

Permit Hold and License Areas - Former Carnotite Reduction Company

Legend

-  IEMA License Area for the Former Carnotite Reduction Company
-  Approximate Radiological Monitoring Review Area*

*Actual monitoring requirements will depend on the location and type of work.

Although it depends on each individual permit system, the area requiring review prior to subsurface work is generally represented by the below address ranges:

- 2500-2801 S. Martin Luther King Dr.
- 2600-2799 S. Ellis Ave.
- 2729-2800 S. Vernon Ave.
- 349-550 E. 26th St.
- 500-599 E. 27th St.
