCOLATE COMPANY  
REDEVELOPMENT AGREEMENT**

This First Amendment to the Blommer Chocolate Company Redevelopment Agreement (the "**First Amendment**") is made and entered into as of this 7<sup>th</sup> day of November, 2014 (the "**Effective Date**") by and between the City of Chicago, an Illinois municipal corporation (the "**City**"), through its Department of Planning and Development ("**DPD**"), and Bloomer Chocolate Company, a Delaware corporation ("**Developer**").

**RECITALS:**

A. As of June 7, 2006 (the "**Original Agreement Closing Date**") the City and Developer entered into that certain Blommer Chocolate Company Redevelopment Agreement, which was recorded on June 8, 2006 in the Office of the Recorder of Deeds of Cook County, Illinois as Document No. 0615933206, as authorized by ordinance approved by the City Council of the City on February 8, 2006, (the "**Redevelopment Agreement**") pertaining to property located in the River West Redevelopment Project Area in the vicinity of West Kinzie Street and North Des Plaines Street in Chicago and legally described in Exhibit A to this First Amendment.

B. As of June 7, 2006, the City and Developer also entered into that certain Agreement for the Sale and Development of Land, which was recorded on June 8, 2006 in the office of the Recorder as Document No. 0615933207 (the "**Agreement for the Sale and Development of Land**"). Under the Agreement for the Sale and Development of Land, the City agreed to acquire, through negotiated settlement and use of its eminent domain powers, certain parcels of land identified therein and to convey those parcels to Developer so that

Developer could construct the Project thereon. Developer agreed to acquire such parcels on the terms and subject to the conditions contained in the Agreement for the Sale and Development of Land.

C. Developer's redevelopment work as contemplated in the Redevelopment Agreement and the Agreement for the Sale and Development of Land was divided into a "**Phase I / Minimum Project**" as defined in Redevelopment Agreement Section 3.01 and expanded redevelopment phases which are also described in Redevelopment Agreement Section 3.01. Together, all redevelopment phases undertaken by Developer are defined as the: "**Project**".

D. In the Redevelopment Agreement at Section 4.03(b), the City agreed to provide City Funds as follows: the lesser of \$6.5 million or 20% of the actual costs of the Project or if the lesser amount was the total certified TIF-eligible costs for acquisition and site preparation hard construction costs, then that lesser amount.

E. The parties also agreed to an optional additional amount of City Funds in support of the Phase I / Minimum Project. In Redevelopment Agreement Section 4.03(b), the City at its sole and absolute discretion could increase the amount of City Funds by \$1,500,000 to a total City Funds Amount of \$8,000,000.

F. Because of current business conditions and circumstances, the parties have agreed to amend the Redevelopment Agreement to increase the amount of City Funds subject to the City's discretion by \$1,000,000 to a total possible City Funds amount of \$9,000,000. Additionally, the parties have agreed to update budget exhibits and budget references in the Redevelopment Agreement.

G. The amendment hereby proposed is within the scope of Redevelopment Agreement Section 18.01 as a "material" amendment and as such requires authorization by an ordinance duly adopted by the City Council.

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants and agreements contained in this First Amendment, and for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Developer and the City hereby agree as follows:

#### **AGREEMENT:**
