**RECITALS**

**B. Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "**Act**"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

**C. City Council Authority:** To induce redevelopment pursuant to the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on November 15, 2006 and amended and corrected the ordinances on February 7, 2007 and May 9, 2007: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the LaSalle Central Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the LaSalle Central Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for LaSalle Central Redevelopment Project Area" (the "**TIF Adoption Ordinance**") (items(1)-(3) collectively referred to herein as the "**TIF Ordinances**"). The redevelopment project area referred to above (the "**Redevelopment Area**") is legally described in Exhibit A hereto.

D. **The Project:** The Developer is a joint venture between Miller Brewing Company and Coors Brewing Company combining their respective U.S. and Puerto Rico operations. Upon such relocation, and during the Term of this Agreement (as hereinafter defined), the portion of the Building leased and occupied by the Developer, which shall consist of a minimum of 129,122 square feet throughout the Term of this Agreement, will be the principal office of the Developer's business and the site which the Developer's principal executive officers have designated as their principal offices (the "**Headquarters**"). In connection with its occupancy of the Building, Developer shall construct substantial tenant improvements necessary to permit Developer to take possession in accordance with the terms of the Lease. Such relocation will create a substantial public benefit through its creation of approximately 325 FTE jobs (as hereinafter defined). The construction of tenant improvements in the Developer Space (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C), installation of exterior roofline signage and an exterior façade sign or monument sign at street level and the construction of improvements to the river wall west of the Building are collectively referred to herein as the "**Rehabilitation Project**." The Rehabilitation Project and the use of the Developer Space as the Developer's corporate headquarters are collectively referred to herein as the "**Project**." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

Notwithstanding anything to the contrary in this **Section 3.04**, Change Orders other than those set forth above do not require DCD's prior written approval as set forth in this **Section 3.04**, but DCD shall be notified in writing of all such Change Orders within 10 business days after the

execution of such Change Order and the Developer, in connection with such notice, shall identify to DCD the source of funding therefor.

**3.05 DCD Approval.** Any approval granted by DCD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DCD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Rehabilitation Project.

**3.06 Other Approvals.** Any DCD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of **Section 5.03** (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Rehabilitation Project until the Developer has obtained all necessary permits and approvals (including but not limited to DCD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

**3.07 Progress Reports and Survey Updates.** The Developer shall provide DCD with written quarterly progress reports detailing the status of the Rehabilitation Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DCD's written approval pursuant to **Section 3.04**). The Developer shall provide three (3) copies of an updated Survey to DCD upon the request of DCD or any lender providing Lender Financing, reflecting improvements made to the Property.

**3.08 Inspecting Agent or Architect.** An independent agent or architect (other than the Developer's architect) approved by DCD shall be selected to act as the inspecting agent or architect, at the Developer's expense, for the Rehabilitation Project. The inspecting agent or architect shall perform a final inspection with respect to the Rehabilitation Project, providing certifications with respect thereto to DCD, prior to requests for disbursement for costs related to the Rehabilitation Project hereunder.

**3.09 Barricades.** Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DCD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

**3.10 Signs and Public Relations.** Upon the request of DCD, the Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Rehabilitation Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications.

**3.11 Utility Connections.** The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

**3.12 Permit Fees.** In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

**SECTION 4. FINANCING**

**4.01 Total Project Cost and Sources of Funds.** The cost of the Rehabilitation Project is estimated to be Twenty-One Million Five Hundred Thousand Dollars (\$21,500,000) to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to <b>Sections 4.03(b) and 4.06</b> )	<u>\$21,500,000</u>
<b>ESTIMATED TOTAL</b>	<b>\$21,500,000</b>

**4.02 Developer Funds.** Equity and/or Lender Financing may be used to pay any Rehabilitation Project cost, including but not limited to Redevelopment Project Costs.

**4.03 City Funds.**

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. **Exhibit C** sets forth, by line item, the TIF-Funded Improvements for the Rehabilitation Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to **Sections 4.03(b) and 4.05(d)**), contingent upon receipt by the City of documentation satisfactory in form and substance to DCD evidencing such cost and its eligibility as a Redevelopment Project Cost. City Funds shall be disbursed to the Developer in six payments, consisting of one payment (the "Initial Payment") within 90 days after the issuance of the Certificate to the Developer by DCD and five annual installments (the "Annual Installments") following the issuance of the Certificate, in each case subject to the approval of DCD and as described below. Such payment of City Funds shall be contingent upon DCD having first received, along with the Requisition Form, the Letter of Credit in the applicable Letter of Credit Amount (as adjusted to reflect the anticipated payment of City Funds) and documentation satisfactory in form and substance to DCD (including Developer's filing of a Jobs Certificate) evidencing Developer's compliance with the applicable Jobs Covenant then due, as set forth in **Section 8.06** hereof.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this **Section 4.03** and **Section 5** hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>
Available Incremental Taxes	\$5,775,000

provided, however, that (1) the amount of City Funds in the Initial Payment shall be reduced by \$250,000 if the City determines prior to issuing the Certificate that the Developer Space is unlikely to achieve a LEED Certification; and (2) in the event that the Final Project Cost is less than \$21,500,000, the total amount of City Funds shall be reduced by \$.75 for every \$1.00 (or portion thereof) by which the Final Project Cost is less than \$21,500,000; and provided further, that the

\$5,775,000 to be derived from Available Incremental Taxes shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(A) The amount of the Available Incremental Taxes deposited into the LaSalle Central TIF Fund shall be sufficient to pay for such costs; and

(B) The Developer shall deliver to the City the Letter of Credit in the applicable Letter of Credit Amount.

The Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$5,775,000 is contingent upon the fulfillment of the conditions set forth in parts (A) and (B) above; provided, that if Available Incremental Taxes are not sufficient to fund the Initial Payment or any Annual Installment when otherwise due and payable, then the City shall make up any shortfall in the Initial Payment or any Annual Installment at any time during the Term of the Agreement to the extent that Available Incremental Taxes are sufficient to pay such costs.

(c) Initial Payment. Within 90 days after the issuance of the Certificate to the Developer by DCD, DCD shall make an Initial Payment to Developer in an amount equal to (1) one-sixth of the entire amount of City Funds, as adjusted under Section 4.03(b)(2), if applicable, minus (2) if applicable, the \$250,000 reduction described under Section 4.03(b)(1). If the City Funds, as adjusted under Section 4.03(b)(2), total \$5,775,000, then the Initial Payment shall equal \$1,000,000 minus, if applicable, the \$250,000 reduction described under Section 4.03(b)(1). The Initial Payment shall be contingent upon DCD having first received, along with the Requisition Form, the Letter of Credit in the applicable Letter of Credit Amount (as adjusted to reflect the anticipated payment of City Funds) and documentation satisfactory in form and substance to DCD (including Developer's filing of a Jobs Certificate) evidencing Developer's compliance with the applicable Jobs Covenant then due, as set forth in Section 8.06 hereof.

(d) Calculation of City Funds for Annual Installments. If the total FTEs measured as of the applicable anniversary of the issuance of the Certificate is equal to or greater than 275 FTEs, then the Annual Installment shall equal \$955,000. If the total FTEs measured as of the applicable anniversary of the issuance of the Certificate is less than 275 FTEs, then the Annual Installment shall equal zero. All payments of City Funds are subject to the reductions described in Section 4.03(b) above.

(e) Schedule of Payment of Annual Installments.

Annual Installments will be provided based on the following schedule:

Payment	Calculation Date	Maximum Annual Installment
1st Annual Installment:	First Anniversary of Certificate issuance	up to \$955,000 of Available Incremental Taxes (*)
2nd Annual Installment:	Second Anniversary of Certificate issuance	up to \$955,000 of Available Incremental Taxes (*)
3rd Annual Installment:	Third Anniversary of Certificate issuance	up to \$955,000 of Available Incremental Taxes (*)
4th Annual Installment:	Fourth Anniversary of Certificate issuance	up to \$955,000 of Available Incremental Taxes (*)

5th Annual Installment:	Fifth Anniversary of Certificate issuance	up to \$955,000 of Available Incremental Taxes (*)
----------------------------	--	---

\*The maximum total amount of all Annual Installment shall be limited to \$4,775,000

Notwithstanding the foregoing, if at any time before the fifth anniversary of the date the Certificate is issued the Developer delivers an Extension Notice and cures the applicable Event of Default during the one-year period in which the Extension Notice was delivered, then the schedule of payments of Annual Installments shall be extended by one year and shall end on the sixth anniversary of the date the Certificate is issued.

**4.04 Requisition Form.** On the Closing Date and when the Developer submits documentation to the City in connection with a request for the payment of the City Funds as described in **Section 4.03(a)**, beginning on the first request for payment and continuing through the earlier of (i) the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide DCD with a Requisition Form, along with the documentation described therein. Except for the requisition for the Initial Payment, requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar year (or as otherwise permitted by DCD). The Developer shall meet with DCD at the request of DCD to discuss the Requisition Form(s) previously delivered.

**4.05 Treatment of Prior Expenditures and Subsequent Disbursements.**

(a) **Prior Expenditures.** Only those expenditures made by the Developer with respect to the Rehabilitation Project prior to the Closing Date, evidenced by documentation satisfactory to DCD and approved by DCD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). DCD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. **Exhibit I** hereto sets forth the prior expenditures approved by DCD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to **Section 4.01** hereof.

(b) **Allocation Among Line Items.** Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DCD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DCD.

(c) **City Fee.** Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(d) **Allocation of Costs With Respect To Sources of Funds.**

(i) **Disbursement of Equity.** Each amount paid pursuant to this Agreement, whether for TIF-Funded Improvements or otherwise, shall be charged first to Equity.

(ii) Disbursement of Lender Financing. After there is no Equity remaining, each amount paid pursuant to this Agreement, whether for TIF-Funded Improvements or otherwise, shall be charged to Lender Financing.

(iii) Disbursement of City Funds. After there is no Equity or Lender Financing remaining, each amount paid pursuant to this Agreement shall be charged to City Funds, to be used to directly pay for, or reimburse the Developer for its previous payment for (out of Equity or Lender Financing) TIF-Funded Improvements; provided that costs of TIF-Funded Improvements that are to be paid from City Funds derived from (1) Available Incremental Taxes on deposit from time to time in the LaSalle Central TIF Fund, and/or (2) proceeds of TIF Bonds, if any, shall be payable by the City only to the extent that such funds are available; provided, further, that if Available Incremental Taxes are not sufficient to fund the Initial Payment or any Annual Installment when otherwise due and payable, then the City shall make up any shortfall in the Initial Payment or any Annual Installment at any time during the Term of the Agreement to the extent that Available Incremental Taxes are sufficient to pay such costs.

**4.06 Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Rehabilitation Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Rehabilitation Project.

**4.07 Preconditions of Disbursement.** Prior to each disbursement of City Funds hereunder, the Developer shall submit documentation regarding the applicable expenditures to DCD, which shall be satisfactory to DCD in its sole discretion. Delivery by the Developer to DCD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the request for disbursement represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Rehabilitation Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Rehabilitation Project is In Balance. The Rehabilitation Project shall be deemed to be in balance ("In Balance") only if the total of the available Rehabilitation Project funds equals or

exceeds the aggregate of the amount necessary to pay all unpaid Rehabilitation Project costs incurred or to be incurred in the completion of the Rehabilitation Project. "**Available Rehabilitation Project Funds**" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer hereby agrees that, if the Rehabilitation Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Rehabilitation Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to the deposit with the City of the Letter of Credit as set forth in **Section 4.03(b)** of this Agreement and the requirements set forth in the Bond Ordinance, if any, the Bonds, if any, the TIF Ordinances and this Agreement.

**4.08 Conditional Grant.** The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed by the Developer to the City subject to the limitations and as otherwise provided in **Section 15.02** hereof.

## SECTION 6. AGREEMENTS WITH CONTRACTORS

**6.01 Bid Requirement for General Contractor and Subcontractors.** (a) Except as set forth in **Section 6.01(b)** below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Rehabilitation Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DCD for its inspection and written approval. For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Rehabilitation Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer shall submit copies of the Construction Contract to DCD in accordance with **Section 6.02** below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DCD within ten (10) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Rehabilitation Project until the Plans and Specifications have been approved by DCD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Rehabilitation Project, the Developer does not solicit bids pursuant to **Section 6.01(a)** hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of **Section 6.01(a)** shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

The City shall be named as obligee or co-obligee on any such bonds.

**6.04 Employment Opportunity.** The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of **Section 10** hereof.

**6.05 Other Provisions.** In addition to the requirements of this **Section 6**, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to **Section 3.04** (Change Orders), **Section 8.09** (Prevailing Wage), **Section 10.01(e)** (Employment Opportunity), **Section 10.02** (City Resident Employment Requirement), **Section 10.03** (MBE/WBE Requirements, as applicable), **Section 12** (Insurance) and **Section 14.01** (Books and Records)

## SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

**7.01 Certificate of Completion of Construction or Rehabilitation.** Upon completion of the Rehabilitation Project in accordance with the terms of this Agreement, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Rehabilitation Project (the "**Final Project Cost**"), DCD shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Rehabilitation Project in accordance with the terms of this Agreement. The Certificate will not be issued until the following requirements have been met, as supported by such evidence as the City may require in its sole discretion:

- (i) The Developer has completed construction of the Interior Build-out and the river walk improvements according to the Plans and Specifications;
- (ii) The Final Project Cost incurred by the Developer is at least \$21,500,000; provided, however, that in the event that the Final Project Cost is less than \$21,500,000, the total amount of City Funds shall be reduced by \$.75 for every \$1.00 (or portion thereof) by which the Final Project Cost is less than \$21,500,000, as described in **Section 4.03(b)**;
- (iii) 275 FTEs have been relocated to the Developer Space, as evidenced by the Jobs Certificate;
- (iv) The Officers have relocated their principal offices to the Developer Space;
- (v) Receipt of a Certificate of Occupancy or other evidence acceptable to DCD that the Developer has complied with building permit requirements for the Rehabilitation Project;
- (vi) The City's Monitoring and Compliance Unit has verified that the Developer is in full compliance with City requirements set forth in **Section 10 (including, without limitation, Sections 10.02 and 10.03)**, **Section 8.06** and **Section 8.09** (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Rehabilitation Project, and that 100% of the Developer's MBE/WBE Commitment in **Section 10.03** has been fulfilled;
- (vii) The Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than \$5,775,000;
- (viii) The Developer has delivered the Letter of Credit as set forth in **Section 4.03(b)**;

- (ix) The Developer has registered the Developer Space for, and is in the process of, receiving a LEED Certification; provided, however, that if the City determines prior to issuing the Certificate that the Developer Space is unlikely to achieve a LEED Certification, then the total amount of City Funds shall be reduced by \$250,000, as described in Section 4.03(b); and
- (x) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DCD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Rehabilitation Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

**7.02 Effect of Issuance of Certificate; Continuing Obligations.** The Certificate relates only to the activities comprising the Rehabilitation Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06 and 8.19 as covenants that run with the leasehold interest in the Developer Space are the only covenants in this Agreement intended to be binding upon any transferee of the Developer Space (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

**7.03 Failure to Complete.** If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and any other related agreements to which the City and the Developer are or shall be parties, cease all disbursement of City Funds not yet disbursed pursuant hereto and/or draw down up to the entire amount of the Letter of Credit;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

**7.04 Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DCD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

#### **SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.**

**8.01 General.** The Developer represents, warrants and covenants, as of the date of this Agreement, and as of the date of each disbursement of City Funds hereunder and throughout the Compliance Period, that:

(a) the Developer is a Delaware limited liability company duly organized, validly existing, qualified to do business in its state of organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer shall maintain good, indefeasible and merchantable leasehold title to the Developer Space free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer is contesting in good faith pursuant to **Section 8.15** hereof);

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(g) the Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) during the Term of the Agreement, the Developer shall not do any of the following without the prior written consent of DCD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property in which it has an interest (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity to the extent that such action would have an adverse effect on Developer's ability to perform its obligations under this Agreement; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DCD, allow the existence of any liens against the Developer Space (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; and

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

**8.02 Covenant to Redevelop.** Upon DCD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in **Sections 3.02** and **3.03** hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations,

executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the leasehold interest in the Developer Space and be binding upon any transferee of the Developer Space, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

**8.03 Redevelopment Plan.** The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

**8.04 Use of City Funds.** City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

**8.05 Other Bonds.** The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "**Bonds**"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

**8.06 Job Creation and Retention; Covenant to Remain in the City.**

(a) **Operating Covenant.** The Developer hereby covenants and agrees to maintain its Headquarters at the Building and to lease and occupy a minimum of 129,122 square feet at the Building (collectively, the "**Operating Covenant**") throughout the Compliance Period defined below. The "**Compliance Period**" shall mean the longer of (1) if the Developer does not deliver an Extension Notice (defined below), a period beginning on the date the Certificate is issued and ending on the 10<sup>th</sup> anniversary of the date the Certificate is issued, and (2) if the Developer delivers an Extension Notice and cures the applicable Event of Default during the one-year period in which the Extension Notice was delivered, a period beginning on the date the Certificate is issued and ending on the 11<sup>th</sup> anniversary of the date the Certificate is issued. A default under the Operating Covenant shall constitute an Event of Default without notice or opportunity to cure.

(b) **Jobs Covenant.** The Developer, directly or through one or more Affiliates, shall adhere to the following job relocation, creation and retention standards throughout the Compliance Period (collectively the "**Jobs Covenant**"):

- (i) Prior to the date the Developer requests the City to issue the Certificate under **Section 7.01**, at least 275 FTE jobs shall be relocated from outside the City to the Headquarters;
- (ii) From the issuance of the Certificate through the fifth anniversary of the issuance of the Certificate, the number of FTE jobs relocated to the Headquarters from outside the City and/or created at the Headquarters shall be at least 275 FTE jobs;

- (iii) From the fifth anniversary of the issuance of the Certificate through the remainder of the Compliance Period, the number of FTE jobs relocated to the Headquarters from outside the City and/or created at the Headquarters shall be at least 325 FTE jobs.

Throughout the Compliance Period, the Developer shall submit to DCD annual certified Jobs Certificates disclosing compliance with the Jobs Covenant to DCD. These Jobs Certificates shall be submitted to DCD by February 1<sup>st</sup> for the prior calendar year. The Developer agrees that it shall act in good faith and, among other things, shall not hire temporary workers or relocate workers for short periods of time for the primary purpose of avoiding a breach of the Jobs Covenant. The Jobs Certificate shall include the names and titles of FTEs employed at the Headquarters as of the end of the prior calendar year.

(c) Jobs Covenant Default and Cure Period. If the Developer defaults under the Jobs Covenant described in Section 8.06 above, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "Extension Notice") accompanying the certified employment report, elects to extend the Compliance Period by one year to the eleventh (11<sup>th</sup>) anniversary of the date the Certificate is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then the Compliance Period shall not be extended and an Event of Default shall exist without notice or opportunity to cure. If the Developer has not delivered a permitted Extension Notice then any default by the Developer under the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant as described in this paragraph shall constitute an Event of Default without notice or opportunity to cure.

(d) Covenants Run with the Leasehold Interest; Remedy. The covenants set forth in this Section 8.06 shall run with the leasehold interest in the Developer Space and be binding upon any transferee of the Developer Space. In the event of a default for any of the covenants in this Section 8.06, the City shall have the right to recapture the full amount of all City Funds previously paid or disbursed to the Developer for the Project by drawing down up to the entire amount of the Letter of Credit if such default(s) is/are not cured during the applicable cure period, if any, and to exercise any other remedies described or referred to in this Agreement.

(e) Default by Landlord under Lease. A default by the Landlord under the Lease shall not (a) relieve Developer from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

**8.07 Employment Opportunity; Progress Reports.** The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Rehabilitation Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). Notwithstanding the foregoing, if the Rehabilitation Project is begun before the Closing occurs, then at Closing the Developer shall deliver to the City a written progress report detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement based on the portion of the Rehabilitation Project

completed prior to Closing. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DCD which shall outline, to DCD's satisfaction, the manner in which the Developer shall correct any shortfall.

**8.08 Employment Profile.** The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DCD, from time to time, statements of its employment profile upon DCD's request.

**8.09 Prevailing Wage.** The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "**Department**"), to all Rehabilitation Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this **Section 8.09**.

**8.10 Arms-Length Transactions.** Unless DCD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DCD's request, prior to any such disbursement.

**8.11 Conflict of Interest.** Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

**8.12 Disclosure of Interest.** The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

**8.13 Financial Statements.** The Developer shall obtain and provide to DCD Financial Statements for the Developer's fiscal year ended 2008 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit either (a) audited or unaudited interim financial statements or (b) summarized financial information, including condensed balance sheet and statement of operations, for the Developer as contained in the quarterly reports on Form 10-Q filed by Molson Coors Brewing Company.

**8.14 Insurance.** The Developer, at its own expense, shall comply with all provisions of **Section 12** hereof.

**8.15 Non-Governmental Charges.** (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-

Governmental Charge assessed or imposed upon the Project, the Developer Space or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Developer Space or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DCD, within thirty (30) days of DCD's request, official receipts from the appropriate entity, or other proof satisfactory to DCD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DCD's sole option, to furnish a good and sufficient bond or other security satisfactory to DCD in such form and amounts as DCD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

**8.16 Developer's Liabilities**. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DCD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

**8.17 Compliance with Laws**. To the best of the Developer's knowledge, after diligent inquiry, the Developer Space and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Developer Space. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

**8.18 Recording and Filing**. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

**8.19 Real Estate Provisions**.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Developer Space or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Developer or all or any portion of the Developer Space or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Developer Space or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Developer Space is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DCD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DCD's sole option,

(i) the Developer shall demonstrate to DCD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Developer Space to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to DCD in such form and amounts as DCD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DCD thereof in writing, at which time DCD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DCD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DCD deems advisable. All sums so paid by DCD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DCD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole

discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Developer Space or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of the Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(ii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of the Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Developer Space or the Project.

(iii) No Objections. During the Term of the Agreement, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any underassessment complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer.

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property, Developer Space or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.19(c).

**8.20 [intentionally omitted.]**

**8.21 Leasehold Title Policy**. On the Closing Date, the Developer shall furnish the City with a copy of the Title Policy for the Developer Space or a binding, signed, marked-up commitment to issue such Title Policy, certified by the Title Company, showing fee simple title to the Property in the Landlord under the Lease, subject to the leasehold interest of the Developer under the Lease, with the Developer as the insured with respect to the leasehold interest in the Developer Space. The Leasehold Title Policy shall be dated as of the date the Lease or a memorandum thereof is recorded and shall contain only those title exceptions listed as Permitted Liens on Exhibit G hereto and shall evidence the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Leasehold Title Policy also shall contain such endorsements as may be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. The Developer shall provide to DCD, prior to the Closing Date, a copy of the executed Lease and

certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DCD's satisfaction, by the Leasehold Title Policy and any endorsements thereto.

**8.22 Letter of Credit.** Prior to and as a condition to each payment of City Funds under this Agreement, the Developer shall deposit with the City the Letter of Credit in the applicable Letter of Credit Amount. The Developer shall maintain a valid Letter of Credit in the applicable Letter of Credit Amount throughout the Compliance Period.

**8.23 Lease.** Throughout the Compliance Period the Developer shall not (a) execute or consent to a Material Amendment or (b) sell, sublease, release, assign or otherwise transfer its interest in the Lease without the prior written consent of DCD, which consent shall be in DCD's sole discretion.

**8.24 LEED Certification.** Within two years after the Certificate is issued, the Developer shall provide evidence acceptable to the City that LEED Certification has been obtained.

**8.25 Annual Compliance Report.** Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DCD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

**8.26 Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

## SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

**9.01 General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

**9.02 Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

## SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

**10.01 Employment Opportunity.** The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to the Developer and during the period of any other party's provision of services in connection with the construction of the Rehabilitation Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Rehabilitation Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Rehabilitation Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

**10.02 City Resident Construction Worker Employment Requirement.** The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Rehabilitation Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours

worked by persons on the site of the Rehabilitation Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

**"Actual residents of the City"** shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Rehabilitation Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DCD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DCD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Rehabilitation Project.

At the direction of DCD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Rehabilitation Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago

residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. The City may obtain payment of the liquidated damages hereunder, in the amount the appropriate City or official determines are due, by drawing the amount of said liquidated damages from the Letter of Credit. **Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.**

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Rehabilitation Project.

**10.03. MBE/WBE Commitment.** The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Rehabilitation Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 *et seq.*, Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 *et seq.*, Municipal Code of Chicago (the "**Construction Program**," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Rehabilitation Project, at least the following percentages of the MBE/WBE Budget (as set forth in **Exhibit H-2** hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Rehabilitation Project) shall be deemed a "**contractor**" and this Agreement (and any contract let by the Developer in connection with the Rehabilitation Project) shall be deemed a "**contract**" or a "**construction contract**" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Rehabilitation Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Rehabilitation Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Rehabilitation Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Rehabilitation Project to one or more MBEs or WBEs, or

by the purchase of materials or services used in the Rehabilitation Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DCD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Rehabilitation Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Rehabilitation Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Rehabilitation Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Rehabilitation Project for at least five years after completion of the Rehabilitation Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Rehabilitation Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Rehabilitation Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Rehabilitation Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Rehabilitation Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Rehabilitation Project, (2) withhold any further payment of any

City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity and/or (4) draw down the Letter of Credit.

#### SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer, is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may

constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Developer under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements (a) without the consent of the Developer if the limits are not increased and (b) with the consent of the Developer if the limits are increased.

### SECTION 13. INDEMNIFICATION

**13.01 General Indemnity.** Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Rehabilitation Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

#### SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

**14.01 Books and Records.** The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

**14.02 Inspection Rights.** Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Rehabilitation Project and the Property during normal business hours for the Term of the Agreement.

#### SECTION 15. DEFAULT AND REMEDIES

**15.01 Events of Default.** The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor);

(k) the sale or transfer of any of the ownership interests of the Developer without the prior written consent of the City;

(l) the assignment or other direct or indirect transfer of the Lease without the prior written approval of the City (which shall be in the City's sole discretion);

(m) during the period that the Developer is required to maintain the Letter of Credit, the Letter of Credit will expire within thirty (30) calendar days and the Developer has not delivered a substitute Letter of Credit, in form and substance satisfactory to the City in its sole and absolute discretion, within twenty (20) calendar days before the expiration date of the Letter of Credit;

(n) a Default (as defined in the Lease) by the Developer under the Lease that is not cured within the cure period, if any, granted under the Lease, or the Developer's execution of a Material Amendment without the prior written approval of the City under **Section 8.23**; or

(o) the Developer has not delivered evidence satisfactory to the City of LEED Certification within the time period specified in **Section 8.24**.

For purposes of **Section 15.01(j)** hereof, a person with a material interest in the Developer shall be one owning in excess of 7.5% of the Developer's issued and outstanding shares of stock.

**15.02 Remedies.** Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Developer Space in the amount of City Funds paid, seek reimbursement of any City Funds paid and/or draw down up to the entire balance of the Letter of Credit as set forth in this **Section 15.02** below. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under **Section 8.06**, the Developer shall be obligated to repay to the City all previously disbursed City Funds. In addition to other instances set forth in this Agreement, the City may draw on the Letter of Credit if Developer defaults under the Jobs Covenant and/or Operating Covenant as set forth in **Section 8.06** subject, in the case of the Jobs Covenant, to the single cure period, if applicable, described in **Section 8.06(c)**.

Upon the occurrence of an Event of Default because of failure to comply with **Section 8.24, LEED Certification**, the City's remedy shall be the right to seek reimbursement of \$250,000 in City Funds through drawing down the Letter of Credit. Notwithstanding the foregoing, if the City Funds paid upon Certificate issuance were reduced by \$250,000 due to anticipated failure to achieve LEED Certification as described in **Section 4.03(b)**, then the City shall not have the right to seek reimbursement of an additional \$250,000 by drawing down the Letter of Credit pursuant to the immediately preceding sentence.

**15.03 Curative Period.** In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, except as described in the following paragraph, an Event of Default shall not be deemed to have occurred unless the Developer has

failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding any other provision of this Agreement to the contrary:

- (a) the only cure periods, if any, applicable to the Developer's failure to comply with the Jobs Covenant are those set forth in Section 8.06;
- (b) there shall be no notice requirement or cure period with respect to Events of Default described in Section 15.01 (m) (with respect to the Letter of Credit) or Section 15.01(o) (with respect to LEED Certification); and
- (c) there shall be no notice requirement or cure period with respect to an Event of Default arising from the Developer's failure to comply with the Operating Covenant.

#### SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

- (a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.
- (b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party

accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DCD.

**18.01 Amendment.** This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

**18.02 Entire Agreement.** This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

**18.03 Limitation of Liability.** No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

**18.04 Further Assurances.** The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

**18.05 Waiver.** Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

**18.06 Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

**18.07 Disclaimer.** Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

**18.08 Headings.** The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

**18.09 Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

**18.10 Severability.** If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

**18.11 Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

**18.12 Governing Law.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

**18.13 Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

**18.14 Approval.** Wherever this Agreement provides for the approval or consent of the City, DCD or the Commissioner, or any matter is to be to the City's, DCD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DCD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DCD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

**18.15 Assignment.** The Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. Any successor in interest to the Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to **Sections 8.19** (Real Estate Provisions) and **8.24** (Survival of Covenants) hereof, for the Term of the Agreement. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

**18.16 Binding Effect.** This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

**18.17 Force Majeure.** Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation,

severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

**18.20 Venue and Consent to Jurisdiction.** If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

**18.21 Costs and Expenses.** In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. *Opinion Of Developer's Counsel.*

[To Be Retyped On The Developer's Counsel's Letterhead]

---

City of Chicago  
City Hall, Room 600  
121 North LaSalle Street  
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to \_\_\_\_\_, an [Illinois] \_\_\_\_\_ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the \_\_\_\_\_ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) \_\_\_\_\_ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) Bylaws,

as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document

constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. [Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
