AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO
REGARDING OLIVER WENDELL HOLMES ELEMENTARY

This Intergovernmental Agreement regarding Oliver Wendell Holmes Elementary (this "Agreement") is made and entered into as of the 7th day of February, 2012 (the "Agreement Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Housing and Economic Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, the Board is improving an elementary school on the Property known as Oliver Wendell Holmes Elementary; and

WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, to induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on June 27, 2001, published at pages 61852 through 62055 of the Journal of Proceedings of the City Council of the City for said date: "An Ordinance of the City of Chicago, Illinois Approving and Adopting a Tax Increment Redevelopment Project and Plan for the Englewood Neighborhood Project Area" (the "Approval Ordinance"); "An Ordinance of the City of Chicago, Illinois Designating the Englewood Neighborhood Project Area as a Tax Increment Financing District" (the Designation Ordinance); and "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Financing for the Englewood Neighborhood Project Area" (the Adoption Ordinance) (the aforesaid Approval, Designation and Adoption Ordinances are collectively referred to herein as the "TIF Ordinances", the Redevelopment Plan approved by the TIF Ordinances is referred to herein as the "Redevelopment Plan" and the redevelopment project area created by the TIF Ordinances, as has been or may be amended from time to time, is referred to herein as the "Redevelopment Area"); and

WHEREAS, all of the Property lies wholly within the boundaries of the Redevelopment Area; and

WHEREAS, under 65 ILCS 5/11-74.4-3(q)(7), such ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by

WHEREAS, the City desires to use a portion of the Redevelopment Area Increment for the Project on the Property, all of which lies wholly within the boundaries of the Redevelopment Area; and

WHEREAS, the City agrees to use a portion of the Redevelopment Area Increment (the "City Increment Funds") in an amount not to exceed $3,270,000 to pay for or reimburse the Board for the costs of improving the Facility on the Property to the extent that such costs constitute TIF-Funded Improvements (as defined in Article Three, Section 3 of this Agreement) (the City Increment Funds disbursed pursuant to this Agreement shall be known as the "City Funds"); and

WHEREAS, in accordance with the Act, certain of the TIF-Funded Improvements, among other eligible redevelopment project costs under the Act approved by the City pursuant to this Agreement, are and shall be such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Redevelopment Plan, and the City has found, pursuant to the Agreement Ordinance (as such term is defined in Article Fourteen hereof) that certain of the TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Facility that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03 (u) of the Act; and

WHEREAS, the City and the Board now desire to enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made apart hereof.

ARTICLE TWO: THE PROJECT

1. The plans and specifications for the Project shall: (a) at a minimum meet the general requirements for the Facility as set forth in Exhibit B hereof, (b) be provided to the City by the Board, and (c) approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.
2. In all contracts relating to the Project, the Board agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney’s fees arising out of or resulting from work on the Project by the contractor or contractor’s suppliers, employees, or agents.

ARTICLE THREE: FUNDING

1. (a) Upon completion of the Project (or, subject to the availability of City Funds and in the City’s discretion, at intervals during the Project acceptable to the City), the Board shall provide the Department with a Requisition Form, in the form of Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has paid; and (iii) all other documentation described in Exhibit E. The City shall review and, in the City’s discretion, approve the Requisition Form and make the requested and approved disbursement of City Funds. The availability of the City Funds is subject to the City’s compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds previously disbursed (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the approval of the Requisition Form by the City shall be subject to the City’s review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [intentionally omitted]

(d) Payments of City Increment Funds will be subject to the availability of Redevelopment Area Increment in the Tax Increment Financing Redevelopment Project Area Special Tax Allocation Fund created pursuant to the Adoption Ordinance (the “Special Tax Allocation Fund”), subject to all applicable restrictions on and obligations of the City contained in all City ordinances relating to the Redevelopment Area Increment and all agreements and other documents entered into by the City pursuant thereto.

(e) (i) [intentionally omitted]
(ii) The City, subject to the terms of this subsection 1(e)(ii), may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90% of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, “a new assisted development project” shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, “Increment generated from the construction value of a new assisted development project” shall be the amount of Increment generated by the equalized assessed value (“EAV”) of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the “Base Year”). Except for the foregoing, the Board shall retain its initial lien status relative to Redevelopment Area Increment.

In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven (7) days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [intentionally omitted]

(g) The availability of City Increment Funds is subject to the City’s compliance with all applicable requirements regarding the use of the Redevelopment Area Increment deposited annually into the Special Tax Allocation Fund and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (“Bonds”); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board’s expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is $3,427,074.38. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct and rehabilitate the Facility with the available funds.

3. Attached as Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds (“TIF-Funded Improvements”); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it
has determined that these TIF-Funded Improvements are necessary and directly result from the Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

ARTICLE FOUR: TERM

The Term of the Agreement shall be deemed to have commenced as of the Agreement Date set forth above and shall expire on the date on which the Redevelopment Area is no longer in effect (through and including December 31, 2025).

ARTICLE FIVE: INDEMNITY; DEFAULT

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys’ fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board’s failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board’s or any contractor’s failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any related agreement shall constitute an “Event of Default” by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an “Event of Default” by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other
agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Good evening, Mister Hearing Officer. My name is Shawn Smith. I am the Chief of Elementary Schools which includes Chicago High School for the Arts, which I will refer to as “Chicago Arts School.” My responsibilities as Chief include [insert responsibilities]. I have been in this position since [insert date]. Prior to becoming Chief, I worked as [list prior positions with CBOE]. My responsibilities in that position included [insert responsibilities].

The Chief Executive Officer has asked me to appear at this hearing today to convey to you, the parents, faculty and staff, and local school council members of Chicago High School for the Arts and James R. Doolittle Jr. Elementary School, as well as interested members of the public in attendance, information relevant to the proposal to locate Chicago Arts School in the same facility that currently houses James R. Doolittle Jr. Elementary School, which I will refer to as “Doolittle School.” The proposal to combine two, separate schools in one location is known as a “co-location.” The proposed co-location between Chicago Arts School and Doolittle School meets the Chicago Public School’s Shared Facility Policy set forth in Board Report 05-0126-P01.

Chicago Arts School is in its third year of growth, with students in the 9th to 11th grades. Based on its unique program offering, Chicago Arts School has reached its capacity in the building it currently occupies. It simply does not have the space to accommodate the 150 freshmen students who are set to enroll in Fall 2012.

However, the facility that currently houses Doolittle School—which is less than one mile from the current Chicago Arts School—has the capacity to house both the Doolittle School Students and the Chicago Arts School students.

If the co-locate Chicago Arts School and Doolittle School is approved, the Chicago Public School’s Office and Safety and Security will assess the environment at the Doolittle School in order to support the current security team through this transition. [Who is our safety and security witness who speaks more to this issue?]

A Campus Manager will be appointed. The Campus Manager will oversee the general operations of the shared campus and facilitate the sharing of space among both schools. Specifically, the Campus Manager will mitigate any space-sharing challenges; enable the individual school leaders to focus on the independent educational mission of each school; serve as a neutral facilities coordinator to ensure both schools are making use of classroom and auxiliary space; establish a common set of procedures so that students from each school do not disrupt each other’s learning time; and encourage Chicago Arts Students to act as mentors of Doolittle School students. The Campus Manager will also work with leadership from both Chicago Arts School and Doolittle School to ensure social and emotional needs of students at both schools are met by ensuring optimal utilization of social work and counseling resources from both schools.

Thank you, Mister Hearing Officer. This concludes my statement.
