**DEVRY INC.
REDEVELOPMENT AGREEMENT**

This DeVry Inc. Redevelopment Agreement (the "**Agreement**") is made as of this 19th day of June, 2013, by and between the City of Chicago, an Illinois municipal corporation (the "**City**"), through its Department of Housing and Economic Development ("**HED**"), and DeVry Inc., a Delaware corporation ("**Developer**").

RECITALS:

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time-to-time (the "**Act**"), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority:** To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on November 15, 2006, and amended and corrected the ordinances on February 7, 2007 and May 9, 2007: (1) "An Ordinance of the City of Chicago, Illinois Approving a Tax Increment Redevelopment Plan for the LaSalle Central Redevelopment Project Area" (the "**Plan Adoption Ordinance**"); (2) "An Ordinance of the City of Chicago, Illinois Designating the LaSalle Central Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the LaSalle Central Redevelopment Project Area" (the "**TIF Adoption Ordinance**"). Collectively the three ordinances are defined as the "**TIF Ordinances**". The redevelopment project area (the "**Redevelopment Area**") is legally described in Exhibit A.

D. **The Project:** Developer, the parent organization, through DeVry University and other Affiliated schools is a global provider of education services. They offer a wide array of programs in business, health care and technology. Developer's institutions serve students in secondary through post-secondary education and professionals in accounting and finance. Developer currently has approximately 400 employees at three different locations in Chicago.

Developer plans to relocate its on-line operations from its existing facility at 3300 N. Campbell Street to 300 S. Riverside Plaza, (the "**Building**" or the "**Property**") and has requested TIF assistance from HED in support of the relocation. Developer will covenant to keep its on-line operations at the Building for a minimum of 10 years. A legal description of the Building/Property is Exhibit B-1.

Developer has entered into an 11-year lease (the "**Lease**") for a total of 77,000 square feet, with 53,000 square feet on the 7th floor and 24,000 square feet on the 8th floor of the Building. The leased space will be built-out for use as Developer's on-line operations facility. A site plan for the on-line operations facility is at Exhibit B-2. Developer contemplates constructing substantial tenant improvements to build-out the on-line operations facility. All construction will be LEED certified for Commercial Interiors (as defined below). Construction and build-out of 53,000 square feet on the 7th Floor for use as Developer's on-line operations facility at the Building is defined as the "**Project**". The definition of "**Project**" will include construction and build-out of the 24,000 square feet on the 8th Floor of the Building when it occurs.

Developer plans to relocate 150 Full-Time Equivalent Employees ("**FTE**") from other facilities to the Building. Developer will covenant to increase the total number of FTEs in the Building to 600 by the end of 2021.

E. **Redevelopment Plan:** The Project will be carried out in accordance with this Agreement and the City of Chicago LaSalle Central Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project (the "**Redevelopment Plan**") attached as Exhibit C, as amended from time-to-time, included in the Plan Adoption Ordinance and published at pages 92019 to 92114 of the Journal of the Proceedings of the City Council for November 15, 2006.

F. **City Financing and Assistance:** Subject to Developer fulfilling its obligations under this Agreement required to obligate the City to do so, the City will make cash payments to Developer, in the amounts stated in Section 4.03, to reimburse Developer out of Available Incremental Taxes (as defined below) as provided in this Agreement for the costs of the TIF-Funded Improvements (as defined below) under the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes (as defined below) as provided in a TIF bond ordinance (the "**TIF Bond Ordinance**"), at a later date as described and conditioned in Section 4.07. The proceeds of the TIF Bonds (the "**TIF Bond Proceeds**") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

AGREEMENT:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals stated above are an integral part of this Agreement and are hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE TWO: DEFINITIONS

The definitions stated in Schedule A and those definitions stated in the recitals and preamble are hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE THREE: THE PROJECT

3.01 **The Project.** Developer will: (i) begin redevelopment construction on or about June 1, 2013, and (ii) complete redevelopment construction no later than March 1, 2013 (for the 7th Floor – 53,000 square feet), subject to: (a) the provisions of Section 18.17 (Force Majeure); and (b) the receipt of all applicable permits and Project approvals.

3.02 **Scope Drawings and Plans and Specifications.** Developer has delivered the Scope Drawings and Plans and Specifications to HED and HED has approved them or HED has agreed to approve them as a post-closing item promptly upon receipt. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 3.04 will be submitted to HED as a Change Order under Section 3.04. The Scope Drawings and Plans and Specifications will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and to all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 **Project Budget.** Developer has furnished to HED, and HED has approved, a Project Budget which is at Exhibit D-1, showing total costs for the Project (7th Floor) in an amount not less than \$6,550,883. Developer hereby certifies to the City that: (a) it has Lender Financing and/or Equity in an aggregate amount sufficient to pay for all Project (7th Floor) costs; and (b) the Project Budget is true, correct and complete in all material respects. Developer will promptly deliver to HED copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

3.04 **Change Orders.**

(a) Except as provided in subparagraph (b) below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to changes to the Project must be submitted by Developer to HED concurrently with the progress reports described in Section 3.07; provided, however, that any Change Orders relating to any of the following must be submitted by Developer to HED for HED's prior written approval: (i) a reduction by more than five percent (5%) in the square footage of the Project (7th Floor) from the square footage approved by HED under Section 3.02, or (ii) a change in the primary use of the Project (7th Floor), or (iii) a delay in the Project (7th Floor) completion date, or (iv) change orders resulting in an aggregate increase to the Project Budget of 10% or more. Developer will not authorize or permit the performance of any work relating to any Change Order requiring HED's prior written approval or the furnishing of materials in connection therewith prior to the receipt by Developer of HED's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, will contain a provision to this effect or for

compliance with this Agreement generally. An approved Change Order will not be deemed to imply any obligation on the part of the City to increase the amount of City Funds or to provide any other additional assistance to Developer.

(b) Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those stated in Subsection (a) above do not require HED's prior written approval as stated in this Section 3.04, but HED must be notified in writing of all such Change Orders within 10 Business Days after the execution of such change order, and Developer, in connection with such notice, must identify to HED the source of funding therefor in the progress reports described in Section 3.07.

3.05 **HED Approval.** Any approval granted by HED under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by HED under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, or investment quality of the Project. Developer will not make any verbal or written representation to anyone to the contrary. Unless waived by HED, Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to HED's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required under this Agreement.

3.06 **Other Approvals.** Any HED approval under this Agreement will have no effect upon, nor will it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals).

3.07 **Progress Reports.** After the Closing Date, on or before the 15th day of each reporting month, Developer will provide HED with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring HED's written approval under Section 3.04). Developer must also deliver to the City written monthly progress reports detailing compliance with the requirements of Section 8.08 (Prevailing Wage), Section 10.02 (City Resident Construction Worker Employment Requirement) and Section 10.03 (Developer's MBE/WBE Commitment) (collectively, the "City Requirements"). If the reports reflect a shortfall in compliance with the requirements of Sections 8.08, 10.02 and 10.03, then there must also be included a written plan from Developer acceptable to HED to address and cure such shortfall.

3.08 **Inspecting Agent or Architect.** An independent agent or architect, if any, (other than Developer's architect) selected by the lender providing Lender Financing, will also act as the inspecting agent or architect for HED for the Project, and any fees and expenses connected

with its work or incurred by such independent agent or architect will be solely for Developer's account and will be promptly paid by Developer. The inspecting agent or architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to HED, prior to requests for disbursement for costs related to the Project.

3.09 **Barricades.** Prior to commencing any construction requiring barricades, Developer will install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. HED retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content, and design of all barricades (other than the name and logo of the Developer or the Project).

3.10 **Signs and Public Relations.** If requested by HED and subject to approval by the Landlord under the Lease, Developer will erect in a conspicuous location on the Property during the Project a sign of size and style approved by the City, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent information regarding Developer and the Project in the City's promotional literature and communications.

3.11 **Utility Connections.** Developer may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 **Permit Fees.** In connection with the Project, Developer is obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

3.13 **Accessibility for Disabled Persons.** Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner which promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and improvements on the Property will be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

3.14 **Additional Project Features**

(a) **LEED Construction.** All construction of the Project, including but not limited to building construction, green space and surface parking, if any, shall be built to a minimum Leadership in Energy and Environmental Design ("LEED"), Civ2 Standard (Commercial Interiors, Version 2) ("LEED-Civ2"). The Project was registered with the US Green Building

Council (“USGBC”) for the required certification on November 14, 2011. The Project shall be constructed in compliance with all guidelines and requirements as delineated by the USGBC mandated for the LEED-Civ2 standard. Upon completion of construction, Developer, at Developer’s cost, shall have all features of construction pertinent to LEED certification tested and certified as being compliant with the LEED-Civ2 standard. Developer will submit written evidence from the USGBC demonstrating compliance with the required LEED certification.

ARTICLE FOUR: FINANCING

4.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be \$6,550,883 to be applied in the manner stated in the Project Budget. Such costs will be funded from the following sources:

Equity (subject to <u>Section 4.06</u>) and Lender Financing, if any	\$6,550,883
ESTIMATED TOTAL	\$6,550,883

4.02 **Developer Funds.** Equity and Lender Financing, if any, will be used to pay all Project costs, including but not limited to costs of TIF-Funded Improvements. All Project costs will be front-funded by Developer.

4.03 **City Funds.**

(a) **Uses of City Funds.**

(i) Any funds expended by the City under this Agreement or otherwise related to the Project or to the TIF-Funded Improvements are defined as “City Funds”.

(ii) City Funds may be used to reimburse Developer only for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit E states, by line item, the TIF-Funded Improvements for the Project contingent upon receipt by the City of documentation satisfactory in form and substance to HED evidencing such costs and their respective eligibility as a Redevelopment Project Cost.

(b) **Sources of City Funds.**

(i) Subject to the terms, conditions and qualifications in this Agreement, the City, through its Department of Housing and Economic Development, agrees to provide reimbursement to Developer from Available Incremental Taxes for certain TIF-Funded Improvements, in cash in the total amount of the lesser of \$1,000,000 or 15.3% of the total Project Budget of \$6,550,883 in ten (10) level installments;

(ii) The reimbursement program has ten (10) installment payments and is subject to Developer satisfying all of the conditions scheduled below:

(A) Certificate Requirements Developer has attained and the City has issued a certificate of completion (“Certificate”) for the Project. The City will issue the Certificate only upon Developer’s full compliance with all of the following benchmarks:

1. Completion of Project Completion of the Project as described in this Agreement.

2. Compliance with Building Permit Developer has obtained a certificate of occupancy for the Project (53,000 square feet), or has provided HED with evidence acceptable to HED in form and substance that Developer has complied with its building permit requirements for the Project.

Developer will engage a third party to certify total Project costs and such third party will provide HED with an affidavit.

6. TIF - Funded Improvements Developer has received written notice from HED reporting that HED has reviewed and accepted Developer’s financial information and other materials supporting the costs of TIF-Funded Improvements in an amount equal to or greater than the total amount of City Funds.

7. LEED Evidence Developer has provided HED with evidence that Developer has registered the Project with the USGBC and is in the process of obtaining a LEED-CIv2 Certification.

(iii) The City will pay the following amounts to Developer under the following schedule:

Payment	Term	Amount*
First Payment	At Certificate	\$100,000
Second Annual Payment	1 Year after Certificate	\$100,000
Third Annual Payment	2 Years after Certificate	\$100,000
Fourth Annual Payment	3 Years after Certificate	\$100,000
Fifth Annual Payment	4 Years after Certificate	\$100,000
Sixth Annual Payment	5 Years after Certificate	\$100,000
Seventh Annual Payment	6 Years after Certificate	\$100,000

*The actual amount of assistance may vary depending on the final certified total Project costs and the cost of TIF Funded Improvements incurred.

If, at the time the City issues the Certificate, the City in good faith believes that Developer will not achieve LEED CIV2 Certification, then the First Payment referred to above will be reduced by \$100,000, and if necessary, from successive annual payments.

If actual Project costs are below \$6,550,883, then the amount of City Funds to be paid to Developer will be recalculated and paid over ten (10) level annual payments.

(C) Developer has received its LEED-Civ2 certification.

(D) Developer has submitted a City Funds Requisition Form in the form of Exhibit N (the “**Requisition Form**”).

(E) Developer has submitted its Annual Compliance Report.

4.04 **Sale or Transfer of the Project by Developer.**

(a) At Any Time. Developer may sell or transfer title to the Project to an Affiliate at any time, so long as Developer retains all executory obligations under this Agreement, and such Affiliate/transferee becomes a co-obligor under this Agreement with a joint and several liability joinder to this Agreement.

(b) From the Closing Date to the Date of the Certificate. Developer may not sell or transfer any part of the Property or Project to any non-Affiliated party, without the City’s consent, which will not be unreasonably withheld, provided, however, that any such non-Affiliated party must: (i) agree to assume all executory obligations under the Agreement, (ii) complete the City’s then current economic disclosure forms to the City’s satisfaction, (iii) be otherwise qualified to do business with the City and (iv) demonstrate to the City’s satisfaction

that such party has financial capability to meet its obligations under this Agreement.

(c) After the Date of the Certificate. After the date of the Certificate, Developer may sell or transfer any part of the Project to non-Affiliated third parties, provided, however, that any such non-Affiliated party must: (i) agree to assume all executory obligations under the Agreement, (ii) complete the City's then current economic disclosure forms to the City's satisfaction, (iii) be otherwise qualified to do business with the City, and (iv) demonstrate to the City's satisfaction that such party has financial capability to meet its obligations under this Agreement.

(d) Sales of Assets or Equity. For purposes of this subsection, the phrase: "sale or transfer of any part of the Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of Developer's assets or equity.

4.05 Treatment of Prior Expenditures/Administration Fee.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to HED and approved by HED as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "Prior Expenditure(s)"). HED has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit H) as a Prior Expenditure as of the date of this Agreement. Exhibit H identifies the prior expenditures approved by HED as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to Developer, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by Developer under Section 4.01.

(b) TIF District Administration Fee. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, Developer will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

4.07 TIF Bonds. The Commissioner of HED may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the

then current market conditions. The proceeds of TIF Bonds may be used to pay City Funds due under this Agreement, and for other purposes as the City may determine. The costs of issuance of the TIF Bonds would be borne by the City. Developer will cooperate with the City in the issuance of the TIF Bonds, as provided and conditioned in Section 8.05.

4.08 **Preconditions of Disbursement**. Unless otherwise waived by the City, prior to each disbursement of City Funds hereunder, the Developer shall submit documentation regarding the applicable expenditures to HED, which shall be satisfactory to HED in its sole discretion. Delivery by Developer to HED of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

- (a) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;
- (b) Developer has received no notice and has no knowledge of any lien or claim of lien either filed or threatened against the Project except for the Permitted Liens;
- (c) no Event of Default or condition or event which, with the giving of notice or passage time or both, would constitute an Event of Default exists or has occurred.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to the requirements set forth in the Bond Ordinance, if any; the TIF Bond Ordinance, if any; the Bonds, if any; the TIF Bonds, if any; the TIF Ordinances and this Agreement.

ARTICLE FIVE: CONDITIONS PRECEDENT TO CLOSING

The following conditions precedent to closing must be complied with to the City's satisfaction within the time periods set forth below or, if no time period is specified, prior to the Closing Date:

5.01 **Project Budget**. Developer will have submitted to HED, and HED will have approved, the Project Budget stated in Exhibit D-1, in accordance with the provisions of Section 3.03.

5.02 **Scope Drawings and Plans and Specifications.** Developer will have submitted to HED, and HED will have approved, the Scope Drawings and Plans and Specifications in accordance with the provisions of Section 3.02 or HED will have agreed to approve them as a post-closing item, promptly upon receipt.

5.03 **Other Governmental Approvals.** Not less than 5 Business Days prior to the Closing Date, Developer will have secured or applied for or provided HED with an application time schedule for all other necessary approvals and permits required by any Federal, State, or local statute, ordinance, rule or regulation to begin or continue construction of the Project, and will submit evidence thereof to HED.

5.04 **Financing.**

(a) Developer will have furnished evidence acceptable to the City that Developer has Equity and Lender Financing, if any, at least in the amounts stated in Section 4.01 to complete the Project and satisfy its obligations under this Agreement. If a portion of such financing consists of Lender Financing, Developer will have furnished evidence as of the Closing Date that the proceeds thereof are available to be drawn upon by Developer as needed and are sufficient (along with the Equity and other financing sources, if any, stated in Section 4.01) to complete the Project.

(b) Prior to the Closing Date, Developer will deliver to HED a copy of the construction escrow agreement, if any, entered into by Developer regarding Developer's Lender Financing, if any. Such construction escrow agreement must provide that the City will receive copies of all construction draw request materials submitted by Developer after the date of this Agreement.

5.05 **Lease and Title.** On the Closing Date, Developer will furnish the City with a copy of the Title Policy for the Project, showing Developer as the named insured. The Title Policy will be dated as of the Closing Date and will contain only those title exceptions listed as Permitted Liens on Exhibit I and will evidence the recording of this Agreement under the provisions of Section 8.15. The Title Policy will also contain the following endorsements as required by Corporation Counsel: an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.0) and location. On or prior to the Closing Date, Developer will provide to HED documentation related to the Project and copies of all easements and encumbrances of record with respect to the leasehold interest in the Property not addressed, to HED's satisfaction, by the Title Policy and any endorsements thereto.

5.06 **Evidence of Clear Title.** Not less than 5 Business Days prior to the Closing Date, Developer, at its own expense, will have provided the City with current searches under Developer's name as follows:

Secretary of State (IL)

UCC search

Secretary of State (IL)	Federal tax lien search
Cook County Recorder	UCC search
Cook County Recorder	Fixtures search
Cook County Recorder	Federal tax lien search
Cook County Recorder	State tax lien search
Cook County Recorder	Memoranda of judgments search
U.S. District Court (N.D. IL)	Pending suits and judgments
Clerk of Circuit Court, Cook County	Pending suits and judgments

showing no liens against Developer, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens.

5.07 **Surveys.** [Intentionally omitted]

5.08 **Insurance.** Developer, at its own expense, will have insured the Project as required under Article Twelve. At least 5 Business Days prior to the Closing Date, certificates required under Article Twelve evidencing the required coverages will have been delivered to HED.

5.09 **Opinion of Developer's Counsel.** On the Closing Date, Developer will furnish the City with an opinion of counsel, substantially in the form of Exhibit J, with such changes as may be required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions stated in Exhibit J, such opinions shall be obtained by Developer from its general corporate counsel.

5.10 **Evidence of Prior Expenditures.** Not less than 20 Business Days prior to the Closing Date, Developer will have provided evidence satisfactory to HED of the Prior Expenditures as provided in Section 4.05. Such evidence of Prior Expenditures may be updated to the Closing Date by Developer.

5.11 **Financial Statements.** Not less than 30 days prior to the Closing Date, Developer will have provided Financial Statements for its 2010 and 2011 fiscal years, if available, and its most recently publicly available unaudited interim Financial Statements, in each case together with any opinions and management letters prepared by Developer's auditors for HED's inspection and review.

5.12 **Additional Documentation.** Developer has provided documentation to HED, satisfactory in form and substance to HED, with respect to current employment matters in connection with the construction or rehabilitation work on the Project, including the reports described in Section 8.07. At least thirty (30) days prior to the Closing Date, Developer has met with Workforce Solutions division of HED to review employment opportunities with Developer

after construction or rehabilitation work on the Project is completed. On or before the Closing Date, Developer has provided to HED, and HED has approved, the Employment Plan for the Project (the “**Employment Plan**”). The Employment Plan includes, without limitation will Developer’s estimated of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as HED has requested relating to the Project.

5.13 **Environmental Reports.** Not less than 30 days prior to the Closing Date, Developer will provide HED with copies of all environmental reports or audits, if any, obtained by Developer with respect to the Project, together with any notices addressed to Developer or provided by the landlord to Developer from any agency regarding environmental issues at the Project. Prior to the Closing Date, Developer will provide the City with a letter from the environmental engineer(s) who completed such report(s) or audit(s), authorizing the City to rely on such report(s) or audit(s).

5.14 **Entity Documents; Economic Disclosure Statement.**

(a) **Entity Documents.** Developer will provide a copy of its current Certificate of Incorporation, with all amendments, containing the original certification of the Secretary of State of its state of organization; certificates of good standing from the Secretary of State of its state of organization and from the Secretary of State of Illinois; current by-laws with all amendments; a secretary’s certificate in such form and substance as the Corporation Counsel may require; and such other organizational documentation as the City may request.

(b) **Economic Disclosure Statement.** Developer will provide the City an EDS, in the City’s then current form, dated as of the Closing Date, which is incorporated by reference and Developer further will provide any other affidavits or certifications as may be required by Federal, State or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the undated EDS(s) to the City will constitute an event of default under this Agreement

5.15 **Litigation.** Developer has provided to Corporation Counsel and HED in writing, a description of all pending or threatened litigation or administrative proceedings: (a) involving the Developer’s property located in the City, (b) that Developer is otherwise required to publicly disclose or that may affect the ability of Developer to perform its duties and obligations under this Agreement, or (c) involving the City or involving the payment of franchise, income, sales or

other taxes by such party to the State of Illinois or the City. In each case, the description shall specify the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith, and whether (and to what extent) such potential liability is covered by insurance.

5.16 **Lease.** Complete copies of the Lease, and all other written agreements setting forth the parties' understandings related to the Developer's relocation to or occupancy of the Project and any financial agreements between the parties in any way relating to the Property, the Project or the Lease, certified by the Developer, shall have been delivered to the City.

ARTICLE SIX: AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors.

(a) Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, (or any phase thereof) after the Closing Date, Developer must solicit, or must cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City of Chicago. For the TIF-Funded Improvements, Developer must cause the General Contractor to select the subcontractor submitting the lowest responsible bid who can complete the Project (or phase thereof) in a timely and good and workmanlike manner; provided, however, that Developer may consider a bidder's ability to meet the unique challenges of the Project in evaluating the "lowest responsible bid" rather than the lowest bid. If the General Contractor selects any subcontractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. Because Developer may have entered into the Construction Contract and other related contracts prior to the date of this Agreement, HED may elect to ratify Developer's actions under this sub-section.

(b) Developer must submit copies of the Construction Contract to HED as required under Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements must be provided to HED within 20 Business Days of the execution thereof, or such other period of time as HED shall request. Developer must ensure that the General Contractor will not (and must cause the General Contractor to ensure that the subcontractors will not) begin work on the Project (or any phase thereof) until the applicable Plans and Specifications for that phase have been approved by HED and all requisite permits have been obtained.

6.02 **Construction Contract.** Unless otherwise waived by HED, prior to the execution thereof, Developer must deliver to HED a copy of the proposed Construction Contract with the General Contractor selected to work on the TIF-Funded Improvements under Section 6.01 above, for HED's prior written approval. Within 10 Business Days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer must

deliver to HED and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 **Performance and Payment Bonds.** Prior to commencement of construction of any work in the public way, if any, Developer will require that the General Contractor and any applicable subcontractor(s) be bonded (as to such work in the public way) for their respective payment and performance by sureties having an AA rating or better using the payment and performance bond form attached as Exhibit L. The City will be named as obligee or co-obligee on such bond.

6.04 **Employment Opportunity.** Developer will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Article Ten.

6.05 **Other Provisions.** In addition to the requirements of this Article Six, the Construction Contract and each contract with any subcontractor must contain provisions required under Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Construction Worker Employment Requirement), Section 10.03 (Developer's MBE/WBE Commitment), Article Twelve (Insurance) and Section 14.01 (Books and Records).

ARTICLE SEVEN: COMPLETION OF CONSTRUCTION

7.01 **Certificate of Completion of Construction.** Upon completion of the construction of the Project in compliance with the terms and conditions of this Agreement, and upon Developer's written request, HED will issue to Developer a certificate of completion of construction in recordable form (the "Certificate") certifying that Developer has fulfilled its obligation to complete the Project in compliance with the terms and conditions of this Agreement. HED will respond to Developer's written request for a Certificate within 30 days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures, and the City will respond within 30 days in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate.

7.02 **Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term

of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.16 (Real Estate Provisions), and Section 8.18 (Occupancy, Operations and Land Use Covenants) as covenants that run with the land and the leasehold interest in the Project are the only covenants in this Agreement intended to be binding upon any transferee of the Project (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate (except with respect to Section 8.02). The other executory terms of this Agreement that remain after the issuance of a Certificate will be binding only upon Developer or a permitted assignee of Developer who, as provided in Section 18.15 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 **Failure to Complete.** If Developer fails to timely complete the Project in compliance with the terms of this Agreement, then the City will have, but will not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement; and

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 4.03, Developer will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds.

7.04 **Notice of Expiration or Termination.** Upon the expiration of the Term of the Agreement or earlier termination of this Agreement, HED will provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired or the Agreement has been terminated.

ARTICLE EIGHT: REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEVELOPER.

8.01 **General.** Developer represents, warrants, and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) Developer is a Delaware corporation, duly incorporated, validly existing, qualified to do business in Delaware and Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Certificate of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer or any of its assets is now or may become bound;

(d) unless otherwise permitted or not prohibited under the terms of this Agreement, Developer will maintain good, indefeasible and merchantable leasehold title to the Project, (and all improvements and thereon) free and clear of all liens except for the Permitted Liens scheduled in the Title Report and incorporated in Exhibit I, or Lender Financing, if any, as disclosed in the Project Budget;

(e) Developer is now, and for the Term of the Agreement, will remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending or, to Developer's actual knowledge threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and will maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to construct and complete and operate the Project and to conduct its business in the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer or any of its assets is bound;

(i) the Financial Statements are, and when hereafter required to be inspected will be, complete, correct in all respects and accurately present the assets, liabilities, results of operations and financial condition of Developer; and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) during the Term of this Agreement, if it would adversely affect Developer's ability to perform its obligations under this Agreement, Developer will not do any of the following without the prior written consent of HED: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose (directly or indirectly) of all or substantially all of its assets or any portion of the Project (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction with respect to the Project outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity to the extent that such action would have an adverse effect on Developer's ability to perform its obligations under this Agreement; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred and, prior to the issuance of a Certificate, will not, without the prior written consent of the Commissioner of HED, allow the existence of any liens against the Project other than the Permitted Liens; or incur any indebtedness secured or to be secured by the Project or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or under City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code of the City, as amended; and

(m) neither the Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

8.02 Covenant to Redevelop. Upon HED's approval of the Scope Drawings and Plans and Specifications, and the Project Budget as provided in Sections 3.02 and 3.03, and Developer's receipt of all required building permits and governmental approvals, Developer will redevelop the Project in compliance with this Agreement and all exhibits attached hereto, the TIF Ordinances, the Scope Drawings, the Plans and Specifications, the Project Budget and all amendments thereto, and all Federal, State and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project and/or Developer. The covenants set forth in this Section 8.02 will run with the land and will be binding upon any transferee of the Project, until fulfilled as evidenced by the issuance of a Certificate.

8.03 **Redevelopment Plan.** Developer represents that the Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date of this Agreement.

8.04 **Use of City Funds.** City Funds disbursed to Developer will be used by Developer solely to reimburse Developer for its payment for the TIF-Funded Improvements as provided in this Agreement.

8.05 **Other Bonds.** At the request of the City, Developer will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) any Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with or provided a source of funds for the payment for the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments will not have a material adverse effect on Developer or the Project. Developer will, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition (but not including proprietary sales and operating information), and assisting the City in its preparation of an offering statement with respect thereto. Developer will not have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by Developer that is determined to be false and misleading.

8.06 **Employment Opportunity.**

(a) Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and, as applicable, to cause the General Contractor to contractually obligate each subcontractor to abide by the terms set forth in Section 8.08 (Prevailing Wage) and Article Ten (Developer's Employment Obligations). Developer will submit a plan to HED describing its compliance program prior to the Closing Date.

(b) Developer will deliver to the City written monthly progress reports detailing compliance with the requirements of Sections 8.08 (Prevailing Wage), 10.02 (City Resident Construction Worker Employment Requirement) and 10.03 (Developer's MBE/WBE Commitment) of this Agreement. If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to HED which will outline, to HED's satisfaction, the manner in which Developer will correct any shortfall.

8.07 **Employment Profile.** Developer will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to HED, from time to time, statements of its employment profile upon HED's request.

8.08 **Prevailing Wage.** Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the State Department of Labor (the “**Labor Department**”), to all of their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed under such contract, or alternatively Developer will provide applicable schedules evidencing wage rates paid. If the Labor Department revises such prevailing wage rates, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.08.

8.09 **Arms-Length Transactions.** Unless HED shall have given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to an Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.10 **Financial Statements and Review.** After the Closing Date, on an annual basis during the Term of the Agreement, Developer will permit HED to inspect and review Developer's Financial Statements at the Project at a mutually convenient time. At the time of such inspection and review, Developer will provide a solvency letter addressed to HED and signed by Developer's Chief Financial Officer.

8.11 **Insurance.** Solely at its own expense, Developer will comply with all applicable provisions of Article Twelve (Insurance) hereof.

8.12 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, and subject to subsection (b) below, Developer agrees to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project or any fixtures that are or may become attached thereto and which are owned by Developer, which creates, may create, or appears to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to HED, within thirty (30) days of HED's request, official receipts from the appropriate entity, or other evidence satisfactory to HED, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Project (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.12); or

(ii) at HED's sole option, to furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Project or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.13 Developer's Liabilities. Developer will not enter into any transaction that would materially and adversely affect its ability to: (i) perform its obligations under this Agreement or (ii) repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer will immediately notify HED of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or under any other documents and agreements.

8.14 Compliance with Laws.

(a) Representation. To Developer's knowledge, after diligent inquiry, the Project is in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project. Upon the City's request, Developer will provide evidence reasonably satisfactory to the City of such current compliance.

(b) Covenant. Developer covenants that the Project will be operated and managed in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project, including the following Municipal Code Sections: 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550 or 11-4-1560, whether or not in performance of this Agreement. Upon the City's request, Developer will provide evidence to the City of its compliance with this covenant.

8.15 **Recording and Filing.** Developer will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Project. Such recordings shall be recorded prior to any mortgage made in connection with Lender Financing, if any. Developer will pay all fees and charges incurred in connection with any such recording. Upon recording, Developer will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.16 **Real Estate Provisions.**

(a) **Governmental Charges.**

(i) **Payment of Governmental Charges.** Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or the Project. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to Developer or the Project, including but not limited to real estate taxes.

(ii) **Right to Contest.** Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Project. Developer's right to challenge real estate taxes applicable to the Project is limited as provided for in Section 8.16(c) below; provided, that such real estate taxes must be paid in full when due. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to HED of Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option:

(x) Developer will demonstrate to HED's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Project to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Project during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay or contest any Governmental Charge or to obtain discharge of the same, Developer will advise HED thereof in writing, at which time HED may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in HED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which HED deems advisable. All sums so paid by HED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to HED by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Project, neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer will, during the Term of this Agreement, seek or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(ii) No Reduction in Real Estate Taxes.

(A) Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer will, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Project below the minimum Assessor's market value applicable as of the Closing Date.

(B) After diligent inquiry, Developer knows of no pending application, appeal or request for reduction of the assessed value of all or any portion of the Project, filed by Developer or the Developer's predecessor in interest for any tax year prior to or including the tax year in which this Agreement is executed.

(iii) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, will object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Under Assessment Complaint (as defined below) or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "**Under Assessment Complaint**" as used in this Agreement means any complaint seeking to increase the assessed value of the Project (and related improvements).

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.16(c) are covenants running with the land. This Agreement will be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions will be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants will be released when the Redevelopment Area is no longer in effect, or upon expiration of the Term of Agreement. Developer agrees that any sale, transfer, lease, conveyance, or ~~transfer of title to all or any portion of the Project from and after the date hereof~~ shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.16 (c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.16(c).

8.17 Job Recruitment, Training and Hiring Plan. Developer agrees to work with the Workforce Solutions Unit of HED to create and implement a mutually acceptable plan for the recruitment, training and hiring of City of Chicago residents. Such plan will have as one of its goals, an objective to maximize the number of local residents from the LaSalle Central and adjacent communities participating in the plan. Developer will develop job criteria and qualifications for plan use and will consult with the Workforce Solutions Unit as necessary in this process. The Workforce Solutions Unit will refer qualified candidates to Developer consistent with Developer's operations timing objectives contained in the plan, and Developer will interview such qualified candidates. Developer will not be required to hire any specified number of candidates.

8.18 Occupancy, Operations and Land Use Covenants.

(a) Occupancy and Operations Covenant. Developer covenants that it will occupy the Project and operate its on-line facility on the Property for the Term of the Agreement, subject to the provisions of Section 18.17 (Force Majeure); provided, however, that temporary closures for reconstructions, expansion, alterations or remodeling are permitted exceptions to this covenant.

(b) Land Use Compliance. Developer covenants that its use of the Property and the Project will be in compliance with the Redevelopment Plan, and applicable zoning laws.

(c) Run With The Land. The covenants stated in this Section 8.18 run with the land and the leasehold interest in the Project, and are intended to be binding on any transferee of the Project.

8.19 Job Requirements

(a) At Locations. Developer covenants to meet or exceed the following FTE job requirements at the following locations during the Term of the Agreement:

Year(s)	Number of Employees Riverside Plaza	Total Staff – Riverside Plaza	Total Staff Citywide
2013	150 Retained 60 Created	210	460

(b) Position Descriptions The bulk of the positions created at the Project will be admissions advisors that help with new student recruitment and provide information to prospective students through addressing inquiries, customer service and help with decision making. There will also be positions that support the admissions staff, oversee the admissions staff and train the admissions staff. Such positions include enrollment coordinators, systems training specialists, and enrollment coordinator team leads. Other positions include business

analysts and market analysts. Managerial positions include business process administrators, senior human resources business partners, director of admissions management services, senior director of marketing systems and assistant director of admissions.

(c) Non-Compliance

(i) In any year of the 10 year term, if Developer's job count falls below the requirement stated in subsection (a) above, then:

(x) the City may withhold payments to Developer for any year. Upon compliance, regular payments will resume and withheld payments will be promptly paid to Developer;

(y) the year that Developer was out of compliance will not count toward the 10 year stated term, but will be added to the stated term and thereby automatically extending the Term of the Agreement.

(ii) During the 10-year Term of the Agreement, Developer is entitled to two (2) non-consecutive years of non-compliance. If Developer has: (x) two (2) consecutive years of non-compliance; or (y) three (3) non-consecutive years of non-compliance, then such event shall be considered an Event of Default, and the City will be under no further obligation to pay City Funds to Developer.

(d) Default by Landlord under the Lease. A default by the Landlord under the Lease shall not: (a) relieve Developer from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

8.20 **Annual Compliance Report.** Beginning with the issuance of the COC and continuing throughout the Term of the Agreement, the Developer shall submit to HED the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 **Reserved.**

8.22 **Broker's Fees.** Developer has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.23 **No Conflict of Interest.** Under Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City, (a "City Group Member") owns or controls, has owned or controlled or will own or control any

interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer, the Property, the Project, or to the Developer's actual knowledge, any other property in the Redevelopment Area.

8.24 **Disclosure of Interest.** Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other feature of the Project.

8.25 **No Business Relationship with City Elected Officials.** Developer acknowledges receipt of a copy of Section 2-156-030(b) of the Municipal Code and that Developer has read and understands such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.26 **Inspector General.** It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.27 **Prohibition on Certain Contributions – Mayoral Executive Order No. 2011-4.** Neither Developer or any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5% ("**Owners**"), spouses and domestic partners of such Owners, Developer's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "**Mayor**") or to his political fundraising committee during: (i) the bid or other solicitation process for this Agreement or Other Agreement, including while this Agreement or Other Agreement is executory, (ii) the term of

this Agreement or any Other Agreement between City and Developer, and/or (iii) any period in which an extension of this Agreement or Other Agreement with the City is being sought or negotiated.

Developer represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Agreement for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Agreement, at law and in equity. This provision amends any Other Agreement and supersedes any inconsistent provision contained therein.

If applicable, if Developer violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, then HED may reject Developer's bid.

For purposes of this provision:

"Other Agreement" means any agreement entered into between the Developer and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a **"political contribution"** as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a **"political fundraising committee"** as defined in MCC Ch. 2-156, as amended.

8.28 **Shakman Accord** .

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "**Shakman Accord**") and the June 24, 2011 "City of Chicago Hiring Plan" (the "**City Hiring Plan**") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("**IGO Hiring Oversight**"), and also to the Commissioner of HED. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

8.29 FOIA and Local Records Act Compliance.

(a) FOIA. Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended (“FOIA”). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Agreement then Developer covenants to comply with such request within two (2) Business Days of the date of such request. Failure by Developer to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Developer submits to the City under Section 8.20, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as “proprietary, privileged or confidential.” If Developer marks a document as “proprietary, privileged and confidential”, then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General’s Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the “Local Records Act”). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

8.30 Material Amendment To Lease/Lease Transfer. During the Term of the Agreement, Developer shall not: (a) execute or consent to a Material Amendment or (b) sell, sublease, re-lease, assign or otherwise transfer its interest in the Lease without the prior written consent of HED, which consent shall be in HED’s sole discretion.

8.31 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Article Eight and elsewhere in this Agreement are true, accurate and complete at the time of Developer’s execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Article Seven upon the issuance of a Certificate) will be in effect throughout the Term of the Agreement.

ARTICLE NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Article Nine or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

ARTICLE TEN: DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** Developer, on behalf of itself and its successors and assigns, hereby agrees, and will contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer on the Project (collectively, with Developer, such parties are defined herein as the "**Employers**", and individually defined herein as an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq. (2006 State Bar Edition), as amended, and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project, after the Closing Date, and will require inclusion of these provisions in every subcontract entered into by any subcontractors, after the Closing Date, and every agreement with any Affiliate operating on the Property or at the Project, after the Closing Date, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 City Resident Construction Worker Employment Requirement.

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of HED in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 2 Business Days prior written notice, Developer, the General Contractor and each subcontractor will provide full access to their employment records related to the construction of the Project to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of HED, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Article concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Article. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard

construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project, entered into after the Closing Date.

10.03 Developer's MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements stated in this section, will contractually obligate the General Contractor to agree that during the construction of the Project:

(a) Consistent with the findings which support, as applicable: (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "**Construction Program**"), and collectively with the Procurement Program, the **MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as stated in Exhibit D-2) must be expended for contract participation by Minority-Owned Businesses ("**MBEs**") and by Women-Owned Businesses ("**WBEs**"):

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only:

(i) Developer (and any party to whom a contract is let by Developer in connection with the Project) is deemed a "**contractor**" and this Agreement (and any contract let by Developer in connection with the Project) is deemed a "**contract**" or a "**construction contract**" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "**minority-owned business**" or "**MBE**" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "**women-owned business**" or "**WBE**" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) ~~Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago,~~ Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of: (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In compliance with Section 2-92-730, Municipal Code of Chicago, Developer will not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of HED.

(d) Developer must deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports will include, inter alia: the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation; the name and business address of each MBE or WBE actually involved in the Project; a description of the work performed or products or services supplied; the date and amount of such work, product or service; and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. Developer will maintain records of all relevant data with respect to the utilization of MBEs and WBEs in

connection with the Project for at least 5 years after completion of the Project, and the City's monitoring staff will have access to all such records maintained by Developer, on 5 Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer is obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors are required to attend this pre-construction meeting. During said meeting, Developer will demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which will be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, will, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

ARTICLE ELEVEN: ENVIRONMENTAL MATTERS

11.01 Environmental Matters. Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from: (A) all or any portion of the Property, or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

ARTICLE TWELVE: INSURANCE

12.01 **Insurance Requirements.** Developer's insurance requirements are stated in Schedule B which is hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE THIRTEEN: INDEMNIFICATION

13.01 **General Indemnity.** Developer agrees to indemnify, pay and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "**Indemnitee**," and collectively the "**Indemnites**") harmless from and against, any and all liabilities, obligations, losses, damages (arising out of a third party action against the City), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever, (and including, without limitation, the reasonable fees and disbursements of counsel for such Indemnites in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnites shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnites by a third party in any manner relating to or arising out of:

- (i) Any cost overruns as described in Section 4.06; or
- (ii) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(iii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iv) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or its agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(v) Developer's failure to cure any misrepresentation in this Agreement or any other document or agreement relating hereto; or

(vi) any act or omission by Developer or any Affiliate of Developer;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer will contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 will survive the termination of this Agreement.

ARTICLE FOURTEEN: MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 **Books and Records.** Developer will keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual costs of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. Developer will not pay for salaries or fringe benefits of auditors or examiners. Developer must incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project. The City shall provide three (3) Business Days' prior written notice to the Developer in accordance with Section 17. The notice shall indicate the date and time of the inspection. All inspections shall be conducted between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday.

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property (including the Project), assets (including the Project), operations or condition, financial or otherwise that will materially adversely affect Developer's ability to perform under this Agreement;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt by Developer to create, any lien or other encumbrance upon the Project, including any fixtures now or hereafter attached thereto, other than the Permitted Liens or any Permitted Mortgage, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or Developer's ultimate parent entity, if any, or for the liquidation or reorganization of Developer or Developer's ultimate parent entity, if any, or alleging that Developer or Developer's ultimate parent entity, if any, is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's or Developer's ultimate parent entity's, if any, debts, whether under the United States Bankruptcy Code or under any other state or Federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer or Developer's ultimate parent entity, if any; provided, however, that if such commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such proceedings are not dismissed within 60 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer or Developer's ultimate parent entity, if any, for any substantial part of Developer's or Developer's ultimate parent entity's, if any, assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer or Developer's ultimate parent entity, if any; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 60 days after the commencement thereof;

(g) the entry of any judgment or order against Developer, not covered by insurance for an amount in excess of \$1.0 million which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

For purposes of Section 15.01(j), a natural person with a material interest in Developer is one owning in excess of seven and a half percent (7.5%) of Developer's or Developer's ultimate parent entity, if any, issued and outstanding ownership shares or interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, and under allowed under the Lease, the City may also lien Developer's leasehold interest in the Property.

(b) In the event Developer fails to perform a non-monetary covenant which Developer is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless Developer has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, Developer will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

ARTICLE SIXTEEN: MORTGAGING OF THE PROJECT

16.01 Mortgaging of the Project. Any and all mortgages or deeds of trust in place as of the date hereof with respect to the Project or any portion thereof are listed on Exhibit I hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing, if any) and are referred to herein as the "**Existing Mortgages.**" Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Project or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "**New Mortgage.**" Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Project or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage.**" It is hereby agreed by and between the City and Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Project or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) If any mortgagee or any other party shall succeed to Developer's interest in the Project or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of "Developer" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of Developer which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer will be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of a Certificate under Article Seven hereof, ~~no New Mortgage will be executed with respect to the Project or any portion thereof~~ without the prior written consent of the Commissioner of HED. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. 18.01 **Amendments.** This Agreement and the Schedules and Exhibits attached hereto may not be modified or amended except by an agreement in writing signed by the parties; provided, however, that the City in its sole discretion, may amend, modify or supplement the Redevelopment Plan, which is Exhibit C hereto. For purposes of this Agreement, Developer is only obligated to comply with the Redevelopment Plan as in effect on the date of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than 90 days.

18.02 **Complete Agreement, Construction, Modification.** This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter. This Agreement and the Schedules and Exhibits attached hereto may not be contradicted by evidence of prior, contemporaneous, or subsequent verbal agreements of the parties. There are no unwritten verbal agreements between the parties.

18.03 **Limitation of Liability.** No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to Developer or any successor in interest to Developer in the event of any default or breach by the City or for any amount which may become due to Developer or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.05 **Waivers.** No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Parties in Interest/No Third Party Beneficiaries.** The terms and provisions of this Agreement are binding upon and inure to the benefit of, and are enforceable by, the respective successors and permitted assigns of the parties hereto. This Agreement will not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of the City or the Developer, will be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City or Developer.

18.08 **Titles and Headings.** The Article, section and paragraph headings contained herein are for convenience of reference only and are not intended to limit, vary, define or expand the content thereof.

18.09 **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, must be construed together and will constitute one and the same instrument.

18.10 **Counterpart Facsimile Execution.** For purposes of executing this Agreement, a document signed and transmitted by facsimile machine will be treated as an original document. The signature of any party thereon will be considered as an original signature, and the document transmitted will be considered to have the same binding legal effect as an original signature on an original document. At the request of either party, any facsimile document will be re-executed by

other parties in original form. No party hereto may raise the use of a facsimile machine as a defense to the enforcement of this Agreement or any amendment executed in compliance with this section. This section does not supersede the requirements of Article Seventeen: Notices.

18.11 **Severability.** If any provision of this Agreement, or the application thereof, to any person, place or circumstance, is held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances will remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms will provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties will negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties' intent in entering into this Agreement.

18.12 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances in effect as of the date of this Agreement, such ordinance(s) will prevail and control.

18.13 **Governing Law.** This Agreement is governed by and construed in accordance with the internal laws of the State, without regard to its conflicts of law principles.

18.15 **Assignment.** Prior to the issuance by the City to Developer of a Certificate, Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that Developer may assign, on a collateral basis, the right to receive City Funds to a lender providing Lender Financing, if any, which has been identified to the City as of the Closing Date. Any successor in interest to Developer under this Agreement will certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Section 8.16 (Real Estate Provisions) and Section 8.29 (Survival of Covenants) hereof, for the Term of the Agreement. Developer hereby consents to the City's transfer, assignment or other disposal of this Agreement at any time in whole or in part.

exchange closures or wire transfer interruptions, capital controls, civil disorders, rebellions or revolutions, strike, shortage of material, power interruptions or blackouts, fuel shortages or rationing, adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, except to the extent that, the non-performing party is at fault in failing to prevent or causing such default or delay; and provided that such default or delay cannot reasonably be circumvented by the non-performing party through the use of alternative sources, work around plans or other means. The individual or entity relying on this section with respect to any such delay will, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.18 **Exhibits and Schedules.** All of the exhibits and schedules to this Agreement are incorporated herein by reference. Any exhibits and schedules to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

18.19 **Business Economic Support Act.** Under the Business Economic Support Act (30 ILCS 760/1 et seq. (2006 State Bar Edition), as amended), if Developer is required to provide notice under the WARN Act, Developer will, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and Minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 **Approval.** Wherever this Agreement provides for the approval or consent of the City, HED or the Commissioner, or any matter is to be to the City's, HED's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, HED or the Commissioner in writing and in the reasonable discretion thereof. 18.21 **Construction of Words.** The use of the singular form of any word herein includes the plural, and vice versa. Masculine, feminine and neuter pronouns are fully interchangeable, where the context so requires. The words "herein", "hereof" and "hereunder" and other words of

similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision. The term "include" (in all its forms) means "include, without limitation" unless the context clearly states otherwise. The word "shall" means "has a duty to."

18.22 **Date of Performance.** If any date for performance under this Agreement falls on a Saturday, Sunday or other day which is a holiday under Federal law or under State Law, the date for such performance will be the next succeeding Business Day.

18.23 **Survival of Agreements.** Except as otherwise contemplated by this Agreement, all covenants and agreements of the parties contained in this Agreement will survive the Closing Date.

18.24 **Equitable Relief.** In addition to any other available remedy provided for hereunder, at law or in equity, to the extent that a party fails to comply with the terms of this Agreement, any of the other parties hereto shall be entitled to injunctive relief with respect thereto, without the necessity of posting a bond or other security, the damages for such breach hereby being acknowledged as unascertainable.

18.25 **Venue and Consent to Jurisdiction.** If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

FORM OF OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

_____, 2013

City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to DeVry Inc., a Delaware corporation (the "Developer"), in connection with the construction of certain improvements on the property located at 227 W. Monroe Street located in the LaSalle Central Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) DeVry Inc. Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and
- (b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- (a) the original or certified, conformed or photostatic copies of each of Developer's
 - (i) Certificate of Incorporation, as amended to date, (ii) By-Laws, (iii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, and (iv) records of all corporate proceedings relating to the Project; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation company duly organized, validly existing and in good standing under the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Certificate of Incorporation or By-Laws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies the equity of Developer and the number of equity interests held by each holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Developer. Each outstanding equity interest of Developer is duly authorized, validly issued, fully paid and non-assessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America or the laws of the State of Illinois.
